MACEDONIA BAPTIST CHURCH

Our church began in 1880 after some members from Sandy Creek Baptist Church and Mt. Zion Baptist Church felt the need for a closer meeting place for worship and fellowship between the two churches. On August 30, 1880, a group of ordained ministers met at Macedonia Meeting House in Randolph County, North Carolina, to organize a regular (Missionary) Baptist Church. This was known as the Baptist Church of Christ in Macedonia and was later changed to Macedonia Baptist Church.

In May, 1902, a Sunday School was organized to fill the need of having a regular organized program to study the word of God. As attendance grew, the need of a new church building was realized. In 1929, a committee was elected to raise funds for a new church. The new church was located on what is now called Macedonia Loop Road and the first service was held on June 19, 1932. Sunday School rooms were added in 1945 and a front porch was added in 1954.

In 1960, the first parsonage was built on U.S. Highway 421 and dedicated on May 22, 1960. In February, 1965, property adjacent to the parsonage was purchased as part of the long-range building program which included relocating the church. This new church, where we now worship, was completed in 1969 and dedicated November 9, 1969.

God has continually blessed MACEDONIA BAPTIST CHURCH and we thank Him for all the dedicated Christians who have gone before us and pray for His guidance to carry on His works in the years to come.

Tino Yanez was presently working to reach the Hispanics of the communities of Thomasville, Ramseur and Seagrove. They have purchased 8 acres of land on southeast side of Asheboro of Highway 42 to build a church.

we then heard from the Macedonia Choir.

the annual sermon was given by Rev. Kenneth Reaves and he spoke on Acts 16: The Macedonia Call. He suggested that we don't need to just mobilize Randolph Baptists but to mobilize all Christians. We need to be working on the Great Commission. But we also need to enjoy Jesus. Be open and sensitive to the Holy Spirit.

v. Kenneth Tucker closed the meeting with prayer and benedictions were given to Deep River for the day session tomorrow. It was stated that there would be a report by the DOM Church Committee tomorrow. It was also pointed out that we should be in prayer for Rev. Ron Hester who was on a trip to Malaysia with a group seeking to set up a partnership with that country.

DEEP RIVER BAPTIST CHURCH

On the first Sunday in November, 1882, near the village of Enterprise (now known as Coleridge), the Deep River Baptist Church was organized. The ministers participating in the organization were the Reverends T.M. Baldwin, Moses Baldwin, and J.W. Calder, with the Rev. T.M. Baldwin becoming the first pastor of the church. The charter membership consisted of nineteen members, including the following three, who served as our first delegates to the Sandy Creek Association: W.W. Haverness, Thomas Davis, and Nathan Kivett. For many years, the principal place of worship was an arbor, first a brush arbor, and then later, of frame construction. It stood not far from the present building.

In 1889, for unknown reasons, the church apparently disbanded and dropped its name from the Sandy Creek Association minutes. Some members, however, continued to meet, and in the fall of 1893, the church was readmitted to the Association. By 1901, the membership had grown to 48 people and needed a more permanent place of worship, so a one-room white frame building was erected on land given by Mr. and Mrs. H. Frank Brown. A steeple was added to the front in 1925, and during the 1930's and 40's as membership grew, Sunday School rooms were added. The frame building was used until the spring of 1950, when services were moved to the present brick structure, dedicated on May 31, 1953. Since that time the church has undertaken many other projects including extensive renovation of the church building in 1968, completion of a pastorium in 1971, and construction of an education and fellowship building in 1977-78.

Since becoming a part of the Randolph Baptist Association, Deep River has hosted the Associational meetings several times, the first being in 1938. The present pastor is Rev. Bob Boyd. Deep River Baptist Church celebrated its 100th anniversary on November 7, 1982, with special services. A history book was published in 1983.

Mrs. Cheryl Auman was acknowledged as the new part-time Office and Media Assistant. She will be working about ten hours per week for the present. Also noted was the change in office hours. We will not be open Monday-Thursday from 8:00 AM - 5:00 PM, and Friday from 8:00 AM til 12 noon. The Treasurer's Report was approved as presented. Mrs. Plunkett presented Gwen Rotan a check for a love offering for cleaning the associational building for so many years at such a low rate.

The Strategy Committee presented and explained the Task Force Groups. A handout in the packet explains all of this. These groups were approved as presented. It is hoped that a full report will be given from these groups at the April meeting.

In the absence of Rev. Richard Fisher, Mrs. Andi Wilson presented the Nominating Committee report. Three individuals were proposed by this committee for the DOM Search Committee. An additional two people are required in the Constitution. These two are the Moderator and the chairperson of the Finance Committee. The other three names proposed are Mr. John Rogers, pastor of Asheboro FBC, Rev. L.D. Pritchard, Balfour, and Mrs. Ann Brower, Oakhurst. This motion was presented from the committee, and open for discussion.

Rev. Kenneth Reaves, pastor of Randleman FBC, indicated a concern about the makeup of this committee, and recommended that this be sent back to the Nominating Committee for further prayer and consideration. It was noted that all of these individuals are certainly qualified, but some input is needed from our smaller churches, and from churches in the outlying areas of our association. It was also questioned how much prayer was put into this and if

these were the first people asked. Andi Wilson explained the process in detail and mentioned that others were also considered, some from small churches, but these individuals declined to serve. Rev. Kenneth Tucker, member of the Nominating Committee, and a messenger from Huldah, stated that much prayer and effort had gone into this process. The Moderator questioned Rev. Reaves as to whether he intended that the three names on the floor for nomination should be eliminated and the process begun again, or if the committee should be expanded in addition to these three. Rev. Reaves indicated that it was not his intention to eliminate these names, but to add others to include representation from the smaller churches and outlying areas of the county. Rev. Ronald Hester was questioned as to whether the committee could be enlarged without a change in the Constitution. He indicated that it could not. A motion was then made to change the Constitution for the purpose of enlarging the committee to include two additional persons on the DOM Search Committee. This was seconded and passed. The original motion from the Nominating Committee was then amended that they bring back two additional names at the April quarter meeting for approval. This amendment carried, as did the amended original motion.

Mrs. Donna Auman gave a recommendation from the Personnel and Finance Committees, including a job description and financial package for an Interim Director of Missions. According to the Constitution, the Personnel Committee has the power to employ an Interim DOM. Although there is no name present as of yet, the committee has several possibilities and will be meeting with them in the coming weeks before making a final decision. Mrs. Auman explained that although the job description will depend on the individual and his location, it is hoped that he would work two days a week, as well as on Sunday. Particular emphasis will be put upon communication between the DOM, pastors, and other church leaders. This job description is located in the packet given out at this meeting. Rev. Rick Bell questioned how he would spend his time on Sunday between Services. Mrs. Auman indicated that this would be up to the DOM, and would be directly proportionate to the needs of the association, as well as the opportunities for additional ministry on Sundays whenever possible. This motion passed as presented.

Rev. Ronald Hester, Credentials committee chairperson, informed the association that Caraway Baptist Church has chosen to pull out of the association and become an independent Baptist church. Our Director of Missions received a letter in November of 2000 informing us of this decision and Rev. Hester made contact with Rev. Honeycutt, the pastor at Caraway to discuss this decision, and inform him of our concern and prayers for the church in the days ahead.

Rev. Justus McKeel informed the association that Lifeway Counseling Services will be located in our associational building beginning February. We have chosen not to renew the lease at the present location, and will be able

have some money in the future, and put it into client reimbursements instead of overhead expenses. At the present time, Mrs. Carson Sarvis is the only counselor serving us.

Mrs. Andi Wilson distributed a prayer calendar that she designed for our association. This will help us to pray for specific needs in our association, and all of us are encouraged to use this regularly.

Mrs. Dollie Crider presented special music as we entered into a time of honoring Judson and Gwen Rotan for their twenty-three years of service in our association. The following individuals honored the Rotans:

Rev. Bill Graham as a friend and representative of the NC Directors of Missions. Rev. Bobby Stafford as a representative of the Baptist State Convention of NC. Rev. Ronald Hester as a representative of the pastors in our association. Mr. Bill Hogan as a representative of the laypeople of our association. Mrs. Andi Wilson and Mrs. Retta Plunkett each spoke a few words of recognition. Mrs. Renea Henderson arrived as Claudine, Rev. Rotan's cousin from Kentucky, to give him a send off into retirement.

Mrs. Donna Auman and Rev. Justus McKeel presented the Rotans with a silver tray and a plaque, as well as a love offering. Rev. McKeel expressed great appreciation for the years of service that the Rotans have given to our association. He also reminded them that he was the Moderator when they began their service here in 1977.

After a few words of appreciation to the association, Mrs. Pat Blake led us in the closing hymn *To God Be The Glory*.

Rev. Reginald Dawkins, former pastor in our association, led us in our closing prayer. We adjourned for a fellowship time.

Respectfully submitted,
Retta Plunkett, Clerk

"HIS Mission Our Vision"

Called to order by Rev. Justus McKeel, Moderator
Welcome by Rev. John Lindsey, pastor, Staley Baptist Church
Mr. Jay Williams led in the hymn *"Revive Us Again."*

Rev. Ron Copple led in an opening prayer.
The special music was presented by Mr. Jay Williams, entitled
"Believe in a Hill Called Mount Calvary."

Rev. Bob Boyd, pastor of Deep River, gave our message based on Timothy 1:6-12. Four points were made including the fact that we have been given a spirit of power and not fear. God saved us for something, from something and called us with a holy calling, so we need to commit our life to His service.

Mrs. Retta Plunkett gave the finance report for the 1st quarter of 2001. Several improvements have been made in the building as agreed upon by the Finance and Properties Committees. A great deal of this has been done due to gifts that were given for this purpose. Although we have struggled some the first part of this quarter, we ended with a positive balance. Our other accounts are all doing well. This report was approved as printed.

Susan King, Chairperson of the finance committee, gave a report on the way things are standing regarding our finance policies. We have gone to two-signature checks and the Treasurer and Finance Chairperson are meeting once a month to go over the accounts. We are looking into central heat/air and weather stripping for the windows. The committee desires to change our budget from October-September to January-December to be on the same budget as the majority of our churches. Since this will entail a change in the bylaws, this will need to be presented to the association for a vote at our October meeting. A motion and a second were made to submit this in October and this was carried. We recently received a bill for sewer lines on our property on Hwy 49 for \$2,170. We have over \$1,800 in our cash investment account designated for land/building fund. The committee desires to take that and put with it the necessary funds from our general fund to make up the difference. This motion passed as presented. The Finance Committee, in response to the request by the Spanish Mission in Liberty for financial help, made a motion that this mission be highlighted during our Week of Prayer for

Associational Missions and the funds received from this will go to this mission. This motion passed.

The Nominating Committee report was given by Rev. Richard Fisher. He gave an explanation of the DOM Search Committee enlistment process that has been carried out in the last several months. The first names listed were presented in the Winter Quarterly Meeting and no additional names have recently been added. This committee is as follows:

Rev. Justus McKeel, Moderator, Oakhurst
Mrs. Susan King, Finance Committee, Union Grove
Dr. John Rogers, Pastor, Asheboro FBC
Mrs. Ann Brower, Laywoman, Oakhurst
Mr. L. D. Pritchard, Layman, Balfour
Mr. Robert Taylor, Layman, Randleman FBC
Rev. John Lindsay, Pastor, Staley

This portion of the Nominating Committee report carried. The Nominating Committee then presented the names for the Associational Council, noting that the position of Sunday School Director is still vacant. These names were approved as presented.

The Personnel Report was given by Rev., Ronald Hester. It was noted that the committee has been interviewing several for the position of interim DOM, and hopefully, one will be announced shortly.

There was no Strategy Committee report at this time, except to say that the task groups are still working, and will report at a later date.

Several announcements were made by Rev. Justus McKeel. Lifeway Counseling is now located in the Associational Resource Center and Carson Sarvis is seeing clients every Tuesday and every other Wednesday. Carson will be at our August meeting to give a report on the counseling center. Also noted were some of the changes and arrangements of the offices at the Associational Resource Center. The Pastor's Prayer Breakfast will be held on April 24, 8:30 AM, at Travel Hill Baptist Church.

YMU had no report at this time.

Abby Poole gave the Brotherhood report, highlighting several upcoming events and special projects. David Boone of Victory Baptist Church was given a plaque for participating in the 2000 and 2001 RA Congress.

Mrs. Pat Blake led in the hymn "*Footsteps of Jesus*".

Mrs. Andi Wilson noted that we have a full range of services Lifeway Counseling. If an appointment is needed, anyone may call our office and we will give you the number you need in Greensboro to set up an appointment. The entire staff is dedicated to the Lord and His ministry. Andi also informed us that information regarding father/son weekends and RA camping weeks at Caraway, is located on the registration table, and those that are interested are encouraged to take a brochure. Andi thanked everyone for their prayer support during her mother's recent by-pass surgery and on-going recovery. Special thanks was given to the personnel committee for their understanding in allowing her the necessary time off to be with her mother during this critical time. As information, Andi announced her pregnancy and noted that the baby is due the end of August.

Mrs. Anne Willis, Multihousing missionary in Asheboro, gave a brief testimony and explanation of this important ministry. She reminded us that there must be a call to righteousness and we need to go where the people are to reach them. Anne finished her report with a prayer of dedication.

Rev. Justus McKeel gave a brief challenge to our association, based on Philippians 3:7-14. We must stay the course and be united in Him. After a closing prayer, the meeting was adjourned.

RANDOLPH BAPTIST ASSOCIATION
SUMMER QUARTERLY MEETING
AUGUST 20, 2001
OAKWOOD PARK BAPTIST CHURCH

Called to order by Rev. Justus McKeel, Moderator.

Rev. Danny Hosler, Pastor of Oakwood Park, welcomed the association.

Rev. John Lindsay, Chairman of the DOM Search Committee, announced that there was a survey in the packet that needs to be filled out and turned in as soon as possible.

The hymn, "*Send Me, O Lord, Send Me*" was led by Mr. Jay Williams, followed by prayer by Rev. Charles Fleshman.

The Oakwood Park adult choir performed "*Tell Them I Was on My Way*", with Bonnie Edwards as soloist.

Rev. Larry Martin, Pastor of Shady Grove Baptist Church, gave the devotion, based on the first several chapters of Isaiah. He reminded us that we are in a fight here in Randolph County for missions. We are 70% unchurched, and need to be concentrating some of our efforts here in our own communities, not as social clubs, but as churches that are reaching others for Jesus. Jesus must be the Center of all we do, and we need to stand up for what is right. As Isaiah found out during his tenure as Prophet of the Lord, our hearts must be in the fight for us to succeed.

The Treasurer's Report was given by Mrs. Retta Plunkett. It was noted that we have been using two party checks and Susan King, Finance Committee Chairperson, looks over the bills and checks before they are signed. Several areas of concern in our quarterly finance report were noted, with regard to going over our budget in the line items of media and other supplies. These were explained, along with the announcement that financial requisition forms are being designed so that everything must be approved before the purchase is made. This report was approved as given.

Mrs. Susan King presented our proposed and modified budget for the October-December quarter of 2001, with explanations regarding a couple of additional items, and why some things were temporarily deleted for this quarter. This budget was approved as printed. Susan also noted that requisition forms are now being prepared for purchases. The Finance Committee has decided to refer some requests of videos to the Baptist State convention. It has been decided that several line items will be added in our 2002 proposed budget, due to be presented at the annual meeting, to cover additional computer needs, break down other supplies, and an audit in 2002.

Rev. McKeel noted that there would not be a strategy report at this meeting, as listed in the program.

Mrs. Donna Auman, Chairperson of the Personnel Committee, welcomed Rev. Gene Booker as our Interim Director of Missions, noting that he has an impressive list of credentials. Donna also indicated that there had been some questions regarding Retta and Cheryl's job descriptions in the office, and

reminded everyone that there were job descriptions for both in the packet. Cheryl works 10 hours per week as a paid employee, but donates much of her time as a volunteer and WMU Director for the association.

The Nominating Committee report was submitted by Rev. Richard Fisher. He reminded us that there are several vacancies on the Communications and Strategy committees, as well as the position of Sunday School Director. If anyone has any suggestions about these or would like to volunteer, please see Richard or another committee member. This report was approved and printed.

Rev. John Lindsay gave an update on the DOM Search Committee. The committee has met several times and appointed John as the Chairperson. A meeting was recently held with Bobby Stafford of the Baptist State Convention. John requested that this committee stand and be recognized so that we would know who to pray for. Rev. Kenneth Reaves led us in prayer for God's anointing on this committee as they search for His man for our association.

The Baptist Men report was given by Mr. Bobby Poole. RA Racers will continue to include girls in our association, although not on the state level. Training sessions will be held for Baptist Men, RA's, and Challengers in October, and all churches are encouraged to send leaders to these sessions.

Mr. Jay Williams led the congregation in the hymn "*We're A Story To Tell To The Nations*".

Mrs. Andi Wilson reminded us of the Fall Festival in Asheboro the first weekend in October. Our association will again have a booth giving out cups of water. Individuals and groups are encouraged to contact Andi or Cheryl Auman to sign up to help at this event. Andi also announced that Mr. Tony Whitley, an employee of Burlington Industries, has given us about 300 pairs of blue jeans to give out to flood victims or others in need. They cannot be resold, however.

Although Mrs. Carson Sarvis, counselor of Lifeway, could not be at this meeting, there is a leaflet provided in the packet informing us of the services available at the counseling center. The Randolph County Pregnancy Care Center is in great need of volunteers. Andi noted that her C-section is scheduled for 6:00 AM, August 29, and she will be out on maternity leave for several weeks following.

Rev. Tino Yanez, Pastor at our Spanish Mission in Asheboro, spoke with the help of Jose, his interpreter. Tino thanked the association for our prayers and monetary support and announced that the mission now has a new name, Iglesia Bautista El-Shaddai. They have a membership of 100 with 126 attendance in the morning worship and 89 in the evening worship. They will be moving to facilities at First Baptist Church in Asheboro the beginning of September, which will give new opportunities for growth and expansion. There are about 5,000 Hispanics in Asheboro and they all need Jesus, as well as a place to worship Him. The mission has purchased a piece of land and will close on this property August 27. Drawings of the inside and outside of the building the mission hopes to build were shown. Jose read Acts 16:9.

Rev. Fortino Ocampo, Pastor at the Spanish Mission in Liberty, told us that the mission there began in 1996, and they now have 50 members, with about 60 people attending services regularly. They have a \$42,000 budget. Their desire is to be a missionary church. They are looking for a piece of land and hope to be a constituted church soon. Thanks was given to the RBA for the support and prayers.

Our Level Cross Church Planter, Rev. Ronnie Mixon thanked the association for their prayers for his wife who was diagnosed with cancer last fall. At this point she is cancer free. Ronnie used Hebrews 12:1 to say that we are all witnesses to the work the Lord is doing in Level Cross. The first service was held May 1 and 10 families are regularly attending, with 40-50 present in the weekly services now. Two day camps were held this summer with about 85 children attending each time. At this time, Ronnie is leading a Thursday worship service for kids at a local day care, as well as being an assistant football coach in Randleman. The main thing at this time is to keep our vision outward for God to lead. Ronnie expressed thanks to the RBA for our prayer support, as well as our financial support.

Dr. Dan Wood gave a report on a conference he recently attended on demographics and mapping using information from the 2000 census. This program and the training for Dan was provided to us for the cost of \$350. Dan demonstrated some of the possibilities and abilities of this program and reminded us that this is available for use by our churches and leaders in the association.

Rev. Gene Booker introduced us to his wife, Bobbie and recognized our new pastors and staff people in the association. He also reminded us that mail addresses are needed, especially for pastors. Rev. Booker noted that the Moderator would be appointing a committee in the coming months to study the Constitution and By-Laws. As already noted, an audit will be held in 2002, as well as purchasing forms for staff and volunteers to use. Another goal is to mobilize volunteers to do skilled work in our association, and let others benefit from their expertise.

Several upcoming events were mentioned and emphasized. The fund for Russell Chrisco is still open if anyone desires to give to this.

Rev. Justus McKeel announced that he would have a committee ready to present at the annual meeting in October to study the Constitution.

After instructions by Rev. Danny Hosler, he led us in a closing prayer.

The Leadership Team setup and provided churchwide leadership training on Oct. 14 from 11AM-1PM with lunch and nursery care provided at Oakhurst.

The Baptist Women's National Day of Prayer was observed on November 6, 2000 at Iglesia Mision Bautista Hispana in Asheboro. This was a big success with approximately 60 in attendance.

This Spring, the Associational WMU offered a Beth Moore Bible Study, Jesus, the Son and Only which was very well attended.

We are happy to announce a new WMU group has been formed at Russell's Grove. We are doing very well for a young group. The WMU Director, Teresa Owen, I am happy to say is our Asst. WOM/Adult on Mission Consultant, and although this is a new group, Teresa is not new to WMU. She and her group are doing a fine job.

Unfortunately, due to the fact that the Men's Prison had limited us on the packets we were to provide for them, we had to get creative in collecting items to make packets for them. The unfortunate part was that some of our churches were not able to help us fulfill our commitment and so the Associational WMU budget suffered. The cost of making up the difference. This year, a number of our churches dug deep and have already collected 279 completed packets which are now ready to be waiting for the prison to pick up. Our thanks for all the dedication and hard work helping us perform this ministry.

Last year we also fell short on the collection of tubes of toothpaste for the Women's Correctional Center in Raleigh. As with the Men's packets, our ladies have risen to the challenge and are doing great in collecting the proper bottles of lotion we need to fulfill our year's commitment.

Our leadership team has divided the churches of our Association between us. Each of us is responsible to establish a face-to-face relationship with the churches. Each of us is responsible to mentor to. This is going well and we have decided to offer training to only those who request that training. We will be providing dates for individual group training shortly in the Associational Newsletter, "Banner".

The biggest thing we have coming up is the dinner at Camp Mundo Vista on November 3 at 7PM. This will be a fun activity that we hope all churches will try to participate in. This purpose, of course, is to raise funds for renovation at Mundo Vista but the benefit will be the fellowship of our churches. We have arranged for "New Wine to entertain. We will have some of our pastors waiting tables and hopefully collect generous tips for the offering and generally cutting up and having a good time. "Glutz", WMU Director, promised to visit sometime that evening. We won't, however, have any guest speakers or business of any kind. This evening is intended solely for fellowship and fun.

The bottom line is that we, as the WMU of Randolph Baptist Association, are here to bring the lost to our Savior, Jesus Christ and our leadership team is here to help member churches to just that.

INTERIM DIRECTOR OF MISSIONS REPORT

It has been an exciting venture to serve you as Interim Director of Missions. I felt that my thirty-eight years in the pastoral ministry and the four interim pastorates, my involvement in associational work over the years, and my involvement in our State Convention would be helpful to me in my first experience as Interim Director of Missions. All of these have been helpful, but there was much to learn and many challenges before me. Your encouragement and support is greatly appreciated. I also thank you for your prayers. They are most welcome.

My time has passed quickly. Of course, that is the way with time as one grows older. Since June 4, I have traveled 2,382 miles on associational business. That includes two (two-day) workshops, one seminar, one key leadership conference at Ridgecrest, and twenty-four committee meetings within the association. I have had the privilege of speaking in ten of our churches, and visiting in another eleven churches. It is exciting to witness what God is doing in Randolph Association.

Some positive things are taking place in our association. I have been pleased as you have responded with gifts to the Floyd flood victims, the West Virginia disasters, and terrorist attacks on our country. Your response in praying and giving of money and hands on involvement is another testimony of your compassion. Also, your prayers and love gifts for Rev. Russell Chrisco at the time of the tragic death of his wife Janice, says to me that you are concerned about your Christian friends. Please continue to remember Russell and his family as you pray. I also see positive signs from many of our people who are actively involved in our work. This is especially true of your support for our Hispanic ministries in Liberty and Asheboro, as well as the mission at Level Cross.

However, there are some negatives as well. My greatest concern is the lack of support from several of our pastors and churches. They are missing a blessing, and we are missing a blessing. We could be enriched by their fellowship and hopefully, they could be enriched by ours as well. To provide the ministries in our area, we need the financial support of all of our churches. Our goal is for every church to give a minimum of three percent of undesignated gifts to the association. Some are giving more,

many are giving less, and some are not giving anything. Please encourage your church to work toward giving that three percent. As we think of the Hispanic Church in Asheboro getting ready to build its own building, the Hispanic church in Liberty searching for land, and the ministry at Level Cross needing facilities, our financial needs are great. These are challenges that God has given to us, and I am confident that you will respond to these needs.

I do have one regret. There will not be a report from the Vision Focus Team. Some key people have resigned from the committee, and some of the committee members have been less than enthusiastic. I say this in love, because it has been a hard working committee over the past two years. However, we need to finalize the report and get our churches involved in implementing it.

As I thank you again for the privilege of serving with you, I request that you pray earnestly and faithfully for your Director of Missions Search Committee. They are seeking the person that God has for us. They are praying for God's leadership. We can do no less.

Respectfully submitted,
C. Gene Booker

Baptist Children's Homes of North Carolina

Baptist Children's Homes serves record number of children. In 2000, Baptist Children's Homes of North Carolina served a record 2,000 children and more than 1,600 families statewide. BCH operates residential campuses in Thomasville, Pembroke, Kinston and Clyde, a maternity home in Asheville, a teen mother/baby home in Lenoir, value change homes for boys and girls in Franklin and Asheville and for girls in Lenoir, a wilderness camp for boys in Cameron, emergency care cottages at each of the residential campuses and in Waynesville, and a model day care in Thomasville.

Children tell their stories during Baptist State Convention report. Standing ovations, applause and heartfelt hugs greeted the children and staff at their 30-minute presentation during the 2000 Baptist State Convention in Winston-Salem. More than 130 BCH children, child care workers and staff sang, shared their stories and said "thank you" to the approximately 4,500 messengers attending the Tuesday afternoon session. Messengers heard special testimonies from Citadel graduating senior and former Broyhill Home resident Jason Davis and Hannah Adams' mother Donna. Hannah has participated in both the 2000 and 2001 BCH Respite Camp for Developmentally Disabled Adults.

Jason Davis thanks messengers. Jason was featured in the 1995 Baptist Children's Homes report to the convention. At that time he was 17 and dreamed of a career in the Air Force. During his testimony at the 2000 convention, Jason appeared in the full dress uniform of The Citadel. He reminded messengers that if it had not been for their care and support he could have never realized his dream. He told messengers that he credited them for the opportunities he has known. Jason said he plans to always come back to visit the children and just as others come to help him, he would give to help the other children who would come to BCH after him. Upon his graduation from The Citadel in May 2001, Jason Davis was commissioned as a lieutenant in the United States Air Force.

Donna Adams claims Developmental Disabilities Ministry an answer to prayer. The final testimony of the BCH presentation was not given by a child, but by a mother. Donna Adams of Laurinburg strained to maintain her composure as she shared how BCH's new ministry for developmentally disabled adults was the answer to her prayers. Adam's daughter Hannah suffered brain damage as an infant. Today, Hannah is a beautiful young woman. Donna said she is comforted in knowing North Carolina Baptists and the Baptist Children's Homes would be there as her family plan for Hannah's future. She thanked messengers on behalf of other parents and families of developmentally disabled children for their support and commitment to this ministry.

North Carolina Baptists reach \$1,000,000 Thanksgiving Offering goal. Because of the support of Baptist churches all across North Carolina, Baptist Children's Homes met the 2000 Thanksgiving Offering goal of \$1,000,000! The goal was record for the agency. BCH President Michael C. Blackwell said he was "enormously gratified at this outpouring of response." Baptist Children's Homes is grateful to all North Carolina Baptists who committed themselves to help meet this challenging goal.

First Baptist Church of Salisbury sets goal they couldn't reach. Interim pastor Dr. Dale Noel said collecting a church record of \$18,300 for the 2000 Thanksgiving Offering was fun.

Dr. Steel recounted the meetings that led to setting the church's goal at 1% of the total BCH goal of \$1 million or \$10,000. In 1999, the church gave approximately \$3,500. The church's leadership decided to set a goal they could not reach on their own. Leading with prayer and a commitment to meet their goal, the church watched as they passed their goal and reached their record amount. One month after receiving the record Thanksgiving Offering, the First Baptist Church of Salisbury collected the third-largest Lottie Moon ingathering in 11 years. Dr. Steel credits the church's vision, enthusiasm and determination to do their part for missions as being the key to their success.

BCH breaks ground on two new DDM homes, and dedicates new children's cottage in Marshville. In June, Baptist Children's Homes broke ground for two new group homes for developmentally disabled adults in Winston-Salem. The homes – Davis House and Hinkle House – are being built adjacent to BCH's Baptist House at Bethabara and will open in early 2002. The R.P and Ella Mae Stegall Home was dedicated August 19, 2001. The new group home is located in Marshville and provides residential care for nine boys.

New Millennium Families study guide offered to churches. The study guide to accompany Dr. Michael C. Blackwell's book *New Millennium Families* is being made available to churches for group Bible studies this fall. Dr. Blackwell believes BCH can help strengthen families in North Carolina Baptist churches and is committed to providing the necessary resources. Dr. Blackwell's new book, *A Place for Miracles*, is a history of Baptist Children's Homes, and will be available in late 2001.

BCH anticipates another record Thanksgiving Offering. The 2001 Thanksgiving Offering goal is \$1,100,000. This represents a \$100,000 increase over last year's record-setting amount. The number may seem enormous, but there is an enormous need. Children and families turn to BCH broken, battered and burdened. But with the help of North Carolina Baptists, BCH shows them God's love. BCH is counting on North Carolina Baptist churches to help meet this important goal during this time of economic uncertainty. Call 1-800-476-3669, ext. 1209 to order promotional material, the new Thanksgiving Offering video, last year's BCH Convention Presentation video or to request a speaker to tell the BCH story in person.

The support of North Carolina Baptists through the Thanksgiving Offering, Cooperative Program, church-designated and individual gifts, memorials, honors, and estate gifts enables us to fulfill our mission statement: "helping hurting children...healing broken families.

BCH is grateful for North Carolina Baptists' prayers and support.

THE NORTH CAROLINA BAPTIST FOUNDATION, INC. 2000 ANNUAL REPORT

mission of the North Carolina Baptist Foundation since its inception in 1920 has been to assist the nation and its institutions and agencies in increasing an awareness among North Carolina Baptists of an estate stewardship principles as a means of financially undergirding churches, institutions and endeavors on a permanent basis. The uniqueness of the ministries and services provided by the Foundation and General Board staff merits increased financial support. The Foundation accomplishes its objectives by offering assistance in estate planning counsel, Will preparation, planned giving, charitable remainder trusts, endowment funds and church fund management.

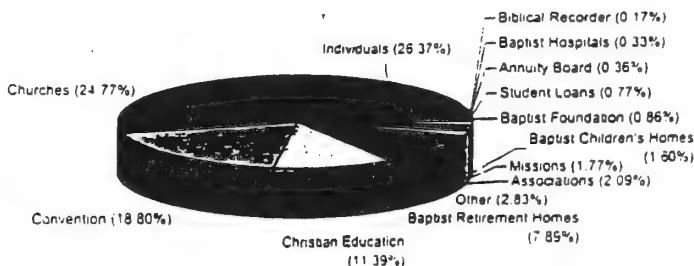

In 2000, the Foundation provided assistance to individuals in establishing 30 endowment funds and charitable remainder trusts totaling \$1.9 million and received \$3.6 million in contributions to existing endowments all of which will ultimately benefit countless Baptist causes on a permanent basis. Programs were provided for 164 churches and associations during the year to promote Make Your Will Month, an estate stewardship, and church fund management. Over \$4.6 million from churches and associations came under management to enhance numerous ministries including scholarships, building cemetery funds, benevolence funds, general operating funds and other various mission causes. With a total of \$10.1 million in contributions, it was the best year ever eclipsing the previous high of \$9.3 million recorded in 1999.

The Foundation employs professional money managers to invest these funds according to an investment policy adopted by its Board. Four investment pools are offered: a growth fund, a balanced fund, an equity fund and a fixed income fund. The Foundation uses the services of Salomon Smith Barney to select top money managers and evaluate performance. As of December 31, 2000, the Foundation had \$74.4 million under management. This is an increase of more than \$4.1 million over 1999.

The Foundation also experienced a record year in distributions in 2000. The previous high in distributions was in 1999, with \$5.3 million distributed to charity and individuals. In the year 2000, our distribution totaled \$6.1 million dollars, with charity receiving \$6.7 million and individuals, through trusts, receiving \$2.4 million. In the 81-year history of The North Carolina Baptist Foundation, Inc., \$18.5 million has been distributed to individuals and \$32.4 million to Baptist churches, institutions and mission causes for a grand total of \$47.1 million.

HOSPITAL FOCUSED ON PARTNERSHIPS IN HEALING

"We desire to build a hospital to bring the healing art more definitely under the dominion of the Great Healer." Baptist Hospital's founding commission penned these words in 1921, and this partnership in healing has been our defining purpose. Our Christian heritage remains the foundation of Baptist Hospital and undergirds our daily commitment to provide compassionate, state-of-the-art medical care to those we serve. The Christian faith is truly the "soul of our institution."

SCHOOL OF PASTORAL CARE

The mission of the School of Pastoral Care at Baptist Hospital is: *To provide ministries of growth, hope, healing in the Spirit of Christ.* We are thankful that North Carolina Baptists are a significant partner in this mission, helping us bring hope to thousands of people each year.

The Department of Chaplaincy and Pastoral Education provided ministry during the past year through more than 61,000 pastoral visits, and worship services every Sunday, Monday, Wednesday, and Friday. The department's Clinical Pastoral Education (CPE) program received a 10-year accreditation from the Association of Clinical Pastoral Education site review team. Fifty-eight students received training in one of the largest and finest CPE programs in America.

The Department of Pastoral Counseling, CareNet, Inc. continues to develop its ministries. Rev. Steve Scoggin became the director of the system's newest center, the East Carolina Counseling Centers, Inc., in Greenville, N.C. CareNet's counseling centers provided more than 25,500 hours of compassionate pastoral counseling in 17 locations across the state during the year. It is the largest pastoral counseling system in the nation. Thanks to N.C. Baptists, free or reduced rate counseling is made available to lower income people.

The Center for Congregational Health, Inc. continues to assist churches in becoming healthier communities of faith. The Center provides consultation to 25 congregations a month. Over 600 church leaders received training in educational events conducted by the Center during the past year. These include the Young Leaders Program for ministers under age 40, and Intentional Interim Ministry training. Thanks to N.C. Baptists, the Center receives essential support for its ministries. This support pays for initial consultation for all Baptist churches, and provides subsidies for churches and ministers who need special financial assistance.

The Department of Church and Community Relations continues to serve as a liaison between the Hospital and churches of the Baptist State Convention. The department's director, Rev. Paul Mullen, provided ministry through 150 requests for assistance with obtaining medical care or concerns about medical bills. More than \$65,000 was provided to N.C. Baptist ministers and their families by the 25% subsidy for their hospital bills. A variety of benevolent ministries was also coordinated, primarily the Baptist Benevolent Care Fund.

BAPTIST BENEVOLENT CARE FUND

North Carolina Baptists, through the Mother's Day Offering, opened their hearts to patients in financial need and gave \$560,624 in 2000 for the compassionate mission of benevolent care at Baptist Hospital. All of the funds were used to pay the hospital bills of patients in financial need. The fund helps patients who "fall between the cracks," making too much for government assistance but not enough to pay for healthcare insurance. They are deeply thankful to N.C. Baptists for this gracious witness to God's love. As one recipient said, "He smiled on us through the Baptists of North Carolina." Her son is a 13-year-old cancer patient.

ADDITIONAL HIGHLIGHTS AT NORTH CAROLINA BAPTIST HOSPITAL

Trauma Center Earns Recognition for Trauma Care – Baptist Hospital, a Level One Trauma Center, received recognition in both adult and pediatric trauma services in February 2001 by the American College of Surgeons. It is the first Level One Trauma Center in North Carolina to receive such recognition.

Biblical Recorder
2001 Associational Report

Baptists cling stubbornly to the idea that people should think for themselves and make up their own minds about issues of importance. For this reason, Baptists affiliated with the Baptist State Convention of North Carolina (BSCNC) are fortunate to have a resource that provides regular, dependable and balanced news coverage of wide-ranging matters relating to Baptist life.

The *Biblical Recorder*, the official news journal of the BSCNC, has served this purpose since its establishment in 1833 by Thomas Meredith, a prime mover in founding the Baptist State Convention in 1830. The *Biblical Recorder* was privately owned and operated in support of Baptist work in North Carolina until 1938, when the paper was purchased by the Baptist State Convention and incorporated as an agency of the convention.

The *Biblical Recorder* is widely acknowledged to be in the top echelon of state Baptist papers, winning national honors for news and editorial writing in 2000.

The *Biblical Recorder's* strategic role in promoting God's kingdom work through North Carolina Baptists grows from its mission statement: "*to further Christ's kingdom by providing relevant news, insightful opinions and supportive resources to North Carolina Baptists in a timely and accessible fashion.*"

As a BSC agency, the *Biblical Recorder* belongs to all North Carolina Baptists, and appropriately reflects the geographical, ecclesiological, and theological diversity that is typical of the churches making up the Baptist State Convention. The editors and staff of the *Recorder* work diligently to offer a fair and balanced presentation of the news that most affects the life and ministry of North Carolina Baptists. Opinions advanced through editorials, letters, and analytical essays help to spark informed thinking on important issues. Feature stories about notable or innovative activities of churches and associations, regular reports on partnership missions efforts, and weekly commentaries on the most popular Sunday School lessons offer ideas, encouragement, and inspiration to readers of the *Recorder*.

In addition to its printed form, the *Biblical Recorder* maintains a popular presence on the World Wide Web, significantly enhanced through major upgrades in early 2001. The *Recorder's* website at www.biblicalrecorder.org offers Internet users an opportunity to read much of each paper's content online, and allows for the posting of breaking news prior to the printing of the next issue. New features include an internal search engine, a church locator service, classified ads, Bible study resources and a news/weather portal. Thousands of interested readers around the world consult the online version regularly.

As a BSCNC agency, the *Biblical Recorder* receives annual support from Cooperative Program gifts, making it possible to offer the *Recorder* at very affordable subscription rates. Currently, the annual rates are:

- Church News Service (incorporates church newsletter into the *Recorder*) - \$7.50
- Every Home Plan (20%+ of church families, paid through the church budget) - \$8.50
- Club Plan (4 or more persons in a church subscribe together) - \$9.75
- Individual Subscription - \$11.90

BAPTIST RETIREMENT HOMES

OF NORTH CAROLINA, INC.

PROUDLY SERVING OLDER ADULTS SINCE 1951

FOR YOUR INFORMATION... FACT SHEET

WHAT IS BAPTIST RETIREMENT HOMES?

Founded in 1951, Baptist Retirement Homes of North Carolina, Inc. (BRH) is one of North Carolina's most respected providers of long-term care. With four retirement communities throughout the state, BRH provides all levels of care for Older Adults, including special programs for conditions such as Alzheimer's Disease. The Homes' continuing care retirement community called The Gardens of Taylor Glen is under development near Charlotte. BRH also owns and operates a home health program that provides certified nursing and therapy services to bound individuals. Baptist Retirement Homes is a not-for-profit organization affiliated with the Baptist State Convention of North Carolina.

ARE RESIDENTS OF BAPTIST RETIREMENT HOMES PRIMARILY BAPTISTS?

At the Brookridge Community, 60% of the resident population is Baptist. About 80% of the resident population of the Western North Carolina Baptist Home is Baptist. The Taylor House and the Hamilton Baptist Home are primarily composed of Baptist residential populations.

WHAT IS THE COST OF SERVICES? ARE FINANCIAL RESOURCES AVAILABLE FOR THOSE WHO CANNOT PAY?

Fees vary according to facilities and the level of care chosen or required by residents. A full schedule of fees for each facility is available upon request. There are no entrance fees associated with any of the health-related facilities owned and operated by Baptist Retirement Homes. The Hamilton Baptist Home and The Taylor House are among the few not-for-profit, church-related, long-term care facilities in North Carolina with no financial requirements for admission. Contributions received from the Baptist State Convention Cooperative Program, the North Carolina Offering for Older Adults, and from local Baptist churches across the state are used exclusively to help provide care for those Older Adults in either assisted living or nursing care who are unable to pay the full cost of the services they need.

DOES THE BAPTIST STATE CONVENTION OF NORTH CAROLINA SUPPORT BAPTIST RETIREMENT HOMES?

Baptist Retirement Homes is affiliated with the Baptist State Convention of North Carolina but is a separate and distinct corporate entity. Messengers of the churches that compose the Baptist State Convention elect BRH members. In 1999, funds received from the Convention Cooperative Program, the North Carolina Offering for Older Adults, and local Baptist churches totaled approximately \$1.6 million. All of those monies are being used to support Older Adults living in assisted living or nursing care who lack sufficient financial resources to pay the cost of the care they receive.

Opportunities for Volunteers Without Disaster Training

Virginia and West Virginia flood victims are still in need of assistance. Please help us meet the need of these affected by natural disaster through long- term rebuild. Manpower is needed in the West Virginia cities of Pageton, Pineville, and Whitesville as well as Bishop, Virginia. Virginia has 57 volunteers to-date working on 19 homes and 1 church. If you are willing and an available volunteer or volunteer group that could assist with flooring, sheet rock, and/or general construction, please contact Leon White in West Virginia at 304-757-0944 x 105, or his secretary Jan Pack at x 101. For Virginia, please contact Martha Washington at 804-915-5000.

Prayer Needs

- a. For the development of an effective strategy that will assist and strengthen local churches in New York for ministering to the needs of those affected by the disaster;
- b. For the Evangelism Response Center at the North American Mission Board as they receive calls and their opportunity to share Christ with callers;
- c. For the volunteers on site and the leadership team;
- d. For the teams traveling to and from the operation area;
- e. For the country of Belize as they recover from the affects of hurricane Iris; and
- f. For those affected by the tornado in Cordell, OK.

Financial Contributions

Checks can be made out to the North American Mission Board, marked for disaster relief and mailed to NAMB, P.O. Box 116543, Atlanta, GA 30368-6543 or donation can be made online at www.namb.net . "Thank you", to the many churches and individuals who have made contributions!

In Kind Donations

We have received many calls concerning In Kind donations. The NY Convention and Association do not have facilities for In Kind donations. According to American Red Cross, no In Kind donations are being accepted at this time. It is suggested that you make In Kind donations to your local food bank or shelter. To make financial contributions to the disaster relief effort, see the financial contributions section above.

Disaster Relief Training

If you would like to be trained in disaster relief, please contact your state Baptist convention for a training schedule.

Other Volunteer Opportunities

To view and express interest in ministry opportunities that are available throughout North America on an ongoing basis, please register as a volunteer or volunteer group at www.volunteers.namb.net. Opportunities vary from construction to creative arts, in a multitude of settings.

FALL QUARTERLY EVENING MEETING
SOPHIA BAPTIST CHURCH
OCTOBER 22, 2002
MEETING MINUTES

While registration was in process, we were entertained with some lovely singing by some of the Sophia church members (Sherry Leonard, soloist and The Farlows Trio).

Rev. Justus McKeel convened the evening meeting at 7:00 PM. Rev. McKeel then recognized Mr. Bill Hogan who moved that we accept the program for tonight and tomorrow. It was passed unanimously.

Mr. Jay Williams led us in signing No. 572, "I Love To Tell The Story". Dr. Dan Wood accompanied Jay on the piano.

Rev. McKeel then introduced Rev. Bill Barnes, who welcomed us to Sophia Church and gave us the location of the bathrooms. He also invited all to stay after the meeting for refreshments. We enjoyed a joke regarding fussing and fighting and he then gave prayer to open the meeting.

Rev. McKeel introduced Rev. Ron Hester, who spoke on changes to the Constitution. Several comments were made regarding corrections and a motion was offered to amend Office Help to Office Personnel.

Rev. McKeel asked that attendance sheets to be passed to the aisle where they could be picked up to be counted.

Rev. Gene Booker then recognized new pastors and interims to the association. Rev. Charles Phelps (new pastor at Central Falls), Rev. Billy Metters (Interim at Huldah), Rev. Kenneth Tucker (Interim at Sandy Creek), Rev. Judson Rotan (Interim at Seagrove FBC), Rev. Charles Harris, (Interim at Union Grove). Gene, at this time, reminded the pastors of the combined Conference and Prayer Breakfast in November. Rev. Booker asked us to be in prayer that Oakwood Park and Staley who are without pastors or interims, will have the pulpits filled soon.

Mrs. Cheryl Auman spoke to the congregation regarding the Congregation Profiles, which had been distributed at the August meeting. These were now past due and she asked that the churches endeavour to get those in before the end of the year so that the Annual Minutes could be prepared in a timely manner and the information could be conveyed to the Convention.

Mrs. Susan King gave the financial report referring to specific items and then it was moved that the financial report be accepted as presented. It was carried unanimously. Rev. McKeel introduced Rev. Fred Hardin and invited him to come to the front to visit with us. He stated he was the pastor of a new work – Grace Community Church in Gray's Chapel. He shared the doctrine and philosophy of their church and shared they were

about the Great Commission. Rev. McKeel related we would vote tomorrow on taking Grace Community under watchcare to become a full member of our association.

Mrs. Auman was asked if she wanted to make a report on WMU and she declined.

Mr. Bobby Poole took the podium and pointed out items he included in the Book of Reports. He then offered his assistance to anyone who needed it at any time.

Rev. Charles Fleshman was introduced as our new Sunday School Team Leader. He reminded us of the upcoming Sunday School Conference at Ramseur FBC on November 4. Sunday School is the main format for most Christians to learn about Jesus and his teachings and therefore needs our earnest attention.

Mr. Robert Taylor, chair of the Search Committee, stated that he would not be present at the morning meeting and wanted to make his report out of order. He stated we have narrowed the field to five candidates and asked that we please pray for the committee and the candidates as the committee takes the next steps in the selection of our new DOM.

Rev. McKeel asked if there was any miscellaneous business to be addressed? There was none and the program continued with Mr. Jay Williams leading us in the singing of No.1 571, "Let Others See Jesus in You".

The Sophia Choir entered the choir loft and provided us with a performance of special music.

Dr. James Royston came to the podium following the choir's presentation. He shared he was impressed with the facility and apologized for being a little late due to traffic. He told us most of the convention business takes place at Camp Caraway and pointed out there are 78 associations they are involved with and are the heart of the ministry of the Great Commission. His message was "Strategic Spiritual Journey" referencing Matt. 28:16-30. All authority in heaven and earth was given to Christ and he commissioned us to reach the whole earth. Dr. Royston urged us to be prepared to witness wherever we find ourselves. He referred us to I Peter 1:15 and Acts 8:30 – be holy in all matters of life or be Christlike.

Rev. McKeel thanked Dr. Royston for his presentation.

Rev. Bill Barnes, pastor of Sophia Baptist Church invited us all to join in fellowship in their family center for refreshments.

Rev. Judson Rotan gave the benediction and the meeting was adjourned.

Sophia Baptist Church

Sophia Baptist Church was organized in 1959. The first service was held on August 2, 1959, with Rev. W.D. Bennett, his wife and seven others. With just nine members and an old church building on U.S. Hwy 311, Sophia Baptist was organized. Rev. Robert Brown served as pastor from 1962 until 1967. Rev. Bill Barnes was called as pastor in 1968 and remains as pastor today.

God has blessed and the church has grown far beyond the founding member's dreams. Sophia Baptist has been through many building programs over the years including a new building in 1971, and addition to the church in 1974, a Family Life Center in 1988 and most recently, a new sanctuary in 1999 that will seat 500 people.

Many of the people who helped make these accomplishments possible, by the grace of God, are still here. Others have been led elsewhere to serve God; some have gone home to be with the Lord. We can be thankful for the work and dedication of many members, who so faithfully love and serve the Lord, for making it possible for us to worship here today.

RANDOLPH BAPTIST ASSOCIATION
FALL QUARTERLY MORNING MEETING
HULDAH BAPTIST CHURCH
OCTOBER 23, 2002
MEETING MINUTES

Rev. Justus McKeel, Moderator, convened the morning session at 9:00 AM.

All were welcomed and because Mr. Jay Williams was not able to attend this session, Rev. Gene Booker led us in singing No. 227 "Praise Him, Praise Him". Dr. Dan Wood provided accompaniment.

Rev. McKeel introduced Interim Pastor, Billy Metters, who welcomed us to Huldah Baptist Church and read scripture from Romans Chapter 10. He then indicated to us the location of the restrooms and fellowship hall and invited all to remain after the meeting for lunch.

Mrs. Dottie Pickler was not present so Rev. McKeel directed everyone to read the History of Huldah included in the Book of Reports.

Rev. Richard Fisher delivered the Nominating Committee report. He thanked everyone for love and sympathy extended to his wife, Emma, who had a broken pelvis. Rev. Fisher pointed out the changes in the committees. It was then moved that the slate be accepted and was carried unanimously.

It was mentioned that John Waters and Dr. Royston's wife were in the hospital and we were asked to remember these in our prayers.

Mrs. Susan King presented the Proposed Budget for 2003 and it was moved and seconded to be adopted as presented. This was carried unanimously.

Rev. Carl Ziegler was not present and therefore, Rev. Booker presented the Credentials Report recommending that Grace Community Church come under watchcare of the association. It was so moved and seconded. It was carried unanimously.

Rev. Ken Reaves presented the updated Constitution pointing out motion on the floor regarding changing the section title Office Help to Temporary Office Personnel. This was seconded and carried. The changed Constitution was then adopted.

Mr. Robert Taylor was not present and Rev. McKeel shared what has been done with the Search Committee. He stated that a package had been sent to the five candidates which included our proposed budget and release form so we can talk to references given by candidates.

Rev. Doug Davis reported on activity of the General Board. He indicated that the General Board is the in-between session convention. He also related some of the other duties of the board.

Mr. Bill Hogan reported on the program committee and moved that the proposed program information for the year 2003 be accepted. The proposed program (included in the Book of Reports) was accepted as amended.

It was then reported that today's attendance was 78.

Under miscellaneous business, Rev. Judson Rotan asked that the Associational Handbook should still be a viable instrument and be revised. It was explained that the Constitution and By-Laws and the Personnel Manual (now being revised) would encompass all necessary material.

Mrs. Gaylin Huff spoke to us regarding the Baptist Children's Home. She told us about facilities in Lenoir and Asheville that minister to young single mothers. The average age of teens in this care is 14. These girls need hope and direction to assist them in making life decisions. She showed us a "chain of prayers" and explained their program regarding a chain they want to construct to display at the upcoming Baptist State Convention. Asked us to fill our prayer request slips and return to Children's Home so that these links could be added to the chain.

Mr. Charles Fox spoke to us regarding the Baptist Foundation. He explained that the foundation was the trust organization of the Convention. They are the trustees of the member's money. The services offered to the members is how to make a tax-wise will, trusts to liquidate property and make interest-earning asset. He explained charitable gift annuity, which is an alternative to a Certificate Deposit (CD) that earns at a very low rate. The emphasis for January will be to make your will a tax-wise Christian estate plan. Every Baptist in our pews can gain assistance from the Foundation. Rev. Booker asked Charles to explain that you don't have to be wealthy to make plans work for you. He explained some of the programs which were available.

Mr. Luther Osment of the Baptist Retirement Home spoke after a short break. When some returned from break a little late, Luther said he was glad he was the one being walked in on instead of being walked out on. He told us about their facility just this side of Concord, Garden of Taylor Glen. The facility has a full range of amenities to include indoor swimming pool and direct connection to emergency services. The assisted living facilities are not funded by mission giving. Mission money goes to assist those without means to pay for care. If a person has the means, they are asked to pay their own way but if means run out, the Baptist Home provides for them. He then thanked us all of our support and for inviting him to come to report.

Mr. Bill Yates talked to us regarding the Baptist Hospital. He mentioned that our Baptists pastors are given a discount at Baptist Hospital and also that Baptists pay the bills of some who are unable to pay. Rev. McKeel confirmed the fine care of Baptist Hospital and their generosity as he has been a recipient in the past.

Rev. Ernest Mangum presented the Memorial Report reading those named on the list and offering prayer for them.

We were given a rare treat, Rev. Gene Booker sang a solo for special music entitled, "I'd Rather Have Jesus".

Rev. Johnny Henderson presented the annual sermon based on Mark 2 – "The People That Make A Difference". Our greatest treasure is being able to say Jesus is our Savior and Lord. In Mark 2:1 – Jesus was on the move in Capernium. If we are faithful in sharing the gospel, God will bless our ministry. Continuing in Mark 2:3 – telling about the man sick with palsy. Four dedicated men carried each their load and brought him to Jesus to be healed and saved. We should be enthusiastic about serving God and bringing the lost to Jesus. In Mark 2:5 we see they couldn't get to Jesus so they took the roof off the house he was in and lowered the man down. This shows we must be innovative in reaching the lost and the new generation. We can't just do what we have for the last 50 years.

Rev. Henderson pointed out that faith itself is a great treasure. He then suggested we consider the story of Ann Sullivan, teacher of Helen Keller, who had a dreadful childhood and because of the compassion and faith of a nurse in the insane asylum she was in, she grew to be a great teacher.

In Mark 2:10 we are shown the Son of man has the power of God and He told the crippled man to pick up his bed and walk and he did. We cannot get discouraged when we have a hard time reaching people.

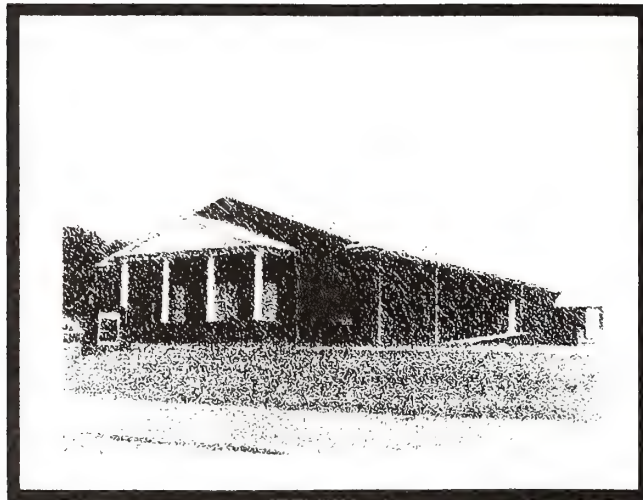

Rev. Henderson then closed his message with prayer.

Rev. McKeel asked Rev. Metters to tell everyone where to go for lunch.

Dr. Richard Crider was asked to come to the podium where Justus thanked us for allowing him to be our Moderator but he now was joyously happy to turn the gavel over to Dr. Crider, who is now our Moderator. Dr. Crider then closed with prayer and gave thanks for the food.

HULDAH BAPTIST CHURCH

The seed beginnings of Huldah Baptist Church dates back as far as April, 1896, in the hearts of neighbors of Rock Springs School District, who asked Rev. Marvin J. Leach to preach once a month in the school house. Soon a Sunday School was formed and began to progress rapidly.

In the Fall of 1896, the people requested Rev. Leach to conduct a series of meetings "under a brush arbor." Many were converted, and as a result, on the second Sunday in November, 1896, Huldah Baptist Church was organized with 11 charter members. Taking part in the service on the first Sunday, along with Rev. Leach, were Jefferson Lannings and John Summey, with Rev. Summey preaching the introductory sermon.

The church name came from Huldah J. Staley, an elderly lady living near the church, who requested that the church be named after her.

Huldah Baptist Church is located three miles north of Seagrove. The land on which the first building was erected was presented by John Presnell. The first trustees were B.H. Bean, Alvius Bean, and Elias Moore.

After having served the congregation for many years, the first church building was replaced by a newer one in 1954. Many wonderful years of worship were observed in the second auditorium.

God abundantly blessed Huldah and once again the congregation felt the need for a new auditorium. The pastor at that time, Tom Walker, called a business meeting after the morning worship service on June 6, 1976, and the church voted to let Pritchard Construction Company build the proposed sanctuary, which will seat about 450 people. The building committee for this construction were Cicero Bennett, Vernon Brown, William Moran, Lewis Thomas, and Robert Yates.

Today, the church has an average Sunday School attendance of 50. Rev. Wayne Vuncannon served as pastor for the past 18 years. Rev. Billy Metters is presently serving as Interim Pastor.

RANDOLPH BAPTIST ASSOCIATION
WINTER QUARTERLY MEETING
WEST ASHEBORO BAPTIST CHURCH
JANUARY 21, 2002
MEETING MINUTES

Meeting was called to order at 7:00 PM by Rev. Justus McKeel, Moderator.
Rev. Carl Ziegler gave the welcome and information regarding the church as to location of bathrooms, etc. Carl spoke of the loss of Nancy Ziegler, his daughter-in-law, who leaves a husband and two young sons.

Jay Williams led congregation in singing of "Rescue the Perishing". Pat Blake accompanied on the piano.

Moderator, Rev. Justus McKeel introduced Dr. Charles Fleshman, Pastor of Ramseur FBC, who offered the devotion. He related Jesus is our best friend! Mark 12:28-34. We need to love the unlovable. If we truly love God, we must love our enemies and forgive those who do us wrong. We need to restore others. We just judge ourselves by God's standards. We need to restore the fallen to their rightful place. Remember - WWJD. Rev. McKeel asked for a moment of silence for the passing of Nancy Ziegler. Rev. McKeel also asked for silent prayer and then he gave prayer.

The attendance slips were collected so that attendance could be determined.

Rev. Gene Booker, Interim DOM, welcomed the new pastors to the Association: Rev. Tim Rogers, Victory, Rev. Brian Holland, Maple Springs, Rev. Steve Parker, Greystone and Rev. Steve Cox, Franklinville FBC. Pastors Cox and Holland were not present for recognition.

Rev. Booker recognized Cedar Grove Baptist Church (Ernest Mangum, Pastor) for ranking #7 in the state for giving to the Cooperative Program of churches with Sunday School attendance of 1-49. He recognized Oakhurst (Richard Crider, Pastor) for ranking #5 (\$7,103) and Center Cross (Richard Fisher) ranked #6 (\$6,829) for giving to the NC Missions Offering of churches with Sunday School attendance of 100-199.

Rev. McKeel then introduced Andi Wilson, Church and Community Ministry and Missions Director, who gave the Missions report. She asked for Summer Missionaries. Collage students who are members in good standing and have completed their freshman year of college by May can apply. Call Andi for application form (625-4175). The missionary or missionaries will begin the first week in June (June 3).

Mrs. Wilson also spoke of VBS. She said VBS would be here soon. She mentioned that the current issue of "Sunday School Leader" is devoted to VBS. It has good articles for Sunday School curriculum. Mrs. Wilson strongly recommended Southern Baptist curriculum be used because it is mission centered. The VBS Training Team is in place and set a date for training soon if there is enough interest. She asked for ideas regarding the training that would encourage better attendance. She also offered the VBS cardboard

standup for the churches use during or prior to your VBS. You will, however, need to call ahead and reserve it so that it will be available for your VBS. The theme this year is "Amazon Outfitters".

Mrs. Wilson referenced the Multihousing Program she noted in the February issue of "The Banner". Anne Willis, the Multihousing Missionary, wants to expand this ministry to other low-income housing communities. She asked for donations for the "Clothes Closet" for this ministry. Take your donations to Asheboro FBC, 133 N. Church Street, Room 125B. She announced Ms. Dottie Williamson with the Baptist State Convention will be leading a Multihousing Seminar on June 1. If you are interested in attending, call Anne Willis to sign up.

Mrs. Wilson mentioned the work done by the Baptist Men with their Disaster Relief equipment and trailers during the New York, India and El Salvador emergencies. She pointed out that work is still on-going in the Grifton (eastern North Carolina) area. Bobby Poole, Associational Baptist Men's Director has a new video demonstrating the ministries the men are involved in. Call Bobby to arrange to view this video.

Rev. McKeel introduced Ron Hester who spoke on his trip to Malaysia where we have setup a partnership with that country. He showed slides from his travel and stated that the Chinese Baptist Church was the strongest in Malaysia. The population is mostly Chinese, Indian and Malay (who are Moslem at birth). Missionaries are called representatives there. There is a 4-year seminary there which requires students to do missions for at least one year. They produce more missionaries than any other school in the world. If you are interested in going with future teams to Malaysia, the cost is approximately \$1,600 to Kuala Lumpur and one stop beyond. You will go for 2 weeks. Call Ron is interested and he will share about opportunities there.

Jay Williams led us in singing "Send the Light".

Rev. Ron Hester presented the current payment package for Rev. C. Gene Booker, Interim DOM for the Association. The package consisted of:

Salary/Benefit Package for
C. Gene Booker, Interim Director of Missions for the year 2002

Total Pay (per month)	\$1,560.00
Insurance	414.45
Professional Expense	50.0
Retirement	<u>220.00</u>
	\$ 684.45

Actual Salary (per month) \$ 875.55

This is not an increase in salary but is broken down for tax benefits.

Rev. Richard Crider offered a motion to accept this package which was seconded by Rev. Steve Parker and was carried unanimously.

Ron went on to explain that Mrs. Retta Plunkett had given the Association her resignation on November 8, 2001 which was effective immediately. He also stated that the Personnel Committee has authorized Mrs. Cheryl Auman to change her hours from 10 hours per week (Tuesday and Thursday from 9 to 2) to 30 hours per week (Monday-Friday from 9 to 3).

Ron mentioned that an accountant had contacted him and had imparted she was offering erroneous tax information to some of our pastors. He told us that he had placed a statement in the February issue of "The Banner" which was as follows:

"Apparently some local accountants are advising churches that they must withhold Social Security and Medicare amounts from ministers' salaries and pay the employer's matching funds. This is INCORRECT and will cause problems in your tax matters. "For social security purposes, a duly ordained, commissioned, or licensed minister of a church has always been treated as a self-employed person with respect to services performed in the exercise of ministry. As a result, a minister reports and pays his or her social security taxes as a self-employed person (and not as an employee) with respect to services performed in the exercise of ministry. IRC 3121 (b)(8)(A)." (Church and Clergy Tax Guide, Richard R. Hammar, J.D., LL.M., CPA)"

Rev. Booker took the podium and named the new Brainstorming Committee:

Dr. John Rogers
Rev. Ronald Hester
Rev. Johnny Henderson
Dr. Charles Fleshman
Rev. Kenneth Reaves
Rev. Ron Copple
Rev. Tim Rogers
Rev. Justus McKeel, Moderator
Rev. Richard Crider, Vice-Moderator
Mrs. Andi Wilson, CCM Director

Rev. Booker announced the next monthly prayer breakfast would be at Clear View Baptist Church at 8:30 AM for Harold Baker, who was not present.

He noted that Level Cross will launch on Easter Sunday.

El-Shaddai is ready to build a building and they need our monetary help.

The Spanish mission in Liberty is now considering the purchase of land to build on. They also need our contributions.

Rev. Booker read a statement (copy attached) to the Association regarding the current state of affairs. He also introduced the association's counsel, Mr. William Flowe and stated that the Administrative Committee of the Randolph Baptist Association, comprised of:

Rev. Justus McKeel, Moderator
Rev. Richard Crider, Vice-Moderator
Clerk/Treasurer, (none at present)

Mrs. Susan King, Chairman of the Finance Committee
Mr. Rayvon Cox, Chairman of the Properties Committee
Mrs. Janet Myers, Chairman of the Communications Committee
Rev. C. Gene Booker, Interim Director of Missions

met on November 19, 2001 and authorized the trustees to borrow an amount of money not to exceed twenty thousand dollars (\$20,00) for a period of ninety (90) days. The trustees followed their instructions and borrowed the money on November 21, 2001.

Mrs. Susan King, Chairman of the Finance Committee reported on the Association's finances. She stated that the bank balance at 12/31/01 was \$8,796.97 and the balance as of 1/15/02 was \$28,523.14.

Susan stated that she brought a recommendation from the Finance Committee in the form of a motion:

Motion: Powell & Powell Accountants be employed for our bookkeeping, payroll and tax filing and returns needs for a monthly fee of \$125.00. Mr. Moderator, I so move. Rev. McKeel offered the motion and as it came from committee, no second was needed. It was, therefore, unanimously approved that we employ Powell and Powell.

Rev. Doug Davis stood up and admonished everyone to keep this current information to ourselves and asked us to be patient and quiet until such time as all the facts were known. Mrs. King stated that we definitely have Godly men leading us and they will do all that is appropriate. Rev. Booker reiterated what Rev. Davis said and affirmed that idol chatter and speculation would be detrimental.

Mr. Bobby Poole pointed out this hand-out that was given out at the door regarding RA Racers and upcoming events for Baptist Men.

It was moved we adjourn at 8:45 PM and the Vice-Moderator offered closing prayer and blessing on the refreshments we would partake of following in the fellowship hall.

SPRING QUARTERLY MEETING
WHITE'S MEMORIAL BAPTIST CHURCH

APRIL 22, 2002
MEETING MINUTES

Meeting was called to order at 7:00 PM by Rev. Justus McKeel, Moderator.

Jay Williams led congregation in singing of "Tis So Sweet to Trust in Jesus". Pat Blake accompanied on the piano.

Rev. Jeff Joyce gave the welcome, acquainting everyone with his church. Then he continued with the devotion asking "do you have religion or a relationship". He read Mark 16:15 and Luke 10:38-42 and related that the bottomline was we were to be excited about sharing Jesus with the lost and develop a relationship with Jesus and not just do religion.

Moderator, Rev. Justus McKeel continued thanking Rev. Joyce for his words and asked Rev. Booker to introduce our guest missionary, Rev. John Davenport, so he could present the Mission Emphasis. His area of responsibility is South Asia.

Rev. Davenport took the podium thanking us for the opportunity to be here. His wife, Sarah and their three children have been serving in Pakistan. He reminded us the work he is doing is not just his work but OUR work together. He related the story of the Pakistani man who invites friends to his house to view the Jesus film. He said that man is so happy he has such a good job where he makes \$60 a week and he can afford to do this after sending \$25 to his family and paying another \$25 to God. He related his personal experience with terrorism. His job is to reach 125,000,000 in Pakistan for Christ. He then presented a Power Point presentation relating some statistics.

Asia has 61% of the world's population. That region is dealing an increasing shortage of food and water. There is a trend of lots of people moving into the cities and it follows because of the high density of population in the cities, if a disaster occurs many, many more become casualties are possible. Of this huge population, 10% have a relationship with Christ, 23% were raised Christian but probably have no real relationship with Christ, 39% will have access to the gospel and 28% have no access to the gospel.

He then showed us several pictures of the terrain and people of Pakistan. He showed us stats indicating a tremendous growth in Christianity from 1989 to 2000 but there are still millions and millions to reach. Went on to explain the challenges facing us today and what must be done now. He closed with "we are blessed to be a blessing".

Jay Williams presented the Special Music for the program. He sang, "I'd Rather Have Jesus Than Silver or Gold".

Rev. McKeel then asked Rev. Booker to introduce the people from El-Shaddai, who gave a special presentation. Jose Perez came to the podium to begin their presentation. Lazaro

Bello, his wife, daughter and sister-in-law from Cuba, who are members of El-Shaddai, came to sing for us in Spanish. Jose continued then relating the history of the church or rather the mission which is now a church. He asked for us to pray for them and to pledge our support of their building project. For our information, he showed us drawings of the proposed building and layout. Rev. Booker then returned to the podium and added to Jose's comments and suggested various monetary ways to help.

Rev. McKeel then asked that the attendance slips be collected so that attendance could be determined. The attendance was 142 with 31 associational churches and 1 soon to be church represented. He then introduced Rev. Richard Fisher, who gave us the nominating committee report. The roster of officers was read and voted on for the upcoming year.

Dr. John Rogers then took the podium mentioning activities of the El-Shaddai group, who now meet in the Asheboro 1st facility on a temporary basis on Sunday afternoons. He pointed out that Sunday there would be a special joint church baptism of 20.

Dr. Rogers reported on the activities of the Brainstorming Committee including stats of Christian to non-Christians in Randolph County. He stated that the Program Committee has challenged the Association to make meetings interesting and challenging. He pointed out the survey form included with the materials handed out at the door upon registration and asked that the form on core values be completed and turned in before leaving the building tonight. He assured everyone that God would be our leader and then introduced the committee by having the members stand.

Justus asked for the attendance count and we had 142 present consisting of 31 churches being represented and one church visiting, wishing to be a member of the association.

Mrs. Andi Wilson our CCM Director came up to give her report. She started with the story of the fire victims in Franklinville. Stated that \$528 were given by Sandy Creek and Greystone, a gift card for \$25 was given anonymously and clothing was given by Dick and Pat Stratton to the family. Pointed out that White's Memorial had taken the family on a shopping trip. Andi talked about the Parrish Nurse Program where a grant has been received by Randolph Hospital to develop a program where nurses will be available at churches. For more information contact Devin Griffith. She reminded us of the VBS Clinic at Balfour Tuesday evening, April 23rd. She also asked us not to forget Associational Missions Week May 19-26th.

Rev. Ron Hester was up next and did a brief commercial announcement for disaster relief training stating that there would be additional training offered at Snyder Memorial in Fayetteville on June 1 from 8 AM to 4 PM. There is also a training on May 18 at Marion but thought it might already be full. Ron said he had registration forms if anyone wanted one.

Rev. Hester expressed appreciation to Pastor Booker for a great job. He also offered a recommendation from the personnel committee that Mrs. Cheryl Auman be hired on a full-time basis of 30 hours a week with appropriate vacation, sick days, etc. The committee also recommended that Mrs. Auman be given \$487.50, which was the amount of the 25% discount given the Association by Mr. Boyce Wilson, Auditor. Mr. Wilson

had given this discount with the thought in mind that it be given to Mrs. Auman for extra effort on her part in helping prepare documents for the audit.

Rev. Hester also referred to Grace Community Church pastored by Rev. Fred Hardin, church planter, who has petitioned the Association and Baptist State Convention for membership to the Association. This petition will be voted on at the Annual Meeting in October but for now the Association was asked for their encouragement to the church and affirmation that we would pray for their admission as a member.

Mrs. Cheryl Auman, Secretary/Clerk and Mrs. Susan King came to the front to present the financial report to the association. It was pointed out that the handouts included copies of the compilation of church receipts covering the period October 2000 to December 2001. Also included was a copy of Mr. Boyce Wilson's recommendations for handling of the association finances. It was stated that these recommendations have been put in place and noted that the checks received from the churches were to be reported in the month received rather than for the month dated since we are on a cash basis system. We have two check signers, Cheryl prepared the checks and deposits but Susan King, Justus McKeel or Janet Myers sign the checks and Susan takes the deposits to the bank. Pastor Booker sees all checks before they are signed and initials the check copy. Requisition forms are used for all purchasing of items of \$50 or more. We have petty cash to reimburse items of \$25 or less purchased for the association. Our banking information can be accessed by either Mrs. Auman or Mrs. King online and transfers from the general account to the payroll account are done online as instructed by Powell Accounting, who is responsible for all payroll disbursements and tax deposits.

A sheet was also provided showing the current year church receipts along with budget amount needed, the difference each month of above or below budget, the expenditures each month and the current bank balance. It was noted that the churches may see the same amount in the December 2001 column as in the January 2002 column and that was due to the items mentioned above regarding cash basis accounting and that the amount was credited in the month received rather than the month the church indicated. The fact that we had repaid the \$20,000 loan in February was mentioned but that the churches still needed to keep up their regular giving as we were below budget \$12,000 so far this year.

Level Cross Community Church has opened their own bank account just as every other church has and they are now responsible for their own expenses. Any money given to the Association for Level Cross will be forwarded on to Level Cross at the end of each month.

Pastor Booker took the podium and read his statement regarding the status of the situation the association has been dealing with since November, 2001. (Copy attached to these minutes.) He apologize for still not being able to fully disclose all the details but due to legal advice will have to present a full disclosure at a later date.

Jay Williams led our closing hymn "Blest Be The Tie That Binds".

Mrs. Andi Wilson then came back to the podium and announced to the Association that she had tendered her resignation and her last day would be May 10, 2002. She stated her reasons for leaving, related her conversations with the personnel committee and the fact that her monetary situation and what the association could do for her was inadequate for

her to continue her employment considering the expenses necessary for her to work regarding childcare, etc. She recounted her years with the association and her hopes, desires and wishes for the future of the association. Admonished the membership to support the Association staff as they were trying to do a good job and need the support of the churches. She pointed out that some had said in the past that they would be more involved with the association if it were doing more. She noted that you must sow before you can reap.

Justus McKeel closed the meeting offering Andi a fond farewell.

RANDOLPH BAPTIST ASSOCIATION
SUMMER QUARTERLY MEETING
RUSSELL'S GROVE BAPTIST CHURCH
AUGUST 19, 2002
MEETING MINUTES

Meeting was called to order at 7:00 PM by Rev. Justus McKeel, Moderator.

Jay Williams led us in singing #389 "Worship Work & Witness".

Pastor McKeel invited Pastor Tim Fonner to do the Welcome and relate location of facilities to attendees.

Pastor Fonner then did the devotion on John 4:1-16. He reminded us of the theme: Mobilizing Randolph Baptists. He related the story of the Samaritan woman at the well and her encounter with Jesus. John 4:1-3 covers boundary established by competition. John 4:6 covered boundary formed by weariness. Gal 6:9 we will reap in due season. John 4:9 covers boundary based on segregation. John 4:16 covers boundary defined by culture. Rev. 5:9 & 7:9 gives us a glimpse of the future. He then closed his message with prayer.

Pastor McKeel then introduced Tim Pheagin. He passed out a brochure entitled "The Watchman Program" (copy attached). He related his organization provides holistic care for the terminally ill. Explained services available. Will be providing consultation services for our church members for their use with members of their congregation concerning death. They will be providing hospice training.

Pastor McKeel came back to the podium and introduced "The First Four" quartet from Asheboro 1st. (The members: Steve Byers, Danny Miller, Dick Stratton and Bob Durand). They sang several praise songs for us and were enjoyed by everyone.

Pastor McKeel then introduced Gaylon Moss. He is coordinator of disaster relief and volunteers for the Baptist State Convention. He noted he is 6'7" and does not play basketball. He passed out brochure "Where Do I Fit In?" (copy attached). He suggested that we need to be faithful to what God calls Us to do. He showed the promo video regarding the North Carolina Missions Offering relating who it benefits. The theme is "Light In A Ground Zero World".

Pastor McKeel followed Gaylon's message by telling us that we need to prayer as an association for direction from God as to what he would have us do and we need to search in all areas.

Pastor Jeff Joyce came up with two young men from his church who had accompanied him on a mission trip to Alaska. He described their desire to get involved and called Alaska directly speaking to a pastor up there. They found out after they received a call from the Convention that the more appropriate way to go to Alaska was to consult with the Convention. After getting their wires straight about 8 of White's Memorial's group

went to Alaska. They told us about their involvement in Kiana, Alaska as well as Cossibule, Alaska and the children they worked with (about 109). The two young men told us of the many blessings they received from the experience and that they want to go back again. They have kept in touch with the young people and have discovered some have received Jesus in their hearts since they were there.

Pastor McKeel told us the tally for the night. 113 present and 30 churches represented.

Bobby Poole, Baptist Men's Director, was not present but had sent a message to the group stating he had broken his ankle and what his status was. We hope he will be on his feet soon.

Pastor Ken Reaves of Randleman FBC shared with us that the Referendum on Alcohol discussed at our January meeting was defeated.

Pastor Richard Crider of Oakhurst gave the report by the Brainstorming Committee as the Chair, Dr. John Rogers, was not present. He itemized the core values and mentioned how they were arrived at as well as reading the committee's recommendations. There was a motion on the floor for discussion regarding the recommendations and Pastor Tim Rogers suggested we needed further clarification and offered an amendment to Core Value #2. He wanted it to read: "We value the Bible as truth without any mixture of error as our guide in ministry". The amendment was carried and the entire report was accepted as amended.

Mr. Robert Taylor presented the report on the Search Committee. He said that all of the candidates that they had contacted prior to January were contacted again to see how many were actually still available. Out of 40 resumes, they have narrowed the field to 20. He says they can now get down to work and hopefully have a DOM selected soon. Pastor McKeel told us that Pastor John Lindsay has felt called by God to sign his pastorate at Staley Baptist Church and to move to Albemarle (Stanley County). He is leaving with the appreciation of all for his dedicated work and service to this association. John told us Goodbye.

Pastor Gene Booker came up and had some information passed out which he asked no one look at until he got to it and he would read it. In the meantime, he told about some programs which would be offered in the fall re: training, etc. He shared the letter regarding my Ministry Assistant training to the group. He then shared information regarding the Pfizer Company and their prescription program for persons on limited incomes. Said he would be mailing information to pastors and they would have instructions how to get applications for interested parties.

Pastor Booker then read the letter he had passed out regarding the audit findings and the resultant action taken thereafter regarding Mrs. Retta Plunkett (copy attached). He then introduced Bill Flowe and mentioned that he has spent many, many tireless hours working on this situation on our behalf and thanked him for his help. Bill then more fully explained the situation and suggested a course of action. It was suggested that "no comment" was the best response to anyone asking questions about this situation.

Pastor Booker encouraged us to support the association especially in giving and to pray for Retta and her family.

Pastor McKeel reiterated why we were unable to inform everyone sooner and that we needed to bear up and support the association.

We were also asked to pray for Emma Fisher who is about to have major surgery, pray for whole association, pray for Liberty FBC revival and Pastor Steve Chipps had to leave for an emergency we prayed for all.

Pastor Fonner invited everyone to stay for refreshments and closed the meeting with prayer and asked the blessing on the food.

Respectfully submitted by Mrs. Cheryl Auman, Association Secretary

INTERIM DIRECTOR OF MISSIONS REPORT

I thank you for allowing me to serve as your Interim Director of Missions during the past year. You have been so generous in your compliments of my service. It has been a difficult year. Due to financial problems, which were beyond my control, much of my time has been spent in public relations and a maintenance ministry. However, I do not wish to dwell on past negatives. We have measures in place that will enhance our ministries as we work together in the future.

Some of you may be wondering about the work of your Interim Director of Missions. Therefore, I am listing some of my activities during the past year. I have traveled 4,000 miles (driven more but when churches gave me an honorarium for speaking, I did not charge mileage to the Association); made sixty-two visits to our churches, spoke in twenty-two of them; attended nine pastor's conferences, eleven prayer breakfasts; attended one annual associational and three quarterly meetings; preached one revival; spent fifth-three hours counseling with pastors, deacons, and church committees; attended three General Board Meetings of our State Baptist Convention plus the Annual Meeting in November; spoke ten times at the Cross Road Retirement Center; and conducted two Capital Fund Programs (Challenge to Build). This gives you an idea of the varied ministries of this office.

Though our work has slowed during the past year, I am optimistic about our future. For the first time in several years, the Nominating Committee is presenting a full slate of officers. I am excited about having a Sunday School Assist Team in place. Dr. Charles Fleshman is the team leader. Mrs. Janet Myers will be working with preschool, Mrs. Janet Smith, Children, Dr. Dan Wood, Youth and Mr. Roger Pritchard, Adults. In fact, these people will be leading a Sunday School Conference on November 4 at Ramseur First Baptist Church. Also, we now have a Deacon Ministry Team Leader. Mr. Bill Applewhite has accepted this position and will be initiating programs to better train our deacons. A new position, Missions Team Leader, has been established. Reverend Ronald Hester will be coordinating partnership/disaster ministries for our churches.

As you can readily see from the above paragraph, we have leadership in place to lead us during the coming year(s). They need our prayers and financial support. Our ministries are limited due to finances. It has been our goal for many years now that each church give a minimum of 3% of undesignated gifts to the Association. Please check your church budget. If you are not meeting this goal, encourage your finance committee to recommend a change.

Finally, continue to pray for your Search Committee. These people are seeking God's man to lead us. God forbid that we should fail to pray for them.

RANDOLPH BAPTIST ASSOCIATION ROYAL AMBASSADOR TRACK MEET

There has been no response to the local association track in the past few years (unfortunately). Therefore, if a church has a group of boys that are interested in competing, then contact Bobby Poole (336-629-2928) to get information as to how you may enter your boys as the official representative of the association.

GOING • SHARING • TEACHING about Jesus Christ

1126 Kemp Blvd. • Asheboro, NC 27203

Dear Friends:

The privilege of putting feet to our faith cannot be matched. We have seen the Lord work in lives in so many ways. One woman who was sitting on the floor with no furniture or groceries thanked God for the "180 degree turnaround" that our ministry meant to her and her family. She came to Bible Study the following Sunday! She has no doubt that God put us in her life. Her life has been indelibly changed for Christ because we were there ON-SITE, found her need, met it, and used it as a TOOL to bring her to Christ.

At MHMA, we are dedicated to fulfill the Great Commission given to all Christians to "go and make disciples." WE ARE NOT JUST "BAPTIST:" we are people of like faith working together to reach out in Jesus' name. One fourth of our financial support comes from community gifts. Please pray, as you budget for this year, about how much to designate to the LOCAL MISSION of MHMA.

Along with going, we must take with us tools for ministry. As you will read in the enclosed brochure, we have many avenues and tools to share Jesus' love in areas in and around Asheboro with those who need a hope and a future in Him. We have been given an open invitation to currently work hands-on for Christ in 6 locations:

- * Coleridge Road Apartments 1126 Kemp Blvd, Asheboro, NC
- Park Place Apartments 705B S. Church St., Asheboro, NC
- The Arbor Apartments 605C E. Central Ave., Asheboro, NC
- Lakeview Apartments 1967A Lakeview St., Asheboro, NC
- **Asheboro Housing Authority 703 Farr St., Asheboro, NC
- Randleman Housing Authority 606 S. Main St., Randleman, NC

* Adopted by First Baptist Church of Asheboro

** Adopted by Sunset Ave. Church of God

We are seeking four things from you:

- 1) First Priority = Prayer;
- 2) Partners to sponsor or adopt one of these four sites;
- 3) Financial support; and
- 4) Volunteers to serve at these missions sites.

To aid MHMA financially, please mail a check to: MHMA 1126 Kemp Blvd., Asheboro, NC 27203. For additional information, volunteer opportunities, or to schedule a presentation on MHMA, please contact Anne Willis at 336-625-6018.

We've seen God work. Come work with us for His kingdom. In His Hands,

Anne

What is "Multihousing"?

Multihousing consists of all areas except single-family dwellings:

- Apartment Communities
- Mobile Home Communities
- Condominiums
- Nursing Homes
- Senior Adult Living Areas

The latest fact from a Barna survey found that almost half of all residents in the United States live in multihousing dwellings. This type of community has unique needs that go beyond the scope of standard local, state or federal assistance programs.

There are many needs that fall between the cracks and should be addressed by our community. Multihousing Ministries of Asheboro (MHMA) wants to help fill those gaps in all socio-economic areas.

Who we are

MHMA is a non-profit, faith-based organization whose goal is to meet the needs of multihousing communities in the greater Asheboro area. We unify community outreach by partnering with civic organizations, church groups, local agencies, and volunteers who share

the vision to meet the "wholistic" needs of individuals: physical, emotional, mental, and spiritual. MHMA works with CUOC, Randolph Baptist Association, Randolph Pregnancy Care Center, Thetford Property Management, Asheboro Housing Authority, The New Randleman Housing Authority, Triad Rental Properties, civil service leaders (Chief Gary Mason, Sheriff Litchard Hurley), and other groups and individuals. Join us as we work to transform and grow our community together.

THE NORTH CAROLINA BAPTIST FOUNDATION, INC. 2001 ANNUAL REPORT

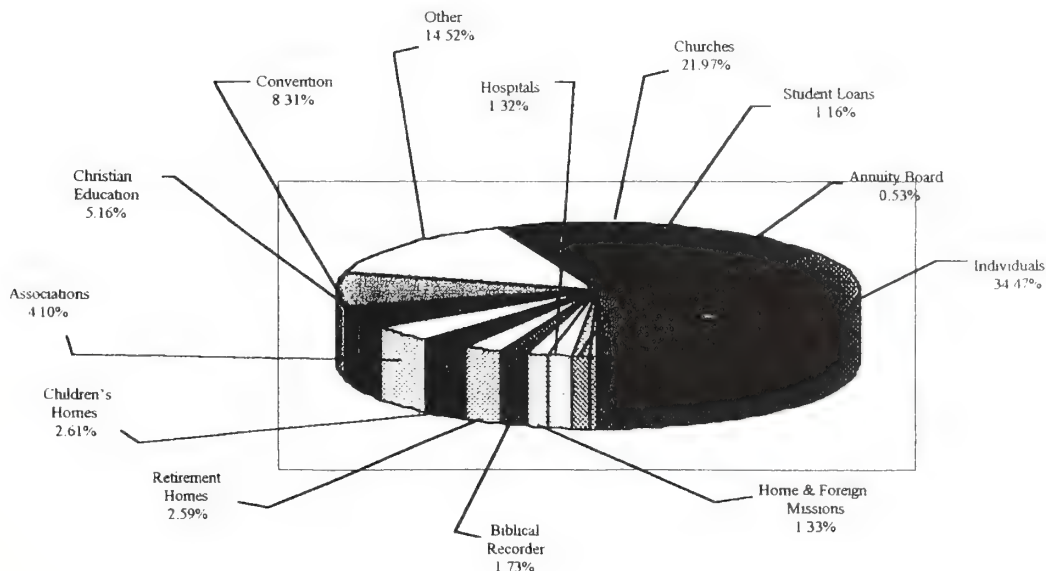

The mission of the North Carolina Baptist Foundation since its inception in 1920 has been to assist the Convention and its institutions and agencies in increasing an awareness among North Carolina Baptists of Christian estate stewardship principles as a means of financially undergirding churches, institutions and mission endeavors on a permanent basis. The uniqueness of the ministries and services provided by the institutions and General Board staff merits increased financial support. The Foundation accomplishes these objectives by offering assistance in estate planning counsel. Will preparation, planned giving, charitable remainder trusts, endowment funds and church fund management.

During 2001, The Foundation assisted individuals in establishing 33 endowment funds and 8 charitable remainder trusts totaling \$4.8 million and received \$9.4 million in contributions to existing endowments all of which will ultimately benefit countless Baptist causes on a permanent basis. Programs were provided for 162 churches and associations during the year to promote Make Your Will Month, Christian estate stewardship, and church fund management. Over \$2.3 million from churches and institutions came under management to enhance numerous ministries including scholarships, building funds, cemetery funds, benevolence funds, general operating funds and other various mission causes. With a total of \$16.5 million in contributions, it was the best year ever eclipsing the previous high of \$10.1 million recorded in 2000.

During 2001, our distributions totaled \$6.7 million, with charity receiving \$4.4 million and individuals, through trusts, receiving \$2.3 million. During the 82-year history of The North Carolina Baptist Foundation, Inc., \$20.8 million has been distributed to individuals and \$36.8 million to Baptist churches, institutions and mission causes for a grand historical total of \$57.6 million.

Baptist Children's Homes of North Carolina

Jason and Lacey know real hope after facing hopeless times. Jason and Lacey lived with their mother in Hilo, Hawaii. It sounds wonderful, but for the brother and sister it was far from paradise. Their mother's lifestyle constantly placed the two children in danger. Jason was given the blame by his mother for many of the things that had gone wrong in her life.

"She didn't care about anything," Jason recalls now. "I was just there. She didn't care for me."

Jason drew violent pictures. He had difficulty relating to people and was diagnosed with attention deficit disorder. Soon his secrets were exposed. He had suffered severe physical and emotional abuse by his mother. Drugs had been a pervasive part of his life. He had begun using drugs when he was six years old.

Once Jason's grandparents discovered the truth about Jason's life, they sought immediate help for their grandson and found the help they desperately needed from Baptist Children's Homes. In August 1996, he began his new life at Broyhill Home in Clyde.

Lacey still lived with her mother. The two moved to Arizona. Lacey spent her days in the cab of her mother's boyfriend's semi-truck. She was not attending school. After Jason left, Lacey became the focus of her mother's abuse.

Again, the siblings' grandparents intervened. The couple began to think about bringing Lacey to live at Broyhill Home. In 1997, 14 months after Jason, she was safe. Lacey and Jason's grandparents credit Baptist Children's Homes for giving their grandchildren real hope.

Lacey says she plans to be a lawyer. She likes fighting for the underdog. Jason has plans for a career in broadcast journalism. Since coming to Broyhill Home, both children have accepted Christ as their Savior.

"Things began to turn around for me when I became a Christian. I began to read my Bible," Jason says. "I learned a lot of the answers to my questions. I felt like I could be more open."

"Jason might be in an institution, in prison or dead. We try not to even think of what Lacey's life would be like today," the grandparents say. "They've been saved!"

Jason and Lacey are two of the 1,855 children cared for by BCH last year.

Baptist Children's Homes grieves with Nation after September 11th attack – BCH president calls for acts of kindness. In the wake of the tragic events of September 11, BCH president Dr. Michael C. Blackwell stepped to the forefront to calm and encourage children and families. As the nation reeled from the attack, Blackwell immediately offered words of comfort to families through news media from Louisiana, Arizona, Alabama and across North Carolina. He urged Americans to "show kindness" to one another and exhibit "acts of goodness" toward their communities in response to the violence exhibited against our country. BCH children and staff united to provide needed items for those serving at Ground Zero and gave blood for the victims. Despite the physical and emotional effects of September 11, BCH's mission has remained unwavering. "America's spirit has not been lost, and our spirit of helping and healing is stronger than ever," said Blackwell.

BCH faces financial shortfalls due to 9/11, North Carolina Baptists rise to meet financial challenges. As charities across America began to feel the financial effects of 9/11, Baptist Children's Homes also faced shortfalls. Experiencing nearly a 60 percent drop in annual fund giving, President Michael C. Blackwell made an urgent plea to friends and supporters. After an intense effort including personal letters and phone calls, North Carolina Baptists responded, rallying to close the gap by year-end. "I knew North Carolina Baptists would not forget their children," said Blackwell. North Carolina Baptists also stepped forward by meeting the 2001 Thanksgiving Offering Goal. Today, the effects of 9/11 are still being felt. "It is important for North Carolina Baptists to not grow weary in their efforts to help our boys and girls," said Blackwell. "Our churches are our lifeline. It is because of them we are able to touch the lives of so many."

New BCH strategic plan unveiled. *Quest: A Journey of Excellence* is the title of the new strategic plan that will guide Baptist Children's Homes through 2004. The major goals of the new plan include recruiting and retaining competent qualified staff; training staff; and maintaining and enhancing BCH facilities.

BCH Trustees approve allocation for Information Technology. Trustees made way for sweeping technological improvements throughout BCH. A new Information Technology Center was created and work began to connect all ministry sites digitally. "Every step we take is designed to enable us to better serve children and families... today and in the future," said Dr. Michael C. Blackwell.

Gastonia couple honored at Nolen Building dedication. William "Red" and Mabel Nolen were recognized for their contribution at the dedication of the newly renovated and renamed Nolen Administration building at Mills Home on January 22, 2002. A gift from the Gastonia couple, who have long-time ties to BCH, made the necessary renovations possible.

BCH's Developmental Disabilities Ministry dedicates two new group homes. More than 200 Baptist leaders, Baptist Children's Homes administrators, staff, and guests were in attendance for the historic dedication of BCH's first, new group homes for developmentally disabled adults on March 26, 2002. The two homes, Davis House and Hinkle House, joined Baptist House at Bethabara located in Winston-Salem. Plans to break ground on the next DDM group home to be located in Sanford are scheduled for 2003. Baptist State Convention President Dr. Jerry Pereira, who spoke at the dedication, predicted "the Lord is going to do great and mighty things" through this ministry.

A Place for Miracles published. In March 2002, BCH president Michael C. Blackwell introduced his second book. More than three years in the making, *A Place for Miracles* is a mixture of history, autobiography, inspiration, and vision. The book received the 2002 Baptist Communicators Association Design Award for Best Book Design.

New Millennium Families: A Study Guide introduced to North Carolina Baptists. In September 2001, the study guide to BCH president Michael C. Blackwell's book *New Millennium Families* was introduced at the first of two statewide Deacon-Spouse Training Events in Bryson City. A total of more than 200 deacons and their spouses attended the two conferences. Blackwell and study guide creator Gaylin Huff led group sessions regarding the changing make-up of families as discussed in the book and its effects on the church in North Carolina. *A Study Guide*, to be used with *New Millennium Families*, helps teachers prepare for and guide groups of adults using four different formats: 7 Week Study, Youth Parent Study, Single Parent Study, and Family Ministry Study.

Baptists called to join "Chain of Prayer" for North Carolina's children and families. BCH president Michael C. Blackwell has asked for all North Carolina Baptists to participate in the "Chain of Prayer." Begun in February 2002 at the annual Baptist Men's conference in Charlotte, this physical chain is made up of thin strips of paper containing the handwritten prayers of NC Baptist men, women and children. Throughout the year, these strips are being gathered by BCH representatives and formed together into a chain that will be displayed at this year's Baptist State Convention in November. With children and families facing many different sources of crisis in today's world, Dr. Blackwell believes this statewide unification of prayers for children and families in our state will yield great results.

The support of North Carolina Baptists through the Thanksgiving Offering, Cooperative Program, church and individual gifts, memorials, honors, and estate gifts enables us to fulfill our mission statement – "helping hurting children...healing broken families" – through 14 locations throughout the state. **Thank you, North Carolina Baptists, for your continued prayers and support.**

BAPTIST HOSPITAL AND NORTH CAROLINA BAPTISTS: PARTNERS IN MISSIONS

The Baptist Hospital mission began in 1921 when our North Carolina Baptist founders stated, "We desire to build a hospital to bring the healing art more definitely under the dominion of the Great Healer." Gold crosses that adorn the exterior of the hospital symbolize our historic and daily commitment to bring medical excellence and Christian compassion to those we are privileged to serve. This report will highlight our partnership with North Carolina Baptists in continuing the mission of healing.

SCHOOL OF PASTORAL CARE

Our mission at the School of Pastoral Care is *"to provide ministries of growth, hope, and healing in the Spirit of Christ."* This defines the spiritual essence of who we are and the meaning of what we do in caring for hurting people. We are very thankful to North Carolina Baptists for their gifts to the School through the Cooperative Missions Program. You are making a tremendous difference as our partner in life-changing ministries.

CareNet, Inc., our Department of Pastoral Counseling, is the largest faith-based counseling system in the nation. We continue to expand our services across North Carolina. The scope of this ministry is astounding: 27,000 hours of counseling per year at 21 locations. These include 4 regional centers (Winston-Salem, Greenville, Fayetteville, and Wilmington) and 17 strategically located satellites. The individual stories of emotional and spiritual healing, of broken families being restored, are even more telling.

The Center for Congregational Health celebrates its 10th Anniversary in 2002. Dr. David Odom has been the Center's visionary leader from its beginning. The initial mission continues to guide this ministry of helping churches become healthier communities of faith. The Center is providing consultation to approximately 25 churches per month, and training to over 600 church leaders per year. The financial support of N.C. Baptists allows Baptist churches to receive initial consultation at no cost, and provides subsidies for churches and ministers needing financial assistance. Please call the Center for more information (336-716-0459).

The Department of Chaplaincy and Pastoral Education provided ministry through more than 61,000 pastoral contacts in the past year. Every day chaplains can be found comforting bereaved families, praying for seriously ill patients, reading Scriptures to those who are afraid, offering comfort and extending hope in the name of Jesus Christ. Fifty-three students received supervision and training in 2001.

The Department of Church and Community Relations continues to serve its mission as a liaison between the Hospital and North Carolina Baptist churches. We welcome you to call Rev. Paul Mullen if you need assistance (336-716-3027). Many pastors call on behalf of church members who need a referral to the Medical Center or have concerns about medical bills because of financial need. Speakers can be requested to provide an overview of the Hospital and its ministries to church groups.

BAPTIST BENEVOLENT CARE FUND

It is a difficult burden to be physically sick and worried about how to pay for needed medical care. North Carolina Baptists extend the compassionate reach of missions to patients in financial need at Baptist Hospital through their gifts to the Mother's Day Offering. Those you have helped are deeply thankful for this gracious witness to the love of Jesus Christ, and they are drawn closer to Him. All of the funds are used for this purpose. **Thank you, North Carolina Baptists, for giving \$568,808 to this ministry in 2001!**

CLOSING WORDS FROM THE PRESIDENT

We at Baptist Hospital are very thankful to be partners in the mission of healing with North Carolina Baptists. Our roots are in this partnership, beginning as a mission enterprise of the Baptist State Convention in 1921. This report also highlights the ongoing nature of the relationship with the School of Pastoral Care. We have a sacred privilege and responsibility to serve Jesus Christ by serving people in need at Baptist Hospital. We thank you for being our partner in these "ministries of growth, hope, and healing." We ask that you pray for our patients, their families, and our staff as we seek to serve our Lord each day at the Medical Center.

Respectfully submitted,

Len B. Preslar, Jr.

The generous support received from North Carolina Baptists has enabled Baptist Retirement Homes to lead the state in providing benevolent care for Older Adults who lack sufficient financial resources to pay for the quality care they deserve. At all Homes communities, residents rest in the knowledge that they will be cared for as long as they live.

Baptist Retirement Homes continues to be on the cutting edge of meeting the needs of Older Adults ... particularly those dealing with dementia-related conditions, such as Alzheimer's Disease.

In recent years, the Homes has established specially designed residences to meet the special needs of these dear ones. The Fowler Memory Enhanced Residence at the Western North Carolina Baptist Home in Asheville has been operational since 2000, the Kulnych Memory Enhanced Residence opened at the Brookridge Retirement Community in Winston-Salem in 2001, later this year, a third residence will open at the Homes' newest community, The Gardens of Taylor Glen, in Concord.

Thank you North Carolina Baptists, for helping us make life for the Older Adults of this state ... "the Best of Times!"

Biblical Recorder
2002 Associational Report

The world is changing rapidly, and Baptists are changing right along with it. Gone are the days of a simple denominational life or a single way to be Baptist. Never has it been more important for North Carolina Baptists to be informed of the many issues affecting Baptist life, mission work and mutual cooperation.

The *Biblical Recorder* exists to provide this needed service to Baptists in North Carolina and beyond. The *Recorder* staff works diligently to comb through many sources of information and distill them into a trustworthy resource that offers regular, dependable and balanced news coverage and analysis of the most significant matters relating to Baptist life. In addition, the *Biblical Recorder* includes a variety of supportive resources and feature articles designed to encourage and inspire as well as to inform.

The *Biblical Recorder's* strategic role in promoting God's kingdom work through North Carolina Baptists grows from its mission statement: ***"to further Christ's kingdom by providing relevant news, insightful opinions and supportive resources to North Carolina Baptists in a timely and accessible fashion."***

As the official news journal of the BSCNC, the *Biblical Recorder* has functioned faithfully since its establishment in 1833 by Thomas Meredith. The *Recorder* was privately owned and operated in support of Baptist work in North Carolina until 1938, when the paper was purchased by the Baptist State Convention and incorporated as an agency of the convention.

The *Biblical Recorder* is widely acknowledged to be in the top echelon of state Baptist papers, winning national honors from the Baptist Communicator's Association for news and editorial writing in 2000, and taking the association's top prize for news writing in 2001.

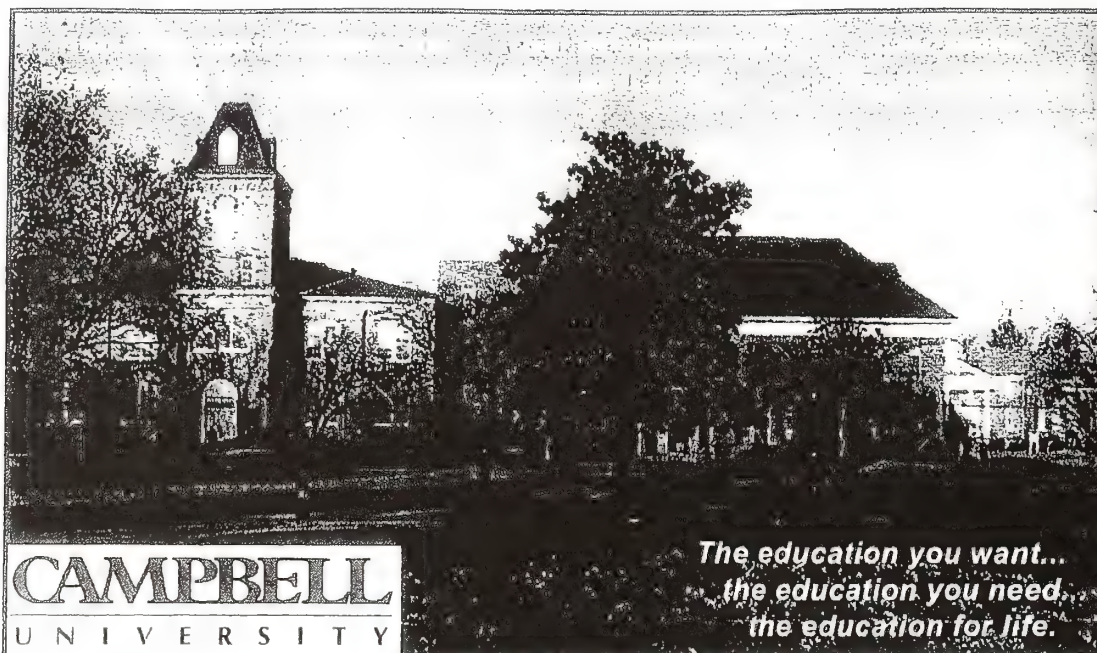

The *Biblical Recorder* offers a special service that makes it possible for churches to combine a regular newsletter and the *Biblical Recorder* in a single package, offering significant financial savings.

In addition to its printed form, the *Biblical Recorder* maintains a popular presence on the World Wide Web at www.biblicalrecorder.org. This Web site offers Internet users an opportunity to read much of each paper's content online, as well as to access classified ads, online Bible study resources and a news/weather portal. "Shaping Lives for... a Life" is the mission of North Carolina Baptist colleges and universities.

Students come to the campuses of Campbell, Chowan, Gardner-Webb, Mars Hill and Wingate expecting to receive an education. What they may not expect is an experience that will shape the rest of their lives.

Like the artist who carefully and methodically sculpts wet clay, giving it form and function, the faculty and staff of North Carolina Baptist colleges and universities shape the lives of students through their dedicated teaching and mentoring.

The graduates of these campuses emerge as people who become our future ministers, doctors, lawyers, artists, teachers, businesspeople, and church and community leaders.

It has been shown that graduates of church related institutions invest themselves in their churches and communities in greater numbers than graduates of public institutions of higher education. As a result of the support of North Carolina Baptists, the future looks bright for our churches and communities.

Gifts to the Cooperative Missions Budget of the Baptist State Convention of North Carolina last year made it possible for six hundred twelve (612) members from four hundred forty-five (445) convention related churches to receive special scholarship assistance to attend our five affiliated institutions of Christian higher education. Seventy-four (74) out of eighty (80) associations were represented in this group.

Some of the recipients would not have been able to pursue their dream of a degree from an accredited college or university without the financial assistance provided by generous North Carolina Baptists. One of those recipients lost his father unexpectedly during his freshman year in college. Scholarship assistance from North Carolina Baptists made it possible for him to continue with his studies. He graduated this year.

Another scholarship recipient is the mother of six children. In spite of the pressures to be a good mother, she pursued her studies while holding down a full-time job. She, too, graduated this year with a perfect 4.0 grade point average. She is employed by a North Carolina Baptist institution.

These are a few of those who are benefiting from your generous support of our Baptist State Convention. In the coming years, we will benefit from their contributions to our life as North Carolina Baptists.

Gardner-Webb University – 2001 – 2002 Academic Year Summary

As Gardner-Webb officially enters into a countdown to its centennial in 2005, the institution is experiencing success in all phases of campus life. Despite a progressive move into the 21st century, however, the University's mission remains the same as it has been since its founding in 1905 – to provide learning of distinction within a caring Christian environment.

The 2001-2002 year at Gardner-Webb will be noted in the annals of the University's history as one of extreme significance. Programs and facilities, affiliations, personnel and student body all were enhanced further to continue the institution's rise to regional and national prominence.

Programs such as the M. Christopher White School of Divinity have continued to offer new and dynamic courses of study under the leadership of highly respected faculty members. In Fall 2001 Gardner-Webb began offering its first-ever doctoral program, the Doctor of Ministry (D.Min.) degree, with the maximum number of students enrolled.

The School of Divinity is prepared to enter this new realm with strong administrative and faculty leadership, and challenging curriculum and auxiliary offerings as well. A hallmark of the GWU divinity experience continues to be the annual Holy Land and Paul's Missionary Journeys Study Tours. The trips, now underwritten by GWU for divinity students, is led by GWU President Dr. Chris White, a noted authority in biblical studies, and Dr. Wayne Stacy, Dean of the School of Divinity.

The School of Divinity also welcomed the addition of two newly established endowed chairs in 2001-2002. The Bob D. Shepherd Chair of New Testament Interpretation was the first endowed chair to ever be formed at GWU, and Dr. Todd D. Still was named at opening divinity convocation to occupy the esteemed position. In the spring, the Randall Lolley Chair of Pastoral Studies was completed in honor of Dr. Lolley's tremendous impact on Baptist life.

The Center of Congregational Enrichment, a function of the School of Divinity, this past year was the beneficiary of GWU's largest-ever grant, a \$1.25 million gift from the Lilly Foundation to begin a program for youth that nurtures the call to Christian ministry. Hired this year to direct the Center and the new Lilly program was Dr. Danny West, a noted Baptist leader who will administrate the innovative new Lilly venture while continuing the Center's work to provide seminars and workshops to laypersons and church leaders on timely topics that range from teaching Sunday School to effective church administration.

The same sense of excitement and progress that has marked the past year in the School of Divinity has permeated the entire institution as well. Other areas of the University that were lauded this past year include the GWU School of Education, which had its teacher education program ranked for the third year in a row among the top programs of its kind in a recent study produced by the State Board of Education. The School of Education is recognized for quality in all its departments with accreditation from the National Council for the Accreditation of Teacher Education (NCATE), the most prestigious status that can be achieved in teacher education.

Further indication of Gardner-Webb's commitment to the highest level quality of instruction is Dr. Gail Price, winner of the 2001-2002 Fleming-White Excellence in Teaching Award that honors the University's most outstanding faculty member. Price, professor of English and past chair of the GWU Department of English Language and

Literature, has brought her Christian influence and integrity to the classroom for more than a decade, and her honor was voted upon by not only students, but fellow faculty and staff as well. Dr. Price is a widely respected authority in her field and regularly participates in innovative efforts locally, regionally and nationally to continually raise the standard of excellence in English and writing instruction.

Furthering its mission to provide world-class education in a Christian setting, Gardner-Webb has refined and expanded many of its 17 off-campus locations this year as well, including the new "Gardner-Webb University at Statesville" operation. Providing the only four-year opportunity to that region of North Carolina, GWU at Statesville is settling into a new, state-of-the-art facility in Iredell County that spans over 11,000 square feet. In April, a new facility was unveiled in Mecklenburg County as well, officially named "Gardner-Webb University at Charlotte." The institution's evening school offerings for working adults are offered at the site along with multiple graduate level programs for the citizens of that area also.

The quality of the student body continued in 2001-2002 to set new standards of excellence at GWU. The average GPA for incoming students was over 3.4 and the average SAT was 1100. A newly completed strategic plan for the University identifies this quality of student as being key to the growth and progress of GWU's next decade. In addition, the strategic plan and accompanying master plan have set forth ambitious and exciting goals for the university in the next decade, including expansion of the physical campus and academic programs, among others.

The new 2001-2002 year also meant the completion of GWU's transition phase to NCAA Division I status. Fall 2002 marks the beginning of a new era in athletics, as well as academics and recognition, as Gardner-Webb has begun competing in the Atlantic Sun Conference (formerly the TAAC). This move to Division I and conference affiliation opens new doors institutionally for Gardner-Webb as new markets and opportunities for exposure are tapped in member cities such as Miami/Ft. Lauderdale, Orlando, Jacksonville, Birmingham, Nashville and Atlanta.

Students at Gardner-Webb also enjoyed another eventful year full of opportunities to grow in all areas of their well-being. Notably, many students again participated in Ministerial Education (M.E.) Days, which allow undergraduate and graduate ministerial students the chance to preach in Baptist churches in area associations through a cooperative arrangement with the GWU Office of Campus Ministries. That office continues also to offer the weekly DIMENSIONS program to students, which features prominent speakers and performers who bring positive messages of their Christian faith each Tuesday throughout the academic year.

As a leader in the Baptist community, Gardner-Webb takes seriously its responsibilities as a beacon of quality Christian higher education to the state, region and the nation. The decisions made by the Board of Trustees and the administration will continue to reflect that philosophy as the University charts a course for the 21st century.

Staying true to its affiliation with the Christian faith, Gardner-Webb remains appreciative for the generous support it receives from the Cooperative Program and feels that the school is more effective as a result of offerings that are enhanced with these funds.

ANNUAL REPORT TO THE ASSOCIATIONS
2002

It is a joy for the Christian Action League of North Carolina to serve the churches of this great state. We continue to work to inform the Christian community about the moral issues that face our state and nation. Our goal is to address these issues with the principles of God's Word, the cornerstone of all truth.

A. Christian Values

- CAL has continued to promote and distribute copies of the Ten Commandments throughout North Carolina. Over 18,000 have been distributed state-wide.
- The Executive Director of the Christian Action League has written numerous editorials that have appeared in major newspapers across the state; two have appeared in the *Raleigh News and Observer* and one in the *Charlotte Observer*. Reverend Creech is published regularly in *The Charlotte World*, *The Raleigh World* and *Triad World* newspapers.
- CAL publishes once a week an Issues Alert that keeps over 1,000 people updated on the most significant events in the cultural war. Many times the Issues Alert
- Reverend Creech has taken a bold stand in favor of U.S. Rep. Walter B. Jones' bill "House of Worship Political Speech Protection Act – HR 2357" which would permit churches and other houses of worship to engage in political campaigns. Rep. Jones said: "If this nation is going to remain free and strong, I think churches have an obligation to talk about issues." This bill would restore the free speech rights of pastors and ministers to speak openly about moral and religious issues during political campaigns without fear of IRS reprisal. Rev. Creech appeared on NBC 17 to debate the North Carolina head of Americans United for the Separation of Church and State on this issue.
- The Christian Action League actively promoted the "Shield a Badge with Prayer" program started by Reverend Michael Taylor, President of the North Carolina Sheriffs' Chaplains Association. The program pairs law enforcement officers with Christian people who commit to pray for them. Rev. Creech's promotion of the program on radio and in editorials resulted in Agape Press (a national Christian news agency) picking up the story and elevating it to national prominence.
- For the second consecutive year, Reverend Mark Creech has been asked to participate in the Christian World View Institute for Students. The Institute combines a balanced mix of courses that include training in the Christian World View and the opposing world views, apologetics, logic, intelligent design, government, journalism, America's Christian heritage and leadership.

B. Gambling

- Reverend Mark H. Creech has been an active member of Citizens United Against the Lottery which includes such distinguished members as William Friday (former Chancellor of the University of North Carolina system); Billy Graham (Evangelist); former Governor Robert Scott; former U.S. Senator Lauch Faircloth and Chuck Neely (2000 Gubernatorial candidate).
- The Christian Action League of North Carolina focused most of its energy this year in keeping a state-operated lottery out of North Carolina. Our efforts have been effective. Chuck Neely, President of Citizens United Against the Lottery, recently said; "Mark Creech and the Christian Action League have played a pivotal role in holding off the gambling forces .. Mark – who speaks with the powerful, impassioned voice of truth – has helped to organize hundreds and hundreds of the faithful to call their legislators and let them know of their opposition to the lottery. Without the leadership of CAL, it is doubtful that we could have prevailed so long. The

battle goes on, but Mark and CAL are always to be found where the fight is thickest. On behalf of Citizens United Against the Lottery. I am proud to acknowledge the leadership and effective effort of Mark Creech and the Christian Action League."

- In order to equip pastors and lay persons with information about the harmful effects of a lottery, the Christian Action League held workshops called "A Christian Looks at Gambling" in strategic areas across our state. CAL also furnished hundreds of packets of lottery materials (Gambling" A Bad Bet for North Carolina) to pastors.
- The League has lobbied for the passage of the Video Poker Ban bill (SB 1008). The bill currently remains in the House Rules Committee. The Department of Revenue says there are 10,094 video poker machines in the state.

C. Sex Education

- In March, 2002, the Wake County school board voted to teach comprehensive sex education. Reverend Mark Creech and CAL fought vigorously to keep comprehensive sex ed out of Wake County schools. Creech said in an editorial which appeared in the *Raleigh News and Observer* "protected promiscuity has no part in God's plan. Only sex in the context for which it was intended-lifelong, monogamous marriage-is safe."

D. Education

- Reverend Mark Creech appeared on NBC 17 to debate a professor of history from the University of North Carolina about the University's requirement that freshmen and transfer students read "Approaching the Qu'ran: The Early Revelations." Anchorman Monty Knight said the television station's ratings on that particular program were higher than even the national networks. They had never received such high ratings for a news broadcast before. Rev. Creech also wrote an editorial entitled "UNC's Doctrine" that appeared in newspapers across the state. Joe Glover, President of the Family Policy Network (the Virginia-based organization that brought the lawsuit against UNC-Chapel Hill), said he believed Rev. Creech's editorial had a significant impact on the decision by legislators in the North Carolina House to vote to defund the summer reading program at UNC-Chapel Hill.

E. Alcohol

- During the last session of the General Assembly, SB 166 (2001 Studies Act) established the Legislative Alcohol Beverage Control Study Commission. The Commission was established to consider the significant impact of the privatization of the State's present system of alcohol beverage control. If privatization was approved, it will exacerbate alcohol-related problems in our beloved State. The Christian Action League of North Carolina is the major enemy of the proliferation of alcohol and we are on the front line in the General Assembly trying to defeat this legislation.
- CAL has assisted 13 townships and counties in preparing and executing strategy to defeat alcohol referendums since January, 2002. We provided free materials and counsel that were critical in minimizing the proliferation of alcohol in North Carolina.

F. Homosexuality

- Rev. Creech wrote an editorial that appeared in the nationwide Agape Press entitled "Thanks Be to God that Anne Graham Lotz Stood Up for Truth." During a recent address to about 500 women, Lotz called homosexuality one of several sins from which man needs to repent. She was ridiculed for this remark and Rev. Creech vigorously defended her position.

RANDOLPH BAPTIST ASSOCIATION
SIXTY-NINTH ANNUAL MEETING
OAKHURST BAPTIST CHURCH
OCTOBER 20, 2003 AFTERNOON SESSION
MEETING MINUTES

Registration began at 3:30 with the assistance of: Bobbie Booker, Carmen Jurgensen and Calvin and Ann Brower.

Prelude by Dr. Dan Wood

Afternoon session was called to order by moderator, Dr. Richard Crider. He first reminded all to register if they had not done so. He then recognized Rev. Ernest Mangum from the Programs Committee.

Rev. Mangum took the floor and asked that we accept the programs as printed.
A vote was taken and the motion carried.

Dr. Crider then recognized the music director, Mr. Jay Williams.

Mr. Williams came and led the congregation in hymn # 419, "Glorious is thy Name, Most Holy" accompanied by Dr. Dan Wood on the piano.

Dr. Crider then recognized Dr. Wood.

Dr. Wood welcomed the association to Oakhurst and announced that Oakhurst would do anything possible to meet any need anyone made known. He then gave the invocation.

The moderator next recognized Rev. Gene Booker, Interim Associational Missionary to recognize new pastors in our association.

Rev. Booker came forward and submitted the following:

Beulah Baptist, Stacey Layne; Oakwood Park, Norman Livengood; Sandy Creek, Travis Brock; Seagrove FBC, Ben Ramsaur; Franklinville FBC, Steve Cox.

Rev. Booker then listed the churches with interim pastors as follows:

Greystone, Danny Hosler; Maple Springs, Judson Rotan; Staley, Garland Foushee; Union Grove, Charles Harris; West Asheboro, Carl Ziegler; Huldah, Billy Metters; Macedonia, Jack Livingston. Balfour Baptist has no pastor or interim at this time.

Dr. Crider then asked if there were representatives there from any of our institutions or organizations. Charles Stovall from the Baptist Children's Homes was there and wanted to express his thanks for the tremendous response to the food drive. Over 300,000 pounds of food was collected. Tyson Foods donated 30,000 pounds of chicken. He told about a 16 year old resident of Mills Home being hit by a train and killed recently. Only 4 weeks before that, this young man had accepted Jesus Christ as his Savior. We were asked to please pray for them.

Dr. Crider then recognized Dottie Pickler, Association Historian.

Mrs. Pickler referred to the Book of Reports for the history of Oakhurst. She suggested that all present read it for themselves. She said she's always amazed at how this church was started and what it has become. It is one of her favorite churches in this association.

Rev. Gene Booker was then recognized to give the treasurer's report in the absence of Susan King, who is home with a sick father. He referred us to the financial report in the Book of Reports. He encouraged all churches to support the association and to give at least 3% of their undesignated receipts. He informed the association we had borrowed money to purchase new office equipment at a savings of over one hundred dollars per month from our previous lease. No questions were asked about the financial report. It was accepted.

The chair then recognized the clerk, Drema Hill.

Drema reported that of the 47 churches and missions, 29 had sent in their church profiles. She thanked them and asked that the rest get theirs in as soon as possible so that the annual could be completed and distributed in a timely manner. She shared that from the 29 reporting, there had been 162 baptisms, with Victory having 34. 2 ministers were reported licensed this year: Mr. Darrell Hurley and Mr. Howard McNeil both from Victory. She then explained a schedule she is making for Rev. Frank White. He wants to get into every church in the association as soon as possible to introduce himself and meet your congregation. Please let her know when you want him to come to your church. Also, please let the association office know of any regular scheduled meetings your church has, such as Brotherhood or Senior Citizen groups.

Dr. Crider then recognized Nancy Brenner, the WMU Director.

Nancy said she's excited about serving this year and thanked the association for allowing her that opportunity. She mentioned some projects the WMU team would be promoting: Prison Packs for the Inmates and Red Box for women inmates, Special Emphasis: Lost & Found, the Thanksgiving offering for Baptist Children's Homes and of course the Lottie Moon offering for International Missions. Nancy said there was literature in the foyer to be picked up. Nancy mentioned the Baptist State Convention to be Nov. 10-12 and the 40 day prayer guide for it. She announced Mission Extravaganza would be at Ridgecrest on April 16-18, 2004. Another big event for next year will be GA's 90th birthday celebration. Nancy then mentioned several openings on the WMU leadership team and asked that anyone interested please contact her or Drema at the Association office.

The chair next recognized Bobby Poole for the Baptist Men's report.

Bobby mentioned the various reports in the book of reports. He said he had a table full of information available in the foyer. He said a Crusader, Jerry Robbins had won 1st place in the state RA competition. Also, Councilor, David Boone had won 1st place in his division. Both cars were on display in the foyer. Mr. Poole stressed the importance of the RA program and volunteered to come share with your church about how you could start the program. He

then read the RA Pledge. Bobby then mentioned a brochure, "Where do I fit in?" telling about various ministries of the Baptist Men.

The next person recognized was Rev. Ron Hester for the General Board report.

Rev. Hester said the State Convention is coming up. He told about the offering through the Cooperative Program dropping. He said 24 positions had been lost, with 15 of them actually being laid off. Giving is \$1.5 million short of meeting budget and is projected to be \$2.3 million short by the end of the year. Ron asked that we remember our convention staff in prayer.

He then told about McGill Baptist Church receiving two gay men into their church. Their association had removed the church from their roll and the state had removed the church from their rolls. No funds can be taken from any church accepting gay members.

Rev. Hester encouraged all who could to attend the state convention Nov. 10-12.

Dr. Crider asked if there were any questions concerning these matters. There were none.

The moderator then recognized Mr. Jerry Hill from CUOC. Mr. Hill said it was a privilege to be there to talk about CUOC. He told how RBA had been very instrumental in getting the area ready for a united outreach center. Hoover Lee did a study initially which showed the need for such a center. There are now over 80 churches participating. Some of the needs which are met are: food, non-food items, clothing and household items. They give away any donations that are needed. Other donations are sold in their monthly yard sales to provide funds to meet other needs. Professional budget counseling is available. Medical supplies are available for loan. People are first asked to fill out a form with basic information. They are then interviewed personally.

There have been over 700 jobs lost in manufacturing in Randolph County this year so the need has increased tremendously. Three years ago, around 250 food baskets were given per month; now 650 are given. Financial needs have gone from \$7,000 per month to \$20,000.00 per month. God has grown the resource; He is faithful. He advised that we not put God in a box; allow Him to work. He told about a family who offered CUOC the entire contents of an estate house. These household goods will net about \$10,000.

CUOC has become a model for other areas. The Archdale/Trinity area patterned their center as an exact duplicate of CUOC. Other counties have asked for advice. Keep them in your prayers as they try to model what God has done here.

Nov. 2 will be 10 years since CUOC opened in Asheboro. Thank you all for making it happen! Remember us in your prayers as we celebrate these ten years.

Dr. Crider asked for a vote to receive all reports.

All reports were then accepted.

Rev. Ben Ramsaur asked for clarification about CUOC. He said there are other similar groups in the county. Many other churches have their own distribution. CUOC is non-denominational.

We then watched a video entitled, "Wright Brothers Centennial Missions Project." There are plans to share Christ with those who come for the celebration. Three ways we can help are:

Prayer

Go (minister) many volunteers are needed

Give

Go to www.chowanbaptists.com or call the State Convention at 1-800-395-5102 for more information or to register to help with "First Flight with Jesus."

Dr. Crider opened the floor for any miscellaneous business.

None was brought up.

He then called Brother Jay Williams to come back to lead in music and then others on the program to come forward.

Mr. Jay Williams led the congregation in hymn # 362, "Come All Christians, Be Committed" with Dr. Dan Wood accompanying on piano. Jay then sang a solo "Does the Light Still Shine?"

Rev. Doug Davis then took the podium. He said what an honor and privilege it was to speak, but also what a great responsibility.

He said if you want to cook some "stuff", there are many ways to do it, but there must be some heat. There are also many ways to share Jesus, but there also must be some fire in our hearts.

He said these are exciting times. The International Mission Field is here. These are our best opportunities ever. Scriptures used were Romans 1:14-16 and II Kings 7:9. America is in the plight it's in today because evangelical Christians have not won the lost to Jesus Christ.

Rev. Davis then also read I Cor. 6:19-20. Jesus bought us to set us free. We must choose to serve Jesus for all our days. Carry out the Great Commission. Share with all humanity.

It is essential if we're going to share Jesus to have:

A real burden for the lost (comes from a true compassion in our hearts)

Boldness Paul said "I Am Ready." We must also be ready

Belief in the gospel Do not be ashamed of the gospel

None but Jesus can save!

The gospel is the power of God.

Put yourself in the hands of the Lord, you can't mess it up.

Rev. Davis then read I Cor. 15:1-4.

Dr. Crider thanked Rev. Douglas Davis for an excellent message.

He invited all to stay for dinner and the evening session beginning with the choir singing.

He gave directions to the fellowship hall and asked the blessing.

Respectfully submitted,
Drema Hill, Secretary

OAKHURST BAPTIST CHURCH

In 1941, three Methodist ministers saw the need for a house of God in a growing community in the southern edge of the city of Asheboro. They leased a piece of property from the county, formerly used as a repair garage for school buses, near the Randolph County Home on then highway 220 south, for the sum of one dollar per year.

Called Macedonia Society, the church was built with the concrete floor of the old garage as a foundation. The name Macedonia came from the Macedonia Methodist Episcopal Church which was established in 1884 near the Randolph County Home which was disbanded about 1912.

Around 1943, residents of south Asheboro who had been attending the church voted on the denomination with which they would unite. The majority voted for a Baptist church. The church became New Macedonia Baptist Church keeping this name until 1946.

On April 15, 1946, the church called its first full-time salaried pastor, Rev. Robert L. Hughes to serve the congregation of ten charter members.

In October of 1946, the church purchased the property from the county for \$3,300. Another name change occurred for the church in 1946 when the congregation voted to become Oakhurst Baptist. The new name was borrowed from the adjacent property known as the Oakhurst subdivision.

The church consisted of one building, with curtains to be drawn for classes, until 1948 when a new addition was added with classrooms, a fellowship hall, and a kitchen. In 1955, another addition was made consisting of new classrooms and sanctuary, which was designed to serve as a fellowship hall later. In 1957, a pastorium and a church hut became a reality.

In the spring of 1988, construction began on the new sanctuary complex. The completed one-half million dollar facility was dedicated April 23, 1989. The church immediately began renovation of the former sanctuary to provide new classrooms and a fellowship hall. All debts were cleared by the note-burning ceremony April 24, 1994.

A Picnic Building was added to the church facilities in 1992. The cost of the materials was provided by Terry and Drema Hill in memory of their son, Eric Hill, who had died in 1991 in military service. The building was built by the members of the church.

In August of 1994, the church broke ground on a new education wing to be added to the east side of the 1948 addition. Constructed primarily by the men of the church and completed one year later, the facility added about 4200 square feet and cost less than \$125,000.

Annual Meeting Oct. 20 continued: Evening Session

Oakhurst choir presented a mini-concert under the direction of Mr. Jay Williams. Songs:
Let There Be Praise
You Are Worthy
I've Just Been with Jesus
I Pledge Allegiance to the Lamb (Bob Navey-solo)
Carry the Light
In this Land of Darkness: How will they Know?

Dr. Crider called the evening session to order.
He complimented our hostess committee for our meal and all clapped to show their appreciation to them.
Mr. Jay Williams led in hymn# 226 "Follow On" accompanied by Mrs. Betty Hartman on organ and Mrs. Barbara Winslow on piano.
Rev. Jon Ferguson led in prayer.
Dr. Crider asked again for visiting agencies. No others were present.

Rev. Kenneth Tucker made a report from the nominating committee about positions and officers. He presented Nancy Brenner, Cedar Grove Church as WMU Director, Betty Simmons of Asheboro FBC as WMU Secretary, Anna Allred from Oakhurst as WOM Director and Dawn Bell from Cedar Grove as Mission Friends Director.
An Assistant WMU Director, Acteens and GA Directors are still needed. He asked that pastors recommend those in their churches for these positions.

He then reminded us that at our last quarterly meeting, we voted to incorporate. Brother Boyce Wilson will handle this for us and had asked for two incorporators. He recommended Ron Hester from Clearview and Charles Fleshman from FBC Ramseur for these positions.
Dr. Crider asked if there were any questions; there were none. A vote was then taken on both issues and approved.

Moderator then recognized Rev. Carl Ziegler from the Credentials Committee.
Rev. Carl Ziegler introduced delegates from Grace Community Church: Pastor, Rev. Fred Hardin and messengers, Sandy and Clara Holder. Rev. Ziegler presented this church for membership in the RBA. They had been under the watch care of the association for the required year. A vote was taken and the church was approved for membership.

Reverend Doug Davis was then recognized as the chairman of the budget committee.
Rev. Davis referred to the budget printed in the book of reports and recommended that it be accepted. There were no questions; the vote was taken and the motion approved.

Rev. Ron Hester was then recognized for a report from our disaster relief program.
Rev. Hester told how Hurricane Isabel had caused much damage to our coastline. A unit went immediately to Greenville and was then moved to New Bern. Another unit went to

Williamston and another to Elizabeth City. Ron, himself went to Elizabeth City. 933,000 meals were prepared in NC, Va, Md, Del, and Pa. 1500 clean-up jobs in NC have been completed, mostly tree removal and mud-outs. There is a tremendous amount remaining to be done. One feeding unit is still active, on Hatteras Island, other units only for feeding volunteers at this time. 11,500 days have been given by volunteers as of 10-19-03. Hertford FBC had a lot of damage and a team from this association went to help there. The pastor there, Kenneth McNeil is a former Randolph County pastor. The disaster recovery trailer is now located at Gravel Hill Baptist Church. They want to begin a local handy-man ministry and will need to equip the trailer with tools needed for these type jobs. The disaster recovery team really needs a van. They would take the seats out and put tools in this van. If your church has a 15 passenger van you would like to donate, they'd put it to good use.

Rev. Hester then proceeded to give the Personnel Committee Report.

He recommended hiring Drema Hill as a permanent administrative assistant. A vote was taken and approved.

Rev. Hester then announced that Rev. White would officially be on the payroll as of Nov. 8. He will be at the state convention in Winston-Salem that week and will actually begin his ministry in the RBA on Nov. 16.

Rev. Hester then called Gene & Bobbie Booker to the front. He expressed his deep appreciation for the wonderful job they've done at the association for the past 29 months. A standing ovation was given to this wonderful couple.

Moderator then recognized Rev. Ernest Mangum from the Places & Preachers Committee. Rev. Mangum expressed his appreciation to Gene for his ministry to his family during the time of his wife's father's death.

Rev. Mangum then referred us to the proposed schedule for associational meetings for 2004, as well as the preacher and alternate for the annual sermon. After his recommendation that these be accepted, a vote was taken and the motion approved.

The moderator then asked if there was any miscellaneous business. There was none; he then asked for a registration report. It was given as follows:

26 Churches represented:

69 Messengers present

7 Alternates present

36 Visitors present

18 Pastors Present

Our new Associational Missionary and his wife

For a total of

132

Rev. Norman Livengood was then recognized to present the memorial. He used scripture from Rev. 21: no more pain, no more sorrow, and no more death. He advised us to remember the good things about each of those who have passed away this year. He led in prayer and thanksgiving for their lives after reading each person's name.

The moderator then recognized Rev. Gene Booker, Interim Director of Missions. Rev. Booker said he wanted to honor someone tonight that he had been very privileged to serve with over the years. When he served as Interim Pastor at FBC Liberty from Sept., 1997 to May, 1999 he met Mr. William H. Flowe, Jr. (Bill) and got to know him very well during that time. When the association ran into trouble, he contacted Bill Flowe. No one knew at that time they were entering into two long years of service. During that time, Mr. Flowe donated untold hours, expense and travel. Each time Rev. Booker offered to pay him, he said he was a member of a cooperating church and felt he should do this service for the association with no charge. He saved us a tremendous amount of money. Tonight a plaque is presented to express our appreciation, along with a gift certificate to his favorite restaurant. Since Mr. Flowe had a family situation that needed him and could not be here, Rev. Rick Bell, Pastor of FBC Liberty accepted for him and will take it to him.

The Oakhurst Men's Quartet (Richard Crider, Bob Navey, Jay Williams and Henry Ammons) then came forward to sing "Mansion on the Hilltop" and "The Lighthouse". They were accompanied on piano by Mrs. Barbara Winslow and Mrs. Betty Hartmon on the organ.

Mr. Williams then let the congregation in singing hymn # 417, "I Gave My Life for Thee".

Dr. Crider introduced Rev. Frank White and his wife, Carmen. Rev. White sang a song based on Luke 10: 2-3, "Lord of the Harvest." Carmen accompanied him on the piano.

Rev. White asked when you sang the song "Follow On" earlier, did you really mean it? If we do, look out Satan!

Rev. White presented his wife, Carmen and said he appreciates her playing for him. He says he hopes churches will let them sing and play for them in the future.

As introduction, Rev. White told about the timing of his calling to RBA.

As late as mid-May, he was still planning to return to Indonesia. June 16, they decided to delay that return. On July 17, he received a call from Dr. John Rogers on the search committee. He met with them on July 29. After reviewing applications for 54 candidates, this committee had not found the right man. "It's a God thing: this timing."

Rev White says the question is not what we can do, but what God wants done.

He is not coming in with an agenda. He said he's naive enough to believe we can do great things when we work together.

Col 2:2 says my purpose is this, that they may be encouraged.

He wants to be a pastor's pastor. When he met with the committee, he met to date, but the committee was ready for marriage.

Rev. White said he has one wife, a son, Justin who is 15 years old, a daughter, Kira, 11 years old and another son, Adam, 9 years old.

He pastored a church that was over 200 years old. He has been a music minister. Then for ten years, he has served as a missionary to Indonesia. There he visited lots of small churches and helped train pastors and lay leaders. He taught at the seminary there. He also helped with Bible studies for refugees. Most of the people are Muslim or Buddhist, few Christians. This past year the Whites have lived in Shelby, NC and he has resumed working on his doctorate at Columbia Biblical Seminary & Graduate School of Missions. Rev. White says we cannot put a label on him. He will do everything he can to be everybody's friend and that he will do everything he can to help in any way possible. Forget any adjectives just call him a disciple of Christ.

Rev. White then went on to explain that he was raised as a Methodist. He was sprinkled as a baby, confirmed as a young boy and was President of the youth group. He was even a member of the administrative board of the Methodist Church. It was when his father committed suicide that he realized he was lost. He then chose Baptist as the best expression of what he believed. He appreciates the autonomy of the local church and the cooperative body. He believes in baptism by immersion as the most Biblical. He also believes in the priesthood of the believer. He believes that scripture is God's word, the absolute truth, although each person's interpretation can still differ. He wants us to have a cooperative effort with a key emphasis on missions.

Rev. White says he is a conservative evangelical Christian, does not support CBF but understands their beliefs. We can work together although he doesn't agree with everything they do.

He said he's heard some say he's too young, or too thin, or had too much hair or was too good looking to be an Associational Missionary but he just wants us all to work together. 60% of the residents in this county are unchurched. That means 85,000 people need Jesus and need a church. Our churches should be bursting at the seams. We need to reach out to all kinds of people, not just those like us. We must minister to all types. Again, he has no political agenda, is not pushing CBF, and is not pushing SBC, only Jesus Christ.

FROM ONE PERSON TO ALL PEOPLES: TAKING THE GOSPEL TO THE NATIONS

I. REVELATION – BEGINNING WITH THE END IN MIND: THERE IS HOPE FOR EVERY PERSON AND EVERY PEOPLE

Introduction: A man was preparing for a flight to the West coast when a college age man sat down beside him. This young man seemed elated, so the older man asked, "You seem very happy. What's up?" "Yes, I am. I just graduated from college." "That's great. What's next for you?" The young man replied, "I'm going to grad school." "Really? That's wonderful! Then what?" "I'll find a good job." "And then what?" "I suppose I'll get married." "And then what?" This continued through buying a house, having children, getting promotions, and even retirement. Finally the older man

asked, “And then what?” But the young man had no more answers. Death was inevitable, and he dared not speak of it, for apparently he had no hope for anything more.

As Christians, however, we do have hope. We do know what’s next. 1 Thessalonians tells us, “We do not want you to be uninformed, brethren, about those who are asleep [meaning already dead or dying], so that you will not grieve as do the rest who have no hope. For if we believe that Jesus died and rose again, even so God will bring with Him those who have fallen asleep in Jesus.... Therefore comfort one another with these words” (4:13,14,18). We can have this hope, each and every one of us.

So, we do know a few things about the end of time here on earth. We do know “The rest of the story!” as Paul Harvey used to say. Among other things we can draw from the book of Revelation, we know ...

- I. There is Hope
- II. For Whom There is Hope
- III. How to Have This Hope, and
- IV. We Must Offer This Hope to the Nations.

- I. **There is hope.** There is hope for anyone who is still alive. Like the thief on the cross with Jesus, we have hope as long as there is breath. Jesus told that thief, “Today you shall be with me in paradise” (Lk. 23:43). There is hope until that final battle is fought or that final breath is taken. Instead of remaining in our doomed state, bound for eternal suffering in the lake of fire, separated forever from God, every person can have the sure hope that they will enjoy eternity with God in paradise.

exp. – Revelation clearly shows us the final outcome of all that transpires here on earth. It was not meant to become a blueprint for debate about the specific details of what will happen. It is rather a clear depiction of the final victory of our Lord over the forces of sin and evil that reign temporarily, and only with His permission, on this earth.

Let’s take a look. We know from Revelation 19 that Jesus Christ will return with the armies of heaven and defeat Satan and the nations of this world. It reads, “And the beast was seized, and with him the false prophet [and they] were thrown alive into the lake of fire.... And the rest were killed” (Rev. 19:20-21). The victory is assured. And it is ours! Furthermore, from Revelation 20:11-15, we read, “Then I saw a great white throne and Him who sat upon it... And I saw the dead, the great and the small, standing before the throne, and books were opened; and another book was opened, which is *the book of life*; and the dead were judged from the things, which were written in the books, ... Then death and Hades were thrown into the lake of fire. This is the second death, the lake of fire. And if anyone’s name was not found written in the book of life, he was thrown into the lake of fire.” This is followed in chapters 21 and 22 by a description of the heavenly home awaiting those whose name will have been written in the book of life. Therein lies our hope.

iii. – I coach PeeWee football. Recently when we were getting whipped 28-0, a player came off the field crying, “We can’t do anything. There’s no hope!” Well, maybe in that situation, with time nearly expired, there was no hope to win, though we did hope for a score. Not so with the

hope Jesus offers. He extends this hope to people from all nations until their last breath or He returns.

app. – Don't give up hope! If you feel you have no hope, if you have never trusted in Jesus, then I have good news for you. There is hope – hope in a new life forgiven of and free from sin, and hope for enjoying eternity with our Lord Jesus in paradise. And you can have it! It begins the moment you believe and start living for Christ. If you are a believer already, rejoice in this hope.

- II. For whom is there hope?** The book of Revelation gives a clear answer to this question. The process begins with the proclamation of the gospel, as Revelation 14:6 states, "Then I saw another angel flying in midair, and he had the eternal gospel to proclaim to those who live on the earth-- to **every nation, tribe, language and people.**" And its results are, as Revelation 5: 9 says, that Jesus "purchased for God with Your blood *men* from **every tribe and tongue and people and nation.**" Revelation 7: 9 adds, "Behold, a great multitude which no one could count, from **every nation and all tribes and peoples and tongues**, standing before the throne and before the Lamb." No one is excluded from God's offer. People from every nation will be there.

app. – Yes, there will be people from every corner of the globe standing before the throne of Almighty God, worshipping Him forever. That includes me; it can include you, too. John, the writer of Revelation, also makes this clear in 1 John 2:2 when he writes, "He Himself [Jesus] is the propitiation for our sins; and not for ours only, but also for *those of the whole world.*" This is one reason we must proclaim the gospel among every people group on the earth.

- III. How to Have This Hope.** Revelation 3:20 graphically depicts how a person can have this great hope. This verse states in Jesus' words, "Behold, I stand at the door and knock. If anyone hears my voice and opens the door, I will come into him and eat with him, and he with me."

ill. – Many years ago I made a plaster wall hanging depicting this scene. When we look closely at this common wall hanging, we see that there is no door handle on the outside. For unbelievers, Jesus is standing and knocking at the door of the hearts of unbelievers. The unbeliever must open the door from the inside. Jesus will never force His way into anyone's life.

app. – Each person must individually accept God's offer of hope. Won't you open the door and let Him in?

- IV. We Must Offer This Hope to the Nations.** What a wonderful thing to know that there is hope for something beyond this life and world. How generous is our Lord to offer this hope even to one wretched sinner much less to all the peoples of the world. But how are they to know of this offer? How are they to know that Jesus is standing at the door of their hearts knocking, waiting to enter? As Paul writes, "Everyone who calls on the name of the Lord will be saved." Then he adds, but "How, then, can they call on the one they have not believed in? And how can they believe in the one of whom they have not heard? And how can they hear without someone preaching to them? And how can they preach unless they are sent?" (Rom. 10:13-15).

ill. – This is a major reason why I went to Indonesia and why the International Mission Board now has over 5,600 missionaries around the world. They are personally taking the gospel “to the uttermost part of the earth” (Acts 1:8, KJV).

app. – So, what are you waiting for? Maybe you’re not a preacher or think you can’t go to the ends of the earth, but you can proclaim the gospel to your neighbors – testifying about what the Lord has done and is doing for you. Go lead *one* person to faith in Christ, and teach him how to lead another to faith. Then go lead another, and do the same – again and again. Before long we will have reached the nations just as God promised. Do this here among the 80,000 unchurched residents of our county. then join us as we travel to other needy people in the U.S. and around the globe.

I want to conclude this message with the closing statement from Dr. Philip Steyne’s lectures on The Biblical Theology of Missions. He says, “**The point is NOT will He do it! The point is will I/we participate!**” Yes, God will do as He has promised; He will bring this age to an end and judge the nations. He has already won the victory and offered hope to all who believe in Him – to escape condemnation, hope for a joyful, Spirit-filled life now and forever. Have you accepted His offer yet? If not, do so now. If so, then join with me, with us in taking this great message to all the peoples of Randolph County, the U.S., and the world. Will you participate?

II Cor. 5:10 "Why Must We Discover A Vision About Evangelism"
 We need new visions for reaching the lost.

Feb. 10 & 11: State Evangelism Conference in Greensboro

II Cor. 5: 14-15 Do you have goals in your life? If you have goals, if so you will accomplish things.

4 Eternal Truths:

1. Love of Christ constrains us (compels us) that we need to have a vision to reach lost.
 His love for others. He died for all. He was made sin for us. Our love for Him compels us. Strong love will compel us to do extraordinary things.
2. Power of Christ Completes us.
 Standing on the promises while we are sitting on the premises when we should be skipping down the pathway to save the lost
 Power of Christ creates new life. Must be born spiritually.

3. Reconciles our lives unto God

We forfeit the right to choose who we will love because he died for all.

Can't reserve our compassion only for those who deserve it, but all.

4. Knowledge of judgment convinces us.

Believers reward as God's children we will stand before him & our works will be

Judged & rewarded if done for Him.

Believers' respect-fear of displeasing Him. Want him to say "Well done good and faithful servant." Don't worry about pleasing people-worry about what God thinks of us.

Brevity of time compels us.

Now is the time of salvation.

Welcome of those who have received Him & warning to those who have not, they will be lost to hell.

I Thes. 4 He will return.

Matt. 25:41

Rev. 20:15

Challenged us to recognize our vision for reaching the lost for God.

Asked us to commit to set aside 30 days of prayer

Asked us to stand in an attitude of prayer while invitation is played. Closed in prayer.

Dr. Crider invited Gene to close meeting with prayer and blessed food.

He gave directions to fellowship hall for refreshments.

RANDOLPH BAPTIST ASSOCIATION
SPRING QUARTERLY MEETING
RIVERSIDE BAPTIST CHURCH

APRIL 21, 2003
MEETING MINUTES

Registration began at 6:30 by Bobbie Booker and Jeff Auman. "Friendship Kits" were distributed by Mrs. Bobbie Booker as gifts.

Meeting was called to order at 7:00 with Rev. Richard Crider as moderator.

Gene Booker lead the congregation in song "To God Be The Glory" with Dan Wood on piano. Harold Baker welcomed everyone to Riverside Baptist and stated that he was proud to host the meeting. He gave directions as to the buildings facilities and began devotions.

Rev. Baker's devotions were centered on the theme of the meeting "Changing Lives Caring People". He explained that caring people are looking to help others and looking for a change for themselves. Scripture was referenced in Matthew and John. John 4:31 was read and the story of Jesus caring for the Samaritan woman's spiritual needs was the center of the devotion. Just as Jesus had a divine appointment, we too have divine appointments from God that require us to show compassion to others. Jesus had a divine assignment from God to save a hurting world. Sometimes we get focused on people's physical needs and not their spiritual needs – Jesus clarified His will- He was to help the woman's spiritual need. Verse 35 talks about the harvest. The time to change our focus is now and the need is urgent. We need to harvest the people now for the Lord before they are lost forever. There will be rewards for the much needed reapers. Rev. Baker ended with a prayer for the RBA to have compassion on others and be more like Jesus was.

Moderator asked for registration cards to be submitted.

Gene Booker introduced the discussion of becoming an association that was incorporated and introduced Boyce Wilson to discuss the topic in detail. Boyce Wilson, a professional accountant, and an interim auditor for the BSCNC, and a consultant to our association took the podium. He extended greetings from the BSCNC and thanks for the association's contributions to the co-operative program. Mr. Wilson believes that accounting is his ministry and the area where God has gifted him. He shared his some of his background and his search for his mission and direction in life to let us know where he was coming from. He shared how he found his calling and how he uses accounting and extends it into a Christian ministry. He proceeded to address the question of "Why incorporate?". He gave examples of other churches who faced lawsuits and their susceptibility to being sued and the negative results. Churches sometimes get the attitude that they are immune to being sued because of who they are and in today's day and time that is no longer the case. The major advantage to incorporating was said to be that a 'fence' would be placed around the association and its leadership. As the association is set up now, the DOM and moderator are in positions where they can be liable. Also the association's assets are vulnerable to lawsuit. People can be held personally liable to pay

money if sued. Incorporating limits this liability of an individual. RBA would have a registered name and that name would become protected. The title of incorporated would give RBA a better standing with the bank that shows it was set up and established for a long term. The association can become un-incorporated by vote. The incorporation can be undone at any point by vote. Becoming incorporated does require the association to update their bi-laws and constitution. Constitution is replaced with articles of incorporation. Bi-laws are still in place and are still specific. It will present a challenge that Mr. Wilson will gladly assist RBA with.

Disadvantages of becoming incorporated are the costs: \$65 to Elaine Marshall, time (reduced with active approach in updating the bi-laws), changing of titles on land, vehicles, and accounts to read Randolph Baptist Association Incorporated or Inc. (stationery, signage and checks need not be changed). The separation of church and state can become a worry sometimes. North Carolina laws are friendly in this aspect and un-intrusive. There is usually no need to submit an annual report in NC. Being sure the association is adequately insured is another issue (50% of churches are under insured). Property at the associational office would need to be checked for safety hazards and proper insurance purchased if needed. Mr. Wilson made himself available for questions after the meeting in regard to the material he discussed.

Moderator introduced the Riverside Baptist Quartet and announced attendance numbers (noted at end of minutes).

After the music, Bobby Poole took the podium to discuss events going on lead by the Brotherhood. He placed flyers for the information in the packet of information handed out (attached to the minutes). He emphasized the RA campout coming up, Region 5 Baptist Men's Mission rally, boxes of food being collected at Sophia Baptist for Iraq, and an upcoming rally for our troops Bicentennial Park. He also promoted Camp Caraway, their mission and training. He asked for volunteers to help Ron Hester in organizing the training there for Disaster Relief. Mr. Poole gladly presented a plaque to an RA in Victory Baptist Church for winning first place in the state's central division of the RA racers. He presented another plaque to a counselor for winning in 00, 01, 02 and 03- 4 years straight. Mr. Poole volunteered to help the churches or individuals with their Brotherhood organization.

Moderator introduced the Search Committee.

Mr. Robert Taylor represented the Search Committee and stated that they are still searching for a permanent Director of Missions and asked for RBA's support through prayer. They are looking for the correct person for the position and not just someone to fill the position.

The Finance Committee was introduced next, however Eunice Gee was absent so the handout of the financial report for March was looked over and no questions were raised. Gene Booker did point out that there was around \$36,000 in the bank and to employ a full time Associational Missionary and DOM would deplete the funds. He asked the churches to become sensitive to the money there. There are limited funds to support an Associational Missionary and a DOM. He asked the churches to pray about raising the percentages that they give to the association to increase these funds.

Ronald Hester spoke on behalf of the Personnel Committee regarding Cheryl Auman's resignation and her replacement. Thanks was expressed to Cheryl for her service at RBA by Mr. Hester and other members present. Tracey Marley was introduced as the temporary secretary until they could hire a permanent one to assist the new DOM. They want the new DOM to have a part in the hiring of the new assistant.

Mr. Hester also spoke for the Missions Committee. Operation "In As Much" was postponed but will still be completed – soon. Training for Disaster Relief at Camp Caraway was discussed with an emphasis on need for volunteers that Mr. Hester needs to help organize and make the training productive. They have tentative plan for July 16- 24 to send women to Honduras to teach crafts and sewing. They need 5, 6 or 11 women to volunteer. The cost is \$875 for airfare and some other expenses. They must finalize plans by May 15 or cancel the trip. Disaster Recovery trailer was taken by Steve Chipps and his wife and cleaned up. Mr. Hester expressed thanks to them for taking on this project. They are looking to start a Handy Man ministry for the association soon. There is an opportunity for associational churches who are interested in going to New York in July of 2003 to hold VBS. There is no definite date set yet. Thanks was expressed to Bobby Booker for allowing us to keep Gene this long.

Moderator introduced Carl Ziegler for the Credentials Committee.

Carl Ziegler presented that they had received a request letter from Level Cross Community Church seeking membership in RBA with a membership package attached. Ronnie Mixon the pastor of Level Cross Community Church was present in the audience. Mr. Ziegler stated that the bi-laws state that a church seeking membership must present their request for membership 3 months prior to the association quarterly meeting to give the association time to study and learn of the church's intention. However, LCCC was already under the sponsorship of RBG and receiving financial aid. He sought to seek a vote at the present meeting whether or not to accept the church. The Credentials Committee presented Level Cross Community Church to come under the watch care of RBA till next year at this time and there was no second needed for the Credentials Committee. The subject was left open to discussion and Ronnie Mixon was given the opportunity to say speak. Moderator asked for any problems with the presentation of the church and no one made a show of hands for rejection. The church was accepted.

Moderator introduced the interim Director of Missions, Gene Booker.

DOM, Gene Booker expresses his thanks and gratitude to Cheryl Auman for her last 2 years of invaluable service especially her assistance in the RBA's audit. Cheryl stood and stated that she felt her job was complete with the RBA and that she appreciated all the support and kindness and friendships and that she intended to enter into retirement again.

Gene continued to emphasize the following:

May 1 is the National Day of Prayer. There will be a meeting at Town Hall in Asheboro. In case of rain, will be moved to the Chapel at First Asheboro.

May 4-11 is the week of prayer for the Baptist Hospital.

A Mother's Day offering for the hospital is important in helping those in need. Mr. Booker expressed the joy he had in the past when able to help and the sadness when he had to turn someone away due to lack of funds. He encouraged everyone to give.

FBC of Asheboro will hold a VBS clinic for teachers on May 5 from 7-9.

May 18-25 is the Week of Prayer for Associational Missions MAP (Mission Action Project). Mr. Booker brought packets of information and placed them on the back table for operation "In As Much". He asked that churches pick up the information and sign the sheet so the associational office can mail the information to those who were absent. One packet per church.

On Tuesday, April 22, there will be a prayer breakfast at Riverside Baptist in the morning. A carpool will leave from Oakhurst at 7:50. There will be a full breakfast at no charge.

Gene expressed thanks to the RBA for allowing him his interimship and encouraged the prayers for a new DOM that was full-time.

There was an approval of all the reports.

Travis Brock, the new pastor at Sandy Creek Baptist in Liberty was present and introduced.

The business was concluded with hymn "We Have Heard the Joyful Sound".

Special music was provided by Riverside Baptist Choir.

Pastor Johnny Henderson introduced the speaker, Jesse Crooks stating that Jesse was a "Can Do" Christian. He experienced miracles and is a miracle. He thanked him for coming.

Jesse Crooks took the platform and stated that he was not hanging on till Jesus comes but was expecting a great revival before His return. He read 1 Corinthians 2:9 and then prayed. He followed with his testimony of being born handicapped and against the odds. Doctor's predicted he would never talk nor walk but he overcame the obstacles before him because of his determined family. School was unwelcoming to Jesse, yet once he learned to laugh with the other children at himself; he began to laugh with them instead of them laughing at him. This seemed to change his perspective on life. He found true friends when he became the water boy for his high school football team. Although Jesse had a hard time filling his role, they loved him as he was. Jesse came to faith in Christ at 9 years old. As a high school junior, he began to really live for God and discovered the true meaning of life. He graduated with honors and many titles. Between high school and college, Jesse felt the call to preach. His first sermon was on the 5 loaves of bread and two fish. Jesse had a response to this message from God. He gave God his "5 loaves and 2 fish". Jesse states that God doesn't bless anything before He breaks it and that is what God did to him. He was broken and then blessed and is continually blessed. Everyone has their own 5 loaves and 2 fish to give to God. God gives everyone at least one gift that we can use for Him; no matter how old, young, fat or limited we are. If you are a born again believer, you can do something for God's church. Mr. Crooks explained that the trouble

in churches and associations is that not everyone is giving their “5 loaves and 2 fish”. Sometimes there is a group of people that get their feelings hurt and no longer serve the church. If you are in kingdom work for appreciation, get out. You’ll be crucified. The Bible does not say that there is a retirement age for those in service to the Lord. We cannot retire from kingdom work. When God is through with us, He’ll take us home. It takes all of us to give and regive our 5 loaves and 2 fish to make Randolph Baptist Association what it should and could be. Rev. Crooks called for an act of commitment or recommitment from associational members to give or themselves.

Gene Booker came forward as “Just As I Am” played and many people came forward to express their commitment to the association and its mission.

Prayer concluded the meeting followed by dismissal.

Summer Quarterly Meeting-August 18, 2003
Victory Baptist Church

Registration began at 6:30 with Bobbie Booker and Ann Brower. They also distributed the Annual Church Profiles to a representative of each church in attendance.

We were very blessed to hear a beautiful mini concert by the Victory Baptist Church Choir directed by Stacey Federhart.

The meeting was called to order by Moderator, Dr. Richard Crider.

Congregational hymn # 511, "Victory in Jesus" was led by Mrs. Dollie Crider, with Louvella Spivey, pianist and Ruth McNeill, organist.

Jeff Kautz made an announcement concerning a program on Sept.20 called, "Raising the Bar". This conference is to be held at Victory Baptist Church and is open to anyone interested. Dr. Alvin Reid will be leading the conference geared toward expecting more from our youth. There will be a praise team and a drama team.

Rev. Tim Rogers was then recognized.

He welcomed us to Victory Baptist Church and said they were honored to host this meeting. He advised where facilities were and then led in devotion and prayer. Scripture used was Hebrews 12:1-2. He advised that Christians must work hard, because Jesus is keeping score.

He said that in the physical race we compete with each other, but in the Christian race, we comfort and encourage each other.

To be successful, we must:

1. run the race by faith
2. lay aside every weight (excess baggage) and the sin that can disqualify us from the race
3. run until we finish ("Randolph Baptist Association is in the race; we're going to finish this race!")
4. keep our eyes on the goal...have a personal joyfulness, a passionate steadfastness.

Don't look at what's going on around you; keep your eyes on the goal.

Rev. Rogers then shared an e-mail he had received about Todd Beamer in connection with Flight 93 on Sept. 11, 2001. It told how Todd Beamer and his fellow passengers prayed "The Lord's Prayer", and then Todd asked, "Are you ready? Let's roll!"

Mrs. Audrey Thompson then sang a beautiful solo, "And You Alone".

Reports were given:

One church presently under the watch care program

One church eligible for watch care and two missions.

A vote was taken and carried to accept this policy.

Search Committee Robert Taylor

Mr. Taylor advised he had both good news and bad news.

He gave the bad news first; the committee cannot present a candidate for Associational Missionary at this time.

The good news is they have a strong potential candidate and hope to call the association back together soon to present him.

He then encouraged the pastors to be at the Pastor's Prayer Breakfast on August 26 and they may be able to meet this candidate.

Personnel Committee Rev. Ronald Hester

Introduced new temporary secretary, Drema Hill

Church profiles need to be returned to the RBA Office by Sept.26.

NC Missions Offering is coming up and is very important to the association, as well as the state, as they send 10% of the money back to us.

Bobby Poole spoke up to say Baptist Men and WMU are funded by this offering.

Those attending the Regional Stewardship Conference on August 19, need to be at Oakhurst Baptist Church no later than 5:00 pm to ride together on Gravel Hill Baptist Church's bus.

Beulah Baptist Church has a new pastor, Stacy Layne.

Oakwood Park has called Norman Livingood.

Seagrove FBC has called Benjamin Ramsaur.

Rev. Booker then asked us to continue to remember the churches in our association without pastors:

Balfour, Greystone, Macedonia , Huldah, Sandy Creek, Staley, Union Grove and West Asheboro.

Rev. Booker then expressed his appreciation for being allowed to serve this association and thanked all the committees for their work.

Administrative Committee has met and is recommending that the association incorporate.

Brother Boyce Wilson would lead us through the process and it would not

be too expensive. Gene explained the need for incorporation. There were no questions.

A vote was taken and the motion was passed.

Registration report was given by Moderator, Dr. Richard Crider:
28 churches were represented
51 messengers present
13 alternates present
24 visitors present
16 pastors present
1 other staff member
105 total

Moderator asked for a motion to accept all reports.
Motion was made.
Motion was seconded.
Vote was taken and all reports were accepted.

The congregation then sang hymn # 555 “When We All Get To Heaven” led by Mrs. Dollie Crider and accompanied by Mrs. Leverette Strider on the piano.

Then began our Volunteers on Mission part of the program.
Rev. Steve Chipps of Gravel Hill told about their International Mission Trip to Honduras. He thanked the RBA for their financial support in paying for a translator. He said they were advised to not expect too much; they were the first evangelical team to that area. They should just expect to sow seeds. He then announced, “To God be the Glory, there were between 110 and 115 people who accepted Jesus. Around 2300 students were ministered to at their schools; teams went out to churches and also knocked on doors. They felt the prayers of those back home.
Rev. Chipps announced they would be going back the week of July 8-16, 2004.
Slides were shown from the trip.

George Joyce from White’s Memorial Baptist Church talked about the Partnership N.C. has with Alaska. He had been on a team going there for the past three years. The remote area they minister to can only be reached by a bush plane. He said the people did not accept them very well the first year; the second year was better and the third year they greeted them at the airport and remembered their names. He said a trip like this will set your heart on fire for missions. Suicide was rampant among teen-agers there before they went the first time; there were no suicides the next year, or the next. He challenged us to do the missions work needed here at home as well as going on mission trips away. Much can be accomplished by God through you.
He also told us that the facilities aren’t much in these areas, but it was a good experience for White’s Memorial. If you decide to go, take your food with you as it is very expensive in this area.
Mr. Joyce then called on another member of their church to tell about her mission trip experience in Alaska.

Carol Dezern was on a second team from White's Memorial. This was her second trip to Kotzebue, Alaska. The purpose of her team was to conduct Vacation Bible School for the children. They held one session from 4:00 to 6:00 for children and another session at night for 7th grade through high school and a few adults.

Alcoholism, drug abuse and suicide are high in that area and the people are hungry for the gospel. On Wednesday night, ABC Night, she shared the plan of salvation and 13 people accepted Christ.

Carol closed by reading a card from a little girl there asking her to please come back. Carol challenged us to give financially and to pray for these teams.

Rev. Mark Hall then told about his team of 24 who went to Tegucigalpa, Honduras. Some were to conduct Backyard Bible Clubs and some were on a medical mission team. He said be sensitive to the spirit. He asked, "Lord, is there just one more that I need to speak to before I leave?" A little girl walked up and said she wanted a Bible. She wanted to know how God made the world, wanted to know about Jesus and about "the cross thing". He later received an e-mail from her thanking him for telling her about Jesus.

Mark recommended "Deep Impact" as a good start for teen-agers to do international missions. He had 34 participate this year. He said we have a mission field right here at home and that we have not been doing the job. Those who can't go need to send the resources for those who can. We have lots to do; the Lord is coming soon.

Mark also took a group to "Mission Fuge" in Charleston, S.C.

Dr. Crider, Moderator then called on Rev. Tim Rogers who invited us all to join in refreshments.

Benediction was given by Rev. Carl Ziegler.

Respectfully submitted,
Drema Hill, Temporary Secretary RBA

RANDOLPH BAPTIST ASSOCIATION CALLED BUSINESS MEETING
SUNDAY, SEPTEMBER 28, 2003
BALFOUR BAPTIST CHURCH

This special meeting was called for by the search committee for the sole purpose of presenting their candidate for the new Associational Missionary for Randolph Baptist Association.

Registration began at 2:30 with Gene & Bobbie Booker and Terry Hill registering guests.

The meeting was called to order at 3:00 by the moderator, Dr. Richard Crider.

Opening prayer was led by Dr. John Rogers.

Congregational hymn # 400 "Rise Up Oh Men Of God" was led by Jay Williams.

Dr. Crider then recognized the chairman of the search committee, Robert Taylor.

Mr. Robert Taylor first recognized the search committee members:

L.D. Pritchard

Dr. John Rogers

Rev. Justus McKeel

Ann Brower

Susan King

He told us the search committee had worked for almost 2 ½ years, held several meetings, had taken training and advice from the State Convention. After they determined what they were looking for, they reviewed 40 resumes and conducted several interviews. They were still not satisfied and sought more resumes and did a lot of praying. A member of the committee was notified about a particular individual who was a foreign missionary home on furlough and considering not going back to the field. They interviewed this man and his wife and felt right away this was the right man for our association.

Mr. Taylor then called on Rev. Justus McKeel to introduce the candidate.

Rev. McKeel said the committee had looked at a total of 54 resumes. He told us how each member would take these resumes home with them and pray over them, then rate them.

Frank White's name and situation were given to Dr. Rogers.

Rev. Frank White had been a minister of music, a pastor and a missionary.

His wife, Carmen was raised on the mission field.

Justus said the committee always knew God had the man for the job.

Frank and Carmen prayed and searched over what step to take in their ministry.

Rev. McKeel then called on Rev. Frank White to come to the podium.

Rev. White first introduced his family:

Wife of almost 20 years, Carmen (missionary kid growing up in Thailand)

Oldest son, Justin, 15 years old, 10th grader at Shelby

Kira, daughter, the artist of the family: loves music and dance, 11 years old.

Adam, the athlete in their family, 9 years old.

Frank and Kira sang a beautiful song, "What If I Give All?" by Ray Boltz.

Rev. White then called attention to sheets in the handout:
“My Spiritual Calling to be an Associational Missionary” and
“My Philosophy of Associational Ministry”.

He then referred to Jeremiah as the weeping prophet who wrote Lamentations.
He speaks of sad, heart wrenching times in Chapter 3 Verse 22. being similar to the difficult time his family is going through now. In the midst of all the confusion, God has shown Himself over and over.

Clearly, the main reason to not go back to the foreign field is stress.
He then told of changes that have occurred which were not anticipated as long ago as May. They decided in June 2002 to take a leave of absence and to return around July, 2003 to Indonesia. Frank was taking a course at Columbia Biblical Seminary entitled, “Managing Crisis, Grief & Trauma” when he recognized their situation. Frank and Carmen then met with a lady who works with missionary families and decided they could not go back.

About this time, things began to happen :
Their missionary home became available until October.
Their missionary car became available until October.
They were informed they would draw their salary until October.
On July 17, Dr. Rogers called Frank; they met with the committee on July 29.

Rev. White asks that if he is accepted we do 3 things for him:

1. Pray for them as they begin this work “It’s a God Thing”
2. Pray for his family as they will be staying in Shelby through this school term and he will be here to begin his ministry.
3. Offer him a meal while he’s here alone.

Rev. White says his purpose is like that Paul talked about: to encourage in heart and unite in love the churches of this association so that we can reach this community.
“May God add His blessings to you as you vote.”

Dr. Crider referred to our Constitution and Core Values already set by our association and that Frank agreed with them. There would be no need to ask about anything already covered there. He then called on Jerry King from the Personnel Committee.

Jerry thanked the search committee for their diligent work. He said the personnel committee joins in affirming Frank White as Associational Missionary.

Dr. Crider then recognized Doug Davis, from the Finance Committee.

Rev. Davis said we were very fortunate that God has led us to a person already trained in missions. The Finance Committee joins in affirming this candidate.

Rev. Davis said scripture tells us to support our ministers and we must support our associational missionary. He went over the proposed financial package the finance committee is recommending.

Rev. White asked to be allowed to make a statement at this time.
He said "I can't do this job, but God's going to do it if we allow Him to."

The White family was then excused.

Tim Rogers (pastor of Victory Baptist Church) asked a question about health insurance.
He wanted it clarified whether health insurance was a part of the salary or a separate benefit.

Doug Davis assured him the insurance was in addition to the salary.

Ballots were given out to those who needed one.

Secret ballot was taken and the following committee appointed by Dr. Crider to count them:

Bonnie Davenport

Roger Pritchard

Rev. Richard Fisher

Rev. Carl Ziegler

Jay Williams, Music Director led the congregation in:

Responsive Reading #404

Hymn # 390 "We are called to be God's People"

Hymn # 391 "Lord, Thy Church on Earth is Seeking"

Registration report was given by Dr. Crider:

17 pastors

4 other staff

71 messengers

3 alternates

12 visitors for a total of 107

He then announced the vote was unanimous to call Rev. Frank White as our new Associational Missionary.

Ann Brower expressed her thanks to the association for their patience and their prayers.

The White family were brought back in to a standing ovation.

Brother L.D. Pritchard gave the benediction.

The White family stood at the front and were greeted by many of those present.

Interim Director of Missions Report

For the past twenty-nine months, you have allowed me the privilege of serving as your missionary in the Randolph Baptist Association. I have been blessed serving as a co-laborer with you. We are fortunate to have such Godly pastors and dedicated church members in our Association. We have served well, but we can do much better.

I would be remiss if I failed to thank the leadership in our churches for their confidence in me and their encouragement and support over these months. It is good to know that you are loved and one's work is appreciated. Your prayers have helped to keep me focused, and to sustain me when I most needed God's strength and wisdom

Let me encourage you to give Reverend Frank White your support. I truly believe that he is God's man for our time. Please pray for him as he comes to lead us; his wife, Carmen, and their three children. Even when we know we are in the will of God, it is still difficult for the family to move to a new residence, community and school.

Your financial support is critical if we are to function as an Association and provide leadership training and be on mission for our Lord. Please study the giving record of your church. Your church should be giving a minimum of 3% of your undesignated receipts, and working toward five percent. This is necessary if we are going to reach the unsaved and unchurched in our county.

Please be assured of my continued prayers for you, and my support for the Randolph Baptist Association of churches. I shall be eternally grateful for your love, support, and friendship during these twenty-nine months. My thoughts are those of Paul as he said, "I thank my God upon every remembrance of you." Philippians 1:3

Sincerely,

C. Gene Booker

Five Part Royal Ambassador Meeting

Here are five parts of an RA meeting (for scheduled meetings in a church's regular, ongoing ministry to reach boys for Christ):

☆ 1. Opening

A short arrival activity, recite pledge, check roll.

☆ 2. Virtue Exploration

Baptist Men guest speaker talking about the featured virtue or an RA Magazine missionary story and activity about featured virtue. (*Reminder:* the virtues are derived from the promises of the RA Pledge.)

☆ 3. Mission Games and Activities

Craft projects, group games, or mission projects that reinforce the virtue.

☆ 4. Personal Growth Time

Personal time in the individual Personal Growth Books to make commitments and be reminded of current virtue commitments.

☆ 5. Closing

Leader time and prayer time to sum up the experience,

Meeting Approaches

Depending on how many workers you have in your church program at any given time, you may approach the meeting in different ways.

1. *All together*— If there are only one or two workers for the evening, prepare to do all 5 parts in order in a large group.

2. *In two groups*— If there are four or more workers, divide into Lads grades 1-3 and Crusaders grades 4-6. Prepare to do all 5 parts in order in these two groups.

3. *By school grade*— If there are more workers and RAs, have one adult worker prepare Virtue Exploration, another the Mission Games and Activities and another the Personal Growth time. Gather the boys in large group for Opening time. Divide them according to closest grade into 3 small groups. Rotate the small groups among the three workers. Have leaders repeat their assigned part for each group. Gather the boys in large group for Closing time. (Note: Because the Personal Growth Plan virtues are different in the Lad and Crusader books, it is best to *not* have a small group that mixes these two age groups.)

Associational Missionary

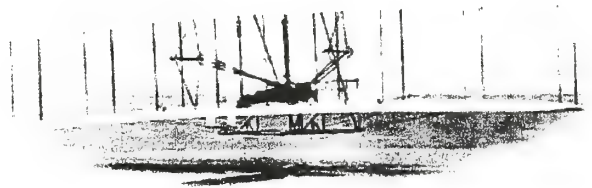

September 9, 2003

Dear Associational Missionaries:

Greetings in the name of our Lord Jesus Christ.

I would like to share with you a once in a lifetime opportunity for missions. December 12-17, 2003 will be the Centennial Celebration of the Wright Brothers First Flight. An

estimated 600,000 people from all over the world will be on the Outer Banks that week to participate in the festivities. God is literally bringing the world to our doorstep. A partnership ministry between the Chowan Baptist Association, the Baptist State Convention of NC and the North American Mission Board has been formed to plan an outreach ministry opportunity for Southern Baptists. Plans are being made for 150 volunteers a day to minister to those who are coming to the celebration. Lodging, meals and local transportation will be provided for a nominal fee of \$16/day. There will be daytime ministry opportunities outdoors in parking/shuttle areas and at the First Amendment area. The Dream Center, an auditorium complex, has been secured for evening ministries that will include music, drama, illusion, puppets and a host of other creative ministries.

Wright time: December 12-17, 2003

Wright place: Kill Devil Hills, NC

My request is simple. The enclosed video is about four minutes. I would like to ask you to show this video during your annual meeting. Additional information about the celebration and the need for volunteers and supplies information is available by going to www.chowanbaptist.org and clicking on Wright Brothers. These are in printer friendly versions. I would be grateful if you would make copies of these forms and information available for those who would like to participate.

I would like to personally invite you to come and be a part of this history making opportunity to reach out to the world for Jesus.

Thank you for your cooperation.

Grace and peace,

Jim Pollard

THE NORTH CAROLINA BAPTIST FOUNDATION, INC. 2002 ANNUAL REPORT

The mission of the North Carolina Baptist Foundation since its inception in 1920 has been to assist the Convention and its institutions and agencies in increasing an awareness among North Carolina Baptists of Christian estate stewardship principles as a means of financially undergirding churches, institutions and mission endeavors on a permanent basis. The uniqueness of the ministries and services provided by the institutions and General Board staff merits increased financial support. The Foundation accomplishes these objectives by offering assistance in estate planning counsel, Will preparation, planned giving, charitable remainder trusts, endowment funds and church fund management.

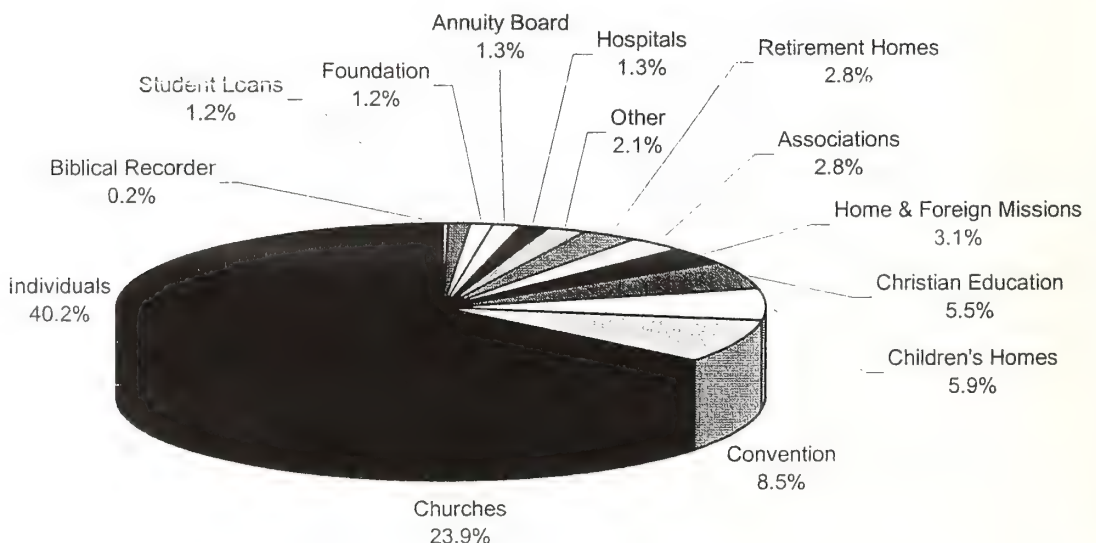

During 2002, the Foundation assisted individuals in establishing 28 endowment funds and 17 charitable remainder trusts totaling \$1.5 million and received \$3.3 million in contributions to existing endowments all of which will ultimately benefit countless Baptist causes on a permanent basis. Programs were provided for churches and associations during the year to promote Make Your Will Month, Christian estate stewardship, and church fund management. Over \$1.5 million from churches and institutions came under management to enhance numerous ministries including scholarships, building funds, cemetery funds, benevolence funds, general operating funds and other various mission causes. Overall, the Foundation received \$6.3 million in contributions during 2002 for Christian causes.

The Foundation employs professional money managers to invest these funds according to an investment policy adopted by its Board. Four investment pools are offered: a growth fund, a balanced fund, an income fund and a fixed income fund. The Foundation uses the services of Salomon Smith Barney to help select top money managers and evaluate performance. As of December 31, 2002, the Foundation held \$96.4 million under management.

During 2002, our distributions totaled \$5.8 million, with charity receiving \$3.5 million and individuals, through trusts, receiving \$2.3 million. During the 83-year history of The North Carolina Baptist Foundation, Inc., \$23.1 million has been distributed to individuals and \$40.3 million to Baptist churches, institutions and mission causes for a grand historical total of \$63.4 million.

Baptist Children's Homes of North Carolina

Baptists make a difference... This summer Baptist Children's Homes had a very special guest on the Mills Home campus in Thomasville. Many Baptists will remember Patricia Sutherland. She has shared her story at multiple state conventions, and her life has been shared in *Charity & Children* on a couple of occasions. Patricia is a beautiful young woman and a rising senior at Toccoa Falls College in northern Georgia. Looking at Patricia today, you would not recognize her as the same little girl who came to Baptist Children's Homes 11 years ago.

As a young child she lived with abusive, alcoholic and drug-addicted parents who forced her to lie about their abuse. The little girl was threatened with a pistol held to her head and made to sleep on cold hardwood floors. Her abuse and neglect were compounded by a severe medical condition. Because her parents were unable to properly care for Patricia, she went months at a time without the daily medication she so desperately needed.

Then one day, Patricia found the security she had longed for at our Broyhill Home in Clyde. But even at Broyhill Home her life wasn't easy. Patricia has Turner's syndrome, a condition affecting her balance and coordination and stunting her growth. Because she was awkward and clumsy, other children made fun of her at school. But her physical problems only seemed to make her stronger.

While at Mills Home this summer, Patricia was asked to share her story with the girls on campus. She boldly assured them that God has a plan for their life. But then she challenged the girls by telling them it is their choice. They can put their past behind them and trust God and follow His lead, or they can wander through life lost.

Because of your help, children like Patricia are rescued from the jaws of hopelessness and despair, set on solid ground, supported by loving Christian men and women, and are given hope so they can realize their dreams – dreams that at one time in their lives, they could never imagine were possible.

Baptists Respond to Needs Donating Towels, Bedding and Food. If you ask North Carolina Baptists for help, expect them to provide in a big way. When the word went out to North Carolina's WMU that Baptist Children's Homes needed towels and washcloths, hundreds of women in churches across the state provided them. Towels and washcloths flooded in to all BCH locations. When Baptists learned that pillows and sheets were needed in BCH cottages, an avalanche of bedding poured in. And BCH's first statewide food roundup is bringing great enthusiasm and response.

14,640 Baptists Pray for North Carolina Children. More than one hundred BCH children and staff presented the Chain of Prayer at the 172nd Baptist State Convention in Winston-Salem. The chain consisted of 14,640 strips of brightly colored paper inscribed with the written prayers of North Carolina Baptist men, women, and children. Each prayer made up an individual link in the Chain of Prayer. The effort was a BCH initiative and was promoted in North Carolina Baptist churches. The Chain of Prayer united thousands of people and represented their belief in the power of God to meet the needs voiced in the prayers.

BCH Hosts National Child Care Executive Meeting. BCH president Michael C. Blackwell and Baptist Children's Homes of North Carolina hosted the fifty-fifth annual meeting of the Baptist Child Care Executives April 22-24 in Greensboro. Directors and other top management of Baptist child care agencies representing as many as 19 states attended the annual meeting. The conference serves as a time of fellowship and continuing education for participants. A highlight took place Wednesday evening with "pig-pickin' in Mayberry" at Mills Home in Thomasville. Children and staff recreated the sights and sounds of the popular sixties television program *The Andy Griffith Show*.

BAPTIST HOSPITAL AND NORTH CAROLINA BAPTISTS: EXTENDING THE HEALING TOUCH OF CHRIST

North Carolina Baptist Hospital admitted its first patient on May 30, 1923, culminating a vision of the Baptist State Convention to extend the healing ministry of Jesus Christ. Eighty years later, in 2003, we remain firmly committed to the original mission of providing the highest quality medical care marked by excellence, integrity, innovation, and compassion consistent with the teachings of Christ. This report highlights our partnership in missions with North Carolina Baptists.

BAPTIST BENEVOLENT CARE FUND

The Convention established the annual Mother's Day Offering in 1924 to help patients in financial need pay their hospital bills, to lift heavy burdens in the name of Jesus Christ and his love. Since that time every dollar of every gift has been used for that purpose—caring for children like Haleigh in her battle with cancer, and adults like Wade and Vickie. You have made a tremendous difference in their lives and many others just like them. Please read their inspiring stories of thankfulness in the new Mother's Day Offering web site (www.ncbhmothersday.org). *Thank you*, North Carolina Baptists, for giving \$600,372 to this ministry in 2002!

SCHOOL OF PASTORAL CARE

The fruits of Cooperative Giving by North Carolina Baptists are evidenced in life-changing ministries of the School of Pastoral Care. Our mission is *"to provide ministries of growth, hope, and healing in the Spirit of Christ."* *Thank you*, North Carolina Baptists, for extending the healing reach of Christ to thousands of hurting people through our ministries.

Baptist Hospital CareNet Counseling Centers, our Department of Pastoral Counseling, annually provides over 24,500 hours of counseling at 22 locations across our state. This ministry brings emotional and spiritual healing, consistent with the compassion of Christ, to those who have been broken. Our counselors are licensed professionals with deeply held personal faith. They extend the ministry of churches, receiving many referrals from Baptist pastors on behalf of church members who are hurting. Approximately 40% of our counseling hours are provided to Baptists.

The Center for Congregational Health has continued to develop vital ministries. Nearly 600 church leaders received training in the past year through the Center's programs of *leadership development*. "The Pastor as Spiritual Guide" and "Young Leaders" programs have proven to be highly beneficial for N.C. Baptist ministers, deepening their faith as spiritual leaders for their churches. Approximately 25 churches per month have benefited from the Center's *consulting ministry*. Initial, expert consultations are provided free to N.C. Baptist churches thanks to Cooperative Giving. *Intentional Interim ministers* trained by the Center continue to serve churches in our state, across the nation, and Australia. Mentoring programs for young ministers are also being provided.

The Department of Chaplaincy and Pastoral Education provides ministry to patients, families, and staff through more than 61,000 pastoral contacts each year, extending great compassion and hope in the name of Jesus Christ. Specialized training in hospital ministry was provided to 63 students in the past year, making our Clinical Pastoral Education program one of the largest in the nation.

The Department of Church and Community Relations receives no Cooperative Program funds, but serves as a vital liaison to N.C. Baptist churches. The department ministers to over 150 Baptists per year by facilitating physician appointments or helping others with concerns about medical bills. Many of those who are helped have no health insurance and are burdened by financial need.

ADDITIONAL HIGHLIGHTS AT NORTH CAROLINA BAPTIST HOSPITAL

Ministry to Ministers and Their Families –

- Baptist Hospital provides a **subsidy of up to 25%** for the hospital bills of N.C. Baptist ministers and their families. This amounted to \$79,248 in FY 2003. The subsidy comes from the hospital's W.K. McGee Patient Service Fund, with assistance from the Mother's Day Offering as needed.
- The **Ministers Care Plan** provides a subsidy to full-time, ordained ministers serving North Carolina Baptist churches, and their immediate family members, who need the support of counseling to recover from emotional pain and stress. Clients pay \$20 per session at a CareNet Counseling Center. The Baptist State Convention and CareNet pay for the remainder of the cost. Please call Rev. Paul Mullen, Director of Church and Community Relations, for more information (336-716-3027).

Ranked Among the Nation's Best Hospitals

- North Carolina Baptist Hospital is ranked in the top 50 among **"America's Best Hospitals"** according to the July 2003 issue of *U.S. News and World Report*.
- Our hospital continues to be ranked in the **top 1 percent in patient satisfaction** among our peers in the United States, according to Press Ganey, the health care industry's top patient satisfaction measurement firm.
- We continue to be recognized as a **Magnet Hospital for Excellence in Nursing**, demonstrating outstanding nursing leadership and high quality patient care. Baptist Hospital was one of the first hospitals in the nation to earn this recognition from the American Nurses Credentialing Center, the nation's leading nursing credentialing organization.
- Our Medical Center's cancer treatment programs are ranked 21st in the nation by *U.S. News and World Report*. A **new facility for our Comprehensive Cancer Center** is under construction and due to open in June 2004. Patients will receive coordinated care, such as required tests, scans, and treatment, in a single visit.

CLOSING WORDS FROM THE PRESIDENT

The initial vision of North Carolina Baptists to extend the healing touch of Christ has unfolded in remarkable ways at Baptist Hospital over the past 80 years. As Christ ministered to those who were broken in body, mind, or spirit and made them whole, we continually strive to follow his example. We consider it a sacred responsibility and profound privilege to serve him in this mission of healing. We are thankful to you, North Carolina Baptists, for being our partners in ministry.

Looking for Mission Projects? Check these out!

Friendship Place – Ten rooms in the Hawthorne Inn are dedicated to cancer patients receiving outpatient treatment. They are often from northwest North Carolina or southern Virginia. Most of them are receiving daily radiation treatment; others are bone marrow transplant patients. Their needs include games, puzzles, magazines, and kitchen supplies such as paper products. They also need craft supplies and are open to groups who can lead craft programs. Groups may want to provide a meal or refreshments for a weekly support group meeting.

Brenner Children's Hospital – Pediatric Oncology Clinic – The staff maintains a "Treasure Chest" to provide small gifts for children after painful procedures. Items needed for younger children are matchbox toys, crayons, coloring books, finger paint, bubbles, and craft packages. For adolescents, the needs are school supplies, pens, notepads, stationary, picture frames, hair bows, and finger nail polish (wild colors). A group might want to host a craft program for the children in the Clinic on a particular day or season of the year.

Brenner Children's Hospital – The following items are needed for hospitalized children, from toddler to adolescents:

- **Personal Care Kits** – comb, toothbrush, small toothpaste, and shampoo. (They need approximately 30 kits per month.)
- **Age Approximate Toys** – Beanie Babies, small boxes of Lego's, etc. These are given to children after painful procedures.

Baptist Hospital Behavioral Health Center – Approximately 20 to 30 troubled teens are in this unit. They are all males and are receiving residential psychiatric treatment. Many have little family support. The Center has needs for clothing for the boys, and groups that might want to host birthday parties or other special occasions.

Thank you very much for prayerfully considering these mission projects to serve patients and families in need at Baptist Hospital. Please contact Rev. Paul Mullen, Director of Church and Community Relations, NCBH, for more information (716-3027).

Making Life for Older Adults... the "Best of Times"

Baptist Retirement Homes continues to move forward with strength in meeting the needs of North Carolina's fastest growing age group ... its senior population. Of particular interest to North Carolina Baptists, are the growing numbers of Older Adults who deal with dementia-related conditions such as Alzheimer's Disease. In North Carolina, approximately 50 percent of those who reach age 85 struggle with some measure of dementia. The Kulynych Memory Enhanced Residence at the Brookridge Retirement Community in Winston-Salem, the Fowler Memory Enhanced Residence at the Western North Carolina Baptist Home in Asheville, and the Memory Enhanced Residence at the Gardens of Taylor Glen Retirement Community provide environments designed to "enhance" and "retain" the short and long-term memory of those struggling with such disorders. The Hamilton Baptist Home and The Taylor House also provide exceptional programs for Older Adults with dementia.

The picture shared with this report reflects the kind of environments mentioned above that allow residents to receive care in a setting that feels like Home.

Because of the generous financial support received from North Carolina Baptists for the convention's "poor elderly" population, Baptist Retirement Homes has been able to provide more than \$1.7 million in benevolent care in 2002. Thank You, North Carolina Baptists!

Council on Christian Higher Education

Baptist State Convention of North Carolina

2003

Christian higher education represents one of the enduring values of the Baptist State Convention. Since its founding in 1830, North Carolina Baptists have supported Christian higher education through gifts to the Cooperative Missions Budget, Baptist State Convention.

Our state and Convention depends upon the graduates of our institutions to lead us. The classrooms across our state are filled with teachers who have received their training from one of our campuses. North Carolina businesses are staffed with people who have been challenged during their formal education on our Baptist campuses to consider the ethical and moral consequences of their decisions. Our churches are filled with God called men and women who have undergone academic preparation to lead our churches, associations and Convention. Where would we be without those graduates?

This success story has been made possible as a result of the faithfulness of North Carolina Baptists who support the Baptist State Convention through their gifts to the Cooperative Missions Budget.

Our five Baptist campuses take pride in their association with our Convention. Campbell, Chowan, Gardner-Webb, Mars Hill and Wingate are institutions of Christian distinction. Each considers their Baptist witness to be a hallmark of their institutional mission.

Campbell, Chowan, Gardner-Webb, Mars Hill and Wingate welcome the challenge to prepare the next generation of leaders to serve

our state and our Lord. A large majority of the students on each campus identify themselves as Baptist. Among those who are Baptist, some are receiving special financial support as a result of your faithfulness to our Convention's mission.

Last year six hundred eighty-seven (687) North Carolina Baptists received special scholarship aid made possible by your gifts to the Convention. This group represents five hundred four (504) different churches and seventy-three (73) different associations.

Churches that give through Optional Giving Plans B & C are helping another special group of North Carolina Baptists. Both giving plans make it possible for the Council to release theological grants to North Carolina Baptists who have heard God's Call and who are engaged in the pursuit of their first professional theological degree. Last year, 320 recipients received this special assistance. As one student told the Council office, "That grant was a major life-saver for me." His comments reflect other students' sentiments, as well.

What does the future hold?

No one knows for sure; but we know that our North Carolina Baptist colleges/universities will continue to receive your students and provide opportunities for them to grow intellectually and spiritually. We can be assured that when they graduate from our campuses, they will carry on with the tradition of those who preceded them through their service to our state and Convention.

ANNUAL REPORT
Fruitland Baptist Bible Institute
July, 2002-June, 2003

Reports continue to come to us of the academic achievement and practical effectiveness of our graduates. That encourages all who are involved in the ministry of Fruitland. Schools to which our graduates transfer for further study often let us know how well our graduates do. Some graduates achieve highest academic honors. We are confident in saying that a student who does well with studies at Fruitland is prepared to do well in further study. Also, we are gratified to hear good reports of the ministry of our graduates in churches and other ministry settings.

The Baptist State Convention of North Carolina had a vision in 1946 of beginning this school to provide training for individuals who were called to the Christian ministry who were, for some reason, not candidates for enrollment in other schools. The vision of our founders still guides the present ministry. Our mission is to provide training for Christian service which balances academic, inspirational, and practical emphases. The students who enroll here have unique needs which this school exists to fulfill. Our total non-duplicated, cumulative enrollment for the year was 258.

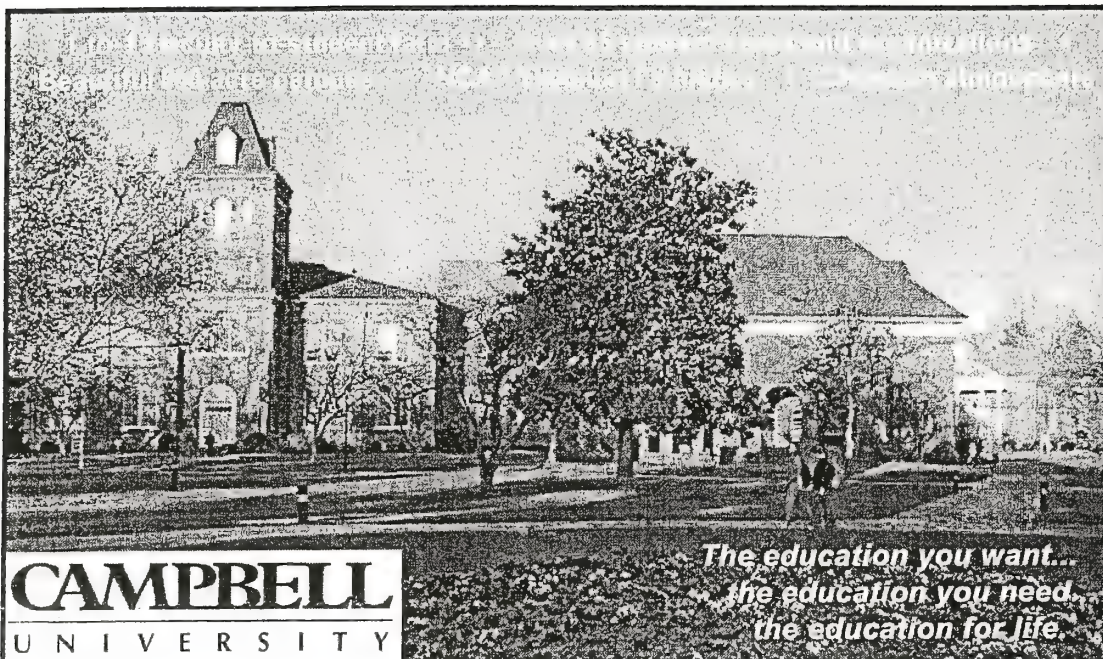

In September, 2002, we had the joy of dedicating the Randy Kilby Memorial Library. This magnificent facility houses our library, our computer laboratory, and will soon provide for our bookstore. We are happy to report that the debt on the building is paid in full.

Some transition in our faculty has taken place during this year. Henry S. Beck, III, Director of Missions for the Carolina Baptist Association, is now teaching Church Administration. He replaces David Treadway who moved to another ministry. He received the A. A., degree from North Greenville College, Tigerville, SC; the B. Soc. degree from Ohio Christian College; the M. Ed. degree from Augusta College, Augusta, GA; and the D. Min. degree from Trinity College and Theological Seminary, Newburg, Indiana. With the retirement of Ed St. John, Victor Rampey, pastor of Main Street Baptist Church of Hendersonville, is now teaching Music. His academic preparation includes a B.A. Degree from Central Wesleyan College, Central, SC (now Southern Wesleyan University); the M. Div. degree from Temple Baptist Theological Seminary, Chattanooga, TN; and the D. Min. degree from Andersonville Baptist Theological Seminary, Camilla, GA. He has served as a Minister of Music as well as a pastor. With the resignation of Roy Houston, Zollie Ward is now teaching Computer Science. He received the B. A. degree from Miami Christian College, Miami, FL, (now Trinity International University), the M. A. degree from Trinity Evangelical Divinity School, Deerfield, IL; and has done further study at Southern Baptist Theological Seminary, Louisville, KY. He also teaches Computer Science at Blue Ridge Community College, Hendersonville.

A number of special events are held each year on our campus. Alumni Day and Preaching Week were held in October with Gene Mims of Lifeway Christian Resources, Nashville, TN, as the visiting speaker. A Women's Retreat was held in October with Alice Lowrie of Lubbock, TX, as the guest speaker. In November Sunday School Seminars were conducted by the staff of the Baptist State Convention. The annual Founders' Days were held in May with Gray Allison of Memphis, TN, and Herb Revis of Jacksonville, FL, as the speakers. We anticipate the return of D. L. Lowrie of Lubbock, TX, as a Visiting Professor in the Fall of 2003.

Fruitland has changed through the fifty-seven years of its existence. Facilities have been replaced and the program has been revamped to meet changing needs. We continue to adapt to meet the challenge of the times. However, we endeavor to be steadfast in our commitment to be "true to God's word and loyal to his purpose." We are grateful for the continuing support of the Baptist State Convention and our friends everywhere.

We welcome visitors to our campus. Our offices are open except for holidays. Our school schedule is year-round. For a tour of the campus contact may be made with our Campus Services Director, Todd Edmiston, by calling 828-685-8886 or by our E-mail address fruitland@mchsi.com.

Baptist State Convention of North Carolina Annual Missions Report – 2003

(For your Book of Reports)

The Baptist State Convention of North Carolina provides on-going leadership development and direct mission ministries through its General Board programs of work, primarily conducted by staff located at the Baptist Building in Cary.

The majority of the General Board-supported ministries are in the Mission Growth Evangelism and Congregational Services groups. In addition, many of the direct mission projects (partnership missions, etc.) are administered through the two convention auxiliaries--- Baptist Men and Woman's Missionary Union. Many of these mission and ministries are conducted cooperatively with the various associations across the state.

Partnership mission projects (with the approximate number of volunteers) for 2003 include Honduras (700 volunteers), Alaska (1,000 volunteers) and Southeast Asia (75 volunteers). To date, almost 1,300 volunteers have served with the Baptist Men's Medical/Dental Bus in 42 associations across the state. In addition, 1,400 people were trained for disaster relief ministries.

The annual Baptist Men's Convention registered approximately 2,000 participants with 880 boys attending the Royal Ambassador Congress. The Co-ed Student Missions conference registered 45 participants with 500 people scheduled to attend the Camporee Project.

The estimated number of participants in Deep Impact and World Changers include Deep Impact Honduras (130), Deep Impact Spring Weekend at Caswell (300), Deep Impact Charlotte set for November (300) and Mission Connect (1,050).

Woman's Missionary Union of North Carolina provided training for over 2,000 people at the two weekend Missions Extravaganza meetings at Ridgecrest this year. During two weekend meetings, \$13,454 was received to help with the Project HELP: Restorative Justice program.

WMU-sponsored events in 2003, and number of participants, include Baptist Nursing Fellowship (190), Girls in Action Days (645), Children in Action Days (175), Camp Mundo Vista summer program (1,069), GA Mother/Daughter Camp (354) and Young Women on Mission Retreat (225)...

Other WMU-related ministries for the year included training 566 ladies in associational leadership meeting, providing a woman's prison retreat at Camp Mundo Vista for 60 inmates, send 2,300 Red Christmas Boxes, 134 gifts to missionaries and conducting a ministers' wives retreat.

Christian Women's Job Corp (CWJC), a national WMU program designed to help women who need to enter the job market, includes 16 sites across the state, involving more than 95 volunteers. Since 1999, CWJC has served approximately 100 participants per year.

Student mission projects for 2003, and number of participants, include Youth Corp (21), BSU-funded (24), Wilmington Area Resort Ministries (4), Resort Area Ministry, Boone (2), Raleigh Area Ministry (2), Caraway (23), Mundo Vista (43), Praise and Worship Team (15) and Language Ministry with migrants (1).

International Student Ministry projects involve a fall conference at Ridgecrest (90 students) and a spring conference at Caswell (300 students). The BSC annual convention at Ridgecrest registered almost 400 students with 220 students attending the spring student leadership conference at Caraway.

Baptist State Convention congregational leadership projects are held across the state throughout the year, including the ETC (Equipping Today's Church) meetings at Ridgecrest and Caswell), Children's Bible Drills and Youth Speakers' Tournaments, youth weeks at Caswell, and program-related training events on a statewide, regional and associational levels.

In addition, the Baptist State Convention includes three social service agencies (Baptist Children's Homes, Baptist Retirement Homes and Baptist Hospital) and five college and universities (Chowan, Campbell, Wingate, Gardner-Webb and Mars Hill). The convention also supports two agencies--the Biblical Recorder and Baptist Foundation.

ANNUAL MEETING OCTOBER 18, 2004

LIBERTY FIRST BAPTIST CHURCH

AFTERNOON SESSION

Meeting was called to order by Dr. Richard Crider, Moderator. Dr. Crider recognized Rev. Ernest Mangum, who came forward to recommend that we adopt the order of service as proposed. The motion was approved. Dr. Crider then recognized Mr. Bobby Maness to come and lead in music. Carmen White accompanied on the piano as we sang "I Love to Tell the Story."

Invocation and welcome were given by Rev. Danny Miller, Interim Pastor of Liberty FBC.

Dr. Crider referred those present to the Historical Report in their Book of Reports.

Susan King, Treasurer called attention to and recommended the Proposed Budget for 2005, which was unanimously accepted.

Baptist Men's report was given by Mr. Bobby Poole. He drew attention to the Baptist Men's Report, the camp registrations, the partnerships reports and the medical/dental bus information. This report was approved.

General Board report was given by Rev. Ronald Hester. Rev. Hester said this is his third year on the General Board. He said the main business the board is working on is getting the state convention incorporated. At the BSCNC in November, incorporation will be recommended. Incorporation protects the convention from being joint-sued. There will be much terminology change, but no function changes in the BSCNC due to incorporation. Finances are running slightly below budget for the BSCNC. This report was accepted.

The Nominating Committee report was given by Rev. Carl Ziegler. He had one name to add to the printed report. Bonnie Edwards of Oakwood Park needs to be added to the Nominating Committee for a three year term.

The Nominating Committee's recommendations were also accepted.

Mr. Bobby Maness then led us in "Share His Love."

Carmen Liberatore from **Family Crisis Center** was then called forward. She gave information about the Center. She said they man a 24 hour crisis line and have an emergency shelter. They also have medical advocacy (rape companions). They help between 20-25 people per week obtain restraining orders and also help with other needs in the legal system. They have bilingual advocacy. They have support groups for both women and children. Men often attend their abusive treatment program. This is a one year program, often court ordered for abusers. The center's community education includes: school intervention, dealing with peer pressure and abusive relationships. The center also has a thrift store. There are many volunteer opportunities through the center and supplies need to be constantly replenished.

Dr. Mark Gaskins then gave a report on the **Council on Christian Higher Education**. Dr. Gaskins is the chaplain at Wingate. Dr. Gaskins said we have five outstanding universities and colleges in N.C.: Campbell, Mars Hill, Wingate, Chowan and Fruitland. A great education can be obtained in almost any field in the context of a Christian atmosphere. Wingate was first established in 1896 as a grade school, from first grade through high school. It then became a Junior college and then a Senior college in the 80's. It became a university in the 90's. The US News and World Reports has recognized Wingate in the top tier of universities for the past 6 years. A prayer lunch is held on Monday and a Chapel on Thursdays. Bible studies are held on campus. Beginning in the spring of 2005, a one week sabbatical for pastors will be held and after that, one each spring and one each fall. Wingate is a community of faith and learning. Dr. Gaskins thanked us for our support and invited anyone to come visit Wingate at any time.

Mr. Maurice Kennedy then came to tell us about **Victory Junction Gang Camp**. The purpose of the camp is to enrich the lives of chronically ill children. There is never a charge for these children to attend camp. Every camper gets an afghan and a teddy bear to take home with them. Mr. Kennedy said if you love kids and love ministry, they have a place for you to volunteer at the camp. It is their goal that every church in N.C. do something to support the camp. Mr. Kennedy was so excited about the camp; he said being there the first week of camp was right up there with the Olympics. The camp is open eight weeks in the summer and week-ends the rest of the year.

The Mission Statement of the camp is:

"The Victory Junction Gang Camp enriches the lives of children with chronic or life-threatening illnesses by creating camping experiences that are memorable, exciting, fun, empowering, physically safe, and medically sound."

To learn more about VJG Camp, go to victoryjunction.org or call 1-877-VJG-CAMP.

There was no miscellaneous business.

Dr. Crider then called on Rev. Frank White for the Associational Missionary's Comments. Rev. White said he was most pleased that 44 of our 46 churches were now giving financially to the association. He noted that the budget has more missions added for the coming year.

The first annual Associational Work Day will be October 23. Volunteers will meet at Cross Road for breakfast, which will be sponsored by Mt. Lebanon.

The newly formed Associational Council will be made up of the committee chairpersons, the officers and the team leaders, as well as the staff. They will begin meeting monthly, with the first meeting being Monday, October 25 at the RBA office.

Rev. White reminded all present that October is Pastor Appreciation Month.

He also told us about the new Cowboy Church at Cedar Square. During the first four weeks, there were 15 professions of faith. This church meets every Tuesday night at 7:00 at the Triad Livestock Arena.

Rev. White then mentioned a mission trip to Malaysia being planned for next summer. This will be partly to conduct VBS in the villages. He advised all interested to get your passport in order.

He then sang, "The Refiner's Fire."

Rev. White continued his comments by telling us about The Life Cycle and Stages of Congregational Development by George Bullard. There are five varieties of congregations:

- 1-Perfecting Congregations: those sustaining a Spiritual Strategic Journey
- 2-Pursuing Congregations: those traveling along a Spiritual Strategic Journey
- 3-Preparing Congregations: those with a readiness for a Spiritual Strategic Journey
- 4-Providing Congregations: those satisfied with their Current Journey
- 5-Presiding Congregations: those Surviving without a Journey

A congregation reaches adulthood when all four factors-Vision, Relationships, Programs, and Management are dominant and appropriately aligned. Vision should drive the church.

Programs must provide outlets and Management must be accountable.

Rev. White called attention to two assessments he had given out. He asked that all present fill out the Associational Issues for Generative Dialogue sheet and turn it in before leaving. The Congregational Issues sheet was to be done later to see where your church stands.

Dr. Charles Fleshman was then called forward for a time of prayer.

Prayer cards had been collected earlier. Dr. Fleshman said he believed prayer to be the life blood of the association. He read Jeremiah 33:3 and mentioned the numerous prayer requests. He then led in intercessory prayer for these requests and for our association.

At this time, we adjourned for dinner.

EVENING SESSION

The evening session was called to order by Dr. Richard Crider, Moderator.

At this time, the youth leaders were dismissed to go to a training session.

Mr. Bobby Maness led the congregation in singing, "How Great Thou Art."
Piano accompaniment was by Nancy Brenner.

Rev. Fred Hardin then was called on for prayer. He told us that 60% of Randolph County residents were unchurched. He then led in prayer, especially that we might reach these.

Rev. Ron Hester then gave a Disaster Relief Report.

Between August 13 and October 11, 2004, four hurricanes had hit Florida: Charley, Frances, Ivan and Jeanne. During this time, 48,341 volunteer days were given. 2,368,874 meals had been served; 7,316 jobs had been completed. 580 children had been ministered to; 1,573 messages relayed. 4,073 loads of laundry had been done and 29,866 showers taken. A total of 9,240 families had been served with food distribution. 38 State Baptist Conventions had been involved in these relief efforts in Florida. Teams had also been sent to Western N.C. The report was accepted.

Rev. Ernest Mangum then presented the recommendations from the Place and Program Committee for next year's quarterly and annual meeting. These were accepted.

Dr. Charles Fleshman was then called upon for a report on the Incorporation process. He recommended that we abolish ourselves as The Randolph Baptist Association and be re-established as The Randolph Baptist Association, Inc. He also advised that the Constitution must be re-written to use the correct terminology for incorporation. The motion was approved.

Dr. Fleshman then reported that the Sunday School Department had reviewed the surveys taken at the summer quarterly meeting. Leaders are not available for training until the spring of 2005, at which time a training session is planned.

One Miscellaneous Announcement was made by Rev. Ernest Mangum. He invited everyone to attend a prayer service at Cedar Grove on Nov. 1 from 7:00 to 8:00. This will be a time of special prayer for our nation and for the election.

The Memorial Service was then led by Rev. Jeff Joyce. 21 churches had turned in the names of 73 members who had passed away this year.

Dr. Crider then called for silent prayer in their memory.

Attendance for this meeting was given as:

Messengers	51	Pastors	24	Churches Represented	31
Visitors	18			Total Present	115
Associational Missionary	1				

Rev. Frank White then gave special recognition:

Mt. Lebanon had given \$10,000.00 to Disaster Recovery for Western N.C. Disaster Relief. IMB had sent a certificate of recognition for Cross Road Baptist Church for their Lottie Moon Offering of \$181,105.00 in 2003.

IMB also sent a certificate of recognition for Center Cross Baptist Church. They had the largest per capita gift to Lottie Moon Offering in 2003.

Rev. Frank White told of tentative plans for a Global Impact Conference in the Fall of 2005. This is similar to the World Missions Conferences we have had in the past. The difference is that missionaries are assigned to each church for the five days, rather than rotating from church to church. Rev. White thinks relationships can be better built this way.

Special music was then brought by Martha & Jeremy Rae, of Liberty FBC. They sang, "The Lighthouse."

Martha then accompanied on piano as Mr. Bobby Maness led the congregation in "Jesus Saves."

Rev. Harold Baker then delivered the annual sermon. This was based on Matthew 23: 15-20, The Great Commission. He said we know it well, but need to be reminded. Jesus Christ is the great physician, the one who solves our problems, the one who went to Calvary for us. He has prepared us a heavenly home.

What a privilege we have to tell others about him. Verse 19 reveals to us that Jesus Christ is the savior for all mankind. Bible study is essential for Christian growth. He empowers us to glorify his name. Verse 20 tells us He is a savior for all time and is sufficient for every need. We need altars in our homes for Bible study and prayer. We must be willing to pay the price, whatever it is. A servant is one who serves, witnesses, declares Jesus Christ as Lord, sacrifices and glorifies God. The primary purpose of the church is not fellowship, Biblical teaching or praising God. Although these are important, they are not the main purpose. The central purpose of the church is to glorify the Lord, Jesus Christ.

John 20:21 says, "As my father sent me, so send I you." Missionary work must have a place in every church and every Christian.

Matthew 9: 35-38 tells us laborers are needed for the harvest.

Hindrances we encounter are lack of compassion and lack of prayer.

John 4:4 tells us, "I must needs go through Samaria."

In closing, Rev. Baker reminded us of the parable of Luke 15 of the lost sheep. The one who was lost was more important to Christ than the whole flock that was safe.

Mr. Bobby Maness then came forward. He thanked Liberty FB for their special music and Frank for his song. He led in "'Tis the Old Ship of Zion."

Dr. Crider recognized Rev. Sam and Mrs. Jamie Hicks; Rev. Hicks is the new pastor at West Asheboro Baptist Church.

Dr. Crider then handed the gavel over to Rev. Doug Davis, pastor at Glenola Baptist Church. Rev. Davis is the newly elected moderator of the Randolph Baptist Association, Inc. for the upcoming year.

BRIEF HISTORY OF FIRST BAPTIST CHURCH LIBERTY, NC

The Liberty Baptist Church, later named First Baptist Church, was organized on the second Sunday in March of 1886 and was an arm of Mount Zion Baptist Church in Alamance County as most of the members moved their letters from that church.

Rev. E. P. Ellington was the first pastor; T.N. Robertson was the first Sunday School Superintendent, and Miss Lillie Stroud was the first pianist.

There is no record of when the first church was erected after the organization, but the building was on East Swannanoa Avenue. After the church moved, the building was converted to a dwelling and later was destroyed by fire.

The second church on the corner of Raleigh and Fayetteville Streets was completed in 1912 while Rev. J.B. Willis was the pastor. An educational building was added and completed in 1946 when Woodrow W. Hill was the pastor.

In 1943, the First Baptist Church became a full time church and Rev. John G. Hicks was the first full-time pastor. Previous to that time, the church had preaching service two Sundays each month.

The third and present church on South Fayetteville Street was dedicated on July 31, 1977, with Rev. Reginald G. Dawkins as pastor.

The First Baptist Church has during its existence had 33 pastors.

A full mission program is carried on by the church with active Women's Missionary Union and Baptist Men organizations.

The 2003 church profile reported a total membership of 317.

Young people have gone out from this church to become doctors, nurses, lawyers, architect, scientist, teachers, and to be successful in the business world and six have gone into full time Christian service, one of which has served on the foreign mission field.

WINTER QUARTERLY MEETING
JANUARY 19, 2004
CENTRAL FALLS

The meeting was begun by Mr. Bobby Maness leading in some praise songs:

Let's Just Praise the Lord

There's Something about that Name

Thank You, Lord for Saving my Soul

The Family of God

God Is So Good

These were accompanied on piano by Ms. Margaret Dula.

Mack Strider then sang a solo, "He's Alive"

The meeting was called to order by moderator, Dr. Richard Crider.

Bobby Maness then led the congregation in singing, "Blessed Assurance."

Rev. Charles Phelps welcomed us to his church and said how great it was to see it so full. He told how he had challenged his people to read the Bible through this year and that several had committed to do so. He read from Luke 21:33 that heaven and earth may pass away but God's word will always be there to offer us hope. He then led in prayer.

Dr. Crider introduced new pastors:

Michael Jones at Huldah

Howard McNeil at Maple Springs

Kenneth Strickland at Greystone

Norman Livengood at Oakwood Park

Jack Livingston, Interim at Macedonia

Gene Booker, Interim at Balfour

Susan King then presented the treasurers' report. She praised God for sending these funds and for sending Frank and Carmen White to our association.

The treasurers' report was approved.

Dr. Charles Fleshman gave a report from the Incorporation Committee. He said it will cost approximately \$120.00 to incorporate the association. He told the responsibilities of the trustees and the secretary. Our name will be Randolph Baptist Association, Inc. We will have a seal and all bank accounts, deeds, etc. must be changed to reflect this new name.

Mr. Bobby Poole gave a report from Brotherhood. He emphasized that the rules must be followed by RAs participating in the races. He then drew attention to nine pages of reports. He offered to help any church with their RA program or help them start a program.

Nancy Brenner gave the WMU report. She thanked all who participated in the prison packets and collections. She said plans are being made for a spring event and perhaps a fall event also.

There was no miscellaneous business.

Mr. Bobby Maness then led in congregational hymn, "Set My Soul Afire."

Rev. Frank White, Associational Missionary then made some comments.

"To this end, I labor, being energized by His energy"

He wants to make these meetings more missions oriented.

Frank said one of the best things about being here is meeting the people, finding out what's going on in the churches. He is excited about the sense of expectancy he feels here.

There is a growing emphasis on missions: Victory, Gravel Hill and Forest Park already have mission trips planned.

He wants us to be thinking about starting more churches in this county. He wants us to produce more small churches, not just grow the ones we already have bigger.

He also shared the following by Powerpoint presentation:

Core Values

Family – (First things first!) Building a godly heritage, leaving a legacy, beginning with this generation.

Relationships/People – Belonging, but also, influencing by caring more than just imparting knowledge, including building witnessing relationships.

Close Friends – Building relationships with soul mates who assist with mutual accountability and "guy needs."

Being who God created me to be – "Wherever He Leads I'll Go" – Using my God-given gifts, talents, acquired skills, education, and experience in fulfilling His calling and destiny for my life.

Focus on what is Important/Significant – Basing my perspective upon God's calling, I will strive to fulfill my personal calling while not allowing myself to get caught up in the urgent and administrative matters of ministry.

Servant Leadership – Like my Lord, the best leaders must first be servants (Mt. 10:43-45).

Life-long learning – Being a "disciple" through various means: formal education, seminars, training; mentoring relationships; reading and personal study; etc.

Developing Biblical Leadership – Modeling, teaching, training, guiding, leading, discipling, equipping, and resourcing others to present them perfect in Christ (Col. 1:28; Eph. 4:11-15).

Kingdom Advance – Including discipleship, church development and revitalization, as well as personal ministry and evangelization, particularly through relationships.

Unity & Harmony – Discordance and division has no place in the body of Christ (Col. 2:2; 1 Tim. 2:8).

Vision Statement

I determine to see people and churches come alive, or to live again, with zeal (love ablaze) for Christ, His will, and His Word. To this end, as long as I live, I will equip, enable, and encourage believers, particularly leaders, and churches to break free from the routine of religiosity, while also seeking creative ways to help unbelievers find life in Christ.

Therefore, for the remaining years of life and ministry the Lord gives me, I dedicate myself to facilitate believers, particularly leaders, and churches toward authentic Christian living or to live again. I will do this through ...

E Personal – Modeling a growing intimacy with Christ by studying and practicing the spiritual disciplines (esp. – Bible reading, study, and memorization, meditation, prayer, fasting, solitude, etc.).

- E Family – Creating a loving, secure, and open environment to express and discover ourselves as we mature into the individuals God created each of us to be: investing time, building traditions, etc.
- E Carmen – Encouraging and facilitating discovery of and participation in fulfilling ministry according to her personal calling. This includes helping her carve out free time to invest in personal growth and ministry.
- E “Ministry” – Teaching, training, modeling, equipping, mentoring, coaching, and resourcing Christian leaders and/or churches, as well as unbelievers, helping to free them from going through the motions (the tyranny of tradition, monotony of ministry), so that they may understand and begin to fulfill God’s calling upon their lives.

Frank reported that he had:

Visited 26 ministers

Spoken in 12 churches

Toured another 5 churches

Scheduled to speak in a church every Sunday morning now through April except Easter.

Forming a vision team

Offering a focused living leadership

Looking into areas that require church starts

As goes the leader, so go the people (church) and the association.

He reminded us that Moses was unwilling to begin with, but was committed once he got started. He said there is a lot of potential in the Randolph Baptist Association and then led in prayer.

Missions Testimonies were given:

Larry Hinshaw-Mt. Lebanon

He said he was retired from his job, but that we can never retire from God’s work. He and a few other newly retired men formed a chainsaw gang. They cut wood for some elderly people who still burn wood for heat. They have also built a wheelchair ramp for a handicapped church member. They have a good time helping people. And they always do it in the name of the Lord.

Joshua Auman – Balfour

Joshua has been on mission trips through InFuge which is a part of Lifeway for the past four summers. Cities he has gone to include: Nashville, Charleston and Philadelphia and he will be going to W. Palm Beach this summer. He says they are given an opportunity to put their knowledge of the Bible and missions to work for one week each summer. They mainly work with kids, but some teen-agers and adults as well. In Philadelphia, they worked in the inner city, a poverty level area with 5 different ethnic backgrounds. The people come together because they want to make their community safe. Joshua challenged us to take our youth on mission trips. He also emphasized there is plenty of opportunity for missions right here. He says our youth will never be the same if they will just get involved in missions. Balfour has room for about 8 more youths on their trip this summer. They already have 22 signed up.

Mike Auman- Cedar Grove

In 1988, Mike went to Poland to help build a church. 90% of the people were Catholic. Everybody worked for the government for \$23.00 per month. The government was encouraging church growth at that time. This was a gloomy time in Poland; when you saw someone smiling, you knew they were a believer. Mike spoke in 3 churches; people were

excited. They had to inform government of all plans and stick to those plans. He said night time was special because that's when they could visit and pray in homes. When they started to leave, the airport was full of well-wishers, as they had made many friends in their 18 days there. Mike challenged us all to go on mission trips.

At this time, interest forms were handed out.

Ronald Hester, Pastor, Clear View

Rev. Hester spoke on mission opportunities available. Teams are needed to go to Alaska to build a church. 30-35 people are needed, probably in July.

Teams are needed for Bible schools and Backyard Bible Clubs in Malaysia.

New York metro area is in need of youth groups.

He challenged all for funds needed to build up MAP fund so we can send teams to spread the gospel. Maybe you can't go, but you can sponsor someone else to go.

He gave a report from the earthquake recovery in Iran.

He said one group saw the sign from a group from Alabama there and interpreted it this way:

ALA	BA	MA
God	with	us

Training for disaster relief forms are available; you need to pre-register to go.

He encouraged all: Get Registered/Get Trained!!!!!!!!!!!!!!

Dr. Crider said we think Paul lived in exciting times; but he is sure Paul would think we live in exciting times if he could be here tonight.

Bobby Maness then came and sang a solo, "And the Song."

Rev. White introduced Dr. Charles Harris, director at Caraway and Interim Pastor at Union Grove, and his wife, Nell Doris. He said Dr. Harris was his former pastor.

Dr. Harris brought greetings from the state convention and from Caraway.

He encouraged us to use Caraway facilities whenever possible.

He has been interim about 18 months at Union Grove. He thanked Judson Rotan and Gene Booker for their dedicated service to this association. He said some things we can't change, but can learn from them and move on, which we are doing and he commended us for that.

He says we must not continue doing the same things we always have just because we always have. If the 1950's ever come back around, our churches are poised and ready, because we are still acting like that's the era we live in. We need to get rid of some of the past and move ahead. We must co-operate together so we can accomplish more than we ever could by ourselves. God calls people to serve together and we are much more effective together.

Synergism: when forces are working together to accomplish far more than they could separately.

In 1926, Baptists formed the Co-operative Program and we can accomplish so much more through it than ever before.

Dr. Harris read Exodus 17: 8-15. He said Moses had a unique background. Moses took Aaron and Hur up the mountain. As long as Moses was able to hold the rod up, victory was at hand; however, when he would start to let the rod slip, the Israelites would begin to lose. Aaron and Hur got on either side of Moses and held his hands up for support. In this way, the Israelites were able to win. Lay people need to let their presence be known and be resourceful. Jethro visited Moses and saw how weary Moses was. He asked what are you doing and why are you doing it. These same questions are what we need to ask ourselves. “What you’re doing is not good,” Jethro said. You’re wearing yourself out and will burn-out. He advised Moses to handle only the major stuff and let others handle the rest. Pastors need to do the same, handle only the major stuff and have trained lay people handle the rest.

He challenged us to be aware of Frank’s situation. He has no reservation about Frank getting the job done; his concern is that he’ll burn out trying to do it all himself.

Dr. Harris gave the following suggestions we can do for Frank and for our own pastor:

1. Pray for him and his family
2. Respect him
3. Follow his leadership
4. Inform him: keep him informed
5. Protect him from unnecessary criticism. (I Tim. 5:19)
6. Support him personally and financially (I Tim. 5:17)
7. Love him
8. Make sure he takes some time off.

Dr. Harris said he is so grateful that God led Frank and his family here. We must take care of them and take care of our own pastors.

May this association serve in unity and in power!! Amen

Bobby Maness led the congregation in the song, “We’ve A Story To Tell.”

Rev. Charles Phelps invited us for refreshments.

Dr. Crider closed in prayer.

SPRING QUARTERLY MEETING-APRIL, 18 2004 MINUTES
GRAVEL HILL BAPTIST CHURCH

Registration began at 6:30, with the assistance of Calvin and Ann Brower.

During registration, music was provided by musicians of Gravel Hill Baptist Church.

The congregation then sang "Rescue the Perishing" and the chorus, "Since Jesus Passed By" under the direction of Bobby Maness, with Carmen White accompanying on the piano.

Dr. Crider, Moderator called the meeting to order and introduced Rev. Steve Chipps, the pastor of Gravel Hill.

Rev. Chipps gave devotion from the 29th and 30th chapters of II Chronicles.

Rev. Chipps reminded us we are all God's mail carriers; we carry the good news of Jesus Christ and what an honor and privilege it is to serve the Lord.

He then led in prayer.

Dr. Crider congratulated Sidney Rogers of Asheboro FBC on his accomplishments in the RA Racers program. He won first place in the associational competition and third place on the state level.

Dr. Crider then recognized Susan King, treasurer who gave the financial report. The report was approved.

The chair then recognized Dr. Charles Fleshman for the report from the incorporating committee. Dr. Fleshman made the motion that the incorporating of the association be finalized.

One question was asked from the floor, What are the advantages of incorporating?

Dr. Fleshman gave the example of someone suing the association. Then our churches and others we are affiliated with, such as the SBC would be protected. Protection is the key advantage to incorporating.

There were no other questions. The motion carried.

Dr. Crider then recognized Rev. Frank White who brought two miscellaneous business matters before the group.

According to our by-laws, any member church can leave the RBA if they so desire. Staley Baptist Church has asked to do that and rejoin the Sandy Creek Association for geographic reasons.

Also, according to our constitution and by-laws, there are 9 committees and 26 team leaders listed at this time for our association. Many of these positions seem to be unclear as to what their responsibilities are. The team leaders and committee chair people met on February 23 and determined to allow the vision team to re-designate what leadership positions were actually needed in the association. The associational council is put on hold until the vision team can complete that process.

Rev. Frank White then introduced the Spanish pastors to share about their ministries: Rev. Tino Yanez, pastor of El Shaddai and Rev. Fortino Ocampo, pastor of Liberty Spanish Church. Fortino shared first about the ministry in the Liberty area of the county. He said what a great blessing it was for him to be there. He had an interpreter, Gabriele Ramos so he could be sure we understood him. He gave a presentation entitled, "Building Life in the Purpose of God." The Spanish Mission has been in the Liberty area for 7 years. They have 55 active members, with 65-70 attending services. He has been the full-time pastor for 3 years. The mission was without a pastor for about six months before he came. They just relocated to a new building and started having morning services. For seven years, they had had service in the afternoon. The church pays rent on the building where they are now meeting. They need land; need to build a church and more immediately, need tables and chairs. Their ministries include: music (a 10 person group), WMU, Children and Youth ministries, Restoration program, Sports ministries, small groups in homes, Baptist Men, Sunday School and a kitchen team. His goal is to reach the growing Hispanic population. Currently there are 378 Hispanics in Liberty, 25 in Staley, 131 in Ramseur and 2,740 in Siler City. For this reason, they need to unite the groups with a centrally located church. His dream is a beautiful church building located in the center of these locations, with all the Hispanics coming in from each direction for worship service together.

Rev. Tino Yanez from El Shaddai then came to share about the Spanish ministry in Asheboro. He first thanked Frank for inviting him to speak. He said when he was first introduced to the Asheboro Spanish Mission, they had 13 members. They now have 139. They have already started their new building and did it totally on faith. Members can come by baptism, letters or testimony. He sees himself as a missionary, a mission pastor, a building coordinator, worship leader, helps his congregation, benevolence and administrative. The church has a mission in Robbins; they also help with the multi-housing ministry and have a jail ministry. Plans are to finish the building this year. The contractor is to be finished this month and they will start on the inside in May. A mission trip is planned to Guatemala and one to Mexico. He says others can participate with them on mission trips if they like. According to the 2000 census, Asheboro has 4,319 Hispanics. It is probably double that number actually. 20% of Asheboro's population is Hispanic. Rev. Yanez told how 18 people had accepted Jesus at a small group meeting in a home. These were all from the same family. He said Hispanics have a responsibility to reach out. He expects his church building to hold around 400 people. He plans for the services to be bilingual. He wants to be a part of God's plan in reaching all who don't know God. He asked that we pray for the needs in their congregation and closed with, "God Bless You." The El-Shaddai Praise team then came and shared their musical talents with us.

Dr. Crider thanked the team and Rev. Yanez. He offered up a prayer that God would continue to bless their ministry.

Dr. Crider gave the attendance as follows:

23 churches represented

39 messengers

3 alternates

27 visitors

19 pastors for a total of 88.

Bobby Maness then came and led the congregation in the choruses:

Something Worth Living For

Surely Goodness and Mercy

Dr. Crider then recognized Rev. Ronnie Mixon from Level Cross Community Church and Rev. Fred Hardin from Grace Community Church.

Fred shared first about the church he has planted in the northeast section of Randolph County. He started two years ago with 8 people. He has baptized six and the membership is now up to 17, with 25-30 attending. His vision is to bring in unchurched and those who have left the church. He says he and Ronnie are looking at the possibility of the 2 churches meeting in one facility. He says Grace Community Church is based on two scriptures: Matthew 28:18-20 and Acts 1:8. Their primary vision is to fulfill the great commission. Their secondary vision is to procure land somewhere in this area to build a church. They want to go where no one has gone before and be a lighthouse for that area. From Hwy 62 to Old 49 to 421 to Bus 220 is their Judea with a 2000 census population of 5,420. Many of these do not know Jesus. It is their vision and their responsibility to reach them. Randolph County is then their Jerusalem. He reminded us that Jesus never owned a home and walked everywhere he went. He thanked God and the Randolph County School System for allowing them to meet in the Gray's Chapel School.

This area has almost doubled in population. Fred and Ronnie showed developments in the area. They are working in the same areas, but reaching different people groups.

Fred then read Acts 3:6.

Rev. Ronnie Mixon then took over the program. He said the average age person in his church is 36. His is primarily a sports ministry. He preaches in casual clothes and most of his kids call him "Coach." He thanked the association for allowing him to serve in the way God has called him to serve. Ronnie shares the YMCA philosophy of Strong Kids, Strong Family and Strong Communities. His first building will be a full gym. They are looking at 23 acres of land which is for sale for \$190,000.00. He asked us to pray specifically that if God wants them to have this land; He'll make it happen this week. He pictures a community center, with a gym and playgrounds for the children. All the time they're playing, we're sharing Jesus Christ with them. He quoted Field of Dreams, "If you build it, they will come."

Ronnie committed to 20 years in Level Cross when he first went there. He wants that church to be the hub that plants churches, and then equips them to minister and go out and plant more churches. He hopes to plant 100 churches in those 20 years. He says he doesn't know how God's gonna do it, but He can!!!!

Ronnie thinks most churches minister pretty well down the middle, but the rich and the poor need teams to minister to them also.

People in our churches need a challenge. Our pastors need to begin to see the gold in their congregations and empower them to go out and start something new.

Allow God to break down the barriers and get out of our comfort zone.

Ronnie then asked all pastors to come down to the front and he led in a prayer.

Dr. Crider called on Rev. Steve Chipps for directions to the fellowship hall.

Steve encouraged all to please stay and eat lots.

Dr. Crider then asked Rev. Gene Booker to close in prayer.

SUMMER QUARTERLY MEETING
SEAGROVE FIRST BAPTIST CHURCH
MONDAY, AUGUST 16, 2004

A Missions Fair began at 6:30 in the Christian Life Center. Registration was also begun at this time, with the help of Calvin and Ann Brower.

Bobby Maness led in praise songs with Carmen White accompanying on the piano.

Dr. Crider, Moderator, called the meeting to order and called on the pastor of the host church, Rev. Ben Ramsaur to bring devotion.

Rev. Ramsaur read from John 20: 24-28. He said Thomas was as shocked at Jesus' return as we would be if a Volkswagon won a Nascar race. The most amazing power of God is Grace! Thomas was expecting condemnation, but received grace instead. Rev. Ramsaur then led us in prayer.

Dr. Crider then recognized Susan King, Treasurer. Susan gave the financial report and thanked the churches for their faithfulness in giving. The report was approved and accepted. Dr. Crider then asked anyone who had not registered to please do so. He also reminded the ministers present to RSVP for the Christmas Dinner planned at Caraway. He then recognized Dr. Charles Fleshman.

Dr. Fleshman called attention to a form in the program about any training churches might need. He asked that they fill these forms out and turn them in. He wants to do any training that is needed and would be attended.

Dr. Fleshman also reported that the incorporation process has now been completed. Our name has been changed on all documents, deeds, bank accounts, etc. to distinguish that we are Randolph Baptist Association, Inc.

Dr. Crider asked if there was any further miscellaneous business. There was none.

He then called on Rev. Kenneth Reaves to make a report from the Constitution and By-Laws Committee.

Rev. Reaves asked that we temporarily suspend Roberts Rules and our Constitution at this time. This would allow the Nominating Committee to evaluate the committees and teams we now have and determine which ones are needed and proceed with filling those positions, while eliminating the ones no longer needed. The recommendation was approved.

Dr. Crider then recognized Rev. Frank White to introduce our new pastors.

Rev. White introduced the following:
Rev. Howard McNeil at Maple Springs
Rev. Mike Jones at Huldah
Dr. Ron Chaney at Union Grove

Rev. White then proceeded to give the associational missionary's thoughts.

Frank White says he has enjoyed his first nine months in this position.

He wants us to determine "Who We Are?"

We must be Being before Doing.

He outlined our Purpose, Our Mission Statement, our Vision Statement and 8 Core Values.

These were set up by Rev. Judson Rotan and a Vision Focus Team several years ago.

The next question we must ask is, "What is God calling us to do?" :

Minister to symptoms while trying to determine the root of the problem.

Discover ways to address the root causes

Start new groups

Continue & empower teams

Disband non-functioning teams

Have working teams with leaders and members who are dedicated

He foresees us having a brief constitution and streamlined by-laws, as well as a job description for every position.

Then "Location is a Key!"

We need to be in a location that supports ministry, probably the heart of Randolph County.

The Associational Council will be his sounding board. The council is to start meeting monthly, beginning in October. Financially, our churches are giving very well, but we could do so much more, if they would give even better.

Bobby Maness then sang, "People Need the Lord."

While he was singing, a special offering was collected for the El-Shaddai construction project. \$455.00 was collected.

Dr. Crider made an announcement that Steve Chipps' grandmother had died and asked that everyone keep that family in our prayers.

He gave the registration report:

Messengers	58
Alternates	3
Visitors	39
Pastors	17
Missionary	1
For a total of	118 present
With	29 churches represented

Dr. Crider then called on Anne Willis for a report from the Multi-Housing Ministry.

Anne told how she came here 3 ½ years ago. She told how she grew up doing missions as a child. She started out as a GA, going to rest homes. Then as a teen-ager, she went on mission trips in the states. In college, she went on international mission trips. She says she believes Acts 1:8 when it says “Ye are to be witnesses in Jerusalem, Judea, Samaria and to the uttermost parts of the world.” We must start where we are. God will open the door in his time. She now has ministries in Lakeview, Arbor, Coleridge Rd., Randleman Housing Authority and Asheboro Housing Authority. She introduced four summer missionaries who helped with Teen Time and children’s programs this summer. David Fuentes, who is a member of El Shaddai Baptist Church said God gave him the patience to work with these children.

Some needs of the Multi-Housing Ministry are:

- 1-Support through prayer
- 2-Support of helpers
- 3-Support financially

The program then turned to Mission Trip Emphasis.

David Alan from Mt. Pleasant was the first speaker. He told how this was the first mission trip that Mt. Pleasant had taken, but that it was a seed starter. He said it all began with a revival where several church members felt called to missions. The team consisted of 10 people between the ages of 16 and 62. They went to Boone, N.C.; they didn’t want to get too far out of their comfort zone for this first trip. They provided the labor while the organization there provided the materials and had pre-screened the needs. They painted a house, worked in the thrift shop and mowed lawns for several elderly. They touched hearts, but more importantly, the team’s hearts were touched. They grew closer together and David says they would encourage other churches to take a similar trip.

Robert Taylor, from Randleman First Baptist told about their trip to Palmer, Alaska with Cross Road Baptist Church. There were 31 on the team and “patience” was much required in their travels. Once arriving in Palmer, they were met by Palmer First Baptist and all transportation was taken care of by them from that point. This is not a needy area financially, but man-power is what is most needed. The team would work approximately 8 hours a day putting siding on a new sanctuary being built and then still have plenty of time for sight-seeing. The ladies did Backyard Bible Clubs and one child accepted Christ.

Al Avenger of Forest Park Baptist Church gave the international mission report. He said he is almost 70 years old and still enjoys mission trips. You don’t get too old for missions. He said it was about a 24 hour trip to where they went in Igauca Falls, Brazil. He said they were served humongous, delicious meals. This area is a melting pot of nationalities. Tourism is their biggest trade. They had tracts, Bibles, the Jesus film and other things to give out. He said 8 Arabs accepted Christ.

Rev. Frank White then introduced Rev. Richard Brunson, N.C. Baptist Men Executive Director.

Richard Brunson first thanked all present for their support. He most especially expressed thanks for our prayers, our gifts and our personal involvement. He said "Every Baptist is a missionary and quoted both Acts 1:8 and John 20:21.

Our opportunities include:

- *Volunteers to various sites included:
1,300 to Alaska, 100 to Malaysia, 600 to New York and 700 to Honduras.

New partnerships for 2005 include:

Speaking of "to the ends of the earth ... After Mitch, a category 5 hurricane left 5 feet of rain in 5 days in Honduras, N.C. sent hundreds of teams. These teams re-built 450 homes, repaired roads that had been washed away and assisted in many other ways.

We need to Pray, Give and Go.

Be a missionary in our own Jerusalem, Judea and then to the ends of the world.

Dr. Crider encouraged all to attend the mission fair and he then dismissed in prayer.

“STATE OF THE ASSOCIATION” REPORT

What a blessing y’all have been to my family and me! Thank you, from the bottom of our hearts. Your prayers and words of encouragement coupled with your thoughtfulness and generosity in many ways helped make this transition a reasonable one for our family.

I have thoroughly enjoyed this “honeymoon” period. I have enjoyed meeting and visiting at length with all but five of our sixty-one ministers. We are indeed blessed with a superior group of ministers in our association. Additionally, I have visited, generally preaching and frequently singing, in forty-one of our forty-six churches. Your warm hospitality, not to mention the frequent, scrumptious dinners, has also facilitated my adjustment to this new phase of ministry for me. Please do continue for some time to remind me of your name and church when we meet.

This past year I have focused on building relationships with our churches and ministers, restoring trust in the association, and praying about and discussing a vision for the future. I believe much of this is taking place as your ministers, primarily pastors, gather monthly for our prayer breakfast. We have had about thirty-five different ministers attend the breakfasts (a smaller number attend the pastors conference), with a high of twenty-eight – and four men have come occasionally from another association! We rotate churches and meet monthly on the fourth Tuesday at 8:30 am. Please encourage your pastor to join us.

At times it has been hard to be patient, while laying a foundation and strategizing for the future. However, a leader isn’t leading if people aren’t following. So I want to get as many on board as possible before we make very many firm plans for the future. I have written it before, but let me summarize what I see we must address this year. First, we must revisit our purpose, mission, and vision statements, either confirming or editing them, to understand who we are. Second, we must “put some meat on those bones” by discerning what God wills us to do – our ministry and missions involvement. Third, we will need to restructure the association in order to execute our ministry and missions plans. We will end up more streamlined, flexible, and empowered to reach and minister to Randolph County and beyond. Last, we must relocate (though probably not this year!). If we are merely an office for administration, we are fine where we are (even with the difficulty of finding us). I believe, however, that we must also be a ministry center. To this end we need either to build on our highway 49 property or to locate a suitable one for this purpose.

These are some of the challenges we will face during the coming year. I intend to work closely on a monthly basis with our “Administrative Council” this year. This council consists of the executive officers, all team leaders, and all committee chairpersons. Additionally, I intend to work more intentionally and proactively with our committees and teams. As you will notice in the Nominating Committee Report, we are trimming the committees this year and eliminating several positions. These are all in preparation for a new organizational structure in 2006.

I am excited about what our Lord has been and is doing in our midst. It will take much effort on our part to discover all He would have us be and do, and how we can best go about it. It will take even more support from our churches and from you as individuals – both with your finances and, more importantly, your prayers. Please notice that we are moving to a ministry-driven budget rather than an administrative. For this we request that you give a minimum of 3% of your undesignated receipts and work toward five percent. This is essential if we are to reach the lost, unchurched, and de-churched.

Sincerely & Gratefully,

R. Frank White
Associational Missionary

REPORT for 2004 BOOK of REPORTS OFFICE of ANNUITY

After a tumultuous three year period resulting in a dramatic economic downturn which adversely affected retirement accounts of millions of Americans a dramatic rebound occurred during the last year. As a result, the asset base of the Annuity Board gained over 1 billion dollars in one year for the first time since the Annuity Board was established in 1918 to serve ministers and employees of Southern Baptist churches. Concurrently, many participant retirement accounts recouped much of the funds which evaporated during the downturn. The downturn presented a serious challenge to our office in assisting participants with meaningful educational materials and resources to make wise investment decisions.

Secondly, the ongoing national health care crisis continues to present serious challenges to our churches who strive to be responsible employers by providing adequate medical insurance in a rapidly escalating cost environment. To assist in this effort, the Annuity Board responded this year by offering new medical insurance plans. These new plans offer more flexibility with varying levels of deductibles and monthly rates. Along with the new plans, the Board emphasized a three-step approach to address the rising cost of health care. First, the Annuity Board is aggressively managing costs and continuing to create plans that provide more options for participants. Second, participants are encouraged to develop healthy habits related to eating and exercise. And, third, churches need to take the initiative, if at all possible, to provide medical coverage as a benefit for their ministers and staff rather than as a part of the salary package. Those church employees who live within the constraints of an antiquated "pay package" approach have seen a dramatic decline in disposable income if they have tried to maintain adequate medical insurance for themselves and their families.

Thirdly, as a result of actions taken by messengers at the annual meeting of the Southern Baptist Convention in Indianapolis, the Annuity Board gained permission to serve evangelical ministry organizations outside the SBC and to change the official name of the Annuity Board to GuideStone Financial Resources of the Southern Baptist Convention. The name change will become official with an affirmative vote at next year's annual convention in Nashville, Tennessee.

Fourthly, the Endowment ministry of the Annuity Board continued its work to make Southern Baptists aware of the tragic plight of retired ministers and their widows who were unable to plan adequately for retirement. Individuals and churches responded with open hearts and open hands as they helped to underwrite the financial assistance given to those who are in desperate need. More than 3,000 persons in our convention presently receive financial assistance with 335 residing in North Carolina.

As of May 31, 2004, North Carolina participants in the retirement plan moved above 5,200 in 2,332 (61%) of our churches. Our goal is to have all of our churches actively participating in the retirement plan provided by the Annuity Board of the SBC.

In closing, we remain committed to serve all of our churches, ministers, and other church employees. For more information related to products or services, call the Baptist State Convention of NC at 1.800.395.5102 extensions 320 or 321, visit our Web site at www.bscnc.org, call the Annuity Board at 1.800.262.0511, or visit the Annuity Board Web site at www.absbc.org.

Baptist Children's Homes of North Carolina

(July 2003-July 2004)

Above and beyond -- these words best describe what North Carolina Baptists did last year!... Churches around the state came mightily to the aid of Baptist Children's Homes in 2003-04 as their beloved institution faced one of its most critical financial times. Prayers, money, and gifts of food, towels, sheets, school supplies, and clothes flooded in. These showers of blessings softened the blow of a nearly four million-dollar budget cut. ***Thank you.***

History was made as churches from all 80 Baptist Associations gave food to BCH's first-ever statewide food roundup. Nearly 500,000 pounds of food were collected filling every available space on our campuses. Directors of Missions graciously opened their offices as collection points for the food. Churches delivered food filling their offices, halls and storage rooms. Trucking companies picked up the food from the Association offices and delivered this great expression of your love and concern. ***Thank you.***

(The next Food Roundup is slated for April 2005.)

Last year, nearly 2000 videos of ***Jennifer's Story*** were distributed to churches. The video told how North Carolina Baptists made a difference in the life of Jennifer Shore. Jennifer found hope and healing at Baptist Children's Homes. As an adult she and her husband returned to become child care workers. More than 600 churches invited BCH representatives to share how the lives of children, children like Jennifer, are being changed every day. United together, North Carolina Baptists not only met the 2003 Thanksgiving Offering goal, but exceeded it! ***Thank you.***

Baptist Children's Homes is at the center of North Carolina Baptists' hearts. Their actions prove it! Jesus challenged us all when he said, "In the same way, let your light shine before men, that they may see your good deeds and praise your Father in heaven." Our children and staff, the people in your communities, and the citizens of North Carolina saw Jesus in action and our Heavenly Father was glorified! ***Thank you.***

Blackwell marks 20th year as president... On July 1, 1983, Michael C. Blackwell became president of BCH. Trustees honored his twenty years of ministry during their September 2003 board meeting with "A Celebration of Ministry."

BCH begins strategic planning process... BCH president Michael C. Blackwell initiated an agency year-long strategic planning effort. Blackwell says this is the most comprehensive effort since he became president. All areas of the agency are involved in

the development of the plan. Recommendations will be presented to the Trustees at their September meeting. The plan will debut in January 2005.

Shine your light!...Inspired by North Carolina Baptists, this year's Thanksgiving Offering theme is "Shine your light." Although blessings flowed freely in 2003 helping to avert more difficult hardships, our need remains great. Children and families continue to pour out their hurt on our doorsteps. Alone and suffering, children need to know that in their journey of darkness there is a light shining, guiding them to a better day. You help keep the light on and shining bright as we, day-to-day, offer help in Jesus' name. Our statewide Thanksgiving Offering goal this year is \$1,300,000. This represents a \$75,000 increase over last year's offering goal. An increase demanded by necessity. Challenge your church to participate in the 2004 Thanksgiving Offering. ***Our success depends on you.***

BCH...Focused on the Future. Despite the trying times, Baptist Children's Homes continues to be committed to providing only the highest quality of service. Children who come through BCH's doors continue to receive an abundance of love, care and healing. A dedicated staff serves and gives of themselves sacrificially. The lives of children and families are worth every effort. BCH holds true to its mission of ***"helping hurting children... healing broken families."***

The support of North Carolina Baptists through the Thanksgiving Offering, Cooperative Missions giving, church and individual gifts, memorials, honors, and estate gifts enables BCH to provide care for more than 2000 children through our locations across the state. ***Thank you, North Carolina Baptists, for your continued prayers and support. We could not do what we do without you.***

North Carolina Baptist Hospital

"Touching Lives With Hope"

BAPTIST HOSPITAL AND NORTH CAROLINA BAPTISTS:

PARTNERS IN MINISTRY

The mission of North Carolina Baptist Hospital, "to provide and advance excellent healthcare, embracing the healing presence of God," reflects our distinctive heritage of extending the healing ministry of Jesus Christ. Since 1923 we have been privileged and grateful to be partners in mission with North Carolina Baptists, touching the lives of hurting people with great hope and strengthening the ministries of churches.

THE MOTHER'S DAY OFFERING:

PARTNERS IN BENEVOLENT CARE

Real Needs...Real Hope...In the Name of Christ and His Love

Thank you, North Carolina Baptists, for giving compassionate witness to the love of Christ through the Mother's Day Offering! Every dollar of every gift (\$584,958 in 2003) relieves the anxious burden of hospital bills for our patients in serious financial need. Having no where else to turn for help, they find Christ reaching to them through you.

A recent recipient, suffering from life-threatening illness and worried sick about the burden of her hospital bill, received a letter that changed her life. The words of grace resounded, "*Your hospital bill has been paid by compassionate and mission-minded North Carolina Baptists in the name of Jesus Christ and His love.*"

With deep thankfulness she replied, "*I greatly appreciate the love of God that North Carolina Baptists have shared with me. This gift in the name of Jesus Christ has lifted a heavy burden, and I could never say thank you enough. God bless those who give for their compassion.*"

The needs of many patients far exceed the resources available to help them. Please give generously so more can be helped in the name of Christ's love.

THE SCHOOL OF PASTORAL CARE:

PARTNERS IN MINISTRIES OF GROWTH, HOPE, AND HEALING

North Carolina Baptists, by *Cooperative Missions Giving*, provide healing ministry to thousands of hurting people, strengthen the effectiveness of hundreds of churches, and equip scores of ministers for service through the School of Pastoral Care.

Baptist Hospital's CareNet Counseling Centers provide a statewide, faith-based counseling network that extends the ministry of churches. Pastors are the largest single referral source, and members of Baptist churches are the largest group being served. Through 22 locations we will provide nearly 23,000 hours of pastoral counseling in 2004. Thanks to Cooperative Missions Giving, counseling that shares Christ's compassion and hope is made affordable and subsidized for those who need assistance.

The Center for Congregational Health, with the support of North Carolina Baptists, provides three vital ministries that enhance the effectiveness of churches. The Center is strengthening 25 churches per month through **consultation services**, assisting churches with strategic planning, team development, and conflict resolution. **Leadership development** programs are training 20 ministers per month, strengthening these clergy for more effective service. The Center has trained nearly 1,400 pastors as **interim ministers** and intentional interim specialists.

The Department of Chaplaincy and Pastoral Education provides training in pastoral ministry to nearly 55 students per year, and extends compassionate spiritual care to patients and families through 60,000 ministry contacts. Our North Carolina Baptist partners, through Cooperative Missions Giving, allow tuition to be affordable for these ministers. Our churches reap the benefits, as pastors learn to provide high quality pastoral care in times of crises, deepen their own faith, and enhance their evangelism.

ADDITIONAL HIGHLIGHTS AT NORTH CAROLINA BAPTIST HOSPITAL

Caring for Ministers and Their Families

- N.C. Baptist ministers and their families receive a ***subsidy of up to 25%*** on their hospital bills at Baptist Hospital, a helping hand that brings tremendous relief and gratitude. An average of \$60,369 per year has been provided during the last five years.
- Our CareNet Counseling Centers, in partnership with the Baptist State Convention, provide the ***Ministers' Care Plan*** to full-time, ordained ministers serving N.C. Baptist churches, and their immediate families. Confidential pastoral counseling is made available for \$20 per session at a CareNet center, with the BSC and CareNet covering the remainder of the cost. Please call Rev. Paul Mullen, Director of Church and Community Relations, for more information (336-716-3027).

CLOSING WORDS FROM THE PRESIDENT

The compassionate, healing ministry of Christ continues to be realized in remarkable ways at North Carolina Baptist Hospital. We are profoundly thankful for the privilege of serving Christ by serving others through these ministries of growth, hope, and healing. We are deeply grateful to North Carolina Baptists for being our partners in ministry, and pray that God's love will continue to shine rays of healing hope through our common mission.

Respectfully submitted,

Len B. Preslar, Jr.
President

"Lord...you have made my lot secure. The boundary lines have fallen for me in pleasant places; surely I have a delightful inheritance." –Psalm 16:5-6

Because of your generosity, Psalm 16 is a fitting scripture for the over 700 Older Adults who reside at the Baptist Retirement Homes of North Carolina, Incorporated...

Their lot has been made secure—

All of your gifts through the Cooperative Giving Plans of the Baptist State Convention, through the February North Carolina Offering for Older Adults, and through direct gifts from the churches are designated to provide care for those who otherwise could not receive care. Many of our Assisted Living care residents and the majority of our Nursing Care residents receive financial assistance from you. Furthermore our promise to each of our residents is care that will last for as long as they live.

Their boundary lines have fallen in pleasant places—

At the Western North Carolina Baptist Home in Asheville ... at Brookridge Retirement Community in Winston-Salem ... at The Taylor House in Albemarle ... and at Hamilton Baptist Home in northeastern North Carolina, beauty, security, and comfort are found in full measure.

They have a delightful inheritance—

At each of the Homes, the ministry of a Baptist Chaplain lifts the hearts of our residents. The enrichment and recreational opportunities at each Home make for an enjoyable lifestyle. Day after day the high quality of care that is given speaks of the care of a loving Heavenly Father, helping to make life for our Aging Saints...The Best of Times!

Biblical Recorder

2004 Report to the Associations

After celebrating its 170th anniversary in 2003, the *Biblical Recorder* remains true to its founding mission of publishing relevant news and fostering healthy dialogue among members of the Baptist State Convention of North Carolina.

Today's North Carolina Baptists face a constantly changing landscape as population shifts, cultural trends and denominational debates each leave their mark. As always, Baptists find a variety of ways to express their identity. North Carolina Baptists have a clear need to be informed of the many issues affecting Baptist life, mission work and mutual cooperation.

The *Biblical Recorder* exists to provide this needed service to Baptists in North Carolina and beyond. The *Recorder* staff works diligently to provide regular, dependable and balanced news coverage and analysis of the most significant matters relating to Baptist life. In addition, the *Biblical Recorder* includes a variety of supportive resources and feature articles designed to encourage and inspire as well as to inform.

The *Recorder* was privately owned and operated in support of Baptist work in North Carolina until 1938, when the paper was purchased by the Baptist State Convention and incorporated as an agency of the convention. It serves as the official news publication of the Convention, and seeks to serve the full spectrum of its churches.

The *Biblical Recorder* is widely acknowledged to be in the top echelon of state Baptist papers, winning national honors from the Baptist Communicator's Association every year since 2000, including the prestigious Burkhalter Award for news writing in 2001, and several first place awards for news and editorial writing, including two in 2003.

As readers have shifted in their preference for electronic media over traditional print formats, the *Biblical Recorder* has developed and maintains a popular and rapidly growing presence on the World Wide Web. Our Website, at www.biblicalrecorder.org, provides much of each paper's content online, as well as to access classified ads, online Bible study resources and a portal to other news services. The site is frequently updated with breaking news items and other articles of interest.

The *Biblical Recorder* was one of the first state papers to create a website, and it remains a leader in the field. Google.com's prestigious page-rank feature lists www.biblicalrecorder.org as the number one site for Baptist news on the Internet. Web users in North Carolina and around the world now rival the number of those who read the *Recorder*'s print edition, as an average of more than 40,000 unique visitors come to the site each month.

As a BSCNC agency, the *Biblical Recorder* receives annual support from Cooperative Missions Giving contributions, making it possible to offer the *Recorder* at subscription rates below the actual cost. Subscription packets and free sample issues are available.

GREAT WORKS STAND THE TEST OF TIME

The classics. They are the books that are required reading in classrooms around the world. They are the masterpieces that hang in Louvre and other great museums. They are the compositions from Beethoven, Bach, Mozart, Strauss and countless others that are taught and studied and appreciated generation after generation.

What makes them classics? What makes them stand the test of time? Put simply, these works were developed by people who took painstaking care with their craft. Attention was paid to every individual detail as if the very life of the work itself depended on it. Love and devotion and skill were combined with each vision to produce an explosion of creativity and unique expression.

If these explanations truly define the classics and the great works, then the Baptist colleges of North Carolina belong in that very category. Five institutions that define the spirit and commitment of North Carolina Baptists draw their very essence from the North Carolina Baptist State Convention, an institution that was created in part to fulfill the mission of Christian higher education in this state.

Begun in 1830, the Baptist State Convention of North Carolina has stood the test of time. Using the same qualities as the great composers, artists and authors from throughout the centuries, the Baptist State Convention has poured love and devotion and care into the pursuit of offering only the finest in college education.

Campbell University, Chowan College, Gardner-Webb University, Mars Hill College and Wingate University are the five institutions affiliated with the convention. Why is that important? Because heritage and history make for strong foundations. With the support received from the convention through scholarships, resources, prayer, encouragement and leadership, these institutions grow stronger each year in reputation, prestige, character, quality and respect.

Gifts to the Cooperative Missions Budget of the Baptist State Convention of NC last year made it possible for 499 members from 316 convention related churches to attend our five affiliated institutions of higher education. Some of the recipients would not have been able to pursue their dream of a degree from an accredited college or university without the financial assistance provided by generous Baptists like you.

ANNUAL REPORT
Fruitland Baptist Bible Institute
July, 2003 – June, 2004

Our mission at Fruitland is to provide quality training for Christian ministry that balances academic, devotional, and practical emphases. Academically, we aim to lay a foundation for any further study that the student may undertake. Our graduates have demonstrated the academic quality of our program by doing well in a number of schools across the country to which they have transferred. The devotional atmosphere which we seek to maintain in our classrooms and on our campus challenges students to grow spiritually. Worship in chapel is a daily part of our campus life. The fact that most of our faculty members are involved in some regular ministry enhances our practical emphasis and helps prepare our graduates to enter various positions of Christian ministry.

Our student body is diverse in ages and backgrounds. Several international students have been enrolled. Several of our students are involved in regular ministries during their studies. Student family housing and dormitory housing provide for resident students and we have many commuting students. Our cumulative, non-duplicated enrollment for the past year was 257. In consultation with Hispanic church leaders and Larry Phillips of the State Convention staff, we began classes in Spanish in the Spring of 2004.

On September 9, 2003, administration, faculty, staff, students, and alumni joined in the celebration of the fiftieth anniversary of Dr. John Rymer as a faculty member. Although Dr. Rymer has taught several different subjects during the years, he continues to teach Old Testament which he has taught during his entire tenure. Joe Stoneham is the newest faculty member. He teaches Computer Science. He is a native of Dallas, Texas, where his parents were married by Dr. George W. Truett, noted pastor of the First Baptist Church. He is a graduate of Old Dominion University, Norfolk, Virginia, with a B. S. degree in Electrical Engineering Technology. He is married to Judy Bates Stoneham who is a staff member at Blue Ridge Community College. They are active in the First Baptist Church of Hendersonville, NC. In the Fall Quarter of 2003 we had Dr. D. L. Lowrie of Lubbock, Texas, as visiting professor of Old Testament and Pastoral Ministries. Dr. Lowrie is scheduled to return for the Fall Quarter of 2004.

A number of special events are held on our campus annually. In October we observed Alumni Day and Preaching Week. Visiting speakers were Joe Brown of Charlotte, NC, and D. L. Lowrie of Lubbock, Texas. On Founders' Days in May our guest speakers were Dr. Gray Allison of Memphis, Tennessee and Dr. Elmer Towns of Lynchburg, Virginia. Alice Lowrie was the guest leader for the Women's Retreat held in October. Sunday School Seminars were conducted by the staff of the Baptist State Convention in November.

Preliminary plans have been made to renovate the Crouch Building which houses our chapel and eight classrooms. This would include the enlargement of the chapel to provide better for graduations and special events and the equipping of the classrooms for the use of the latest technology in multi-media presentations.

Fruitland continues to adapt to changing needs and opportunities while endeavoring always to remain "true to God's Word and loyal to His purpose." We are grateful for the continuing support of the Baptist State Convention in providing for us the opportunity to participate as partners moving toward the fulfillment of the Great Commission. Our alumni continue to assist us in the fulfillment of our mission by praying, recommending the school to prospective students, and giving. Visiting groups and individuals are welcome to visit our beautiful campus. Our offices are open except for holidays. For a tour of the campus contact Todd Edmiston, our Campus Services Director by telephone at 828-685-8886 or by E-mail at fruitland@mchsi.com.

THE NORTH CAROLINA BAPTIST FOUNDATION, INC.
2003 ANNUAL REPORT

The mission of the North Carolina Baptist Foundation since its inception in 1920 has been to assist the Convention and its institutions and agencies in increasing an awareness among North Carolina Baptists of Christian estate stewardship principles as a means of financially undergirding churches, institutions and mission endeavors on a permanent basis. The uniqueness of the ministries and services provided by the institutions and General Board staff merits increased financial support. The Foundation accomplishes these objectives by offering assistance in estate planning counsel, Will preparation, planned giving, charitable remainder trusts, endowment funds and church fund management.

During 2003, the Foundation assisted individuals in establishing 23 endowment funds and 8 charitable remainder trusts totaling \$633,000 and received \$2.7 million in contributions to existing endowments all of which will ultimately benefit countless Baptist causes on a permanent basis. Programs were provided for churches and associations during the year to promote Make Your Will Month, Christian estate stewardship, and church fund management. Over \$2.0 million from churches and institutions came under management to enhance numerous ministries including scholarships, building funds, cemetery funds, benevolence funds, general operating funds and other various mission causes. Overall, the Foundation received \$5.3 million in contributions during 2003 for Christian causes.

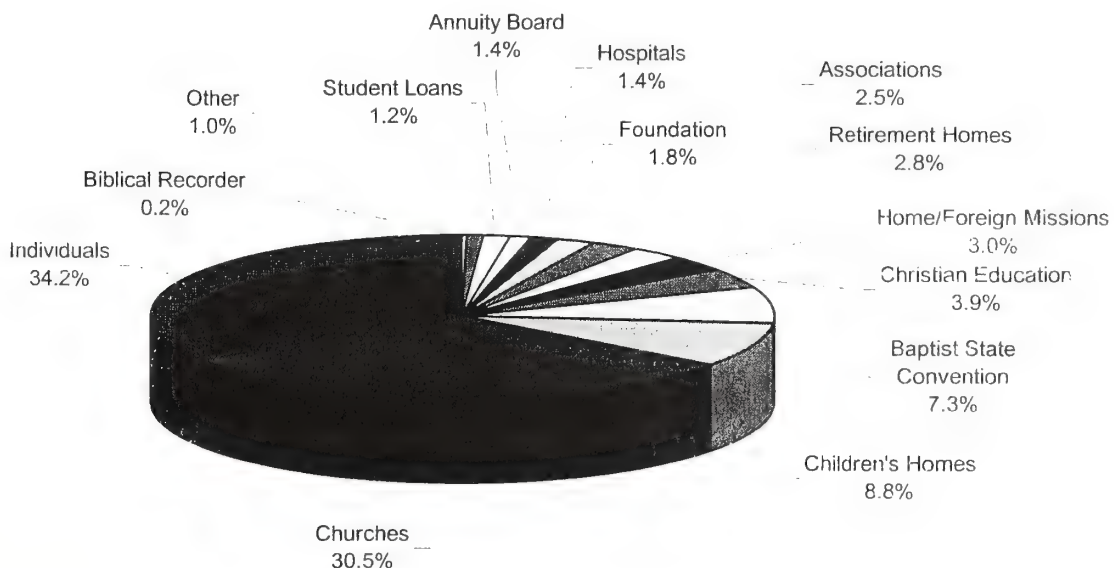

The Foundation employs professional money managers to invest these funds according to an investment policy adopted by its Board. Four investment pools are offered: a growth fund, a balanced fund, an income fund and a fixed income fund. The Foundation uses the services of Salomon Smith Barney to help select top money managers and evaluate performance. As of December 31, 2003, the Foundation held \$112.9 million under management.

During 2003, our distributions totaled \$5.7 million, with charity receiving \$3.8 million and individuals, through trusts, receiving \$1.9 million. During the 83-year history of The North Carolina Baptist Foundation, Inc., \$25 million has been distributed to individuals and \$44.1 million to Baptist churches, institutions and mission causes for a grand historical total of \$69.1 million.

2005 Annual Session: Glenola Baptist Church October 17, 2005
Registration began at 3:30 with Rev. Gene and Mrs. Bobbie Booker assisting.

Meeting was called to order by Rev. Doug Davis, Moderator.
Rev. Johnny Henderson made a motion for the adoption of the Order of Business, which was approved.
He then gave the proposed meeting places, dates and speakers for 2006, which were also approved.

Rev. Davis then led in an opening prayer.
Dean Pollard led the group in singing, "Victory in Jesus."

Rev. Davis drew attention to the History reports in the book of reports and called on Susan King for the next reports.

Susan presented the financial report through September; this was approved.
She then presented the proposed budget for 2006 which was also approved.

Robert Taylor gave a brief report on Disaster Relief. He told us that with all the hurricanes hitting the gulf coast, Baptists have been and continue to be very active. More manpower is needed. The 3 resources needed are: manpower, financial support and transportation. Teams of 6 to 8 people are needed for feeding. Recovery teams are needed to do chain-saw work, mud-outs, etc. Two training sessions are coming up: Nov. 5 at Cary and Nov. 12 at Charlotte. More people need to be trained and ready to respond as needs arise.

The Nominating Committee Report was given by Rev. Justus McKeel. This also was approved.

In the absence of Rev. Jeff Joyce, Rev. Frank White gave a report on the Jesus Video Project. He said the project had been delayed until probably next year, possibly an Easter distribution.

Dean Pollard then led in the singing of, "Blessed Assurance."

Dr. Paul Mullen then came forward to give an update from the N C Baptist Hospital.
Our co-operative program missions giving helps provide:
Care-Net: offer hope & healing, faith renewed to hurting people (counseling centers)
Church: 'conflict resolution'—about 25 churches per month are helped in this manner.
400 church leaders are trained every month in the chaplaincy program. Congregation-based training is also available.

The Mother's Day Offering goes entirely to help pay hospital bills for patients who fall between the cracks. They have little or not insurance. They work, but do not have enough money to pay large hospital bills. He gave an example of a 2 year old with leukemia.
17 churches in RBA gave nearly \$9,000 last year. Oakhurst and Asheboro FBC were both in the top 50. Center Cross was in the top 20. Rev. McKeel was presented a plaque for them.

Frank White came forward with some miscellaneous business.
RBA Media Resource Center Catalogs are now available.
Volunteer Guide to Community Service is now available electronically.
Sunday School needs surveys need to be filled out and returned.
He said he is grateful to our institutions and their representatives. In addition to Dr. Mullen, Charles Stoval was also present from Baptist Children's Homes.
There were no items of miscellaneous business from the floor.

Rev. Gene Booker presented the Memorial Service. He read from Psalms and led in prayer for our precious dearly departed after reading the names of those reported on church profiles.

Rev. White recognized Dean Pollard (staff at Cross Road) to receive a certificate from the IMB for their Lottie Moon offering. Their gift of \$181,105.00 was top both in total dollars and per capita giving.

He then drew attention to the State of the Association report and explained his Gideon's 300 theme. He says the association is moving toward a time when few programs are done from the RBA office. His vision is not for programs and management, but reaching the county for Jesus. We need to partner with one another to do what one church cannot do alone. Missions and Evangelism is our focus. We need to be more task oriented instead of committees. We can unite, equip and mobilize.

For example: Rev. Tim Lowry, pastor at Balfour, is Randolph County's leader for Cross-Over Triad to be held in conjunction with the SBC in Greensboro in June, 2006. We will need thousands of volunteers.

Who we are and what we need to be doing are the questions Frank White wants answered. Then How? From Where?

Prayers are needed as we have 10 to 12 churches without or soon to be without pastors.

Materials on the table in the vestibule include: Room in the Inn, Common Courtesy and upcoming mission trips and forms for Disaster relief training.

Committees need to meet and elect chairmen.

He wants us to start doing the Banner electronically.

A Task Force is needed to re-write the Constitution & By-Laws. Volunteer if interested.

Special music was then presented by the Cross Road Critters, consisting of: Renea Henderson, Neal Arrington, Julie Langdon and Benny Holcomb.

They sang "Shouting Time" and "On Time God."

Dr. Charles Fleshman then delivered the afternoon sermon.

The work of our Lord is so important. He has a plan for each of us. He based his message on John 11: 32-44. There are prayers of thanksgiving, intercessory prayers and prayers of petition.

Prayer is communication with God, not to impress God.

He hears our simple prayers of humility when our hearts are sincere. Prayer is to be the center of everything done. God ministers to us as we bring our cares to Him. Pray with belief that your prayer will be answered. Everything is important to God so pray about the little things as well as major things. Prayers 'to God' make you a prayer warrior. A heart centered in humility to God will be blessed. God knows who's sincere and who's not. Faith in God is released when hearts are cleansed. God's power changes lives, changes hearts, and makes the unbearable bearable. As RBA moves forward, make prayer Central. He closed in prayer.

Rev. Doug Davis announced that dinner was a joint effort by the Triad Cowboy Church and Glenola. He asked Jeff Joyce to pronounce blessing on the food.

We were then dismissed to eat.

Evening Session

Rev. Doug Davis called the evening session into order.

Rev. Frank White apologized about the Jesus Video Project report he had given earlier being wrong and called on Jeff Joyce to come forward and give a report from the leadership team.

Jeff says we are still trusting God for the money. He has plenty of resources and we have about ten more days for Him to provide. We still want the Jesus Video to be in every home in Randolph County before Christmas.

Dean Pollard came forward again and led the congregation in "How Great Thou Art" and a praise, "I Will Trust in You" which Dean had written himself.

Frank White introduced Dr. Chris Schofield and led in prayer.

Dr. Schofield met with our pastors in April for a Prayer Retreat. He told them then and reminded us all now that when it's too big for us, it has to be Him. He brings greetings from Baptist State Convention and specifically from the office of Prayer/Evangelism.

He told of opportunities to partner with Wyoming. They are the smallest and weakest state convention in the SBC. 22 teams are needed next summer to go there and pray.

They have a full-time state co-coordinator on staff and a house is available where volunteers can stay. He says there are 1300 people in prayer groups every week in Biltmore Church.

Dr. Schofield read from Ezek. 37: 1-14. He told about a Layman's Prayer Revival in 1857 in New York, where thousands came to Christ.

God is concerned about our nation!

Men are leaving the church and righteous living. In Western Europe, Japan, Australia and North America, Christianity is dropping.

Churches are closing instead of planting new churches.

WE NEED REVIVAL!!!!!!!!!!!!!!!!!!!!

1. Principle of prayer.

Praying people become instruments of revival.

Instrument of God- called out

1. people on whom God has laid His hand

2. God took Ezekiel to the middle of the valley of dry bones. 70-85% of churches are declining or at a standstill.

3. Ezekiel was a man who delivered the word of the Lord

4. We must be willing to go wherever God leads

2. Principle of Spirit of God

Renewal of spirit in our hearts

We have programs, structure, activities, but no spirit in our churches.

Command the spirit to come and breathe on us.

Luke 11:13

3. Principle of Renewed Hope

God is able

See it from God's perspective, not ours.

Quit worrying about surviving – look to Him

He can put hope in the homes of alcoholics, drug abusers, divorced and all others.

We need to do whatever it takes

Cry out to God in desperation.

Dr. Schofield then led us in a season of deliberate prayer.

Glenola Baptist Church History Highlights

In January 1907, a community Sunday School was organized in the Glenola School House. Later visiting preachers held services. There arose a need for larger quarters, and a church building was erected with material and labor donated by neighborhood men. It was named Glenola Baptist Church after the village located on Highway 311, eight miles south of High Point, NC.

In 1917, the church was organized into a Missionary Baptist Church with the assistance of Rev. W. H. Eller and the Baptist State Convention. Charter members were: Minnie White, Nora Tomlinson, Nealie Brewer Gray, Mary Trotter, Nora Spencer, Fannie McDowell and Alice Davis.

Rev. Eller, the first pastor, was followed by the Reverends Shaw, Seibleman, T. H. Williams, E. L. Smooke, C. E. Crissman, and the following:

1926-1929	L. W. Burris
1929-1933	E. L. Roach
1933-1936	Wilbur Hutchens
1936-1937	Hoyle Love

From March 7, 1937 until December 10, 1937, Rev. E. F. Mumsford served at a monthly salary of \$30. Rev. John C. Kidd served from February 20, 1938 until November 4, 1945. Under his ministry, the church grew and became able to support a full-time pastor.

Rev. Charles McBride served as the first full-time pastor from May 26, 1946 until July 6, 1952. During this time, a parsonage was built and a new church building was begun. Rev. James Bolick served from September 14, 1953 until February 23, 1958. The new church building was completed and the first service was held in the present building on February 8, 1956.

Rev. Cecil Wright served as pastor from April 20, 1958 until June 21, 1964. He was followed by the Rev. Ralph Holcomb who served from February 28, 1965 until December 31, 1972. During his pastorate the church was air-conditioned, a steeple was erected, the parking lot was paved, and the fellowship hall was built.

Rev. Cabot Inman was pastor from December 12, 1973 until September 16, 1984. Church pews were cushioned and an addition to the parsonage was built.

On March 24, 1985, Dennis Ball became pastor and served until February 21, 1993. During his pastorate an Outreach Sunday School program was begun at Greybrier Nursing Home with Harrison and Ellen Burrow as teachers. The Rev. Lynn Holcomb served as pastor from October 3, 1993 until June 5, 1994. A new sound system was installed during this time. He was followed by the Rev. Bill Arbo who served from 1995 until May, 1997.

Our present pastor, Rev. Doug Davis, came in November, 1998. Under his leadership a community outreach program has been established which includes neighborhood block parties and senior citizen fellowship dinners, as well as the continuation of such programs as the annual fishing tournament, Easter egg hunt, and Vacation Bible School. These programs have drawn our community closer and helped to increase our membership. Physical improvements have been made in the fellowship hall with the installation of central heat and air in the basement and a commercial refrigerator and ice maker in the kitchen. The parking lot has been enlarged to accommodate our growing attendance, and a new sound system has been installed that is controlled from the balcony. The Brotherhood and WOM groups are very active and involved in various projects.

The old church bell, given to the church by Rev. W. H. Eller after his retirement, has taken on new significance. The bell was moved from the old church building to the new church after it was built. Once rung as an announcement of Sunday School or Worship Service, it now chimes for a more somber announcement. When a church member goes home to be with the Lord, the bell is rung in love, memory, and honor of that individual. As a further tribute, the choir members wear their black stoles over their choir robes instead of red.

WINTER QUARTERLY MEETING
JANUARY 17, 2005
CLEAR VIEW BAPTIST CHURCH

Meeting was called to order by Rev. Doug Davis, Moderator.

John Bryant of Clear View Baptist Church welcomed the Association to their church and opened in prayer. He then read from Matthew 28: 16-20. He said we are living in an exciting time. The technological advances now available make the Great Commission possible. They also make us accountable to fulfill the Great Commission.

Rev. Dean Pollard then led the congregation in singing, "Blessed Assurance, Jesus Is Mine."

Doug Davis called on Susan King for the Treasurer's Report. Susan presented the report and also mentioned that she and other leaders of the Association had met with our accountant, Ron Powell and made sure all practices are in order.

Rev. Davis then recognized Rev. Tim Fonner.

Rev. Fonner read John 5:19 and introduced a campaign to distribute the "Jesus" DVD to every household in Randolph County. The DVD includes the movie in nine languages, as well as a children's version. These can be purchased in bulk for \$3.00 apiece, including shipping. He and Rev. Harold Baker have a DVD for each church to preview. Many people present showed interest in this project.

Rev. Davis then recognized Rev. Bob Purvis, a member at Beulah Baptist Church and an evangelist. Rev. Purvis requested prayer for his granddaughter who was born 4 months premature and had multiple problems. A benefit singing will be held for her at Beulah Baptist Church on Saturday, January 22 at 7:00 PM. Doug then led in prayer for this baby and her family.

Luther Osment from the Baptist Retirement Homes was then recognized. He told us that 85 year olds and older are the fastest growing population in our country today. Older folks are still useful and he gave examples of the volunteer work some are doing. February 6-13 is the Week of Prayer for Retirement Homes and the special offering which keeps them in operation. Over 700 people are currently in the care of these homes. They are promised to be looked after for as long as they live and this is only possible through our offerings.

Rev. Doug Davis then introduced Rev. Jeff Smith and said he would come bring the message after our celebration in song. Rev. Smith is the Pastor of Young Memorial Baptist Church and the Cowboy Church Planter.

Worship Celebration in Song was led by Rev. Dean Pollard. Songs included: "When We All Get to Heaven," "We'll Understand It Better," "Won't It Be Wonderful There," and "Amazing Grace." Julie Langdon sang a solo, "Come Just as You Are" and then Dean Pollard sang "There Is None Like You" and led the congregation in "Oh Come, Let Us Adore Him." All music was accompanied by Tami Nobles on the piano.

Rev. Jeff Smith began by reading I Corinthians 9: 19-25. He said cowboys may not have a suit, may be riding on Sunday, but they are still worth the blood of Jesus Christ. We must find an innovative way to reach all people groups. He thanked Frank for his encouragement. He praised God for both Frank White and Doug Davis. Doug has become the pastor of the Triad Cowboy Church. To the weak, we must become weak to reach. To the cowboy, we must become a cowboy to reach. God is concerned with what's in the heart, not the clothes on your back.

The first Cowboy Church was established in a bull riding arena in Concord, with about 68 present that first night and 5 or 6 saved. Jay Willard, President of Cowboys for Christ was also present and recognized. He said there were 187 at Triad Cowboy Church on Tuesday, January 11.

Jeff Smith says he is training preachers to be cowboys and cowboys to start churches. Where there's a will, there's a way. Acts 1:8 says "You will receive power when the Holy Spirit comes on you; and you will be my witnesses."

Acts 2: 1-5 tells how the Holy Spirit gave the power promised to Jews from every nation.

"If we believe this message, let's share it," said Rev. Jeff Smith in closing.

Rev. Doug Davis then recognized Rev. Tim Rogers, Chairman of the Credentials Committee. Rev. Rogers then recommended that Randolph Baptist Association accept the Triad Cowboy Church under our watch care for a period of one year. The floor was opened for questions. There were none and the motion was made to welcome them with open arms. Frank stated that he wants RBA to be ready to accept this church as they are; they will never be a traditional church.

There was no opposition and the motion carried.

Doug then thanked Glenola Baptist Church for sharing him with the Cowboy Church and for their partnership and participation with the Cowboy Church. He then thanked the Cowboy Church for allowing him to serve them and thanked RBA for accepting the Cowboy Church.

A closing prayer and benediction was led by Rev. Tim Rogers.

Rev. Frank White requested our prayers for him as he leaves soon on a mission trip to SE Asia. As we entered into a time of fellowship, Rev. Joe Edwards and Rev. Tim Fonner distributed the "Jesus" DVD to all churches present.

April 18, 2005 Spring Quarterly Meeting
Cedar Grove Baptist Church

Meeting was called to order by moderator, Rev. Doug Davis, who recognized Rev. Ernest Mangum, Pastor of Cedar Grove.

Rev. Mangum welcomed the RBA membership to their church. He read from Psalm 100: 1 & 2 and 2 Samuel 6. He emphasized that true worship is praising God. It is not about us. He then led in prayer.

Dean Pollard led the congregation in singing, "Victory in Jesus."

Susan King gave the treasurer's report, which was approved.

David Allen, chairman of the Finance Committee recommended an amendment to the budget to add \$2500 to Computer Expense, so that Frank White could purchase a new lap top computer and related software to be used at meetings, etc. This motion was also approved.

Sunday School report was given by Dr. Charles Fleshman, Sunday School Director. He was excited about our Sunday School. There were 38 present at a training seminar held recently. A clinic will be held at Caraway Sept. 16-17 and Sept. 23-24. Dr. Fleshman announced that RBA will be awarding 10 scholarships to this clinic to the first 10 people to request them. Next year's training will be totally needs based. Let him know what topics you would like to see addressed.

Rev. Tim Rogers called attention to a resolution in our materials' packet. After one change, the motion was seconded. There was no discussion and the motion was approved that we send this proposal to the SBCNC.

Rev. Tim Fonner led in prayer for the Hank Williams Crusade to be held at the Randleman High School Football Stadium on May 1-4.

Rev. Fonner then proceeded to give an explanation of the Jesus Video Distribution Project for Randolph County. This concise, clear presentation of the gospel was originally recorded by Crusade for Christ. Each DVD presents the message in 9 languages at a cost of \$3.00 each. The main need right now is for a liaison from each church. The leadership team could use more help and much financial support is needed. Drema Hill and Louise Allred are the treasurers and funds should be sent to the Association Office at PO Box 2167.

Tim volunteered to introduce it in any church that asked him; he would be able to do this in about 15 minutes. There are 51,557 homes in Randolph County, so around \$160,000.00 is needed. This is not just a Baptist project; we want to work together with other evangelical churches. The release date is projected to be the first week in December. The money is needed by the end of September if we are to be able to have DVDs shipped at that time. May 23 at 6:30 is the kick-off banquet, which will be held at AVS. Rev. Fonner then led in prayer for the project.

Justus McKeel, Chairman of the Nominating Committee came forward to nominate 2 candidates for open positions. Vice Moderator: Dr. Ron Chaney, Pastor Union Grove Church and Rev. Charles Phelps to fill the vacant spot on the Credentials Committee. The motion carried.

Rev. Doug Davis then called attention to the Brotherhood Report.

Rev. Frank White introduced 2 new pastors: Rev. Tim Lowry at Balfour and Rev. Tony Hall at Liberty First Baptist.

Charles Stovall from the Baptist Children's Homes then gave a report from them. He brought greetings and thanks to all for their support. He told about Tyson Foods donating 30,000 pounds of poultry to the homes, when he only asked for a hundred pounds. He said Father's Day week-end, June 18; there would be a Biker's Rally at Mills Home. He told about a "Sock it to the Devil on Undy Sunday, in which socks and underwear are collected for the children one Sunday each year in one church. He said there are 1900 boys and girls in 14 facilities in N.C. Plans are in the works for a home in Asheboro for developmentally disabled children.

Rev. Doug Davis then announced the attendance for this conference as:
26 churches represented with 59 messengers, 5 alternates, 24 visitors, 17 pastors and 1 associational missionary for a total of 106.

Rev. Frank White gave an RBA Update. He told how spring reminds us that things change, but God does not change. There are some changes to be made in the organizational structure of the RBA. We need to become more fluid, so that we might respond more quickly to needs. He wants more working with other Great Commission Christians. We need to all be praying together for the Asheboro Drug Task Force. Along with the 2 new pastors in our association he introduced earlier, two more are retiring. Rev. Kenneth Strickland retired from Greystone and Rev. Harold Baker is retiring from Riverside the end of April. Approximately 75% of our pastors are over 50 years of age and will at some point begin to think about retirement. Frank is excited about the strong traditions here, but realizes we need some new methods. We might have fewer meetings and more training, for example. He introduced Martin Dupree to be our speaker, after a time of music.

Dean Pollard led the congregation in "Open the Eyes of My Heart."
Dean then sang a solo, "It's All About You, Jesus."
He then led the congregation in singing, "More Precious than Silver" and "How Great Thou Art." All songs were accompanied by Jobe West and Bennie Holcombe on guitars.

Martin Dupree, Senior Consultant & Team Leader for Evangelism & Church Growth Team was our Keynote Speaker. He shared his message entitled, "Life Is A Mission Trip."

This message showed us how to be a Christian in our daily life. He showed us a picture of his family and introduced them. He affirmed our Jesus Video Project. He then told us how Divine Appointments are our chance to tell others about Jesus and Divine Intersections are our opportunities to affirm and encourage fellow Christians. Discipleship relationships can be developed with everyone. Any career can be used as a starting point if we learn to be creative. For example, to your garbage man, you can say Jesus was the best garbage man ever and tell how he cleans up the garbage in our lives.

True evangelism: Sharing the good news is an act of compassion, not an act of aggression. True evangelism is simply a conversation about Jesus.

"Southern Baptists are a harvest-minded denomination living in an unseeded-generation," says Check Kelly, President New Orleans Baptist Seminary.

Seeding, nurturing and harvesting are all equally important.

"Any witness given of Jesus Christ, in the power of the Holy Spirit, leaving the results to God is a successful witness" says Dr. Darrell Robinson.

Martin Dupree used Matthew 28 as his text. He suggested that we always carry a Bible to give away. Use whatever's in the culture at the time, a movie (such as The Passion of The Christ), a TV show or the newspaper to start conversation.

What is a disciple? A fully devoted follower of Jesus Christ who is reproducing fruit. 55 million people die a year without hearing about Jesus. Will there be anyone in heaven because of you?

The purpose of the church is to glorify God. The mission of the church is Evangelism.

Rev. Doug Davis adjourned the meeting and encouraged all to stay for fellowship. Rev. Gene Booker led in a closing prayer.

SUMMER QUARTERLY MEETING
AUGUST 15, 2005
ASHEBORO FIRST BAPTIST CHURCH

Registration began at 6:30 with the help of Gene and Bobbie Booker.
Pianist for the evening was Mrs. Carmen White. Music was led by Rev. Steve Byers,
Minister of Music at Asheboro First Baptist Church.

The meeting was called to order by moderator, Rev. Doug Davis.
The membership was welcomed and an opening prayer given by Dr. John Rogers, Pastor
Asheboro First Baptist Church.

Special music was by "First 4", consisting of Steve Byers, Danny Myers, Dick Stratton and
Bob Durand. They sang "My Lord and I" and "He's Watching Me."

Nominating report was given by Rev. Justus McKeel. He thanked those who served on the
nominating committee as well as those who had agreed to serve the coming year in the
various positions. There were no questions and the report was approved as given.

Treasurer's report was given by Mrs. Susan King. It was also approved as given.

There was no miscellaneous business at this time.

Rev. Frank White came forward to mention a number of items.
He first introduced two new pastors: Rev. Jeff Johnson at Clear View and Rev. Justus
McKeel came out of retirement to pastor Center Cross.
He mentioned that we now have the Annual Church Profiles and that all churches need to get
one and fill it out at the end of their church year.
He mentioned the Jesus Video Project and encouraged all churches to support this wonderful
evangelistic tool.
He encouraged all pastors to bring their financial folks and come to the Ministers Pay
Package to be held at Balfour Baptist Church on August 29.
He then mentioned Crossover Triad to be held June 10-11, 2006. Randolph County
Chairman is Rev. Tim Lowry.
Rev. Rick Fancher worked this summer and completed the agency part of a new "Guide to
Community Resources." We will get this out to the churches soon and will give valuable
suggestions as to how we can all volunteer our services.

Frank White then led in special prayer for several sick in our association, including Tyler
Brock, Rev. Tony Hall, and Rev. Fred Hardin.

First 4 then came back and performed two more songs: "Heavenly Parade" and "Gentle
Shepherd." All present seemed to really enjoy this group's music.

Rev. Larry Riley, Mobilization Strategist with the International Mission Board was next on the program. He told us that if the world is ever going to hear about Jesus, it cannot be done by the International Mission Board or any other organization. It must be the church to partner, give, pray and go.

Rev. Steve Byers then came to lead the congregation in the chorus, "Lord, I Lift Your Name on High" and the hymn, "Redeemed, How I Love to Proclaim It."

Rev. Frank White then returned to the front. He said 22 churches had missionary speakers on Sunday August 14. Many of them had to return to their homes, but 5 were with us for our associational meeting. Frank asked each of these a question.

To Esleie and 'Zelle Phillips, he asked, "What are some similarities and differences in pastoring a church here in the states and pastoring in Columbia?"

Dr. Phillips said a pastor must preach, visit, perform funerals and weddings the same both places. However, he says the people are much more receptive to the gospel in Columbia than here. They are looking for continuity.

Kip Kimbrough was asked to relate a story from Chile. He told how a medical team was denied entry into Chile for their original plan to conduct a medical clinic. However, the team decided to go anyway and do just what they were allowed to do. 164 people accepted Christ through the work of this team. The government official who originally denied their request is now open to discussing the gospel.

Grace and Louis Crawford were missionaries to Brazil. They were asked to name some ways we can become involved in missions. Louis said we can all go and share our testimony through interpreters. We can pray for our missionaries. We can give to Lottie Moon and the Cooperative Program. We can also adopt a people group.

Grace says if we are not physically able to go ourselves, we can always support someone else who may not have the funds to go themselves.

Rev. Frank White then sang, "Please Don't Send Me to Africa."

Rev. David Crane, Mobilization Personalizer for CESA Region, IMB then delivered the message. He taught us phrases in two different African languages. Rev. Crane says there are over 250 churches in Kenya; God's greatest work is just beginning there.

(Cesa: Central Eastern Southern Africa)

He gave one unique example of a mission team who came from Knoxville, Tennessee to partner with the Massai in Kenya. In this people group, the gatekeepers are the older men. The mission team happened to have some older men. It soon became apparent that these gatekeepers were listening to the older men from Tn. in a much more receptive way than they had previously listened to others. The Kenyans are mostly illiterate. They cannot be reached by normal methods. Storying is the most effective method found. Storying Kanga is a cloth

wrap which has pictures telling 42 stories from the Bible, beginning with Genesis and proceeding through the Bible.

A company in Knoxville was found who could silk screen these story pictures onto the cloth.

Music for Commitment was "Set My Soul Afire" and was led by Rev. Steve Byers.

Closing Prayer was led by Rev. David Crane.

All were encouraged to go the Christian Life Center to tour the Mission Fair and have light refreshments.

STATE OF THE ASSOCIATION OCTOBER 17, 2005:

GIDEON'S 300

“And the Lord said to Gideon, ‘With the 300 men ... I will save you.’” Judges 7:7

We have all had to face seemingly insurmountable odds, when we have felt like the proverbial David facing Goliath. Imagine what Gideon must have felt when God first called him (Judges 6-8). He was the least of his family and from the smallest tribe in Israel. Yet God called him, and led him to become a great leader for Israel. I am most awestruck by Gideon's boldness in calling out a tiny army to face the hordes of Midian. He was able to muster only 33,000 men, two-thirds of which were too frightened to stick around. Then, God told nearly 10,000 more to go home. Why? Even with a mere 10,000 men against at least 135,000 Midianites and allies, the people of Israel would still have taken God's glory for themselves. So, God spoke clearly, once again, to Gideon, and, with these 300 men, God gave Gideon and Israel an incredible victory over their foes.

The task I/we faced nearly two years ago also seemed insurmountable. We were not facing a Midianite army. However, the task was, and still is, huge, of God-sized proportions. With Rev. Gene Booker's leadership, RBA dug out of a financial hole. Nonetheless, every program that had been actively supported ceased as trust and support for the Association plummeted. Hence, when I arrived, there lay before us what seemed a nearly impossible mission for our apparent handful of active Randolph Baptists. You have stood strong and faithful during these initial months. We have rekindled a sense of trust, and reignited a united and cooperative effort, once again, to impact our community for Christ.

I firmly believe Randolph Baptists *are* active in ministry. We simply do not know about it. Much like the thousands of Israelites who joined in the battle to conquer Midian, once Gideon and his 300 men took the lead, I know there are hundreds of Baptists actively serving our Lord as salt and light in our community. For RBA, you are “Gideon's 300.” To God be the glory for all He has done and is doing through you.”

One primary aspect of my vision for RBA is to mobilize an army of volunteers to impact and help transform Randolph County. Former President George Bush spoke often of volunteering Americans being “a thousand points of light.” And what a light that puts out! Imagine what a blazing light we'd have if those 1000 points of light were interconnected through partnerships. Shine, Jesus, Shine! Shine through us.

God specifically spoke with Gideon in many ways to show him what to do and how to do it. My prayer has been that our Lord would reveal His vision clearly to me and our RBA leaders. He has begun doing that as the Association Council has met to discuss who we are, what we should be doing, how, and from what location. We have affirmed the first page of our present Constitution as our statements of purpose, mission, vision, and core values. In essence, the Association is a unifying force to facilitate partnering among churches, Christian ministries, and social agencies, in order to fulfill the Great Commission.

My sense of vision for me is to “unite, equip, and mobilize believers and churches for the work of the Kingdom.” (See Col. 1:28-2:3 and Eph. 4:1-16 as biblical examples of this.) I believe my position as your Associational Missionary fits this perfectly. How will I carry this out to fulfill God's vision for the Association and myself? That's not so clear. In fact, I read recently of leadership being like an air traffic controller. He's not the owner of the airport nor the aircraft, but must coordinate them very carefully.

We will begin with “Gideon’s 300”! I continue to ask those of you who have been faithful to keep on doing so for now as we “rally the troops” to join you. As Judges 8:4 reveals, Gideon and his 300 men were “exhausted yet [continued] pursuing” their enemies. Your old hands may want to quit and give up because you are weary, but we must all hang in there to pass on the baton to others. I do believe we can mobilize a large army of volunteers – an army of “ones,” as one article put it. This past summer Rev. Rick Fancher updated, enlarged, and renamed, Andi Wilson’s work. *A Volunteer Guide to Community Ministry* is a great resource both for the benefits to our membership of virtually all social agencies and Christian ministries in Asheboro and Randolph County and of over fifty ministry options in which Randolph Baptists can be involved. As I see it, we do not need to reinvent various ministries when others are already doing them. We simply need to discover ways in which we can partner with them. In the end, RBA will generate and sustain very few programs through the office and staff.

I believe we must bless and impact our community from within in order to facilitate transformation. I encourage each person to discover one area of passion, skill, and giftedness, then pour yourself into some sort of related ministry. These include the 50-plus options in *A Volunteer Guide*, but also other ministries of our churches, which include, handyman, disaster relief, meals on wheels, multi-housing, hospice, Upward, etc. As Judges 7:21 states, “Every man stood in his place around the camp” doing exactly what God commanded, then charged after the fleeing Midianite army. If you and I will intentionally seek out “my” place of ministry and begin carrying it out, I am convinced we will impact our community and see the transformation of lives and communities our Lord desires. Then, surely, God will be glorified!

Report for 2005 Book of Reports

Office of GuideStone Financial Resources for the Baptist State Convention of NC

The name change from the Annuity Board of the Southern Baptist Convention to GuideStone Financial Resources, SBC, became official with action at the annual convention in Nashville, TN, in June of this year. With the name change comes a renewed effort from the national agency and the individual state conventions to service more effectively the needs of church employees relating to retirement, insurance, planning financial support, church and clergy tax issues, etc.

In an ongoing effort to provide a variety of insurance products priced competitively to meet the diverse needs of our constituency GuideStone continues to negotiate with insurance providers for the best price. Moving to Blue Cross/Blue Shield Highmark as the primary provider and to the Blue Cross/Blue Shield national network has saved millions of dollars this year for our churches and church employees. Unfortunately, pastors and employees of our smaller churches (less than 10 employees) are at the greatest disadvantage because of the requirement to prove evidence of good health in order to qualify for coverage. We continue to encourage new students in our divinity schools, Bible institute, and seminary to take advantage of the 31 day open enrollment period commiserate with their first time enrollment in one of these schools.

The need for retirement planning among our church employees continues to be a challenge which must be met through meaningful educational experiences. The most difficult task is getting the appropriate information to key decision makers in our churches---church treasurers, budget/finance committee members, personnel committees, deacon chairs, etc., who determine what retirement benefits, if any, the church will provide for their pastors and other church employees. Many of these key leaders are unaware of the protection benefits---disability and survivor---in the Church Annuity Plan which are **provided at no cost** to North Carolina retirement participants who meet the eligibility requirements. During calendar year 2004 964 disability checks totaling \$459,166.09 and 15 survivor checks totaling \$328,655.38 were sent to North Carolina church employees and their families.

Without question the most disturbing part of my work is the large numbers of pastors who come to retirement with social security as their only source of income. This is especially sad for those who have served our churches for many years and have little or **NO** retirement monies to rely on in their latter years. Presently, GuideStone is providing financial assistance on a monthly basis to 244 retired pastors and church employees here in North Carolina through the Adopt An Annuitant and Relief Ministries.

Finally, it is our desire to increase the level of retirement participation from 5,165 participants in 2,354 churches, which represents 61% of our NC churches as of June 30, 2005, and to serve all of our churches and their employees with the appropriate products to meet their needs. BAPTIST CHILDREN'S HOMES OF NORTH CAROLINA

(July 2004-July 2005)

Celebrating our past. . . charting our future! . . . Baptist Children's Homes has set its sights courageously toward the future as it observes 120-historic-years of service. Since 1885 when 9-year-old Mary Presson was admitted as a child in care, Baptist Children's Homes has been a beacon and a haven to children. Baptist Children's Homes has touched thousands upon thousands of lives throughout three centuries, never afraid to meet the ever-changing needs of children and families, yet never wavering from its fundamental mission.

In the dawn of a new millennium, Baptist Children's Homes stands poised. BCH proudly charts an exciting pathway to the future through its new strategic plan:

GuidingStar. . . Illuminating the Lives of Children and Families.

Lives are miraculously changed. Tears of boys and girls evaporate and hopeful smiles bloom. Through the remarkable efforts of North Carolina Baptists and the love and leadership of God, Baptist Children's Homes continues its mission of *helping hurting children. . . healing broken families* – offering the promise of a better tomorrow to those we serve now and in the years to come.

GuidingStar Defines Bold Path. . . . After a year-long effort led by BCH President Michael C. Blackwell, Baptist Children's Homes launched *GuidingStar...Illuminating the Lives of Children and Families*. The new strategic plan was approved by the Trustees in their September 2004 meeting and was officially introduced in February of this year. Comprised of defined core values and determined focus, *GuidingStar* was created with essential input from all BCH staff. Blackwell's vision was to create a strategy that could be utilized for years to come.

Family Gathering II Celebrates 120 Years. . . . "Family Gathering II" brought together all staff members and children from Baptist Children's Homes facilities statewide to celebrate the agency's 120th anniversary. The historic day was held on June 14, 2005, at Mills Home in Thomasville and was only the second time the entire "BCH family" has gathered at the same time and place. Everyone participated in a day of games, singing and a worship program in the campus church.

North Carolina Baptists "Roundup" Food For BCH. . . . The "Food Roundup" was held in April 2005 for the second time in three years. North Carolina Baptists poured out their support by collecting, sorting and delivering essential food and supplies for all BCH's geographic areas. Associations reported church participation was high as Directors of Missions allowed their offices to become key collection points for donations. Volunteers donated their time to help sort and count the food.

Many Voices, One Story. . . This year's Thanksgiving Offering theme, "There For Me" represents the pivotal role individuals play in the lives of hurting children. Baptist Children's Homes represents the outstretched hands of God, supported by North Carolina Baptists through their prayer and financial support. BCH staff lends their lives and their hearts daily to care for the physical, spiritual and emotional needs of boys and girls. Just as Jesus proclaims in the scriptures, "I will never leave you nor forsake you," dedicated friends have made the same promise to the children who walk through BCH's doors. It is only through North Carolina Baptists' support and commitment that BCH can continue to make a difference. This year's statewide Thanksgiving Offering goal is \$1,350,000. This represents a \$50,000 increase from last year. Challenge your church to participate in the 2005 Thanksgiving Offering.

Breaking New Ground. . . Baptist Children's Homes continues to make a difference around the state. On September 26, 2004, BCH broke ground for two new Developmental Disabilities Ministry group homes in Zionville. "Joy Cove Ministries," the homes for adults with developmental disabilities, are currently under construction on the original Camp Joy property near Boone. . . Three BCH direct care staff became the first child care workers in the state to be professionally certified through the Children and Family Services Association - North Carolina. Two other staff members received certification to train additional child care workers for professional certification. . . Groundbreaking for the Alverta Bolick DDM group home in Asheville took place on November 30, 2004. The home is under construction. . . A "Laying the Foundation" ceremony on February 9, 2005 celebrated the building of the Harmony Home DDM residence in Dunn. The home was built in cooperation with Housing and Urban Development and Harnett County's Association for Retarded Citizens. . . The building of Kennedy Home's new education center was commemorated with a groundbreaking ceremony on July 3, 2005. In partnership with Lenoir County Schools, the facility will house the specialized education program serving Kennedy Home residents and other students from the community.

ADDITIONAL HIGHLIGHTS AT NORTH CAROLINA BAPTIST HOSPITAL

***"The Minister's Subsidy saved our financial lives."* N.C. Baptist pastor**

N.C. Baptist ministers and their families receive a subsidy of up to 25% on their hospital bills for care at Baptist Hospital. This is made possible by the Hospital's W.K. McGee Patient Service Fund, with support from the Mother's Day Offering as needed. Nearly \$80,000 was provided to ministers in FY 2005.

We are very thankful for the support of North Carolina Baptists in fulfilling our mission. The minister's subsidy is one way, among many, that we are able to give back.

BAPTIST RETIREMENT HOMES
OF NORTH CAROLINA, INCORPORATED
PROUDLY SERVING OLDER ADULTS SINCE 1951

"...as the Lord has assigned to each his task...we are laborers together with God." (1 Corinthians 3:5 & 9)

Your partnership with Baptist Retirement Homes is making possible the care of over 700 Older Adults in five locations across North Carolina.

"We are Laborers..."

The challenges related to Older Adults are tremendous — mushrooming numbers and mushrooming needs. In response, Baptist Retirement Homes continues to stay on the cutting edge in providing a full range of services: Independent Living in Winston-Salem and Concord; Nursing Care in Asheville, Winston-Salem and Concord; Assisted Living at all locations.

"... together..."

It is your prayers and your financial support that undergirds the high quality of Christian care provided by Baptist Retirement Homes. Because you join "together" with us, this year more than \$2 million will be shared in caring for Aging Saints who are unable to pay the full cost of the care they both need and deserve.

"...with God..."

The great good news is not only that we are ministering together in the name of our Lord but also that we minister in His strength. While the challenges are great, His "grace is sufficient."

Biblical Recorder

2005 Report to the Associations

The *Biblical Recorder* exists to serve Baptists in North Carolina and beyond by providing regular, dependable and balanced news coverage of the most significant matters relating to Baptist life. In addition, the *Biblical Recorder* includes a variety of opinion pieces, supportive resources and feature articles designed to encourage and inspire as well as to inform.

The *Recorder* was founded in 1833. It was privately owned and operated for most of its history, though it enjoyed a close relationship with the Baptist State Convention. In 1939, it became a convention agency. As it has from its founding, the *Recorder* serves as the official news publication of the BSC, and seeks to serve the full spectrum of its churches.

The *Biblical Recorder* is widely acknowledged to be in the top echelon of state Baptist papers, winning national honors from the Baptist Communicator's Association every year since 2000, including the prestigious Burkhalter Award for news writing in 2001 and numerous first place awards for news and editorial writing, including two in both 2003 and 2004.

As many readers now prefer electronic media to traditional print formats, the *Biblical Recorder* has developed and maintains a popular and rapidly growing presence on the World Wide Web. Our Website, at www.biblicalrecorder.org, provides much of each paper's content online, as well as access to classified ads, online Bible study resources, and a portal to other news services. The site is updated frequently with breaking news items and other articles of interest.

The addition of a new "blog" or "weblog" by the editor at <http://journal.biblicalrecorder.org> provides an additional source of news and opinion, updated almost daily, that also provides an online community for dialogue and an opportunity for readers to post their own blogs or comments.

As a BSCNC agency, the *Biblical Recorder* receives annual support from Cooperative Missions Giving contributions, making it possible to offer the *Recorder* at subscription rates below the actual cost. LINKING TOGETHER TO IMPACT THE WORLD

Like all institutions of higher learning, your Baptist colleges and universities - Campbell, Chowan, Gardner-Webb, Mars Hill and Wingate provide education for their students. But what makes our Baptist colleges and universities unique is their mission.

Education with a mission is training and developing knowledge, skill, mind and character with a special purpose. This special purpose is to encourage and enable students to use expanded knowledge, enhanced skills, improved minds and enriched character to impact the world for good in keeping with their faith commitment to God through Jesus Christ.

Thanks to your support for Christian Higher Education the Baptist State Convention provided financial aid to 550 North Carolina Baptist students in the amount of \$1,174,922 in 2004. These students received an average of \$2,136. From Randolph Association 5 students received scholarship aid. These students came from the following churches: Balfour, Center Cross, Cross Road, Oakhurst and Ramseur First.

Without your assistance many of these deserving students would not have been able to attend a Baptist college or university. Thank you Campbell, Chowan, Gardner-Webb, Mars Hill and Wingate for providing education with a Christian mission. And thank you Baptist churches for supporting North Carolina Baptist students. Together you are impacting the world for good and for God.

THE NORTH CAROLINA BAPTIST FOUNDATION, INC. 2004 ANNUAL REPORT

The mission of the North Carolina Baptist Foundation since its inception in 1920 has been to assist the Convention and its institutions and agencies in increasing an awareness among North Carolina Baptists of Christian estate stewardship principles as a means of financially undergirding churches, institutions and mission endeavors on a permanent basis. The uniqueness of the ministries and services provided by the institutions and General Board staff merits increased financial support. The Foundation accomplishes these objectives by offering assistance in estate planning counsel, Will preparation, planned giving, charitable remainder trusts, endowment funds and church fund management.

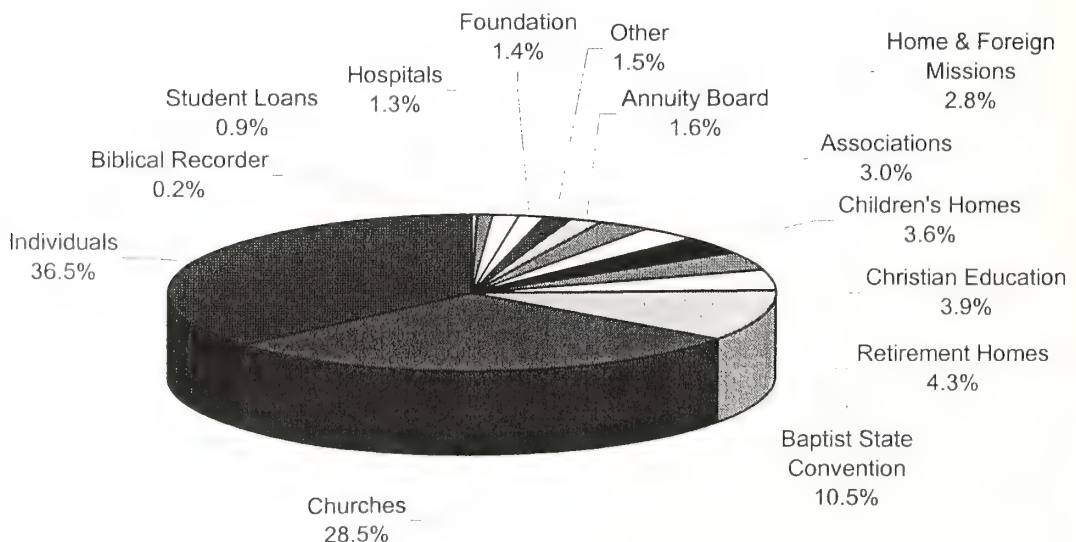

During 2004, the Foundation assisted individuals in establishing 42 endowment funds and 17 charitable remainder trusts totaling \$2.9 million and received \$4.9 million in contributions to existing endowments all of which will ultimately benefit countless Baptist causes on a permanent basis. Programs were provided for churches and associations during the year to promote Make Your Will Month, Christian estate stewardship, and church fund management. Over \$1.3 million from churches and institutions came under management to enhance numerous ministries including scholarships, building funds, cemetery funds, benevolence funds, general operating funds and other various mission causes. Overall, the Foundation received \$9.1 million in contributions during 2004 for Christian causes.

The Foundation employs professional money managers to invest these funds according to an investment policy adopted by its Board. Four investment pools are offered: a growth fund, a balanced fund, an income fund and a fixed income fund. The Foundation uses the services of Salomon Smith Barney to help select top money managers and evaluate performance. As of December 31, 2004, the Foundation held \$125.8 million under management.

During 2004, our distributions totaled \$5.5 million, with charity receiving \$3.5 million and individuals, through trusts, receiving \$2 million. During the 84-year history of The North Carolina Baptist Foundation, Inc., \$27 million has been distributed to individuals and \$47.6 million to Baptist churches, institutions and mission causes for a grand historical total of \$74.6 million.

NC Baptists Faith Soaring During Leadership Transition

Change can drag behind us like an anchor or lift us like a balloon.

Executive Director-Treasurer Jim Royston's move to the pastorate of First Baptist Church, Mooresville in September 2005 will be a change catalyst in the life of the Baptist State Convention of North Carolina. George Bullard, named acting executive director-treasurer by the Executive Committee in July, assures North Carolina Baptists that "your staff will soar during this interim period, both in current work and plans for the future."

Royston held the office for nearly eight years, and will be recognized for his service during ceremonies at the Baptist State Convention annual meeting Nov. 15.

"We will continue to resource North Carolina Baptist congregations, to plant churches, train workers, nurture partnerships and to answer questions," said Bullard, Royston's associate for two years. "I have every confidence in our future, and in our ability to move forward with purpose and direction during the interim."

Peninsula Baptist Church Pastor Robert Jackson will lead a 14-member search committee.

While the change revolving around Convention leadership garnered the most attention in 2005, the deep, steady work of your Baptist State Convention continued to flow.

Operating under the mandate to resource congregations, Convention staff interacted with thousands of people from hundreds of churches and dozens of associational partners. From core efforts to plant churches, partner with state conventions in more unchurched populations, provide Christian education and benevolent care and offer dozens of training opportunities in every area of church ministry, Convention staff also have been creative in nurturing new avenues of ministry.

Thousands of young people every summer are confronted with the choice of life changing commitments in the inspirational setting of camps and conference centers. **The North Carolina**

Baptist Assembly at Fort Caswell, Caraway Conference Center, Camp Caraway, Mundo Vista and Truett Camp—each in its unique way—host hundreds of groups who flock to these places to listen, learn, participate and be inspired by program professionals and personalities.

Hollifield Leadership Center and Lake Hickory Learning Communities host some of the best and brightest 21st century Christian ministry thought leaders for a series of learning experiences to build capacity among various learning communities. These communities have formed around the areas of **Christian Leadership Coaching, Sustaining Pastoral Excellence, Spiritual Strategic Journeys, and Congregational Transformation Experiences.**

Because many churches cannot sponsor a new church start by themselves, partnerships are vital for progress. **The Associational Partnerships Team** believes associations have a great opportunity to make significant and positive impact on local Baptist churches today.

Within one hour of blasting an email promotion of Eddie Hammett's new book *Spiritual Leadership in a Secular Age*, nine orders for it were placed through the bookstore on the www.northcarolinabaptists.org website.

Finding new ways to communicate effectively with a diverse, geographically distant constituency is a constant challenge for the **Public Relations and Resource Development** group at the Baptist State Convention. From the new website, to lobby furniture in the Convention Staff Building in Cary, to audio and video magazines, media relations and the content of every promotional piece for every seminar and training event by convention staff, public relations tries to communicate a consistent message.

Cooperative Program Missions Giving and the **North Carolina Missions Offering** under gird all mission and ministry activities of Baptist State Convention staff. Mike Creswell, senior consultant for CPMG promotion, has created the 1-3-6 Challenge to North Carolina Baptist churches—

challenging them to increase their percentage giving by one percentage point within the next three years.

North Carolina is swelling with people and many new Baptist churches are needed to provide a place where people can discover genuine love and faith. The **Church Planting Team** works with new church planters, trained mentors, sponsoring churches and Baptist Associations to help train church planting pastors and plant new churches where they are needed.

Members of the **Mission Growth Evangelism Team** minister to college students as they begin a new chapter in their life on a college or university campus. The **Church Growth Team** operates approximately 40 different ministries in helping NC Baptist churches reach out to the lost in their communities and in resort areas, including reaching cowboys, motorcycle riders. **Lay Renewal** is seeing renewal as testimonies of lay led events revitalizing churches warm our hearts.

Fruitland Baptist Bible Institute now offers classes in Spanish, and an academic partnership has been established with the college at Southeastern Seminary.

A basic "Prayer, Care & Share" evangelism strategy plan for churches and associations is available via the Evangelism office.

A **prayer affinity initiative** with Wyoming Baptists provides strategic prayer journeys in Wyoming, prayer walking and traveling across the state.

Too many pastors are retiring with no source of support, often because pastors and church lay leaders are unaware of the protection benefits—disability and survivor—in the **Church Annuity Plan**, which are provided at no cost to North Carolina retirement participants.

Congregational services teams help congregations discover and move into their futures. Only churches that see themselves into a vital, growing, active future will move toward it.

One of the partnership methods is **Christian coaching**. Coaching assumes that a unique "solution seed" lies within every challenge. Coaches are being trained and coaching is coming into its own as a way for trained and caring individuals to come alongside a congregation and its leadership to help them discover and live into their own futures.

Besides growing ministries among military families with a deployed member, in 2005 the Baptist State Convention began a chaplaincy ministry directly related to teams providing disaster relief.

The **Church building consultants** did dozens of on site, personal consultations.

Pursuing Vital Ministry is a congregational journey of discovery that involves the passionate core of your church to develop a future story to which your congregation will live into. Pastors learn to trust, as one did, that "people had keen

insight and God was speaking to their hearts about the future story of (our) church. It involved a journey that would help us reach the point of discovering God's vision for the church and help us to live into that journey."

Preschool and Children's Ministry Certification trains workers and staff to meet the challenges of this culture. It also teaches ways to minister to children and families outside the church family, even forging relationships with local schools.

After North Carolina legislators passed a lottery bill in September, **Council on Christian Life and Public Affairs** Director Steve Sumerel says the battle now is to mitigate the social ills that a lottery will bring.

Hurricane Katrina sharply focused one of **North Carolina Baptist Men's** significant areas of work. Disaster relief is just one of 14 ministries of Baptist Men.

Woman's Missionary Union of North Carolina sponsored CrossWalk North Carolina, in which associational groups literally carried a large cross the length of the state, with a grand finale held May 13-15, 2005, at Caswell. Over 7,150 youth in more than 61 associations were involved.

WMU also was at the heart of a national Triad MissionsFEST/FamilyFEST, in July in the Central Triad, Piedmont and Pilot Mountain associations. It was the largest event of its type involving over 700 volunteers from 15 states in missions.

The ministries of Baptist Men and Woman's Missionary Union are funded by gifts to the North Carolina Missions Offering.

North Carolina Baptist social services agencies, the **Children's Homes, Retirement Homes and Hospital** continued their service to "the least of these" who need a caring touch during a moment, or a decade of trauma.

Other teams from **Bible Drill**, to **personal evangelism**, to **multicultural and language ministries**, to **business services** and **week day education**, **music** and **all state youth choir** and **Sunday School** and others also employed active, effective ministries in 2005. These called, trained Christian professionals are your team helping to mobilize Baptists for ministry.

The mission and ministries your Baptist State Convention provides, in partnership with churches, associations and national bodies, are made possible by gifts through **Cooperative Program Missions Giving** and the **North Carolina Missions Offering**. Each association receives 10 percent of NCMO gifts given by churches in that association.

Your Baptist State Convention staff is eager and ready to resource your congregation. Contact them at 800-395-5102 or through the web at www.northcarolinabaptists.org.

You can write to 205 Convention Drive, Cary, NC 27511.

Meeting called to order at 4:30 by moderator, Rev. Doug Davis

He recommended that the order of business be accepted. This motion was approved.

Congregation then sang "Standing on the Promises."

Dr. Ronnie Chaney, pastor of Union Grove welcomed us to their church. He referred to 1 Chronicles, the promise to claim glory and honor in His presence.

Business Session:

History Report: as printed on page 2

Treasurer's Report: presented by Buddy Edwards for treasurer, Susan King Approved

Budget: presented by Buddy Edwards, Chair of Finance Com Approved
with amendment to increase insurance allotment to \$3,000.00

Place & Speakers for next year's meetings presented by Doug Davis Approved

Ministry/Information Reports:

NC Baptist Foundation Representative, Charles Fox

Referred to the report on page 29

This is the oldest Baptist state foundation in the nation and becoming one of the largest. They are excited about the growth. He says every Baptist in NC could have some investment in the foundation. 6 out of 10 people will give to a charity during their lifetime, but only about 6% in their wills. Mr. Fox offered to come to any church and show how to tithe estates.

Charles Stovall then spoke for the Baptist Children's Homes in NC. He says thank you for helping Baptist Children's Homes. For the children who have been helped there for over 121 years, the hurt is real and the need is real. The foundation for a new home for developmentally disabled has been laid. This will be in the Cross Road Community. The home is expected to open in the spring. A fund raiser will be held on Oct. 28 at Lynbrook Hall.

Miscellaneous Business included:

Nominating Committee rep, Bonnie Edwards submitted Carolyn Santenalla for the Associational WMU Director.

Approved

Frank White represented the Properties Committee in presenting a recommendation that the RBA office install an alarm system. He explained the bids received and made a motion that we have Asheboro Alarm and Electric Co. install the system.

Approved

Rev. White then told us that Chris Shelton has now relocated to the Guilford College area.

He recommended that we sponsor Yondi to become a church planter in the Atlanta area. This would be a sponsorship with the Immigration Dept, not a monetary sponsorship. Approved

Jerry King then made a recommendation that replacement windows be put in the RBA office.

He said the original windows installed when the building was built need to be replaced with

energy efficient, tilt type double hung windows. The cost for the windows would be \$3,875. He has volunteers lined up to install them.

Dr. John Rogers made a motion that the windows be purchased from money in the Money Market Account instead. After no further discussion, the motion was Approved.

Rev. Joe Edwards reported on the Disaster Relief Trailer. A larger trailer is needed. Each church was asked to donate \$350.00 towards this trailer. Any church would then be able to use it for mission trips or local needs. He encouraged each church to make their donation. He also wants to develop a Handi-Man Ministry to meet the needs of people in our area. This ministry would need a co-coordinator, as well as a representative from each church.

Dr. Charles Fleshman then spoke about surveys he had handed out concerning Sunday School Training. He said the last few training sessions they had held had not been well attended. They will continue holding these sessions only if they are needed and would be utilized.

A memorial prayer was then led by Dr. John Rogers. He also reminded us that though they are dead, they still speak to and influence us.

Rev. Frank White then recognized the following for their contributions.

International Mission Board: Lottie Moon Offering:

Top giving church in RBA: Cross Road, certificate received by Rev. Johnny Henderson

Highest per capita giving: Oakwood Park, certificate accepted by Buddy Edwards

Highest Percentage Giving to Cooperative Program: Ramseur FB, accepted by Dr. Fleshman

The congregation then sang, "On Jordan's Stormy Banks"

The Union Grove Baptist Church Quartet then sang, "The Next Cloud Passing By" and "Hold On."

The annual message was delivered by Rev. Joe Edwards.

He said that he preached his very first message at Union Grove in 1975.

His sermon, entitled, "Commitment or Compromise" was based on John 6:66-71.

He said that when we accept Jesus Christ, we must honor him and fully follow what he wants us to do. Many, who start out to follow, fall away and don't want to do what he leads them.

We will have to change when we accept Him. Opinions must be based on the Word.

We must have a commitment to the Word. It is God's word, God breathed. It is His will that we study it and know it. The Word is eternal.

We cannot compromise to make the Word fit what we're doing and be satisfied with an unholy lifestyle. SBC says women can not be called to preach and that they must be submissive to their husbands. This comes from the Holy Word. He says we must return to preaching that sin is sin, not be so concerned about offending someone. All sin is an abomination to God. Homosexuals, as well as other sinners are welcome in Joe's church. They just cannot become members or be involved until they repent and change their lifestyle.

We must not compromise; church discipline can still be done (and must be done) in a loving, kind way. We must deal with sin.

We need to be committed to the Randolph Baptist Association. There are 46 churches, but only 4 active pastors were at the last pastor's conference. About 10 active pastors usually

attend the Pastor's prayer breakfasts. Get on board; be a part of the association; get involved. Commit to working together.

We need to make a commitment to get along with one another. The biggest problem is people who don't really know Jesus. A child of God can get mad, but the holy spirit will not allow them to stay mad. We cannot habitually live in sin. The only way to overcome the world is through Jesus Christ. Commit to God. Jesus is the way, the truth and the life.

Me + God= Majority. Are you committed or are you compromising?

Rev. Doug Davis then said what a privilege it had been to serve as the RBA moderator for the past two years. However, he was glad to pass the gavel to Dr. Ronnie Chaney who will serve as Moderator for the next two years. Dr. Chaney pronounced the blessing on the food.

What an excellent meal the Union Grove Baptist Church provided!!!

Evening Session:

Called to order by Dr. Ronnie Chaney

Quartet then sang, "More than Just a Song" and "A Trophy of Grace."

Associational Missionary's Comments:

Rev. Frank White thanked Rev. Joe Edwards for his earlier message and thanked Union Grove for hosting the meeting.

He then challenged us to read:

Reg McNeal's "The Present Future"

Tom Rainer's "Reaching the Unchurched," "The Unchurched Next Door" and "Simple Church," as well as other books to help in our Christian life.

He said he is now on the Board of Ministers for Gardner Webb and can get a \$1,000.00 scholarship for any one who wants to attend Gardner Webb.

RBA is going to develop a website, hopefully by the end of the year. Scott Hussey has been helping, but more help is needed. He wants the site to include a brief history and a picture of each church with links to Lifeway and other SBC sites.

Guide Stone (the SBC agency for employees) offers retirement, life, health and disability insurance. Frank encouraged the lay people to re-evaluate their pastor's package. He is planning to have Johnny Ross come to a meeting soon to elaborate on this. He says we really need to protect our pastors and churches.

He also mentioned the fund-raiser for the home for developmentally disabled adults and encouraged those interested to attend.

Rev. White referred to his "State of the Association" on page 8 and 9 of the Book of Reports. Connecting Congregations, Christ and Community is the work of the association.

People are coming to Christ because of our work in Gulfport, Miss.

The Volunteer Guide to Community Agencies gives opportunities to volunteer.

Block parties held on June 10 involved several churches.

There are opportunities to serve in Gulfport, Grifton, Vermont, Hawaii, Eastern Canada, Cuba and Armenia just to name a few.

Rev. White then introduced a friend, Keith Feather, from Lifeway Church Resources as the evening speaker.

Keith Feather:

Healthy churches in North America are the ones sticking with the Word of God.

Churches have believers and nonbelievers, as well as both mature and immature Christians.

Winning people to Jesus Christ and then getting them involved is the work of the church.

Kingdom Focused Church Model & Process

Biblical Principle:

Great Commission

Six Functions: evangelism, discipleship, fellowship, ministry, worship and prayer

Church Practice:

Open Group

Corporate Worship

Closed Group

Ministry teams: must show healthy balance of ministering within the church and reaching outside the church.

Kingdom results will be numerical, spiritual transformation, ministry expansion and kingdom advancement.

4 strategies to implement the vision:

1. Open Groups: on going, short-term entry point. Ex. Sunday School: binding lives together

2. Corporate Worship: culturally relevant, biblically-based entry point. Welcome new visitors using greeters, signs and directions.

3. Closed Groups: short-term class, believer focused, personal discipleship, leadership development. Ex. New Member class or Bible study class.

Discipleship: abide in Christ, live by the Word, pray in faith, build godly relationships, witness to the world, minister to others.

4. Ministry Teams Strategy: intentional process to minister within the church, ex. Bereavement committee

Teams organized to go outside the church to meet whatever needs

In the diagram below, broken lines indicate open and solid lines indicate closed groups.

How well does your church match up and how connected are your groups?

Lifeway is now developing a church consulting process which they hope to have available soon. They will be able to come to your church and help assess your needs and then help you determine how you might improve your ministries.

Union Grove Baptist Church

Union Grove was born out of the heart of God and the hearts of a few of His children during an "old-time brush-arbor" prayer and revival meeting in 1885. Love for His Word grew as well as a passion for a place of worship and the Hancock family responded by giving land for a building in 1886. In 1887 a "Meeting House" was constituted and Elder J. L. Smith became the first pastor and later that year the church called Rev. M. J. Leach as pastor.

In the mid-1940's the church had grown to need a new building. Plans were drawn-up for a new sanctuary. This was war time and building materials were very hard to find. No steel could be found so every part was made of wood. In 1949, Rev. Bennie Maness was called as pastor and soon started another building project. The Educational plant was built and then the parsonage.

The church called Rev. Clarence Jenkins in 1960. The fellowship hall was built and the parsonage was remodeled and air-condition was added to the sanctuary. Dr. F. A. Lunsford was called as pastor in 1967. A new sanctuary was built and a part of the church and parsonage was remodeled. A library ministry was begun.

In 1975, Rev. William "Bud" Gillett was called as pastor. A major emphasis was placed on missions and our missions offerings increased greatly. The church began support of Rev. Clyde and Denzil Stutts who were called out of Union Grove as Home Missionaries to South Dakota. They started the McCook Baptist church in their home and later led in the purchasing of land and building a church. Rev. Clyde and Denzil Stutts purchased an old house, tore it down and built the first parsonage for Mc Cook church. They are at home "in the Father's house" now enjoying their reward. Their faithful service continues today through-out that area of South Dakota. Several mission teams have used the McCook church as a base to do ministries in other towns.

In 1980 the church called Rev. Davis McLaurin as pastor. In 1981 a new front entrance was built on the church.

Rev. Grady Blakey was called as pastor in 1984. During his ministry we accomplished the following: a new steeple was placed on the church, a new nursery was built, the fellowship hall remodeled, the recreational area, ball field, and playground were completed, a Memorial Stone was place at the entrance of the church cemetery in honor of our Veterans; past and present, new columns out front, vinyl siding added, a new sound system installed, and the purchase of our first church van.

1994 Rev. John Magnum served as interim.

1995 Rev. Larry Pugh was called as pastor.

1998 Rev. Ron Copple was called as pastor.

2002 the church voted for Dr. Charles Harris to serve as interim. In 2003 we purchased approximately 8 acres of land beside the church. In 2004 a faithful servant of the Lord donated a 24 passenger bus and materials for a future bus shelter.

Dr. Ronnie Chaney was called as pastor in 2004. In 2005 the bus shelter was built, playground equipment installed in front of the fellowship hall, handicap ramps were added to the church and fellowship hall and we continued the missions of long ago with a trip to South Dakota. The church bus was used to transport 23 missionaries, (10 of our own home folks), to South Dakota to reopen a church that was closed for lack of pastor. In 2006 we participated in 2 mission trips to Gulfport Mississippi for disaster relief from hurricane Katrina and a second mission trip to South Dakota. In August of 2006 we began the ministry of the Child Care Development Center.

We are excited about the plans God has for us in the future; *"plans for peace, and not of evil, to give you a future and a hope."* (Jeremiah 29:11b)

January 16, 2006 Winter Quarterly Meeting Center Cross Baptist Church
Registration began at 6:30 with the help of Calvin and Ann Brower and Gene and Bobbie Booker.

Meeting was called to order by Rev. Doug Davis, Moderator.

Rev. Justus McKeel welcomed the association to Center Cross' beautiful facility. He then led in an opening prayer.

Music group, "Revelation," made up of Kevin and Tonja Robbins and Steve Bertaux, along with Helen, led the group in several praise songs.

Treasurer report was given by Mrs. Susan King and was approved without opposition.

Credentials Committee Chairman, Rev. Charles Phelps recommended that the Triad Cowboy Church, having fulfilled all RBA constitutional requirements, be received as a full member of the Randolph Baptist Association. This recommendation was also unanimously approved.

Moderator, Doug Davis announced that VBS material was on display in the fellowship hall. Please look this over during the fellowship time.

Sunday School Equipping will be held on March 16 at Oakhurst Baptist Church. Please take the Royal Ambassador and Baptist Men hand-outs to the proper person at your church.

Rev. Frank White reminded all to register if not already done so. He also mentioned the Volunteer Guide to Community Ministry has been up-dated and CD copies of it are now available to all pastors and anyone else interested.

Rev. Tim Lowry spoke about Cross Over which will be held on June 10. This is an evangelistic event coordinating with the SBC to be held in Greensboro this year. This will be a wonderful opportunity to saturate our county with the gospel. Some events which could be carried out include: prayer walking, block parties, door-to-door surveys, random acts of kindness, etc. On Thursday, January 19, there will be a training session held for these.

Rev. Jeff Joyce gave an update on the Jesus Video Project. Over 50,000 DVDs have been delivered. We have a kiosk rented at Randolph Mall throughout the month of January for the purpose of exchanging DVDs for VHS tapes for those who do not have DVD players. Over 200 have been exchanged at this time.

Follow-up training is being planned and will be held at Oakhurst on February 11 from 9 til noon.

Frank introduced Eddie Hammett to come when "Revelation" finished their special music.

Eddie Hammett started out by telling us that churches that refuse to change are going to die. He told of holding a funeral service recently for a church. He says that over 4,000 churches close in this country every six months. Re-cycled churches become restaurants, book stores and other businesses.

The church leaders wanted things to stay the same. What we have to realize is that Jesus died, not for the church, but for the world. Most churches today are not reaching people under 40 years old. In all main-line churches, including Baptist, right now, most of our current leaders and most of our current tithers are over 60 years old. This is during a time where 70% of our population is considered unchurched.

The Israelites wouldn't reach out in their day, so God chose the Gentiles to spread His word. Now it seems, we're not doing much better.

During the last 12 years, Eddie Hammett says he has been spending a great deal of time with a group of people he calls spiritual travelers. He says they are mostly around 30 years old and that they usually are not affiliated with any church. They are very honest, God-fearing, sincere, dedicated Christians, but they do not "do church." This is the post-modern generation. When these people become Christians, Jesus makes them into what He wants them to be.

Church people do not accept these people, because they have not learned to hide their sin, as many of us do.

Eddie Hammett closed with the following challenge.

What kind of legacy are we going to leave? We must get out of our comfort zone and build a new kind of church. Jesus calls us to action, not to comfort. It is not easy; it is painful to give up your comfort to reach others, but it is what we must do. We cannot do missions by proxy. Sending money is not sufficient.

Rev. Doug Davis returned to the pulpit and said it breaks his heart to hear this message and to know that it is right. We must truly envision a need to change.

He called on Rev. Larry Welborn, pastor of 4B Chapel to lead in closing benediction.

Spring Quarterly Meeting
April 17, 2006, Sandy Creek

The meeting was called to order by Rev. Doug Davis, Moderator.

Rev. Travis Brock, Pastor of host church, Sandy Creek welcomed us to their beautiful, historic church. He led in opening prayer.

The music group *Revelation* then came to present some songs, including *Good Morning, Lord* and others.

The moderator then called attention to the RBA finance report for the first quarter and to the Baptist Men's' report. He then recognized Rev. Frank White for other business.

Rev. White called attention to:

- a. Duffy Robbins, Chairman of the Department of Ministry at Eastern College, St. Davids, Pa. will be leading a one day youth worker training session on Friday, April 21 at Caraway.
- b. Missions Emphasis in RBA on August 20 & 21.
- c. Speakers will be available for churches on August 20 if desired.
- d. Missions emphasis at summer quarterly meeting on August 21 at Cross Road.

Rev. Tim Lowry came to give an update on Cross Over Triad. We now have 19 churches officially signed up to participate. This is going to be a wonderful day in our association. Block Party training will be held at Balfour on April 28 at 6:30.

Rev. Joe Edwards gave a Jesus Video Project Update. We should now be going into the door-to-door survey phase. Training was held at Oakhurst in February. Survey forms and guidelines are available at the RBA office. This is a great tool to win this county for Jesus.

Rev. Edwards also announced the Baptist Children's' Homes Food Drive to be done again this year. A trailer will be available at Balfour on May 1, 2 and 3 from 9 am to noon. We really need to fill this trailer up with quality food. Bring them what you want for your family.

Revelation then came back up. They told about their interview and try-out to be endorsed by Christian Music Presenters. They were approved for this prestigious group. They led the congregation in several choruses. They then sang several more songs, including "*Who am I?*" "*Jesus and Me*" and "*The Hand.*"

Speaker: Rev. Martin Dupree,
Senior Consultant & Team Leader for Evangelism & Church Growth Team

Marty said he was so glad to be back with us. It was one year ago that he spoke to our associational meeting and he would present part two of that message tonight.

He reported that over one million homes in NC have now received the Jesus movie. That is about 1/3 of N.C. homes.

He also reported that around 150 churches will be involved in Cross Over and that he's praying that 3,000 people would be saved on that one day.

If God Almighty, the great physician puts His stethoscope to your heart, what will He hear?

Jesus is the greatest whatever. Ex.: phlebotomist

Why Should We Pray for Lost People?

Scripture:

1 Tim. 2: 1-8

Matt. 6:10

Rom. 10: 1

Paul modeled praying for the lost.

Our motivation: wanting our family and friends to be safe in the ark of salvation.

Conditions of the lost:

Blind 2 Cor. 4: 3-4

Bound 2 Tim. 2: 25-26 & Eph. 2:2

Condemned John 3: 16, 17, Ep. 2:3, 2 Cor. 4:3

Under God's Wrath & destined for hell John 3:36, Matt. 5: 22, 29-30, 7:13

Helpless John 6:44, 65; 12:22; Eph. 2:1

Hopeless Eph 2: 1-12

Why a hell? Because God is perfect, nothing unclean can be in His presence.

He is not safe, but He's good!

He sent Jesus to cover our sins.

It has been stated that only 1 out of 8 in N.C. are saved.

We are God's crafted works of art.

He wants to use us wherever He places us to tell others about Him.

All of heaven rejoices when one soul comes to Him.

An invitation was then extended for us to pray for lost souls.

Rev. Kenneth Reaves, Pastor of Randleman First Baptist, asked that we all join in praying with him that a liquor referendum coming up in Randleman be defeated.

Rev. Frank White thanked Sandy Creek for hosting our meeting, Revelation for the music, and Marty for the message. He encouraged us to take the message with us as we leave and to witness wherever we go.

He invited all to stay for fellowship. He led in a closing prayer.

There were 16 Pastors, 1 Alternate, 1 Associational Missionary, 61 Messengers and 43 Visitors for a total of 122 Present, with 26 Churches represented.

The meeting was called to order by Moderator, Rev. Doug Davis. Welcome and opening prayer were extended by Host Pastor, Rev. Johnny Henderson. Opening music by the Cross Road Baptist Church quartet singing, "Days of Elijah." Quartet consisted of: Renea Henderson, Julie Langdon, Neil Arrington and Jeff Spainhour.

The business portion of the meeting included:

Jo Ellen Needham presented the report from the nominating committee, which was approved unanimously. The only vacancy for 2007 at this time is for WMU Director. There were no nominations from the floor, so the nominating committee will continue to seek the Lord's guidance in finding someone for this position.

Susan King gave the treasurers' report, which was also approved. She also reported that she had moved some money from the general account to a Money Market Performance Account, which will be drawing interest of over \$300.00 a month. This account allows much flexibility in using monies if needs arise.

Drema Hill reported that the Annual Church Profiles had been given out. She encouraged all churches to complete theirs and turn in promptly.

Charles Stovall from the Baptist Children's Homes said there is exciting building going on in the Asheboro area and encouraged all to come by his table at the Mission Fair to get all the details.

Frank White, in the absence of Darrell Lewis, made a report on the Disaster Relief Trailer fund. He said our current trailer is much too small and a fund has been started to purchase a larger trailer, as well as donations toward stocking this trailer with the necessary tools.

Frank White then recognized retired pastors present: Carl Ziegler, John Mangum, Gene Booker, and Steven Davenport.

Two currently inactive pastors present were: Ben Ramsaur and Fred Hardin.

Active pastors and ministerial staff present were: Doug Davis, Richard Crider, Charles Phelps, Tim Powers, Tim Lowry, Brian Mann, Larry Martin, Travis Brock, Mike Jones, Ron Chaney, Jeff Johnson, Greg Arnold, John Bryant, Charles Fleshman, and Howard McNeill.

Frank then introduced a former student at the seminary in Indonesia, Yandi. Yandi has been working as a church planter in Philadelphia among Indonesian immigrants. Indonesians come to the US for school and other reasons. There is great potential for reaching them for Christ while they are here. There are around 6,000 Indonesians in the Philly area. There are around 100,000 in America, with only 6 to 8 Baptist churches. Frank challenged us to support Yandi in his further ministry in the states.

Frank then introduced Chris Shelton. Chris is undertaking to begin a church start somewhere in the area of Hwy 62, Hwy 22, Hwy 220, Providence Church Rd. This is a growing neighborhood. In a recent survey of some people there he was asking, "What do you look for in a church?" Most seemed to be seeking relationships. Chris wants to teach people to love and equip them to give of themselves. For more on his ministry, go to www.awakenchurch.net.

Frank said that Mt. Pleasant had voted on Sunday to be prayer partners with this new church plant.

He is also looking at a new church start possibility in the Archdale/Trinity area with the Central Triad Association. There is a new Denton Hispanic mission being sponsored by Gravel Hill Baptist Church and the Denton Association. El Shaddai still needs between \$70,000 and \$75,000 to complete their building.

Frank led in prayer for all of these concerns.

Renea Henderson led the congregation in singing, "Victory in Jesus" as we shook hands with folks around us.

Missions Emphasis began with David Campbell speaking about Missions Mobilization. He said there are 5.8 billion people who have not heard the Good News. There is a desperate need to get the word out. There are currently over 5200 IMB missionaries serving, but they could never do the job themselves. The Great Commission was given to every church, to every believer. How can we get involved? Get to know some missionaries personally so that you can **pray** specifically, individually for them by name. **Go** team up with missionaries to work along side them. Get involved!

Renea Henderson then led the congregation in singing, "Praise Him, Praise Him" and "I Just Came to Praise the Lord."

Missionary Testimony was given by Debbie Inselman, from Oklahoma. Debbie was a school teacher for 26 years, then was working for the Department of Defense in Germany when God began working on her. God kept chasing her; she kept running. He delivered her from drugs and alcohol. She served as WMU Director in her church there in Germany, but God kept calling her for more. She finally surrendered to his call to missionary service. She served in Central & Eastern Europe as Computer Support Analyst. She helped missionaries in such things as e-mailing and developing Websites. She led a Czeck women's Bible Study and taught English classes.

Debbie said God can use you, whatever your past if you will only surrender. She thanked us for our support. She especially thanked Union Grove for their hospitality and the love they showed her on Sunday. She closed by reading Jeremiah 29:13 and telling us that when she returns to the Mission field next year, she will be going to India.

The Cross Road Baptist Church quartet then sang, "Oh, My, My."

Dr. Mike Shipman was the keynote speaker. He has served for 8 years in Indonesia. His scripture reference was Matthew 28: 18-20. He told how he first felt so inadequate to fulfill the Great Commission. By God's grace, we all can and ought to do better. He taught at the seminary in Java, Indonesia, then worked at the national convention in Indonesia for about 5 years helping churches start more churches. About time he became comfortable in this position, he was asked to become the strategy coordinator for a people group called the Be New People. There are around 6.6 million in this group and they are 99.7 % Muslim. He says they prefer to call this people group the Be New People because through Jesus, they become new people.

Only about 3 out of 1,000 of these people are Christians. They worship evil spirits and live in fear. It took almost one year for the first convert to accept Christ.

What can we do?

Go (Serve)!

Provide missionary housing for furloughing missionaries

Pray!

Enlist a church missions prayer coordinator

Pray personally and corporately for :

Missionaries

Unreached people groups

Dr. Shipman led in prayer.

Renea Henderson led the congregation in singing, "People Need the Lord."

Moderator encouraged all to go across to the Christian Life Center to visit the missions' displays and for refreshments. He thanked Jesus for letting him by here tonight and dismissed us in prayer.

THE STATE OF THE ASSOCIATION

Chapter 2 - Connecting Congregations, Christ, and Community

Three years!!! It has been three years since you voted unanimously to call me as your Associational Missionary for the Randolph Baptist Association. The time has rushed by. I believe it has been beneficial for all. I have essentially accomplished what I set out to do during this introductory time. And, it has been a very positive experience for me.

Someone has said that life is lived in chapters, like in a book. Ministry is also carried out in chapters. During this first chapter – often called the “Honeymoon” – I have focused on uniting and encouraging the churches and pastors. When I arrived, some pastors were skeptical about remaining within the association. While there is still much work to do to include and involve a number of congregations and pastors, God has worked among us to develop a sweet spirit of fellowship and cooperation. Our monthly pastor’s prayer breakfasts have afforded us a powerful time of sharing and prayer. This has united us. I have thoroughly enjoyed visiting in all of and preaching in most of our churches. I’ve even gotten to sing in most of them. You are fine folk, and have been most supportive.

I have also sought to emphasize evangelism and missions. I have encouraged intentionality and cooperation in both. What a blessing it was to have 31 of our RBA churches support the Jesus Video Distribution Project! The entire leadership team was composed of Randolph Baptists. The DVDs were distributed to virtually all Randolph County addresses just before Christmas 2005, after a year of fundraising. This year we focused on follow up. We attempted to call every home in the county, and a few churches have worked diligently to knock on every door in their area. There is still much work to be done to benefit fully from this county-wide spreading of the seed of the gospel. Then on June 10, 2006, at least 26 of our churches participated in Crossover Triad – an evangelism effort across four Triad area counties just before the annual Southern Baptist Convention. I was thrilled to hear of the hundreds of decisions and rededications for Christ during Crossover. What excited me even more was how multiple churches cooperated to host larger, more comprehensive events in their communities (Asheboro, Ramseur, Randleman, and Seagrove). Some of these are already planning joint evangelistic events for the future. Additionally, several individual congregations hosted their own events in more isolated areas. These also had good success.

For three years now, I have focused our Summer Quarterly meeting on missions. For the last two years on the Sunday before this meeting, we have had IMB missionaries in numerous churches as part of this missions emphasis. We have had missions fair with displays from these missionaries, from local ministries to promote opportunities for volunteering, and from your partnership mission teams which have gone throughout the world. We will continue this in some fashion for the foreseeable future. All of our quarterly meetings have been transformed significantly since my arrival. If you have not attended one, you should check them out. You do NOT have to be an elected messenger to attend. We do not have business as usual. In fact, we have very little business. We do not have business, a few hymns, and a sermon. We have good music and some sort of teaching/training that is profitable for all who attend.

As we enter “Chapter 2,” we must remember to think of this entity as an association and not a local church. I firmly believe that the church’s primary function is to carry out the Great Commission (Matt. 28:18-20 & Acts 1:8). Jesus said very little about the nature and activities of the church, but He clearly told His disciples with His parting words that they were to go throughout the world and make disciples. I believe just as strongly that any group of churches, such as an association or state convention, should work to facilitate the local churches in fulfilling this command. Sometimes we do this by means of direct efforts through the association of churches, efforts which individual congregations would be hard pressed to do. Many times this is done by means of networking those churches that are burdened about or already involved in some particular type of ministry or evangelistic effort. The sum of the efforts of all working together is greater than the sum of the individual parts. This is true when all we do is coordinate our efforts so as not to duplicate them. It is even more accurate when we add joint ventures to the coordinated efforts. Therefore, I believe we are entering a new chapter of ministry which I entitle: Connecting Congregations, Christ, and Community. (See the cover of this book.)

Individual believers and congregations are on the front line of evangelism. The associational leaders and I will help facilitate and coordinate the efforts of the separate congregations. We will also seek to network individuals and churches that are interested or involved in the same types of ministry, such as tutoring at the schools or assisting with the Room In The Inn. We will also work to encourage and offer some joint ventures for things like Sunday School and personal evangelism training, as well as annual joint missions trips – locally, nationally, and internationally. This does require a willingness on the part of ministers and members to voluntarily associate and work together.

This is why I state the title in the order as it stands. The Association will seek and develop ways to connect congregations so that the ministers and members of these congregations can more fully carry out the Great Commission of carrying Christ to the community and the world.

BAPTIST CHILDREN'S HOMES OF NORTH CAROLINA

(July 2005-July 2006)

Many Voices, One Story. . . North Carolina Baptists attending the Baptist State Convention Tuesday evening, November 15, 2005, sat as the lights in the Joel Coliseum in Winston-Salem dimmed. Messengers and guests arrived anticipating the night's report from Baptist Children's Homes (BCH). Every five years, the Institution presents a 30-minute expanded report, which many people view as the highlight of the convention.

The crowd present this night leaned forward as the first child stepped to the microphone to tell her story. Children and residents representing BCH's four campuses, wilderness camping program, group homes and developmental disabilities ministry filled the stage area. The 2005 meeting was BCH's opportunity to share the ministry through children's testimonies and songs while highlighting the Institution's 120th anniversary.

BCH president Michael C. Blackwell enthusiastically addressed the group declaring, "We are uniquely, proudly, passionately, and incurably a part of the North Carolina Baptist family."

To close the presentation, Broyhill Home resident Jennifer and developmental disabilities resident Marcie sang "Jesus Loves Me."

"These are God's miracle children...", Blackwell said. "I want you to see in those eyes the eyes of our God who loves children."

But the true pinnacle of the evening for one special child occurred away from the eyes of messengers.

"We were all saying goodbye when I looked down and saw Jennifer crying," said Lou Arnsdorff, Jennifer's child care worker. (Jennifer had just sung on stage.)

A tearful Jennifer told Arnsdorff, "I just want to ask Jesus into my heart." In a crowded hallway outside the auditorium, Jennifer accepted Christ as her Savior.

Show you love. . . This year's Baptist Children's Homes' offering theme, "Show You Love," represents the pivotal role individuals and churches play in the lives of hurting children.

North Carolina Baptists show their love through their prayer and financial support. It is only through this commitment that BCH can continue to make a difference. This year's statewide offering goal is \$1,375,000. This represents a \$25,000 increase from last year. Challenge your church to participate in the 2006 Offering Campaign.

Biography Unveiled. . . The biography of BCH president Michael C. Blackwell was published and officially unveiled to the public in April. **Just Call Me Mickey: From Mill Village to Mills Home, The Journey of Michael C. Blackwell** was written by the late Wint Capel, former editor of the *Thomasville Times*. The book chronicles Blackwell's life from his humble beginnings as a boy living in the mill village town of Gastonia to

becoming president of one of the largest private children's homes in the southeast United States.

New PMG members named. . . Baptist Children's Homes president Michael C. Blackwell announced several key administrative appointments in June. Nancy McNeill was named BCH's Executive Vice President (EVP) of Operations overseeing the statewide Institution's day-to-day operations. Jim Edminson was appointed as BCH's Institutional Director for Communications directing the agency's statewide communications. Shane Nixon has been named BCH's Institutional Director of Information Services directing BCH's technology services and broadening his role of service. McNeill, Edminson and Nixon will serve on Blackwell's President's Management Group (PMG).

Former resident, BCH child care worker, and administrative office manager Jennifer Shore was appointed Executive Assistant to the President and longtime staff member Ron Richardson was named Manager, Institutional Support Services.

Dedicated to the Glory of God. . . Baptist Children's Homes set its sights towards the future expanding its services to children and families.

- The Alverta Bolick Home in Asheville was dedicated in May. The facility is home to developmentally disabled adults in the Asheville area.
- The campaign to build two similar facilities for special needs adults in the Sanford community began in August 2005.
- A state-of-the-art education center in Kinston was dedicated in July. The new Reverend Kenneth E. Haigler & William "Bill" Overcash Education Center offers an on-campus school to residents at BCH's Kennedy Home.
- The Winifred Lindsay and Three Forks Homes for developmentally disabled adults were dedicated August 27 in Boone.
- Groundbreaking for DDM homes in Sanford and Asheboro will take place September 10 and October 14 respectively.

BAPTIST RETIREMENT HOMES
OF NORTH CAROLINA, INCORPORATED
PROUDLY SERVING OLDER ADULTS SINCE 1951

"Praise the Lord ... forget not all of His benefits ... crowns thee with love and compassion ... knows our frame ... mercy is everlasting to everlasting," Psalm 103.

"Praise the Lord ..." Sunday after Sunday for over seventy years a high percentage of our residents have sung, "Praise God from Whom all blessings flow..." Because of your generosity the hymn of gratitude they learned in their youth continues to ring in their hearts.

"... forget not all his benefits" God uses His people to provide beautiful, secure, comfortable places to live where physical, mental and spiritual needs are met with quality care.

"... crowns with love and compassion" He sends those with a heart for service to give themselves in ministry to His aging saints with love, compassion, and respect.

"mercy is from everlasting to everlasting." The generosity of North Carolina Baptists assures care for a lifetime while the ministry of the four Baptist pastors who serve as chaplains gives assurance of the "everlasting arms."

Thank you for your partnership with Baptist Retirement Homes in helping Psalm 103 resound as the song of praise for over 700 Older Adults statewide. More than 40% of these Aging Saints have at least a portion of their care made possible by gifts that come from Baptist churches across North Carolina.

Biblical Recorder 2006 Associational Report

The *Biblical Recorder* is now in its 173rd year of service to Baptists in North Carolina, a ministry that now extends around the world. The *Recorder*'s mission is "to further Christ's kingdom among North Carolina Baptists by providing relevant news, insightful opinions and supportive resources in a timely and accessible fashion."

The *Recorder* was founded in 1833 and has served since that time as the official news journal of the Baptist State Convention of North Carolina, even though it was privately owned and operated until 1939, when it became a convention agency. As it has from the beginning, the *Recorder* relates to the full spectrum of BSC churches, and reports on matters of interest to them.

In keeping with principles outlined in its charter and reflected in the Baptist State Convention Articles and Bylaws, the *Recorder* staff works "to maintain and safeguard the inalienable rights and privileges of a free press, these rights and privileges being consistent with the traditional Baptist emphasis upon the freedom, under Christ, of both the human spirit and Baptist churches."

The *Biblical Recorder* is widely acknowledged to be in the top echelon of state Baptist papers, winning national honors from the Baptist Communicator's Association every year since 2000, including the prestigious Burkhalter Award for news writing in 2001 and numerous first place awards for news and editorial writing.

As many readers now prefer electronic media to traditional print formats, the *Biblical Recorder* maintains a popular and rapidly growing presence on the World Wide Web. The Website, www.biblicalrecorder.org, provides much of each paper's content online, as well as access to classified ads, online Bible study resources, and a portal to other news services. The site is updated frequently with breaking news items and other articles of interest.

A "blog" or "weblog" by the editor at <http://journal.biblicalrecorder.org> offers an additional source of news and opinion that also provides an online community for dialogue and an opportunity for readers to post their own blogs or comments.

2006**

Appreciate the Past, Celebrate the Present, Anticipate the Future

Across the years Campbell, Chowan, Gardner-Webb, and Wingate Universities and Mars Hill College have emphasized that all Christians are called to ministry whatever their vocation. Each of the schools has in the past and continues to assist students in understanding how they can live out their calling and faith in the world.

Each of the schools also places a high priority on educating persons for vocational ministry and missions. In 2005 there were 495 Ministerial Students in our North Carolina Baptist universities and college.

Thanks to your support for Christian Higher Education the Baptist State Convention provided financial aid to 551 North Carolina Baptist students in the amount of \$1,176,551 in 2005. These students received an average of \$2,135. From Randolph Association 7 students received scholarship aid. These students came from the following churches: Balfour, Center Cross, Cross Road, Oakhurst, Ramseur and Randleman.

Without your assistance many of these deserving students would not have been able to attend a Baptist college or university. Thank you Campbell, Chowan, Gardner-Webb, Mars Hill and Wingate for providing education with a Christian mission. And thank you Baptist churches for supporting North Carolina Baptist students. Together you are honoring your heritage as you impact the world for good and for God.

THE NORTH CAROLINA BAPTIST FOUNDATION, INC.
2005 ANNUAL REPORT

The mission of the North Carolina Baptist Foundation since its inception in 1920 has been to assist the Convention and its institutions and agencies in increasing an awareness among North Carolina Baptists of Christian estate stewardship principles as a means of financially undergirding churches, institutions and mission endeavors on a permanent basis. The uniqueness of the ministries and services provided by the institutions and General Board staff merits increased financial support. The Foundation accomplishes these objectives by offering assistance in estate planning counsel, Will preparation, planned giving, charitable remainder trusts, endowment funds and church fund management.

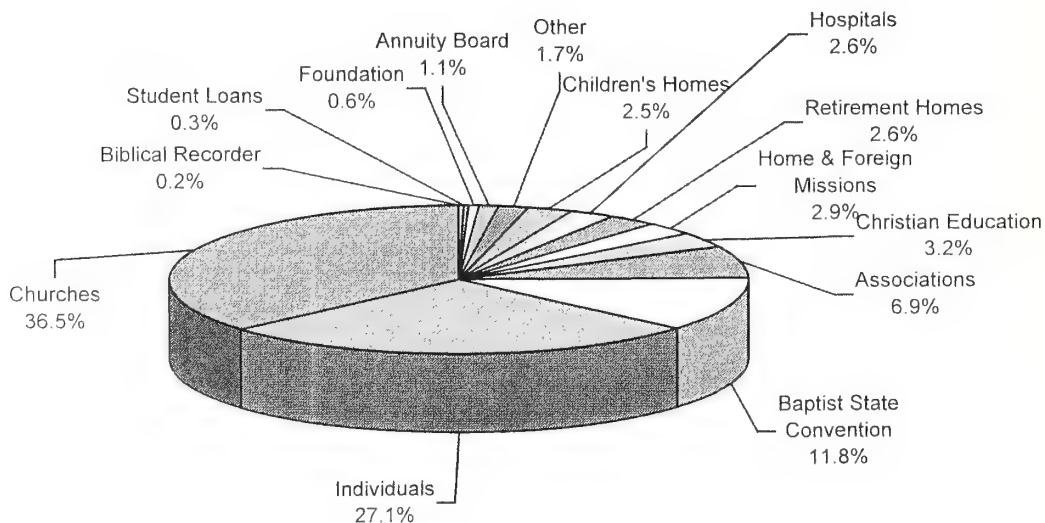

During 2005, the Foundation assisted individuals in establishing 49 endowment funds and 12 charitable remainder trusts totaling \$1.8 million and received \$7.1 million in contributions to existing endowments all of which will ultimately benefit countless Baptist causes on a permanent basis. Programs were provided for churches and associations during the year to promote Make Your Will Month, Christian estate stewardship, and church fund management. Over \$1.5 million from churches and institutions came under management to enhance numerous ministries including scholarships, building funds, cemetery funds, benevolence funds, general operating funds and other various mission causes. Overall, the Foundation received \$10.6 million in contributions during 2005 for Christian causes.

The Foundation employs professional money managers to invest these funds according to an investment policy adopted by its Board. Four investment pools are offered: a growth fund, a balanced fund, an income fund and a fixed income fund. The Foundation uses the services of Salomon Smith Barney to help select top money managers and evaluate performance. As of December 31, 2005, the Foundation held \$136.1 million under management.

During 2005, our distributions totaled \$7.8 million, with charity receiving \$5.7 million and individuals, through trusts, receiving \$2.1 million. During the 85-year history of The North Carolina Baptist Foundation, Inc., \$29.1 million has been distributed to individuals and \$53.3 million to Baptist churches, institutions and mission causes for a grand historical total of \$82.4 million.

Report from the Baptist State Convention of North Carolina

For period July 1, 2005 to June 30, 2006

Executive leadership in the Baptist State Convention of North Carolina changed April 11, 2006 when Milton A. Hollifield, Jr. was elected executive director-treasurer. He was installed the same day during services at Calvary Baptist Church in Winston-Salem.

Hollifield declared that he intends to lead North Carolina Baptists “to become the strongest force in the history of this Convention for reaching people with the message of the Gospel.”

Within months, Hollifield filled three executive leader positions. He eliminated the position of associate executive director-treasurer; and combined some of those duties with a newly named executive leader for administration and convention relations. Brian Davis, pastor of Beulah Baptist Church in Statesville, board member and Fruitland Baptist Bible Institute teacher, filled that position.

Hollifield called Don McCutcheon from the Florida Baptist Convention, to succeed him as executive leader for mission growth evangelism. He also brought on John Butler, pastor of First Baptist Church, Matthews and board chair in 2004-05 as executive leader for business services, replacing Glenn Harder who returned to corporate life.

Norman Jameson in public relations and resource development, and Lynn Sasser in congregational services, are the other executive leaders.

Cause for Rejoicing

BSC leadership rejoiced over many areas of progress that indicate God’s blessing on the work. These include in part the 103 new churches started in 2005; thousands of volunteers participating in a national Crossover event in the Piedmont that sowed seeds for 27 new churches; continued strong support for Cooperative

Program Missions Giving in which 1,672 churches increased their giving to missions through CPMG; a growing awareness of Pursuing Vital Ministry and coaching ministry; campus ministries growing in strength; powerful student weeks at Fort Caswell; burgeoning interest in church renewal weekends; nationally televised disaster relief efforts in Gulfport with Baptist Men; programs and services provided by Convention staff that serve countless churches; increasing visibility for prayer evangelism and personal evangelism strategies; well attended programs and special events and a convention of churches facing the future with the courage of their convictions and faith in Jesus.

Significant resources were committed to strengthening information technology services, recognizing that the Convention must stay current with technology to readily serve churches’ needs.

The Convention is increasing emphasis on multi-cultural ministries—reaching people from the many and varied cultures present in North Carolina. The face of the Convention staff reflects that commitment as Ken Tan and Ralph Garay from the Philippines, Tayo Jolaoso, from Nigeria and Maria Luoni from Puerto Rico have joined the staff.

Of the 103 churches started last year, 39 are Anglo. The rest are a variety including Hispanic, cowboy, and several Asian languages. North Carolina Baptists now worship weekly in at least 33 languages.

Changed lives are Certain Proof that missions giving through the Cooperative Program works. Each church received a Certain Proof DVD of 90 second video clips that feature lives changed through a ministry sponsored by North Carolina Baptists.

The 2006 and 2007 budgets each send an additional half percent for Baptist work in North America and beyond and North Carolina led all

state conventions in designated missions gifts to the SBC.

On Mission Celebrations

On Mission Celebrations is the new name for World Mission Conferences. Coordinate a conference in your association through Dan Euliss, 800-395-5102, ext. 121.

These missions awareness events provide missionary speakers from the association, state convention, North American Mission Board and the International Mission Board. In 2007 six associations will host OMCs.

Retirement Planning

The importance of the insurance and health benefits provided to participating church staff members was never more dramatically demonstrated than during one week this year when two young pastors died. One was covered and his widow and children received an immediate death benefit of \$50,000. The other was not a participant in the plan and his family faces a much more difficult struggle.

Are your pastor and staff participating in the church annuity programs that protect their families and the church in the event of death or illness? Call Johnny Ross at 800-395-5102, ext. 320.

We cooperate with GuideStone to provide financial assistance to retired ministers and widows of ministers who are living in poverty. As of June 30, 222 North Carolinians receive financial assistance. We could help others if we knew who they are.

Winning North Carolina

Don McCutcheon, new executive leader for Mission Growth Evangelism, brings a single goal to his task: To Win North Carolina to Christ – Acts 1:8

He will organize the work of his team around three priorities:

- Intentional, effective evangelism without apology

- Planting intentionally and effectively evangelistic churches
- Assisting existing churches in becoming intentionally and effectively evangelistic

In 2005 North Carolina Baptist churches reported 23,179 baptisms with only 75 percent of our churches reporting. If each of our churches will establish and reach a four-year goal to baptize just one more person than they did the previous year, we will surpass 43,000 baptisms in five years.

Tent Ministry

The evangelism tent will seat up to 1,500 people. It stays booked from March to November and is used for revivals, community outreaches, block parties, VBS and other evangelistic community events. Please reserve tent six to 12 months before your event.

Coming Alongside

Congregational services comes alongside congregations in their spiritual journey to help them become everything God desires for them. Coaching and consulting in the programmatic services of Sunday school, children's ministries and weekday education, deacon ministries, Bible drill, discipleship, Pursuing Vital Ministry, architecture, special ministries like deaf and developmentally disabled, senior adults, singles and others, our staff is eager to serve you.

Annual Meeting: October 15, 2007

Forest Park Baptist Church

Registration assistants were Calvin and Ann Brower.

Meeting was called to order by moderator, Dr. Ronnie Chaney.

Motion was made by Rev. Jon Ferguson, Chairman of the Programs Committee that the Order of Business be accepted as printed. The motion was approved.

The congregation then sang, "His Name is Wonderful," led by Charles Edwards.

Rev. Jon Ferguson, pastor of Forest Park, then welcomed the body to Forest Park and led in an opening prayer.

Business Session:

Dr. Chaney drew our attention to the Parliamentary Procedures which were printed in the Book of Reports, on page 14 & 15.

The treasurer's report was given by Mr. Don Blanton, chairman of the Finance Committee, in the absence of treasurer, Ms. Susan King. The report was approved.

Mr. Blanton then presented the proposed budget for 2008. This budget represents a 3.5% increase over last year. There is additional missions giving, as well as a contingency fund being added to operating expenses. The payroll is showing one lump sum for the associational missionary until such time as one is called. Then the personnel committee will make specific recommendations for him. This budget was also approved.

Mr. Jon Ferguson then proposed the places and preachers for the 2008 RBA meetings as presented on page 11 of the Book of Reports. These were approved as presented.

Dr. Richard Crider of the Credentials Committee then proposed that we receive under watchcare CrossPoint Baptist Church in Level Cross. The church planter is Rev. Scott Walker. This motion was approved.

Mr. Charles Edwards then came to lead the congregation in singing, "America the Beautiful."

Missions Emphasis was on First Time Missions Trips and the report was given by Ms. Season Coleman. She had gone on a construction trip with a team of 17 to Alaska. She told of being out of her comfort zone, but rested on the promise, "I can do all things through Christ who strengthens me."

Miscellaneous business included:

Mr. Robert Taylor from the Properties Committee making an announcement about some debris that had been cleaned up at the RBA office and made an appeal for a dump truck to haul this stuff away and dispose of it.

Ms. Carolyn Santanella, WMU Director then invited all ladies to attend one of two sessions on the Baptist Women's World Day of Prayer on Monday, November 5. The morning session is to be held at Oakhurst at 10:30 and the evening session is to be held at Balfour, beginning at 7:00. Prayer can move mountains. Please join together in this time of prayer for our world, our missionaries and the lost.

The Memorial Service was then conducted by Rev. Koy Lee Haywood. He read scripture from Revelation 14:13 and 1 Thessalonians 4:16. As he read the names of those from each

church that have died this year, he asked us to stand in honor of the ones from our home church. He then led in prayer.

Associational Missionary Comments:

Rev. Gene Booker

Gene says it is good to be here and to be serving as interim again at RBA. He invited all to call on him if he could help them in any way. He encouraged everyone to read his report on page 10 at a later time.

Rev. Booker says he has a burning desire to see El-Shaddai's building completed. They have been meeting at Asheboro FBC for 5 years. First Baptist needs their chapel back and have been very patient and kind. Gene says he appreciates what churches have done, but wants us to help them complete their building. RBA will match about \$20,000 more. CrossPoint just came under watchcare of RBA and have already made a donation to El-Shaddai of \$1,000.00. Church plants are not only our privilege, but our responsibility. The mission field has come to us.

Operation Inasmuch will be featured in the evening session. The statewide blitz is scheduled for April 19, 2008. Gene encouraged all to participate.

Rev. Booker then mentioned the annual church profiles and encouraged everyone to get theirs in by November 1.

Rev. Booker then introduced new pastors:

Rev. Joe Coltrane, Interim at Glenola

Rev. Jack Morris, Interim at Randleman FBC

Rev. Kenneth Reaves, Interim at Huldah

Rev. Marty Grainger, new pastor at Cedar Grove was not able to be at the meeting.

Praise and Worship team from Forest Park then sang "Celebrate Jesus" and "Here I am to Worship."

Annual sermon was delivered by Rev. Jeff Joyce, pastor at White's Memorial.

Rev. Joyce used Matthew 28: 18, 19 & 20 as his text. When God calls us to do something, **"Do It!!"**

We must have faith to:

Believe the impossible

Trust without reservation

Hang on every word – just like a child

Take God at His word and act accordingly.

70% of SBC churches are declining or plateaued.

Have we lost our focus? Misunderstood the mission? Or just plain fizzled out?

To have a spiritual renewal, we must have a renewed belief in Jesus Christ and the mission he's called us to. He must first know and experience the reality of Jesus Christ in our lives.

Rev. Joyce pointed out that we have a hard time loving the lost, because most of the time, we don't even like them.

We also need a renewed attitude of servanthood. We must care more about the lost than our personal preferences. We must live in and reach out to the community. Grow more and better Christians. Jeff then closed in prayer.

Rev. Jon Ferguson came forward to give directions for dinner and led in the blessing.

Evening Session

We entered the sanctuary to the beautiful singing of the Forest Park Baptist Church choir. Rev. Ferguson said we were at a resurrection party and it truly felt like it, listening to them praise God in song.

Dr. Ronnie Chaney gave attendance figures as follows:

28 churches were represented.

There were 22 pastors, 56 messengers, 18 visitors, 2 alternates and 2 RBA staff in attendance for a total of 100.

Rev. Doug Davis of the Triad Cowboy Church led in an opening prayer.

Rev. Neill McNeill, pastor of Maple Springs gave a report from the block party in the Seagrove area. This is called "Freedom Fest" and is held on the Saturday before July 4th. Seven Southern Baptist Churches in the Seagrove area worked together to have this party at Clay Presnell Park. This came about when the area churches realized there was no 4th of July celebration in their area. They felt they had found their niche for taking the gospel to the community. They offer free food, music, children's activities, fireworks, but most importantly, the Gospel. This past festival resulted in 3 salvation decisions being made. Rev. McNeill said God does something through the coming together of these 7 churches that no one church could do alone.

Jeni Martin, Missions Minister at Asheboro FBC reported on the "Party in the Park" held in Bicentennial Park in Asheboro. She said over 1500 registered and it is believed there were close to 2,000 in attendance. 161 cards were checked as "not affiliated" with any church. There were 286 volunteers from 14 churches in 9 different denominations. The Gideons handed out over 600 Bibles.

Jeni also announced that she will be the coordinator for Randolph County's Operation Inasmuch and encouraged all churches to take part in this missions blitz.

She also talked about Adopting an Unreached People Group in Nigeria. A team is going there in March of next year. If anyone wants to join them, call her.

Rev. Gene Booker introduced our speaker for the evening, Dr. David Crocker.

In 1995, as pastor of Snyder Memorial Baptist Church in Fayetteville, N.C., Dr. Crocker introduced Operation Inasmuch. Now he is hoping that on April 19, 2008, all 100 counties in N.C. will conduct this project. He is praying for 500 churches, with 75,000 people to be involved. This model of community ministries has Biblical basis.

This is the *Show and Tell* aspect of the gospel. Until we show people about God's love, they won't listen to us tell about the gospel. In order to share the Good News, we must perform Good Deeds. Operation Inasmuch takes the love of Jesus to the people. As we *show* them this love, we earn the right to *tell* them about His great love.

Operation Inasmuch is one great day of ministry to people in need by churches in their community.

Operation Inasmuch works because ...

It is a focused, one day event.
It is local.
It is hands-on.
The methodology is already in place.
The cost is affordable.
It offers something for everyone.
It facilitates brotherhood.

Operation Inasmuch impacts a church by ...

It mobilizes large numbers of people.
It energizes a congregation.
It builds fellowship.
It broadens a congregation's understanding of missions.
(Giving & praying are no longer enough.)
It enhances involvement in other mission causes
It authenticates a Christian witness.
It gives laypersons prominence in ministry.

Operation Inasmuch transforms individuals by ...

Fortifying our faith
Raising awareness of local needs
Connecting our abilities with those needs

Operation Inasmuch impacts the community by ...

It helps other community agencies.
It enhances the church's image in the community.
It builds fellowship with other churches.
It helps to heal broken neighborhoods.

With proper motivation, you can expect at least $\frac{3}{4}$ of your regular worship attendees to be involved in some project of Operation Inasmuch. It is actually possible to involve more than 100% of your average worship attendance.

There should be projects for all ages. There is something everybody can do.
Operation Inasmuch is safe, short-term and requires little investment, but it has the potential of transforming us into an ongoing lifestyle of compassionate ministry.

Forest Park Baptist Church

It was a vision and dream of Rev. Herbert Miller, pastor of Balfour Baptist Church and others of the Balfour Church to see a new church established in the area between North Asheboro and Randleman. This dream was also shared by leaders of the Randolph Baptist Association and the State Baptist Convention of North Carolina.

In February, 1959, a survey was conducted in the area between North Asheboro and Randleman at the request of the Balfour Church. Some members of Balfour and the Randolph Association aided in the survey. Upon evaluation and study of the survey, the State Convention recommended that Balfour Baptist Church should work toward beginning a mission in the area as soon as possible.

In the April 19, 1959, church conference of Balfour Baptist Church, it was recommended that Balfour sponsor the new mission work. Preparation work was done and a four-room house was available as a meeting place.

May 3, 1959 was set as the Sunday for the first service of the "Balfour Baptist Mission." The first service was conducted in the four-room rented house facing Randolph Memorial Cemetery. There were about 50 people attending Sunday School and worship that first Sunday.

Rev. Talmage Smith of the Randolph Baptist Association preached the first sermon. Rev. Smith also preached for several Sundays at the mission.

In October, 1959, Balfour Church purchased a lot and began plans for a possible building. The first year of the mission was filled with great excitement, anticipation, joy and challenge. During 1960, the mission began to grow. Rev. Talmage Smith and other area preachers were still leading in the worship services. There was a growing need to secure a mission pastor to help minister to the needs of this growing congregation. In September of 1960, Rev. B. L. Gupton, a retired Army Chaplain living in Greensboro was called as the first mission pastor. He began his work the first Sunday in October.

With the lot purchased and a building fund for the mission set up, work began toward having a permanent home for the new mission. A building committee was elected. They drew up plans for a new building and hired a contractor. The building was dedicated on April 2, 1961 and Balfour Baptist Mission moved into its new home.

With the new building completed, the mission once again began to grow. By August 1961, the Sunday School had an enrollment of 127, with an average attendance of over 100.

The mother church continued to elect the teachers and officers for the mission. On January 10, 1962, Rev. Gupton submitted his letter of resignation. He stated his deep desire to remain as mission pastor until it was organized into a church, but because of his heart condition he felt it best to resign. The mission remained without a pastor until the Rev. Doyle Moore was called as mission pastor in September, 1962. Rev. Moore resigned as mission pastor in July, 1963, to return to Southwestern Seminary to continue his education.

After the resignation of Rev. Moore, the mission committee and Balfour began making plans for the future of the mission. In October, 1963, the Rev. John Kizer, who was serving a church in Knoxville, Tn was called as mission pastor. Under his leadership, Training Union and WMU were begun. Later Baptist Men would be organized.

The first minutes of Forest Park Baptist Church record the service in which the church was constituted. The first business meeting of the new church was held October 18, 1964. The church voted to make application for membership into the Randolph Baptist Association.

In June of 1968, the church regretfully accepted the resignation of Rev. John Kizer as pastor. Rev. Kizer felt that because of his failing health it was in his best interest as well as that of the church that he resign.

Rev. Harvey Rumpfelt served from 1969-1971, followed by Interimvc, Mr. Bob Moore. Rev. Bill Slate was called in 1973 and served until 1977. Mr. Bill Payne then served as interim until May, 1978 when Rev. Rob Roberts was called. Bill Payne returned to serve as interim another six months until Rev. Kermit Gray was called.

In May of 1984, Kermit Gray was still the pastor. On December 14th, 1986, Kermit Gray handed in his resignation effective Jan. 11, 1987. On January 18, 1987, the church called Larry Blakeley to serve as the interim Pastor. Woodrow Robbins was later called to serve as the interim pastor and then as Pastor on May 17, 1987.

In June of 1987 the church purchased lots adjacent to the church property.

Forest Park participated in the World Missions Conference conducted by the Randolph Baptist Association. The first Easter Sunrise service was held on April 19, 1992. This service has since become a tradition at the church and is still one of the greatest services they have.

Dale Robertson then served from December 1987-September 26, 1993. Rev. Fred Reece served as interim until Rev. Mike Staton was called in May of 1994. He served until March, 1997. Dr. Dale Tanner was called as interim and then later as pastor. He served until December of 2000.

Rev. Jon Ferguson was then called as interim, in which position he served until March of 2001 when he was called as full time pastor. He still serves today.

This church has been through many bumps, and many happy times. God has truly kept His hand on this church.

RBA Winter Quarterly Meeting, January 15, 2007
Randleman First Baptist Church

Meeting was called to order by moderator, Dr. Ron Chaney. Dr. Chaney gave a brief account of his philosophy of leadership. He intends that we follow Roberts Rules of Order. The Baptist way will prevail, the minority have their say, but the majority have their way as we try to discern God's will for Randolph Baptist Association.

Welcome and opening prayer were extended by Mr. Robert Taylor, Chairman of Deacons of Randleman First Baptist Church.

Opening praise was presented by: Matthew, George, Stephanie and Kelli Vann, along with Beth Jones, "Open the Eyes of My Heart, Lord."

Business session was as follows:

Treasurer report presented by Susan King, Treasurer was received as information.

WMU Director, Carolyn Santanella read Prov. 16:3 and then nominated Billie Jo Cox from Ramseur First Baptist Church as Women on Mission Coordinator and Kendra Cranford from Asheboro First Baptist Church as Girls in Action Coordinator. She is still looking for an Acteen and Mission Friends Leader to complete the Randolph Baptist Association WMU Council. Carolyn says she is available and the team will be available to answer any questions and/or to speak at your churches or women's groups. She has a burning desire to do God's will through WMU. She will be introducing mission projects in the near future, including Life Boxes which are to be sent to deployed military personnel. She covets our prayers and our help.

Brotherhood report was pointed out in the information packet. Also Ron Chaney invited the men to come to Union Grove on Sunday, January 21 at 7:45 for breakfast and to hear the NAMB Region 5 Director, Jerry Sowers. He will also be speaking at the 11:00 worship hour.

Frank White made a motion that RBA purchase a trailer, prepare the insides for holding the equipment and outfit said trailer. In the past several months, churches have donated \$3,800 and RBA would provide the remainder of \$6200.00. Motion was seconded and approved.

Don Blanton, Chairman of the Finance Committee made a motion that the RBA help complete the construction of the building for El-Shaddai Baptist Church. The recommendation was that we provide a sum of up to \$40,000 to be matched dollar for dollar by the churches of RBA. See the exact proposals included in this document, as well as a sheet showing the specific needs of El Shaddai at this time.

Tino Yanez, pastor of El Shaddai was then called forward. He spoke through interpreter, Jeni Martin from a passage in Job 42:5. He said we are called to live a life of sacrifice. He thanks the association for our prayers and for our help in reaching Hispanics for Christ.

Rev. Frank White explained that around 5 years ago, Gene Booker who was Interim DOM of RBA at the time, assisted Tino in obtaining a construction loan to build the El-Shaddai church building. That construction loan is depleted and they are short around \$90,000.00.

Rev. Frank White explained that around 5 years ago, Gene Booker who was Interim DOM of RBA at the time, assisted Tino in obtaining a construction loan to build the El-Shaddai church building. That construction loan is depleted and they are short around \$90,000.00.

Rev. Larry Martin asked:

- 1) How much was the original loan? \$300,000.00
- 2) How many members currently in El Shaddai Church? 169.

The motion came from a committee, so did not need a second and was approved almost unanimously.

Frank White then reported:

- 1) God has blessed us. Rev. Clifford Williams has begun a church start in the Staley area. They began in October with 9 members and on Sunday, January 7 were up to 38.
- 2) There will be a conference for Sunday School and small group leadership March 17 & 18 in Stanley Co. We are invited to attend this conference to be led by Josh and Missy Hunt.
- 3) Sanctity of Life Sunday will be observed at Cross Road Baptist Church on January 21.
- 4) NC Baptist Men will be having their Board of Directors meeting at Oakhurst on Jan 19 & 20. The new feeding unit will be there if anyone wants to see it.

Follow up from last meeting:

- 1) New windows have been purchased and installed at the RBA office.
- 2) New alarm system has been purchased and installed at the RBA office.
- 3) We just approved the funds to go ahead and purchase the new disaster relief trailer.

He then introduced new pastors:

Gerald Hussey, serving as interim at Central Falls.

Mike Nixon from Oakwood Park, Rocky Patterson from Greystone and Clifford Williams from New Beginning were not present.

He introduced guests: Rev. Charles Dean Lamar, Scott & Debbie Walker, Jack Thomas and Rick Davis. Business session was adjourned at this time.

The congregation then sang, "What a Friend We Have in Jesus," led by Matthew Vann.

Frank introduced our speaker, Dr. Don McCutcheon, Executive Leader of the Mission Growth Evangelism Department of the BSCNC.

Dr. McCutcheon says he is excited to be in NC. He reminded us we are mandated to tell others about Jesus "as we go." This is a command, not a suggestion. We have one objective and that is to win N.C. to Christ. There are currently around 4 million lost in this state alone. The program entitled, "The Intentionally Evangelistic Church" contained five components: Evangelistic Leadership, Prayer, Assimilation, Event Evangelism and Personal Evangelism.

We need to pray that God will make us a lighthouse.

Commit to win this state and this world for Jesus Christ.

Frank White asked that we close in prayer for the following:

Dr. Charles Fleshman led in prayer for the 3 churches recently burned in Greenville, N.C.

Dr. Larry Martin led in prayer for the Gibson family, Ms. Lita died on Jan. 14.

Scott Walker led in prayer for El-Shaddai Baptist Church.

Dr. Ron Chaney then closed our meeting in prayer for the lost and unchurched in Randolph County.

Spring Quarterly Meeting
April 16, 2007
Ramseur First Baptist Church

Meeting was called to order by moderator, Dr. Ronnie Chaney.
Welcome and opening prayer were given by pastor, Dr. Charles Fleshman.
Rev. Mike Jones then led the congregation in "Crown Him with Many Crowns."

Business:

Treasurer's report was given by Mrs. Susan King and was approved.

Credential Committee Chairman, Rev. Charles Phelps presented a new church start in Staley, New Beginning Baptist Church to be taken under watch care of the Randolph Baptist Association. The pastor, Rev. Clifford Williams was introduced. This new church which held its first service on Oct. 1, 2006 is now up to 40 in attendance and have already baptized 5 new believers. The association approved unanimously this recommendation.

Dr. Paul Mullen gave a report from the NC Baptist Hospital. He thanked us for all we do for the Baptist Hospital. Paul commented on how the Cooperative Program helps fund the hospital. Also the Mother's Day offering helps provide:

- 1) Baptist Hospital Care-Net Counseling Center which provides faith-based, Christ centered counseling. About 10% of people experience depression at some time in their lives.
- 2) Center for Congregational Health helps churches get re-focused after some difficulty.
- 3) Chaplaincy Training Program trains chaplains and pastors

Dr. Mullen said that Randolph Association ranks 19th out of 80 associations in giving to the Mother's Day offering. These funds help people who fall through the cracks. They work and do not qualify for government assistance, but do not make enough to pay these hospital bills. Paul shared an example of a leukemia patient. Also available is a subsidy for up to 25% for Baptist ministers and their families.

Dr. Ronnie Chaney called attention to the R.A. Campout coming up.

Rev. Frank White then came forward. He first thanked Dr. Mullen for sharing with us and for visiting some of our staff in the hospital.

Frank introduced the following new ministers:

Josh & Jennifer Hughes at Asbury.

Mike Nixon at Oakwood Park

Tim Friar at Mt. Pleasant

Clifford & Linda Williams at New Beginning

Danny Hosler at Gravel Hill

Greg Arnold at Cross Road

Frank then reminded us about El-Shaddai's building needs. They still need funds and labor to finish their building.

He then shared a PowerPoint presentation about "Church Planting." New local churches are needed in growing communities. New churches tend to reach more people. Baptists are growing slower than the population. Non traditional methods are needed to reach these people. Scott Walker was introduced as the new church planter in the Level Cross area. Frank referred to his Banner article explaining how just \$5.00 per week from each of us would add up and provide for this church plant.

Rev. Mike Jones came back and led the congregation in "Leaning on the Everlasting Arms" and "There is a Fountain."

Rev. White showed the group a book he has recently come across entitled, "*Church Treasurer's Role*." If anyone wants a copy of this book, they can call the stewardship department at BSCNC and request a free copy.

He then introduced our speaker, Johnny Ross, a missionary with the BSCNC Business Services Department. Johnny explained that Don McCloud who was scheduled to share with him had flight problems and could not make it.

Johnny then told about his mother being in the NC Baptist Hospital for about 180 days. He said he greatly appreciated the wonderful, personal and professional care given her and her family. He thanked Paul Mullen for sharing and for all that is being done at Baptist Hospital.

Johnny said the mission of the church is the Great Commission. Those who God called to be our leaders cannot be effective if they have to be concerned about providing for their families. He has a deep concern for God's servants and our responsibility to them.

Romans 13 states that we are to obey the laws set forth by our governing authorities. We must take responsibility to know what is lawful; ignorance is not an excuse under the law. Churches ought to set the bar, not try to see what they can get by with. Two resources: Tax Guide for Churches & Religious Organizations Compliance Guide for 501 (c) (3) tax exempt organizations.

Church & Clergy Tax Guideline

We must be People of Integrity, setting the example. GuideStone has the best retirement plan offered anywhere. Pastors do get sick and they do die. GuideStone offers protection benefits.

Johnny told us that out of 4000 churches in NC; only 2300 are in the plan. His goal and his heart's desire are to have every church take care of their pastor in this way.

It is the responsibility of the church to take care of God's servants. Church leaders will be held accountable for doing so.

We should never give the pastor the option of what benefits he wants or how to breakdown his income. Be sure that he has full insurance and annuity benefits.

Over 250 NC pastors and/or their widows are receiving help through the Adopt an Annuitant Program because they do not have enough income to survive.

Church requirements to receive full benefits from GuideStone:
Give to the co-operative program, at least \$420 per participant

This amount can be waived if the church has a budget of \$50,000 or less.
You cannot exclude the BSCNC.

Participant requirements:

Ministers and non-ministerial staff with w-2 income

Disability and survivor benefits are available because BSCNC cares about pastors and church staff.

To whom much is given, much is required. Churches must take care of their pastors so they can take care of their families.

Rev. Frank White thanked Johnny for sharing, encouraged all to come and ask any questions. He also reminded us of the refreshments in the fellowship hall and closed in prayer.

26 churches were represented with:

15 pastors

SUMMER QUARTERLY MEETING
ASBURY BAPTIST CHURCH
AUGUST 20, 2007

are now Meeting was called to order by moderator, Dr. Ronnie Chaney. Welcome and opening prayer were delivered by Rev. Josh Hughes, Pastor of Asbury. Opening hymn, "Victory in Jesus" was led by Charles Edwards, Music Director with Mrs. Carmen White accompanying on piano.

Dr. Chaney then introduced Charles Stovall, with Baptist Children's Homes of N.C. Mr. Stovall informed us that the children's home is a 122 year old organization. On Sunday, August 26th, the new "Eagle Oaks Ministry" will be dedicated at 2:30. This is a home for developmentally challenged adults.

Rev. Travis Brock, chairman of the personnel committee then was recognized. He first made a recommendation that Rev. Gene Booker be officially called as interim DOM of the Randolph Baptist Association. He would be paid a total of \$2500.00 monthly to be broken down as follows: \$1500 to go into his annuity account, \$525 for insurance and \$475 as actual salary. This was approved unanimously. Rev. Brock then asked Rev. Frank White to come forward. He was presented with a plaque of appreciation and a Visa gift card for \$400.00. In addition to these, the association paid life insurance for Frank and Carmen through May 8, 2008.

Treasurer's report was then given by Mrs. Susan King. As always, Susan encouraged anyone with any questions about the report to please call us for clarification.

Dr. Chaney then called on Interim Associational Missionary, Rev. Gene Booker for some announcements and updates.

Gene recognized new pastors, Gerald Hussey from Central Falls, Rocky Patterson from Greystone, Jimmy Austin from Seagrove FB and interims: Joe Coltrane from Glenola and Jack Morris from Randleman FB. None of these were present at the meeting.

Gene then presented a certificate to Cross Road Baptist Church for the largest amount given to Lottie Moon Christmas Offering in 2006. This was accepted by Greg Arnold.

Gene also announced that he presented Mt. Lebanon Baptist Church with a certificate on Sunday for the largest per capita giving.

Gene then mentioned that church profiles were being given out and that they needed to be returned to the office by October 1.

The disaster relief trailer has arrived and will be equipped soon.

"Party in the Park" will be September 22 at Bicentennial Park in Asheboro.

"Operation Inasmuch" will be April 19, 2008. David Crocker will be the speaker for our annual meeting on October 15.

Lifeway Counseling Center is available at RBA office. Carson Sarvis is a well trained and competent Christian counselor.

Department directors will be receiving budget request forms and will need to return them quickly, so that the finance committee can get started on the budget for 2008.

Rev. Booker then made a plea for funds for El Shaddai. He reminded us that the association had already approved to match churches donations for their building up to \$40,000. He said it is inconceivable that this number of churches could not give this amount of money.

Mr. Victor Jones was then recognized to give an update on the progress of the El-Shaddai building. Heating and air conditioning is now completed on the inside. The electrical work is 90% done. Plumbing fixtures are still to be installed. A team from Harrisburg, N.C. will be coming this week-end and will pretty much finish all except the carpet, parking lot, and sidewalks. Victor estimates it will take about \$74,000 to complete the building and get these folks moved into their new worship center.

Mr. Bobby Poole, Brotherhood Director then came forward to recognize Pinewood Derby winners. David Boone, (Maple Springs) was first place in the adult division. Sidney Rogers, (Asheboro FB) was 1st place in 2006 and 2nd place in 2007. Lydia Boyette, (Maple Springs) won 1st place for the most unusual car as well as 1st place for her mission fair project. These awards were all on the State level. Congratulations to each one for representing us well.

The congregation then joined together singing, "To God be the Glory."

Rev. Frank White expressed his gratitude for the gifts presented to him by the association. He introduced his friend, Kyle Leech. Kyle has served in Indonesia for almost ten years.

Kyle says as much as he loves Indonesia, his #1 ministry is his family. He showed a picture of his wife, Jill and their four children.

Kyle told us what a beautiful country Indonesia is. He was only two years old when he arrived there in 1970 with his missionary parents. Volcanoes, rice fields and beaches help make up over 17,000 islands. Indonesia is the largest Muslim country in the world with 96 to 98% of the population being Muslim. There were 800 ethnic groups. 200 languages have now merged into one.

Psalm 24: 7-10 has been Kyle's prayer for the Aceh people. No open mission work was allowed there until the Tsunami hit on December 26, 2004. Such devastation opened doors and they continue to be open.

Southern Baptists sent doctors to treat the ill and injured. We sent food, clean water and tents. Volunteers dug wells and added filtration systems. They built latrines and helped with recovery and burial of bodies. They listened to their stories. They helped farmers replant crops, built green houses and fishing boats. Volunteers came to rebuild 121 houses. The same number of brick factories were rebuilt, which put people back to work. Schools, science labs and dormitories were built. Memorials were built to those who died.

We are teaching them new technology, English and business skills. We have shown them how to install sprinkler systems and how to plant trees to replenish their forests. We have given them goats for both milk and meat.

Long term relationships were built. Southern Baptists able to share the light and hope that Jesus Christ offers them. Seeds are being sown in Aceh. Kyle asked us to pray for national brothers and sisters in Aceh, for one leader in particular. He thanked us on behalf of the Indonesians and the missionaries serving there.

Dr. Ronnie Chaney led in prayer for the Aceh people and for this young leader. We sang "Without Him" and were dismissed for refreshments.

It's On My Heart

The three months since I became your interim associational missionary have passed rather quickly. You have been most supportive and I appreciate the opportunity to serve our Lord with you. Please call me if I can ever assist you.

I have several prayer concerns. They are:

- 1) El Shaddai: We need 50,000 more dollars to complete their facilities. The association will match up to \$20,000 more if the churches will give that amount. God has brought a mission field to us. Let us not disappoint Him. When you send a check, please make it payable to the association for El Shaddai.
- 2) Cross Point is a new church start in the Northern Randolph/Southern Guilford Counties area. Scott and Debi Walker are doing a great job as church planters. The fellowship presently meets in the Level Cross Community building. They are going to soon need a building in which to worship. Please pray about your part in this ministry. Checks may be sent to the association designated for Cross Point.
- 3) "Operation Inasmuch" will be our main emphasis over the next few months. This is a one-day mission blitz by church people in their own community. On Saturday, April 19, 2008, there will be a statewide blitz in N.C., the only state to plan one thus far. Projects will be designed by each participating church that matches the skills of church members with needs in their community. It is a day devoted to helping people at the point of their needs by reaching out in Christian love and understanding. Baptist Men and WMU members should take the lead in this project. Jeni Martin, Associate Pastor for Missions, Asheboro First Baptist is our Mission Team Leader. Jeni is also the Randolph County coordinator for "Operation Inasmuch" with our state. For further information, call her at 336 629-9191, ext 23 or me at 336 625-4175.
- 4) We need more pastors/staff to participate in the pastors/ministerial staff conferences and the pastors/ministerial staff prayer breakfasts. I know emergencies arise from time to time. However, I hope you will put the dates on your calendar and attend when possible. The pastors conference meets every second Monday and the prayer breakfasts every fourth Tuesday. You need the fellowship with other pastors and the encouragement they will give you. Also, we need your fellowship and support.

Let us pray and work to make the 2007-2008 Associational year a great one for our Lord. He is not just interested in our ability, but our availability. Christ has the resources if we only give him ourselves - our time, talents and possessions.

I love and appreciate you. More importantly, God loves you.

Randolph Baptist Association
Woman's Missionary Union
Annual Report, 2006-2007

Woman's Missionary Union in Randolph Baptist Association has had a good year this year with small but significant progress being seen throughout our Association. Several new groups have been added in our churches, particularly in the area of Children in Action/Girls in Action age groups.

WMU held a talk session in June to begin to explore how your leadership can be more responsive and helpful in growing missions organizations and missions work. We also held a Fall Leadership Training session at Balfour Baptist Church in August. At that time it was decided that the WMU Leadership team would begin setting up regional sessions to listen, learn and plan how better to serve the churches of RBA in missions growth.

WMU RBA is still searching for new members to join the WMU Leadership Team. We would like to have approximately 10 to 12 members on this team to assist in teaching, planning and organizing missions learning and activities association-wide. Please be in prayer as we search out those God would have join us in this work.

WMU RBA will have two events for the Women's World Day of Prayer on November 5th, 2007; one at Oakhurst Baptist at 10:30 a.m. and one at Balfour Baptist at 7:00 p.m. We will also have an All Girls Night event on February 9th, 2008, to celebrate the emphasis on WMU which begins the 11th. Place and time to be announced at a later date. There will also be an annual event in May 2008, time and place also to be announced later.

We are excited about the work of WMU in assisting our churches to grow in missions work throughout Randolph Association, North Carolina and the world. Please be in prayer for us as we seek to do the Lord's will and accomplish His work.

In Christ,
Carolyn T. Santanella
Randolph Baptist Association WMU Director

BAPTIST CHILDREN'S HOMES OF NORTH CAROLINA

(July 2006-July 2007)

Oak Ranch added to ministry. . . Baptist Children's Homes (BCH) entered into a relationship with Oak Ranch, a residential program for at-risk boys, to manage the facility. Located on the Lee-Harnett County line near Broadway, Oak Ranch features two existing cottages, administrative buildings and an eight-horse equine therapy component.

"This is a historic event," said BCH President Michael C. Blackwell. "Baptist Children's Homes and Oak Ranch share a vision to provide hope and healing to children. This is a natural merger, and we look into the future with great hope and tremendous expectation."

Plans are in place to accept boys into care at Oak Ranch beginning in October, 2007, but the property and Oak Ranch's distinctive equine therapy program are already being utilized by BCH residents and staff members from the institution's statewide locations.

New Program Helps Children With Intensive Challenges. . . BCH's new Level III program outreaches to children who are struggling to overcome a greater degree of emotional and behavioral issues. The service is designed to provide a highly structured and supervised residential environment that is responsive to the need for intensive, active therapeutic treatment and interventions.

Currently, BCH offers Level III child care services at Kennedy Home in Kinston and Moody Home in Franklin.

Developmental Disabilities Ministry Continues To Grow. . . On August 27, 2006, members of the Three Forks association, BCH staff and other supporters gathered for the dedication ceremony of two new Developmental Disabilities Ministry (DDM) homes for developmentally disabled adults in Zionville

The Three Forks Home is named in honor of the association for gifting the original Camp Joy property for the new homes. Lindsay Home is named in memory of Winifred B. Lindsay who donated a lead gift of \$400,000. Churches, businesses, organizations and other community friends helped raise funds to build the homes. The new DDM homes are a part of Joy Cove Ministries serving families in Watauga County and the surrounding community.

BCH held a groundbreaking ceremony on September 10, 2006 to celebrate the expansion of its Developmental Disabilities Ministry to Sanford. BCH recently began building the two group homes to serve special needs adults in the Lee County area.

The Sanford based ministry has been tapped Willett Ministries. Jane Willett-Cromer, a resident of Gulf and mother of a developmentally disabled adult, gave three and a half acres of land for the Sanford-based homes to BCH in the memory of her husband Howard.

BCH and Cross Road Retirement Community in Asheboro hosted a "Laying the Foundation" ceremony on October 14, 2006. The ceremony celebrated the construction of BCH's new DDM group home. The group home is located on the Cross Road Retirement Community campus which is owned by Cross Road Baptist Church. It will be called "The Asheboro Home," and dedication ceremonies are scheduled for August 26, 2007.

The 3,000 square-foot facility offers a residence for six developmentally disabled adult women and will serve families in Randolph County and the surrounding community. The home was built in cooperation with the U.S. Department of Housing and Urban Development (HUD). BCH will operate the home, providing the services and the staff.

Baptists Touch BCH Through Technology. . . Children in BCH's care greeted Messengers at the 2006 annual session of the Baptist State Convention at the Greensboro Coliseum through the power of technology. Using a web camera link, five children at Mills Home in Thomasville carried on live, real-time conversations with convention attendees and thanked them for their love and support. Mills Home children answered questions and gave "high fives" to Messengers who viewed them on a large, flat panel display screen.

New Website Introduced. . . BCH also introduced the redesigned BCH Family (www.bchfamily.org) website during the November convention. The new website offers streamlined navigation making it easy to find information about BCH's statewide services and a variety of ways to support the ministry. New features include online journals and photo galleries from the ministries locations around the state.

Charity & Children Marks 120 Years. . . *Charity & Children (C&C)* marked its 120th anniversary in 2007. Throughout its history, it has been a strong voice speaking for Baptist Children's Homes conveying news, information, and children's success stories. The free publication is mailed to as many as 62,000 subscribers a month, with estimated readership in excess of 170,000 per issue.

Seven year *C&C* editor Jim Edminson introduced a new look for the paper in January utilizing concisely written stories, the use of vivid, large photos, ample white space, and contemporary artwork to make the publication more approachable to readers.

The BCH news publication is produced each month by its publisher and BCH president Michael C. Blackwell, Edminson, and Blake Ragsdale who was named Managing Editor in late 2006.

BCH Named One Of Triad's "Best Places To Work". . . BCH was a finalist in the *Triad Business Journal's* annual "Best Places to Work" competition. The institution finished in the elite four of the "charitable nonprofits" category. BCH president Michael C. Blackwell, accompanied by members of his President's Management Group, accepted the award at a ceremony in High Point.

BCH's state administration offices, Mills Home residential campus and Weekday Education facilities in Thomasville, and group homes for developmentally disabled adults in Winston-Salem comprise BCH's Triad area services.

North Carolina Baptist Hospital

MISSION OF HEALING

In 1923, Baptist Hospital began as a "missionary enterprise" of the Baptist State Convention of North Carolina to extend the healing ministry of Jesus Christ. In the Bible, healing is God's work of restoring well-being and wholeness – body, mind and spirit – to one who is broken. In 2007, our mission of healing is reaching thousands of hurting people, combining the leading edge of medicine with the grace of compassion. As God's servants, we consider our mission to be a great privilege and responsibility.

Our Partners in Caring

At Baptist Retirement Homes not only are physical needs met but spiritual needs as well. At our Western North Carolina Baptist Home in Asheville, at the Brookridge Retirement Community in Winston-Salem, at the Gardens of Taylor Glen in Concord, at The Taylor House in Albemarle, and at the Hamilton Baptist Home in Hamilton our Baptist chaplains serve as faithful reminders that "God is our refuge and strength."

In addition to regular worship services and Bible studies, personal visits with the chaplain enrich the lives of the residents.

*Baptist Retirement

Because of your partnership with us — Baptist Retirement Homes is now serving more than 700 Older Adults in our five locations across North Carolina.

Because of your partnership with us — Baptist Retirement Homes provides a full range of services to Older Adults including independent living, assisted living and nursing care as well as special programming for those with dementia-related disorders such as Alzheimer's Disease.

Because of your partnership with us — Baptist Retirement Homes is a leader in giving care to Older Adults who lack sufficient financial resources to pay the full cost of the care they need and deserve. Sixty percent of our nursing care residents receive financial assistance and thirty-five percent of our assisted living care residents receive assistance. This care is made possible by gifts from our Baptist churches. In 2006, funds received from North Carolina Baptists totaled approximately \$1.4 million.

Because of your partnership with us — Our commitment for the years ahead is to continue to bring the highest level of care to as many Older Adults as we possibly can — both those with financial resources and those who need financial assistance. We are counting on our Baptist churches to "... not forget to do good and to share with others, for with such sacrifice God is pleased." *Hebrews 13:16.*

Tony Cartledge, editor for the past nine years, has retired from the *Biblical Recorder* to become associate professor of Old Testament at Campbell University Divinity School. In July the board elected Norman Jameson, a journalist with 30 years' experience in Baptist communications, as the new editor.

Jameson, 54, comes most recently from the staff of the Baptist State Convention of North Carolina, where he was executive leader for public relations and resource development. He started his career in 1977 as feature editor of Baptist Press, the Southern Baptist Convention's daily news service. He also has been associate news director for Southwestern Seminary, associate editor of the Oklahoma *Baptist Messenger*, director of communications and editor of *Charity & Children* for Baptist Children's Homes of North Carolina and for five years was a consultant in public relations and capital fund raising.

The *Recorder's* position as a source of news, features, inspiration and connection is growing stronger as more people get their news daily—or more often—through the www.biblicalrecorder.org web site. Recently that site has received 300,000 visitors monthly. The *Recorder* is committed to keeping the news web site vital and current. It is a phenomenal source of searchable history for the past 10 years of North Carolina Baptist life. Yet it is current to the hour.

At this point, use of the web site for readers is without charge. Staff is investigating ways the web site might return revenue to the *Recorder*, although web culture internationally is that content is free. The *Recorder* sells unobtrusive advertising on the site and will look to expand that presence.

On the print side, the *Recorder* remains the single greatest source for North Carolina Baptists to stay in touch with each other and to stay informed about their cooperative work worldwide. Where else are you going to learn about a church fire, pastor and staff movement, a successful Vacation Bible School, youth weeks at Caswell and about the work of your Conventions—locally, nationally and internationally?

In addition to keeping you informed of the regular workings of your cooperative efforts, the *Recorder* is going to bring special issues, addressing topics of interest to young families, parents and grandparents. The person in your church with no real interest in denominational issues will still find valuable information on daily living in the *Recorder*.

Postage costs went up \$1,400 per issue in July, which translates to \$38,000 annually, which will necessitate a subscription cost increase, pending board action in October. Cooperative Program receipts are trailing projections through July 2007, resulting in further budget shortfall.

The *Recorder* was founded in 1833. It was privately owned and operated for most of its history, then in 1939 became a convention agency. As it has from its founding, the *Recorder* serves as the official news publication of the BSC, and serves the full spectrum of its churches.

As a BSCNC agency, the *Biblical Recorder* receives annual support from Cooperative Program Missions Giving contributions from churches, making it possible to offer the *Recorder* at subscription rates below the actual cost of production. You can receive a free three-month subscriptions for yourself and your friends. Contact:

Dear Associational Leadership,

The theme of this year's 177th Baptist State Convention's annual session focuses upon the *Great and Wondrous Things* that God has been doing in and through North Carolina Baptists. I hope that as you gather to celebrate the many *Great and Wondrous Things* that God has been doing through the churches of your association this year, that you will join the Council on Christian Higher Education as we, too, celebrate God's work on the college and university campuses of institutions of higher education that cooperate with the Baptist State Convention of North Carolina.

The student body of each campus is growing, new facilities are being built, and students are provided with opportunities to grow academically and spiritually. Allow me to provide an example of only a few of the *Great and Wondrous Things* that God has done on each of the five campuses this year:

Campbell University – 2,835 undergraduate students; establishment of a football program; construction of a new convocation center and new chapel.

Chowan University – significant renovations underway; improvement of athletic facilities; growth of endowments now totaling over \$21 million dollars; numerous students participated in missions trips and journeys to the Holy Land.

Gardner-Webb University – nearly 4,000 students from 34 states and 33 countries; new facilities for students with disabilities; new degree program – Master of Arts in Religion; marching band established; numerous students participated in missions trips to the Gulf Coast region, Canada, and Ecuador.

Mars Hill College – celebrated 150th anniversary; mission teams to Honduras, Greece, and New Orleans; established teacher education graduate degree program; new math and science building underway; renovations to athletic facilities.

Wingate University – over 1,800 students; 57 graduates comprised the School of Pharmacy's first graduating class; students involved in supporting the hunger relief efforts of the Charlotte Men's Shelter and Harvest Food Bank.

This year, undergraduate students were given the opportunity to apply for the Convention's Baptist Scholars Program scholarships on-line. The new application process is faster, easier, and much less complicated than the former paper applications.

I also hope that you will make plans to attend the annual session of the Baptist State Convention of North Carolina, to be held in Greensboro on Monday, November 12 through Wednesday, November 14. Please plan to stay for the Council on Christian Higher Education presentation on Wednesday as the council will be highlighting the *Great and Wondrous Things* God is doing in the lives of Baptist students as they "Call to Me ..." Jeremiah 33 : 3.

I remind you that your generous gifts to the Cooperative Program provide important support to these five schools through scholarships and other unrestricted funds. These five schools, Campbell University, Chowan University, Gardner-Webb University, Mars Hill College, and Wingate University, strive to provide educational opportunities from a Christian world view with a Baptist distinctive and are able to do so as you both give and pray for students, faculty, and campus leadership alike.

THE NORTH CAROLINA BAPTIST FOUNDATION, INC. 2006 ANNUAL REPORT

The mission of the North Carolina Baptist Foundation since its inception in 1920 has been to assist the Convention and its institutions and agencies in increasing an awareness among North Carolina Baptists of Christian estate stewardship principles as a means of financially undergirding churches, institutions and mission endeavors on a permanent basis. The uniqueness of the ministries and services provided by the institutions and General Board staff merits increased financial support. The Foundation accomplishes these objectives by offering assistance in estate planning counsel, Will preparation, planned giving, charitable remainder trusts, endowment funds and church fund management.

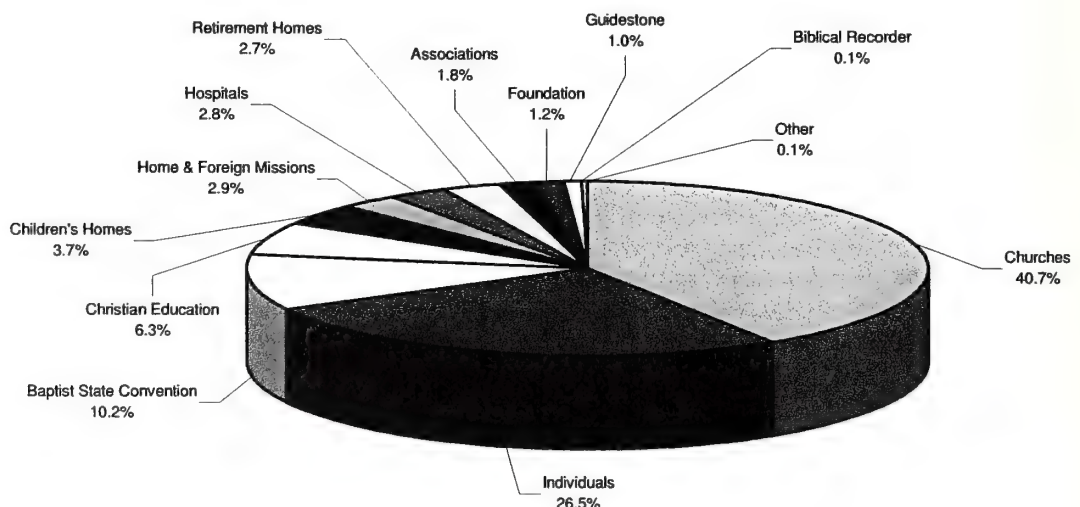

During 2006, the Foundation assisted individuals in establishing 49 endowment funds and 8 charitable remainder trusts totaling \$2.6 million and received \$6.5 million in contributions to existing endowments, all of which will ultimately benefit countless Baptist causes on a permanent basis. Programs were provided for churches and associations during the year to promote Make Your Will Month, Christian estate stewardship and church fund management. Over \$2.6 million from churches and institutions came under management to enhance numerous ministries including scholarships, building funds, cemetery funds, benevolence funds, general operating funds and other various mission causes. Overall, the Foundation received \$11.7 million in contributions during 2006 for Christian causes.

The Foundation employs professional money managers to invest these funds according to an investment policy adopted by its Board. Four investment pools are offered: a growth fund, a balanced fund, an income fund and a fixed income fund. The Foundation uses the services of Salomon Smith Barney to help select top money managers and evaluate performance. As of December 31, 2006, the Foundation held \$153.1 million under management.

During 2006, our distributions totaled \$8.4 million, with charity receiving \$5.9 million and individuals, through trusts, receiving \$2.5 million. During the 86-year history of The North Carolina Baptist Foundation, Inc., \$31.6 million has been distributed to individuals and \$59.2 million to Baptist churches, institutions and mission causes for a grand historical total of \$90.8 million.

Report for 2007 Book of Reports

Office of GuideStone Financial Resources for the Baptist State Convention of NC, Inc.

The GuideStone Team has been extremely busy during this past year to ensure prompt and accurate delivery of information related to retirement, insurance, staff compensation, tax issues, etc. that impact dramatically the care of persons who serve on church staff here in North Carolina. We celebrated the retirement of Amy Strickland as Administrative Specialist on our team and welcomed Betty Pleasant to that ministry position after a number of years in the convention's administrative offices. We are very grateful for the ministry of these ladies in assisting church staff and key church leaders.

On January 2, 2007, Guidestone Financial Resources, an agency of the Southern Baptist Convention headquartered in Dallas, Texas, introduced a new family of funds, *My Destination Funds*, which are date targeted to a retirement participant's projected retirement date at some point in the future. For those participants who choose to invest using these funds the hassle of keeping up with an appropriate asset allocation as the participant grows older is now removed. These funds are professionally managed and the asset allocation is adjusted automatically as the participant ages. This is a "great and wondrous" development since many church staff are focused primarily on ministry to people rather than managing their retirement account. Furthermore, the retirement funds at GuideStone exceeded their respective mutual fund peer universe median as measured by Lipper rankings during this past year.

The successful transition to a single provider for medical insurance for the GuideStone medical plans reaped great rewards as 57% of Personal Plan participants received no rate increase or a reduction in premiums. This is a "great and wonderful" thing for those who are covered with GuideStone medical insurance. Life and disability coverage continues to be tweaked to meet the needs of our church employees. Beginning with the 2007 fall semester all students enrolled at one of the Southern Baptist seminaries (we have Southeastern Seminary in North Carolina) will be covered with \$10,000 of life insurance at no cost to the student and the 31 day of open enrollment from matriculation for new students continues to be very attractive.

The Church Retirement Plan is a major emphasis of the GuideStone team. We are working hard to educate church staff and key church leaders to the best retirement plan on the market today for employees of our Baptist churches. On April 1 of this year annual church budget eligibility requirements for the Mission/Church Assistance Fund were dramatically adjusted from the previous requirement of less than \$40,000 per year to less than \$75,000 per year. Many of our church pastors will now qualify to receive \$50 per month for a five year period, but they must be active participants in the church retirement plan to receive this "great and wonderful" benefit.

Finally, we gladly promote the Endowment ministry at GuideStone to provide ongoing and one-time financial assistance to retired ministers and widows of ministers who are living in poverty. As of March 31, we had 204 North Carolinians, who have met the very strict guidelines and are receiving financial assistance from GuideStone Financial Resources. Please assist us in identifying those persons who might qualify for this assistance.

In closing, it is our strong desire to serve all of our churches and their employees with the appropriate information/products to meet their needs. For more information call the Baptist State Convention of NC at 1.800.395.5102 extensions 5594 or 5595, visit our Web site at www.ncbaptist.org, call GuideStone at 1.888.984.8433, or visit the new and redesigned GuideStone Web site at www.Guidestone.org.

Your Cooperative Program, 2007

Throughout 2007 your Cooperative Program continued to be the best way for North Carolina Baptists to work together and *cooperatively* support a global, nationwide and statewide program of missions, evangelism and ministry.

No other program will send a Christian dollar to as many places or touch as many lives for God's Kingdom!

The 2007 Cooperative Program budget is for \$37,786,000. It is only when we work together as Baptists and consolidate our missions dollars into a single unified budget that we can support major ministries and missions projects needed to share the gospel with a lost world!

Our Cooperative Program supports thousands of missionaries, ministry specialists and many types of work, yet it operates quite simply.

Here's how:

Each November when North Carolina Baptists hold their annual meeting, they adopt a Cooperative Program budget, currently in two-year cycles. That budget determines what work we support together and how much.

During the year congregations of all sizes, located across the state, send in their Cooperative Program checks to the Baptist State Convention office in Cary. There the accountants divide up the money according to the budget and send it on its way to the many ministries we support.

That's why we say we give *through* the Cooperative Program, not *to* it!

The Cooperative Program is a *channel*, the way we divide up money among Baptist causes we support; it is not a destination.

This is how we as North Carolina Baptists support five colleges and a Bible institute, a major children's home, missions work across North America and around the world, plus a newspaper and a foundation.

Your Cooperative Program also supports the staff of your Baptist State Convention. This staff -- your state missionaries -- help hundreds of churches like yours each year in many kinds of work, from prayer ministry and church outreach programs to Sunday School and music, to discipleship training, insurance and retirement programs for church staffs, among others.

Your Cooperative Program also provides hefty support to Woman's Missionary Union and North Carolina Baptist Men, augmenting the support you and other North Carolina Baptists provide these important organizations through the North Carolina Missions Offering.

Bright outlook

Consider that more than 1,500 churches increased their Cooperative Program giving amount for 2006 over 2005. That means more than a third of the convention's churches have voted with their pocketbooks for the 1-3-6 Challenge!

What's that? It's a challenge to every church to increase its Cooperative Program giving by 1 percent of its undesignated receipts over three years. If all convention churches will do so, it will produce \$6 million a year in additional funds for the convention's vast program of work!

Biltmore Baptist church in Arden, led all convention churches on increasing Cooperative Program giving -- in 2006 the church gave \$92,216 more than in 2005!

And consider the example of Peninsula Baptist Church, Mooresville.

This amazing 1,300-member congregation led all convention churches in total giving -- and set a record in the process! Peninsula's members contributed a record \$422,607 through the Cooperative Program during 2006.

This was the first time in recent history that a single church gave more than 1 percent of the convention's total budget, which is \$37.7 million in 2007!

But that wasn't all.

Peninsula also placed second in the amount of increase given through the Cooperative Program -- \$69,341 more than in 2005, second only to Biltmore.

Further, Peninsula gave 26.8 percent of its undesignated receipts through the Cooperative Program, making it fourth in percentage giving among convention churches.

Some churches with much larger budgets than Peninsula's have the potential for joining the "1% Fellowship" but they do not come close to matching Peninsula's percentage of giving.

"Peninsula Baptist in Mooresville is an exceptional church with a great heart for missions," said Milton A. Hollifield Jr., executive

director-treasurer of the convention.

All Sizes!

Peninsula presents a stirring lesson in missions support for congregations that are much larger.

But there are many North Carolina Baptist churches with fewer members which excel in missions giving.

For example, consider Westview Baptist Church in Shelby, led by pastor Steve Ellis. Westview led the convention in total Cooperative Program giving in 2006 among churches with fewer than 400 members.

Westview's 399 members gave \$54,012 through the Cooperative Program, which was almost 20 percent of their undesignated receipts. That percentage was the third highest for Cooperative Program giving among churches with fewer than 400 members.

Poplar Grove Baptist Church in Boone led the convention in the percentage of undesignated receipts given through the Cooperative Program. This 101-member church led by pastor Brian Davis gave slightly more than 20 percent of its undesignated receipts through the Cooperative Program.

Consider Oak Forest Baptist Church in Fletcher, led by senior pastor Matthew Williamson. This 294-member congregation gave just over \$9,400 through the Cooperative Program in 2005, nothing in 2006, but then \$15,350 in 2006, the biggest increase of any church with fewer than 400 members.

Such reports show that churches of all sizes can participate in one of the world's largest programs of Christian missions!

An ad series in the *Biblical Recorder* during 2007 featured some of the churches which made increases in Cooperative Program giving. The pastors of these churches were happy to promote their church's missions support record in this public forum.

Mud Creek Baptist Church, a Hendersonville church led by pastor Greg Mathis, was increasing its Cooperative Program by 6 percent over a three-year period.

Hopewell Baptist Church in Monroe doubled its Cooperative Program giving for 2007 and committed to increase it more for 2008, reported pastor Lee Pigg. In Raleigh, Trinity Baptist Church, led by pastor Jeff Roberts, increased its Cooperative Program giving by more than \$28,000 for 2006.

Fuquay-Varina Baptist Church, located in the town of the same name, increased its Cooperative Program giving by more than \$25,000 and was one of the top overall contributors. Chris Conner is pastor.

These are just a few of the churches which boldly responded to the 1-3-6 Challenge and went beyond. Again, that challenge is for every church to increase its giving through the Cooperative Program by 1 percent of its undesignated receipts over three years.

If all the convention-affiliated churches will do so, it would result in an additional \$6 million a year for missions causes we Baptists hold dear.

But there's a prior challenge. That challenge is for more North Carolina Baptists to learn about the amazing variety and depth of missions, evangelism and ministry they support through their Cooperative Program.

We have had the Cooperative Program since 1925. It has served Baptists so well, that if we woke up tomorrow and did not have it, we would rush to recreate the same thing! It is work supporting and worth supporting more.

Giving will skyrocket when all North Carolina Baptists realize there's no other method which will send a Christian dollar to more places or touch more lives for God's Kingdom, than a dollar given through the Cooperative Program.

RBA Annual Meeting
October 20, 2008: Huldah Baptist Church

The meeting was called to order by Moderator, Dr. Ron Chaney.

The adoption of business was presented by Rev. Gene Booker, in the absence of Programs Committee Chairman, Jon Ferguson. This order was approved.

Rev. Booker then introduced new pastors:

Huldah: Jason Moore and wife, Melissa

Liberty FB: Brian Harrington

Glenola: Tim Steen and wife, Dawn

Mt. Lebanon: Interim: Garland Hall and wife, Barbara

In the absence of our music director, Charles Edwards, Jason Moore led the congregation in singing, "Love Lifted Me" with the piano accompaniment of Diane Thornburg.

Rev. Jason Moore then led in an opening prayer and welcomed the RBA to Huldah Baptist Church.

We then began the business session of our meeting:

Historical report was referred to on Pages 2 & 3 of the Book of Reports.

Treasurer's Report was given by Don Blanton. It was received as written.

He then presented the amended budget for 2008 and the proposed budget for 2009.

A request was made for some leadership training for "Embrace" to be included in the 2010 budget. Both the amended 2008 and the proposed 2009 budgets were approved as presented.

Rev. Booker gave the recommendations for next year's meetings as follows:

January 26 El Shaddai

April 20 Riverisde

August 17 Deep River

October 19 White's Memorial

Annual Sermon to be given by Rev. Jon Ferguson with

Alternate: Rev. Tim Lowry

These were also approved.

Dr. Richard Crider made the following recommendation from the Credentials Committee:

"One year ago (Oct 15, 2007) the Credentials Committee of the Randolph Baptist Association recommended receiving CrossPoint Baptist Church of Level Cross under the watchcare of the association for one year. Our association approved this recommendation. Prior to that, CrossPoint had submitted papers to the committee which included a Church Covenant, Church Bylaws, as well as other applicable papers. The pastor of CrossPoint is Rev. Scott Walker.

Now the Credentials Committee, in accordance with our constitution and bylaws, brings a recommendation that CrossPoint be received into full membership in the Randolph Baptist Association."

This motion was approved.

Rev. Scott Walker then expressed his appreciation for the support of the RBA churches. He asked for our continued prayers for the lost they are working with in this growing church.

We then had another congregational hymn, "Redeemed, How I Love to Proclaim It."
There was no miscellaneous business.

Rev. Joe Edwards then led in the memorial service. He read Rev. 14: 12 & 13. He then read off a list of names of those of our membership who have passed away in the past year. He then led in prayer.

Rev. Charles Stovall from the Baptist Children's Homes expressed appreciation for our support of the children in the homes across our state.

Rev. Booker then presented the Associational Missionary's comments. He promoted the NC Baptist Hospital. He asked everyone to read his article on Page 10 of the Book of Reports. He then made a plea for everyone to get their church profiles in to the office. He reminded us that this is actually a requirement for membership in the RBA. He thanked the RBA for allowing him to serve again as Interim from July 1, 2007 through the current. He said it has been a blessing. He made special thanks to Drema and to Bobbie. He asked the body to support Dr. Sells and Shirley financially, prayerfully and with your attendance. He then introduced Dr. Sells and Shirley, saying that Dr. Sells was more than qualified to lead us as we go forward.

Congregational hymn: "Victory in Jesus"

Annual sermon was then presented by Rev. Tim Fonner, pastor at Russell's Grove.

Rev. Fonner began by reading John 6: 27-35 and then led in prayer.

Rev. Fonner opened with what he entitled Our Lives According to TV Titles, such as, "As the World Turns," these are the "Days of Our Lives." There is no "Wheel of Fortune." Remember God says it's His "Deal or no Deal."

Christ gave some titles of Himself. "I Am that I Am" in John 8:58. He is sufficient for all we need. His claim as The Bread of Life-He feeds our spiritual appetite.

He seems to be saying I am all you need for your spiritual appetite. He is all that you need for your spiritual journey. Christ is sufficient for all who have a hunger for freedom, peace, forgiveness, eternal life.

He supplies our spiritual life; we want physical.

He sustains our spiritual life; we want miracles.

He satisfies our spiritual life; we want traditional.

We can't afford to rest on our past. We must work until He comes!!!!

"I am Tim Fonner. I am preaching for Jesus and I approve this message."

Rev. Jason Moore then gave directions to the Fellowship Hall and led in a prayer, blessing the food and those who had prepared it.

Evening Session

Congregational hymn: “When the Roll is Called Up Yonder”

Dr. Ron Chaney led in an opening prayer.

He reported seeking an associational missionary is a unique task. The committee first tried to determine the needs and asked God to direct them. The prospect they are recommending is experienced and more than qualified. He said that as the committee went through resumes, this name kept surfacing. The consensus was that God was leading them to Dr. Sells. They interviewed one other candidate, but he was led to another position.

The following committee members made comments:

Ruth Ann Allred said that after going through all the resumes, they interviewed Dr. Sells. He had a true love for missions and a love for pastors. She covets our prayers for Dr. Sells and his wife, Shirley.

Dr. Charles Fleshman said Dr. Sells not only loves missions, he lives missions. He wants to serve God and be involved with all the churches. They will greatly benefit our association.

Tracy Marsh said that through the process, their many meetings were all God-centered. Dr. Sells truly has a servant’s heart and is truly God-sent to our association.

Don Blanton re-iterated what had already been said. They did not take lightly the task assigned them. They studied each resume in depth. He is convinced God obviously drew them to Dr. Sells.

Tim Friar said we will be blessed to have Dr. Sells.

Dr. Chaney said Dr. Sells wants to get back to hands-on-missions, not just directing others.

Shirley also has the true heart of a pastor’s wife. Dr. Chaney then called on Dr. Sells to come forward.

Dr. Sells expressed appreciation for the kind words. He said it is both a joy and a privilege to be considered for the DOM position in the RBA. He thanked the committee for their thoroughness. He said that in 32 years of serving as a pastor and 4 ½ years as DOM in Savannah, Georgia, his ministry had taught him a lot. He is excited to come to a smaller association where he can be more involved. He is passionate about working with churches and pastors. He says a church must be mission oriented. Our world won’t be changed by politicians or social programs, but will be changed through the church.

Missions and evangelism cannot be separated. He has seen innovative things done in Savannah. He has studied with Dr. Tom Chaney from the NAMB. Dr. Sells said he would rather go into a hurting church and help them than anything else he could do.

Our most important role as Christians, through our churches and our association is to practice Acts 1: 6-8. We have the same spirit, the same Lord and the same needs today as then. The harvest field is great and open. Our world is in even more chaos today than it was a year ago. We plant more churches when what we need to do is get our current churches healthy before God.

How can we change our world? We will need a power, more enthusiastic and bolder than anything we’ve ever experienced. Our understanding of God’s power is nearly nonexistent. There will be no changing our world until we recognize God’s power, the Holy Spirit of God.

Without the Holy Spirit, there is no power to open blind eyes, no power to live a Christ centered life. Without the Holy Spirit, there is no power to claim the world for Jesus Christ or change the world around us. This power comes at a cost. We must be cleansed by the Lord Jesus Christ. We are commanded to be witnesses, not a suggestion, not conditional. It is imperative.

Dr. Sells challenged us by asking, “Will you let the holy spirit do a work in your life, in your church? We cannot fill a church unless Jesus is involved. His hope is to see our nation come to Christ. We need his power, his love and his grace; we already have the message.

Dr. Sells led in prayer.

Dr. Chaney asked if there were questions from the floor. There not being any, we began handing out ballots.

Dr. John Rogers, pastor of Asheboro First Baptist made a recommendation that we forego the ballots and affirm Dr. Sells upon the recommendation of the search committee and after hearing the message.

The motion was seconded and all present stood to affirm this decision.

Dr. Sells accepted the call and asked his wife, Shirley to join him. He said they will commit to us they will do everything possible to help our churches, our pastors and their families.

Dr. Chaney returned to the pulpit to say what a joy it had been to be our moderator. He handed the gavel over to Rev. Tim Lowry who will serve as moderator for 2009 & 2010. Tim asked we give Ron a hand for the service he has been to our association for the past two years. He asked for a motion that we close the meeting. A motion was made and seconded.

Rev. Lowry then closed in prayer.

Huldah Baptist Church

In the late 1800s, churches were widely scattered and traveling was done by horse and buggy. In April, 1896, the people of Rock Springs School District, located in southern Randolph County near Seagrove, N.C., began to meet once a month. The meetings were held in the Rock Springs School building. In the summer, they were held under a "Brush Arbor" on the school playground. People began to pray about organizing a church within the community.

In October of that year, John Presnell donated land west of Rock Springs School to the church. This is the site of the present church. The original deed was dated October 14, 1896. Randolph County's Register of Deeds office records reveal the deed was made to the trustees of Huldah Baptist Church and their successors. This deed was dated August 6, 1897.

On Sunday, November 8, 1896, the fellowship organized with 11 baptized believers. The church name, Huldah Baptist Church, was derived from a lady living in the community, Huldah Staley.

Building progress was slow due to the fact the sills and some of the lumber was hewed and planed by hand. When the roof and siding were completed, services were held in the building only during the summer months. The building was completed in 1898 and seated approximately 300 people.

Worship services were held on Saturday night and Sunday of the third week of the month. Sunday School was held during the summer months. For many years, baptisms were held at Richland Creek and area ponds (Floyd Allen's, Wes Bullins', Clarence Cagle's, & Slack's).

In 1912, a great revival meeting moved the entire community. All denominations took part. Scheduled to last one week, it was extended another week after 42 candidates for baptism came forward. The total rose to 64 when 22 more candidates came forward the second week.

Huldah Baptist Church joined the Montgomery Baptist Association in the early 1930s and remained a part of it until the Randolph Baptist Association was organized. On October 2, 1934, Huldah met at Franklinville Baptist Church with 29 other churches to see if there was an interest in forming a Randolph Association. On the Thursday and Friday before the fourth Sunday in October, 1935, Huldah joined with 16 other churches to hold the first meeting of the Randolph Baptist Association.

During the 1930s more space was needed because of growth. The church voted to build wings to the original structure. This would increase the seating capacity to 450. To do this, the church was turned to face what is now known as Clyde King Road.

In March of 1954, ground breaking took place for a new church building. This would be a brick building with a sanctuary and five rooms for Sunday school. Constructed at the rear of the original church, it faced N.C. Highway 13 as did the first church building and as the present building does. The first service was conducted in the new sanctuary on the fourth Sunday in November, 1954.

In December, 1962, Huldah voted to build a parsonage. After completion, an Open House was held in September, 1963.

A new Sunday School building (2,200 sq. ft.) with a full basement was built in 1967. The basement was used for church activities.

Huldah celebrated their 75th anniversary with an “Old Timers Day” and dinner on the grounds in the fall of 1971. A fund drive for the building of a third sanctuary was also begun that year. The dedication of this building was held in 1976. A cornerstone was added with scripture, prayer, and a Bible placed into the wall in the fall of 1977.

The old sanctuary was moved to where it now stands. It was remodeled into a fellowship hall in 1995/1996. The first major events to be held in it were the Randolph Southern Baptist Association meeting in October, 1996 and Huldah’s centennial celebration in November, 1996.

Winter Quarterly Meeting: January 21, 2008

Mt. Pleasant Baptist Church

Prelude by Ms. Julie Brady

Registration assistance by: Calvin & Ann Brower

There were 35 messengers, 2 alternates, 11 visitors, 8 pastors and 2 RBA staff, for a total of 58 in attendance on a very cold night, with snow on the ground from a previous snow.

Meeting was called to order by moderator, Dr. Ron Chaney.

A warm welcome and opening prayer were given by Rev. Tim Friar, pastor of Mt. Pleasant.

Special music: "My House is Full" and "The Lighthouse" by Sharon Allen and Debbie Swaim with Julie Brady accompanying.

Business Session:

Mrs. Susan King gave Treasurer's Report, which was approved.

Dr. Charles Fleshman gave an update from the DOM Search Committee:

He gave the members: Dr. Ronnie Chaney, Don Blanton, Ruth Ann Allred, Faye Bennett, Tracy Marsh, Rev. Tim Friar and himself. He said they were working hard, using a portfolio sent by the BSC looking at our association's strengths, compiling results from surveys and determining exactly what they thought RBA needed at this time as an associational missionary. They have begun looking at resumes. Their next meeting is January 24, 2008. He also asks for our prayers.

Dr. Fleshman then proceeded with a Sunday school report. He announced that the RBA would again offer scholarships to training at Caraway. He said more people are introduced to Jesus through Sunday School than any other department of the church. He urged us if anyone had a need to please notify him.

Rev. Gene Booker, interim Associational Missionary then came forward with a few items of interest.

He introduced new pastors: Gene & Hope Adcock at Deep River and Marty Grainger at Cedar Grove.

He then announced that the Operation Inasmuch kick-off scheduled for January 17 had been postponed to January 28 due to weather issues. The date for the actual event is April 19.

Rev. Booker then drew attention to an announcement about Baptist Men and the Katrina report given in the handouts.

He also gave a report on El-Shaddai's church building. They need about \$13,000 more to complete it. \$5,000 has been promised by a local businessman. This would not include carpet for Sunday school rooms or the landscaping. A motion was made, seconded and approved that the association give \$8,000.00 more so that they might complete this building and begin worshipping in it.

Charles Edwards then led the congregation in singing, "The Way of the Cross Leads Home."

Dr. Chaney introduced our speaker, Mr. Bob Foy.

Mr. Foy began by telling us that he believes God is calling His people back, calling us to come together. He read from Isaiah chapter 6 and then led in a prayer.

He said that the lay led renewal journey consists of five week-ends. They are not pastor or deacon pushed. The lay renewal team presents the program to the church and if the congregation feels it's right for them, then they proceed.

- 1) **Lay Renewal Weekend** is the *Awakening* step for the Journey and is an opportunity to reawaken the church to its purpose and passion. It takes believers, wherever they are in their spiritual journey, and refreshes them with a godly perspective of their role in service to others. This is an *inward journey* that seeks to renew and restore the love of Christ in those who have drifted away from their commitment. This weekend also brings the church body together as a family through small group and corporate sharing and prayer.
- 2) **Lay Ministry Weekend** is the *Equipping* step and equips the church to discover how God has shaped each believer for Ministry. Using the acrostic **SHAPE**, this weekend teaches about Spiritual gifts, what God is continually saying to our Heart, and how our Abilities, Personality, and Experiences have uniquely prepared us for specific ministries. It is here that many laypeople understand for the first time that they are just as called to ministry as their pastor. This weekend is *preparation for the outward journey*.
- 3) **The Marketplace Evangelism Weekend** is an application of the *Awakening and Equipping* steps and a continuation of the Journey. Church members are encouraged to Prayer Walk their marketplace or school, asking God how He may want to work through them outside the church walls. Those who commit to God's calling are commissioned by their pastor and church body and sent back into their marketplace, school or wherever God has placed them. However, they now go as commissioned missionaries from His church to witness and minister in their unique giftedness.
- 4) **The Prayer Weekend** is just that, a time for His church to come apart from the world to spend time together in the Father's presence through individual and group prayer. This weekend is about God's people returning to Him through fervent prayer toward personal holiness and the Great Commission. Participants will also be encouraged and trained in biblical prayer that focuses on Kingdom priorities. Through prayer, God unleashes His church to be on mission with Him in their world. The church as a body and its individual members are *Empowered* for whatever God has next for them.
- 5) **The Acts 1:8 Weekend** is often used as the fifth step of the Church Renewal Journey. It can also be used as the first step to launch the church into a new and exciting *Sending Journey*, by involving its members in their Jerusalem (*local & associational ministries*); their Judea (*their state convention ministries*) their Samaria (*national or North American Mission Board ministries*); and to the ends of the Earth (*international or International Mission Board ministries*). This weekend encourages churches to register as an Acts 1:8 Church, a process sponsored by NAMB and IMB, which has 8 goals for the church to adopt and work toward.

Mr. Foy then reminded us it's not about this church and it's not about this team; it's all about JESUS. He closed in prayer.

Moderator, Dr. Chaney closed the meeting by calling on Pastor Tim Friar to pronounce the benediction and blessing on the food.

Interim Director of Missions, Gene Booker expressed his appreciation to the musicians.

Spring Quarterly Meeting: Balfour Baptist Church
Registration began at 6:30 with Calvin and Ann Brower assisting.

April 21, 2008

The meeting was called to order by Moderator, Dr. Ron Chaney.
Welcome and Opening Prayer was made by Pastor Tim Lowry of Balfour Baptist Church.
Zoe Faircloth-Jones, Music director at Balfour and Kim Lowry led:
“All Hail the Power of Jesus’ Name”
“Shout to the Lord”

The business portion of the program followed:

Treasures Report, Mrs. Susan King, received as presented

Search Committee Update, Dr. Charles Fleshman reported that the committee is meeting monthly. They are narrowing down the resumes they have received. They continue to covet the prayers of the RBA body, that they would bring the right person to be Associational Missionary.

Nominating Committee, Mrs. Bonnie Edwards proposed the following:

Bill Bates for RA Director &

Alice Boyette to complete the term on the finance committee vacated by George Vann.

Both were approved.

Credentials Committee, Dr. Richard Crider told us that one year ago, New Beginning Baptist Church came under the Watch care of RBA. He said they have fulfilled all requirements and beyond. He recommended that we receive New Beginning into full membership at this time. This motion was approved.

Rev. Gene Booker came to the podium and first introduced his wife, Bobbie.

Rev. Gene Booker gave an update on El-Shaddai. He announced that as of this very day, (April 21, 2008), El-Shaddai has officially been granted a certificate of compliance and can now move into their beautiful new facility. Gene said we owe a deep debt of gratitude to Mr. Victor Jones. Vic took on the very challenging task of over-seeing the completion of El-Shaddai. He was not able to be there at the meeting, but Gene showed a certificate of appreciation the RBA was presenting him.

Rev. Booker then introduced Rev. Larry Allen and his wife, Judy. Rev. Allen is the new pastor at Victory. They began their ministry there on Feb. 3.

Rev. Booker also told about the Ministers Wives retreat, “Fun in the Son” at Caraway Conference Center July 21, 22 & 23rd.

He also mentioned the spring rally for Senior Adults at Cross Road on April 29.

There was no further business.

Zoe Faircloth-Jones then showed an excerpt from Balfour’s Easter presentation, “The Promised One.”

We then began our celebration of Operation Inasmuch, conducted across our association on April 19. Gene reminded us that OIAM began in Fayetteville, NC in 1995 by Pastor David Crocker at Snyder Memorial Baptist Church.

This year, over 900 churches across NC, covering all 100 counties participated. An estimated 50,000 people were involved in “hands on” missions. 8 other states in the US, plus

2 foreign countries were all taking part on April 19. Other denominations involved included United Methodist, Presbyterian, Moravian, Episcopal and Lutheran.

One of the testimonies Gene said he heard over and over was how special it was to get to know people in different age groups as they worked together.

Gene said he had often heard people comment "I believe in missions and sending people to other states and countries, but why aren't we doing more mission work in our own community?" Jesus did tell us to begin at home. OIAM gives people an opportunity to get involved in missions. He then opened the floor to a representative from each church who participated.

Asheboro First Baptist's speaker was Joan Neuroth. She said the church conducted 29 projects with 200 people participating. The Agape Sunday School class made pillows for cancer patients. They also took on an on-going project with the LINKS program for teens in foster care. They will be serving refreshments for their monthly meetings.

Calvary Baptist Church was represented by Bobby Poole. He said the ladies of the church made 50 dozen cookies and candies. They took them to the Ulah Fire Department, the Westside Fire Department, the Ashe-Rand Rescue Squad, The Randolph County Sheriff's Department and the NC Highway Patrol. They also did some door-to-door visitation around the church and gave out bags containing candy, crackers, chewing gum, a church calendar and a tract.

Cross Point Baptist Church, represented by Joshua Ferris and Scott Walker said they'll be doing their OIAM on Sunday, April 27. They're using the theme, "Don't Go To Church Sunday." They'll be giving out 300 bags to homes in their community, containing information about their church, as well as light bulbs. They'll be doing yard clean-up and minor repairs, as well as building a bridge for a lady to get to her mailbox more easily. They are estimating they'll have about ten projects.

Gravel Hill Baptist Church had great participation, according to Sydney Lowe. He said over 75% of their total membership were involved. They had a lot of fun and did a lot of hard work. They did yard work and split and delivered fire wood, as well as under-pinned a mobile home. They also visited at Mt. Vista Rest Home where they had devotions, sang hymns and visited with residents there. He also recognized those who prepared and served breakfast and lunch to the volunteers.

Dwight Curry from Maple Springs said at the beginning he and Sandra set a goal of having their entire Sunday School attendance involved in OIAM. He said that God granted that wish and they just wanted to give Him all the honor and glory. They had 10 projects, with 79 volunteers, ranging in age from preschool to 84. They did a car clinic and car wash at Seagrove Fire Department. He said that early in the week, the weather forecast was for rain on the day of OIAM. They prayed and God also answered that prayer by holding off the rain until just time for them to shut down anyway. Dwight said the excitement, the unity and willingness to work were all such a blessing.

Mt. Pleasant Baptist Church was represented by Tim Friar, Pastor and Lori Turner. He said they had over 70 people in 12 projects. They ranged from 2 years old up. He said the

interaction between generations was exciting to see. A project that was not going so well was about to get disappointing when one volunteer said, "We're here and we're willing; that is all we can do." Lori told about her special project. She and some other ladies went to a nursing home and did manicures. She says she went with joy, nervousness and sadness, but was very blessed by pampering the ladies in the rest home.

John Underwood spoke for Oakhurst Baptist Church. He said there were 132 people involved in 18 projects. He verified that Gene Booker did work on the laundry project. He told about a project leader contacting Cathy Wright, Volunteer Coordinator at Hospice to find out what kind of items were needed most. Cathy was so touched she wanted to cry. She said, "God is in this, I know He is. We have been wondering how we were going to get these needed supplies." John then went on to say that some of the hardest workers from Oakhurst on that day were our Mission Friends. They planted flowers at Mainstream. He said it was just precious to watch them dig holes and plant flowers, then carry mulch by the tin can full to put around them.

Rev. Gene Booker gave the report for Ramseur First Baptist, because Charles Fleshman had to leave. He said 8 people helped with a car check-up. He said they had one lady with a license plate dated 2004. They also fixed a roof on a lady's utility building.

Sandy Creek Baptist Church was represented by Connie Heilig. She said they had 109 volunteers working on 19 projects. They included delivering firewood, washing windows and yard work. They also had a free yard sale. She said the cooperation, harmony and unity was really something to see. She also said 3 crews went to a nursing home where they cleaned the yard, washed windows and fed lunch to the staff. 14 children aged 2-8 years old made gifts for the nursing home residents and then delivered them. One little boy asked, "When can we do this again?" She said it was a great day of glorifying our Lord.

Dr. Larry Martin gave the report for Shady Grove. He said they had 6 projects. He said he really gained a new appreciation for the OIAM scripture. He said we truly have a mission field right here in Randolph County. He also said people no longer want to hear our sermons, but they will let us do our sermons. Shady Grove also prayer walked their community. Larry encouraged us to do missions daily. He said when asked why are you doing this, one little girl said because we love Jesus and we love you.

Tim Powers from Triad Cowboy Church said they did 3 projects. They had about 82% of their average attendance participating. They completely remodeled the bedroom of a 38 year old Downs Syndrome lady. They put in new sub flooring, paneling and ceiling. They also bought her new bedclothes and curtains. She lives with her parents, who do not know Jesus as savior; Tim asked that we pray for them. He said they also had a yard sale for the activities department at Grey Brier Nursing Home. When they finished the yard sale, they led in a worship service and decorated at the rest home. They finished the day with an appreciation dinner for the Sophia Volunteer Fire Dept. When asked what they wanted in return, they said only that God get the glory!!!!!!!!!!!!

Garland Hall reported that Union Grove Baptist Church had 133 volunteers in 23 projects. They made bird houses for seniors. They also took them flowers and plants. They took

meals to needy, including one blind couple. He said folks appreciated what they did and they appreciated the opportunity to serve. He said one thing they noticed was the unity of their church body working together for God. He advised that we must get out of the church walls and do missions. He also says if your church is having financial problems, you should get involved in missions. You cannot out give God when you're spending money on missions.

Dr. Ron Chaney then led in a prayer of praise and thanksgiving. He prayed that we never grow cold and callous, that God would stir us and keep before us the unity that we have experienced.

Zoe Faircloth-Jones led us in singing a hymn of commitment, "Without Him" as Charles Edwards played piano.

A special love offering was taken for Carolyn Santanella. She lost her home and possessions in a fire on April 3.

Carolyn testified that she was at Balfour on the first night of their drama when the police came to tell her home was on fire. She was over-whelmed with the love of God through the cast members and others.

Susan King and Linda Kessler counted the offering and later announced the total was \$611.00.

Ron Chaney said we must learn one thing before we could leave, "Wherever faith is in operation, faithfulness is in demonstration." This seems to have been demonstrated in the stories we've heard about OIAM tonight.

He encouraged us all to go to the fellowship hall for refreshments and fellowship. Gene Booker closed our meeting in prayer.

24 churches were represented at the meeting with:

Summer Quarterly Meeting
Shady Grove Baptist Church
August 18, 2008

Registration began at 6:30 with Calvin & Ann Brower assisting.

Meeting was called to order at 7:00 by Moderator, Dr. Ron Chaney.

Mr. Charles Edwards welcomed us to Shady Grove. Mr. Edwards said that Pastor Larry Martin was on vacation. Mr. Edwards then led in an opening prayer.

Shady Grove choir, under the direction of Mr. Charles Edwards sang, "Jesus Built a Bridge" and "Sinner Saved by Grace."

Dr. Chaney then called us into the business portion of our meeting by first recognizing Mrs. Bonnie Edwards, Chairperson of the Nominating Committee.

Bonnie thanked the members of the committee, as well as expressed appreciation for help received from the Associational office. She first opened the floor for volunteers and/or nominations for a few remaining openings. One additional WMU position was added by Director, Carolyn Santenella. The nominations were all approved as presented.

The financial report was then given by Mrs. Susan King, Treasurer. It was received unanimously.

Dr. Chaney reported for the Search Committee. He said they had received resumes from a lot of good, qualified candidates and that they had prayed over each one. He reminded us that in surveys taken before then began; pastoral experience was the number one issue for most members. They were also advised to seek someone with vision as well as someone able to deal with churches in crisis and churches reaching a plateau. They are narrowing their search down to one particular candidate and plan to begin to involve the finance committee and personnel committee to prepare a package to offer him.

Rev. Gene Booker, Interim Associational Missionary then took the floor to present a number of items.

First, he encouraged the clerks to fill out their annual church profiles and get them returned to the RBA office by October 6.

He encouraged pastors and church staff to attend the Pastors Conference on September 8. The speaker will be Dr. Paul Mullen, Director of Church and Communications at Wake Forest Baptist Hospital. He will be speaking on "Clergy Staff and Living Well."

Rev. Booker then introduced new youth ministers:

Matt Brogli at Forest Park and Jeremy Hyatt at Sandy Creek.

He also mentioned that Jason and Melissa Moore will begin as pastor at Huldah on August 24 and Brian Harrington has been called to Liberty First Baptist. He will be beginning on August 31.

The Party in the Park will again be at Bicentennial Park on September 20 this year. If your church is interested in participating, contact our office or Jeni Martin.

September 6, a special men's event will be held at Sunset Avenue Church of God. This program called *Carry the Torch* is open to all men and begins at 6:00 pm.

An important item Gene mentioned is that as he is serving here as interim, he is not paid as much as a new associational missionary will need to be paid. Our resources have been drained by giving so much to El-Shaddai to help them get into their new building. Churches really need to consider increasing their giving to the association. We need your support!

Gene presented certificates to:

Mt. Lebanon for the top per capita giving church to the 2007 Lottie Moon Christmas offering.

Rev. Greg Arnold received the award for Cross Road for being the top giving church to Lottie Moon.

Rev. Mike Nixon accepted the award for Oakwood Park for being the top percentage giving church to the Cooperative Program in 2007.

Dr. Chaney asked for any miscellaneous business. There was none, so the business portion of the meeting was closed.

The congregation sang, "To God Be the Glory".

Dr. Chaney then introduced our speaker for the evening, Jackie Hawkins, Chairman of Baptist Lay Witness Board of N.C.

Mr. Hawkins said the Lord didn't call him to preach; he called him to witness and that is what he loves to do. He has the greatest gift ever, the Lord, and he wants to give it away.

He was asked in 1974 to be a coordinator for Lay Witnessing and has done so ever since. It has been the greatest ministry in his life.

He then had a short video shown. (Thank you to Rev. Tim Lowry for operating the projector.)

The team comes into the church on Friday evening and conducts a service. On Saturday morning, they have a devotion and prayer. They then go out witnessing in the community, 1 team member with 2 church members.

Lay revival breeds excitement. Between 300 and 400 visits in one week-end is not uncommon. You can go to www.laywitnessing.org for more information.

Contact Lynn Tharrington at the Baptist State Convention to request the team to come to your church. There is never a charge.

God called the church, not civic groups to witness. All He needs us for us to surrender.

We are guilty of the "sin of silence" if we don't go. We are accountable. According to Mr. Hawkins, what keeps Christians from being soul winners is fear. The lay witness team can come, stay in our homes and train our church members to witness.

Jackie asked us to go home and pray about this. He read Proverbs 11:30 and Daniel 12:3 and then thanked us for inviting him.

Charles Edwards gave directions to the fellowship hall and pronounced the benediction.

There were 23 churches represented by a total of 88 with:

54 messengers, 5 alternates, 16 visitors, 12 pastors and 1 RBA staff person present.

It's On My Heart ...

I have served as your Interim Associational Missionary for fifteen months (I served as interim thirty months 2001-2003). As always, I am grateful for your love, support and understanding. It has been a pleasure serving with you. If Drema or I can ever assist you, do not hesitate to call.

God has given us a good year. For the first time in my memory, we have only three churches without a pastor: Macedonia, Mt. Lebanon and Randleman First. Let us continue to pray for them, as well as all the churches in our association.

With your prayers and financial support, El-Shaddai completed their building and had a dedication service on May 25, 2008. They have beautiful facilities. Our January meeting will be hosted by the El-Shaddai fellowship. You will appreciate the facilities. We all rejoice with them.

CrossPoint, New Beginning and Triad Cowboy Churches are continuing to make progress. The Cowboy Church began a Sunday morning service in the gym at New Market School, and they continue their Tuesday evening service in the Triad Live-Stock arena. CorssPoint is meeting in the Level Cross Community Building. They need larger facilities. New Beginning Church is doing well. We need to be in prayer for Doug Davis, Scott Walker, Clifford Williams, and their ministries.

One of the great efforts of the year was Operation Inasmuch. Twelve of our churches participated on Saturday, April 19, 2008. This involved 910 people and 136 local ministry projects. This was an exciting time in our churches. This just confirms what we already knew; we can do greater things for God when we work together.

There is only one negative thought. I was disappointed that the referendum on alcoholic beverages was approved in Asheboro in July. (We could do none other than to work to defeat it.) However, we shall continue to support our city and work toward winning the lost to Christ and ministering to the families adversely affected by alcoholic beverages consumption.

Prayerfully, today makes a NEW BEGINNING for our association. You will be voting to confirm the search committees' recommendation to call the seventh Associational Missionary to the Randolph Baptist Association. Your decision will be good for Bobbie and me, and great for our association. Please join Bobbie and me in praying for our new leader and to pledge our whole-hearted support to him.

Remember God loves you and so do I.

C. Gene Booker
Interim Associational Missionary

WMU 2007-2008

Randolph Baptist Association WMU held and participated in several events this year.

September brought an association wide World Crafter's event at Ramseur 1st that brought ladies from our association together for a time of fellowship and support for missions abroad. Many ordered beautiful handcrafted items that help those less fortunate support themselves and their families.

November 2007 we held two Women's World Day of Prayer events, one at Oakhurst and one at Balfour with a total involvement of about 70 and a total offering of \$75.00 sent to the Baptist World Alliance Women's Department.

WMU provided lotions to the WMU NC Red Boxes Christmas gifts to incarcerated women in NC Central Prison and provided toiletry packets for the Men's Prison in Randolph County. Many of our churches and WMU groups also participated in the Samaritan Purse Christmas Boxes.

February 2008 WMU held "A Woman's Heart" event at Balfour. It was a wonderful time of renewal and fellowship with about 60 in attendance.

April brought many being involved in "Operation INASMUCH" by a record number of our churches and our WMU.

We look forward to the new year with a new leadership team and a renewed commitment to teaching, doing and giving to missions in Randolph Baptist Association. Many thanks to Billie Jo Cox for her unflagging support and assistance last year in planning and executing the activities of RBA WMU.

BAPTIST CHILDREN'S HOMES OF NORTH CAROLINA

(July 2007-July 2008)

Kasey . . . The life Kasey lived was a sharp contrast from the life she was actually living at school where she was popular and a cheerleader. An abusive stepfather, a distant mother, and the responsibility of caring for her two younger brothers were too much for the young teen. Kasey moved in with her grandmother believing it would help. Instead, as she grew older, she acted out and made dangerous choices that put her at risk.

Kasey's grandmother knew about Baptist Children's Homes and made a call. The teenager now lives at BCH's Oak Ranch near Broadway, becoming the first girl ever admitted into the residential facility that had before only served boys. Today, she is one of seven girls in care.

Kasey likes living at the 755-acre ranch. She loves taking care of the horses. She is taking responsibility for her actions. Kasey is involved in theatre at the Harnett County school she attends. Recently, she played a fish in "Seussical the Musical," and she is a member of the school's photography club. Her favorite subject is English.

Kasey reads her Bible and says she prays a lot. "I am a Christian. I have given my heart to the Lord. I tell Him everything."

Kasey is only one of nearly 1,500 children who find hope and care each year at Baptist Children's Homes. Each one has a story. Each one is given an opportunity in the name of Jesus. Thank you, North Carolina Baptists, for remembering "the least of these."

President Blackwell Marks 25th Year . . . BCH president Michael C. Blackwell observed his 25th year overseeing the statewide child care Institution on July 1. Blackwell has led BCH to become family-focused and child-centered while never losing sight of the ministry's core Christian values. His accomplishments are too numerous to list here, but the reader is referred to the July 2008 Commemorative issue of *Charity&Children* for a complete summary. Complimentary copies are available by calling 1-800-476-3669, ext. 1211. Under Blackwell's leadership, BCH now operates facilities in 16 North Carolina cities.

New Transitional Service . . . BCH introduced a new residential service to specifically aid older children as they prepare for life as independent adults. Transitional living provides care, counseling, and life-skills education to older children in a less restricted residential setting. The service was created in response to the growing need in North Carolina to help transition children from residential care to productive and self-sufficient adult lives. In

January, Noel Home in Lenoir became BCH's first transitional living cottage followed by Huffman Cottage at Mills Home in Thomasville.

Developmental Disabilities Ministry in Sanford . . . On May 18, 2008, more than 300 supporters and BCH staff members gathered for the dedication ceremony of two new Developmental Disabilities Ministry (DDM) homes for developmentally disabled adults in Sanford. The Lanier Home and Mercer Home will provide residence for six special needs adult women and men respectively.

Food Roundup Reaches New High . . . The annual "Food Roundup" in April exceeded its goal, setting a new mark in the amounts of food, supplies, and gift cards given to BCH. North Carolina Baptists across the state, with the coordination of church leaders and association directors of missions, came together to deliver more than \$300,000 in donated items. Another high was set in the month of May when almost 3,000 volunteers and guests visited BCH facilities for work days and special events.

Mills Home Church Renovation . . . Renovation of the Mills Home Baptist Church in Thomasville was completed with the help of North Carolina Baptist volunteers and a generous estate gift. Church groups renovated the fellowship hall installing new carpet, recess lighting, and expanding and refurbishing the kitchen. Upstairs rooms were painted and new carpet and lighting were added.

BCH Reaccredited . . . BCH has been reaccredited by the Council on Accreditation of Services for Family and Children (COA). Accreditation through COA means BCH meets the highest national standards and is delivering the best in quality services. BCH received its first accreditation in 1987. The institution has been accredited ever since.

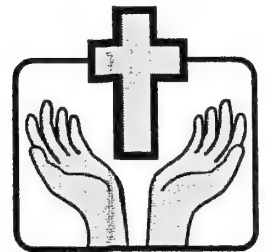

Five Star Rating . . . Three BCH centers received five star ratings, the highest possible rating, from the North Carolina Division of Child Development. The on-site daycare at Care House in Lenoir, a group home providing care and education for single teenage mothers and their babies, received its license in May 2007. The Fleshman-Pratt Education Center for infants to three year olds and Robert Idol Child Development Center for three to five year olds received five star ratings last summer. Both centers are a part of BCH's Weekday Education program in Thomasville.

Truett Home . . . A special open house on February 3, 2008 celebrated the opening of the Truett Baptist Association Children's Home in Hayesville. The home represents one of the most unique relationships in North Carolina Baptist life as BCH provides residential child care services at the facility and Truett Association provides funding and leases the property. Truett Association and BCH have partnered to provide help to children and families living in Cherokee, Clay and Graham Counties.

Girls Wilderness Camp . . . On May 20, 2008, President Blackwell made the long-awaited announcement of the establishment of a wilderness camping program for girls. With a major lead gift from the Haskell and Gay Duncan Foundation, BCH has begun fundraising efforts to build Phase One of the camp, which is located near Aberdeen in Moore County.

THE MOTHER'S DAY OFFERING: SHARING CHRIST'S LOVE WITH PATIENTS IN NEED

Thanks to the generous compassion of North Carolina Baptists, the Mother's Day Offering received \$727,884 in 2007, a new record! Every dollar helps patients in financial need pay hospital bills for care received at Baptist, in the name of Jesus Christ and his love. These patients have no other means of assistance, having too much to qualify for government assistance but not enough to pay their hospital bills. They feel the hand of God lifting their burdens through you, and their gratitude is life-changing.

"Thank you, North Carolina Baptists, for paying my hospital bill at Baptist Hospital. I had just lost my job after working 30 years and didn't know what I would do. God answered my prayers through you. I know he guided you to help me and I praise him for you."

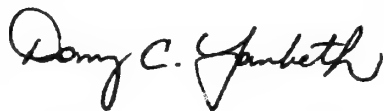

"My wife and I are thankful beyond words for this gift!" Our world changed after the accident. We were so worried about her hospital bill. The kindness of good Baptist people lifted our burden and helped her healing process. They strengthened our faith in God's care."

THE MINISTER'S SUBSIDY

The minister's subsidy covers up to 25% of the hospital bills of ministers (and their dependents) serving N.C. Baptist churches for care received at Baptist Hospital. \$85,151 was provided in 2007 to these ministers, made possible by the Hospital's W.K. McGee Patient Service Fund and the Mother's Day Offering.

CLOSING WORDS FROM THE PRESIDENT

At Baptist Hospital, our mission of healing is a sacred privilege and responsibility. We bring the best care possible to those who entrust their lives to us, combining medical excellence and simple compassion for those we serve. We see God's healing power at work every day, and we are thankful. We are grateful to North Carolina Baptists for being our partners in the mission that God has given us.

2008 Annual Report
Baptist Retirement Homes of North Carolina
to the Baptist Churches

*"Lord... you have made my lot secure. The boundary lines have fallen for me
in pleasant places: surely I have a delightful inheritance." Psalm 16:5-6*

Thank you, North Carolina Baptists!

Because of your generosity in 2007-2008, Baptist Retirement Homes will be able to provide more than \$2,000,000 in funding for benevolent care.

Their lot has been made secure.

Forty percent of our residents are financially unable to pay the cost of the care they are receiving. Month after month, year after year, many of our Assisted Living and Nursing Care residents receive financial assistance from you. Furthermore, our promise to each of our residents is that care will last for as long as they live. The financial support of North Carolina Baptists helps Baptist Retirement Homes to keep this promise.

Their boundary lines have fallen in pleasant places.

At the Western North Carolina Baptist Home in Asheville ... at the Brookridge Retirement Community in Winston-Salem ... at The Taylor House in Albemarle ... and at the Gardens of Taylor Glen in Concord, beauty, security, comfort, and compassionate care are found in full measure.

They have a delightful inheritance.

At each of the Homes, the ministry of a Baptist chaplain lifts the hearts of our residents. The enrichment and recreational activities at each Home make for an enjoyable lifestyle. Day after day the high quality of care that is given speaks of a loving Heavenly Father, helping to make life for our Aging Saints... *The Best of Times!*

Dear Associational Leadership,

This year at the Baptist State Convention annual session you will hear stories of how North Carolina Baptists are following Jesus' model of ministry to be *Caring, Sharing, and Daring*. Our theme this year for the annual session will help us remember how our Savior's mission becomes our model for all modern ministry in His name.

The Council on Christian Higher Education invites you to join us as we rejoice in how students on college and university campuses across the state are proving themselves to be *Caring, Sharing, and Daring* disciples for Jesus Christ. Here are just a few examples of how God is at work at the five institutions of higher education that cooperate with the Baptist State Convention of North Carolina.

Campbell University: The School of Education marked its first year as a Teaching Fellows program; ninety-five percent of the Norman Adrian Wiggins School of Law Class of 2007 passed the North Carolina Bar Exam; work is nearing completion on the new football stadium complex and the \$30 million John W. Pope, Jr. Convocation Center; crews broke ground on the Robert H. and Anna Gardner Butler Chapel.

Chowan University: Campus Ministry founded a new tradition – The Chowan Cares Campaign – launching a campus-wide annual week dedicated to community service and outreach; students participated in lay revival weekends, missions trips and summer missions.

Gardner-Webb University: Overall enrollment was 3,988 for the fall semester, the highest enrollment in history; the GOAL (Greater Opportunities for Adult Learners) program celebrated 30 years of service; the Frank Nanney Hall building, the new home for the Noel Program for Students with Disabilities, opened its doors for the first time; the founding of The Center for Transformational Leadership was announced.

Mars Hill College: The Ferguson Math and Science Center opened with more laboratory and classroom space; the new Day Hall, currently in the planning stages, will be MHC's first LEED (Leadership in Energy and Environmental Design) certified building; renovations will be made to the Wall Science Building and Moore Fine Arts Building.

Wingate University: The University introduced a new master's program in Physician Assistant Studies; introduced the Ed.D in Educational Leadership; more than 430 people attended Wingate's annual fall "Church Youth Day;" 18 students served on short-term mission trips; 300 students participated in campus ministry programs.

We hope you will attend the annual session of the Baptist State Convention in Greensboro November 10-12 and hear more from the Council on Christian Higher Education about how students are living as *Caring, Sharing, and Daring*.

Your gifts to the Cooperative Program are critical to the success of these institutions and students. This year nearly \$1 million was awarded in scholarships, with more than 700 students receiving scholarships. Students applying for the Baptist Scholarship were required to answer two essay questions: "Give your personal testimony" and "How is the Cooperative Program relevant to today's generation?" Thank you for your support and please continue to pray for our college students and faculty.

Report for 2008 Book of Reports

Office of the GuideStone Team of the Baptist State Convention of NC, Inc.

The GuideStone Team of the Baptist State Convention of North Carolina exists to educate and inform key lay leaders who are the decision makers in our churches, and to facilitate the delivery of important products and services to the employees of the more than 4,000 churches affiliated with our state convention. Specifically, we use a variety of delivery methods to enhance the procurement of the following for church employees: **Insurance Products** (Life, Accidental Death & Dismemberment, Medical, Disability, Dental, and Long Term Care), **Retirement Products** (Church Retirement Plan, Traditional and Roth IRAs, Personal Investments, etc.), **Compensation Planning for Church Employees**, **Tax Issues**, etc. In addition, we work closely with GuideStone Financial Resources in Dallas to provide financial assistance to those elderly ministers and widows of ministers who live under financial duress and need ongoing and/or one time assistance through the **Mission:Dignity Ministry** which is the new term for the very successful Adopt an Annuitant Ministry.

To personalize the importance of our work please consider the following vignettes. First, consider Pastor A, who had emergency heart bypass surgery this year with no medical insurance. The overwhelming cost of this surgery has placed a tremendous financial burden on him and his family. Furthermore, this pastor was not an active participant in the church retirement plan until recently. With the state convention protection benefits that come with monthly contributions to the retirement plan this pastor, as a retirement participant, now has a survivor and disability benefit in place for himself and his family in case of a debilitating illness, accident or death. Since no underwriting is required to prove evidence of good health, this pastor, his family, and the church he is serving is now protected from another catastrophic event resulting in disability and/or death. In 2007 working with GuideStone we paid the following disability and survivor protection benefits to North Carolina church employees and/or their families: 111 Disability Benefits Totaling \$606,708.68 and 39 Survivor Benefits Totaling \$391,254.53. This is a powerful example of CARING by our state convention by providing these much needed financial resources for those in need.

Secondly, please note that all church planters who receive financial assistance from the Baptist State Convention of North Carolina are now required to be an active participant in the Church Retirement Plan. With this change in policy we have the assurance of protection for all of our church planters, their families, and the churches they are starting in case something happens to them. By DARING to move in this direction our state convention has provided a safety net for those who have stepped out in faith to begin much needed new churches in our state.

Thirdly, consider Pastor C, who has now retired because of poor health. During this past year we qualified him to begin receiving monthly financial assistance from GuideStone through the Mission:Dignity Ministry to supplement his paltry monthly income. In fact, his wife shared with me recently that they would be in deep financial trouble without that monthly financial assistance from GuideStone. As of June 30, 2008, we have 206 persons from North Carolina who are receiving financial assistance through Mission:Dignity. SHARING in this way fulfills the mandate of scripture to provide for those in need. Please assist us in identifying other persons who might qualify for this assistance.

Finally, we wish to serve all of our churches and their employees with the appropriate information and products to meet their needs. For more information call the Baptist State Convention of NC at 1.800.395.5102 extensions 5594 or 5595, visit our Web site at www.ncbaptist.org, call GuideStone at 1.888.984.8433, or visit the GuideStone Web site at www.GuideStone.org.

THE NORTH CAROLINA BAPTIST FOUNDATION, INC. 2007 ANNUAL REPORT

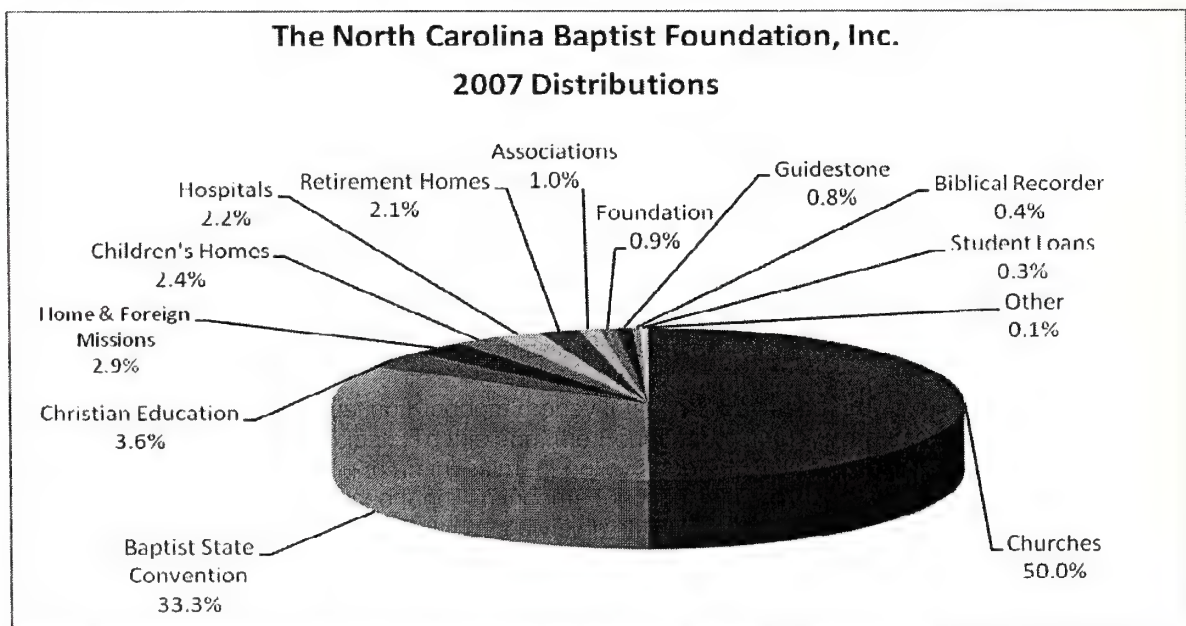

The mission of the North Carolina Baptist Foundation since its inception in 1920 has been to assist the Convention and its institutions and agencies in increasing an awareness among North Carolina Baptists of Christian estate stewardship principles as a means of financially undergirding churches, institutions and mission endeavors on a permanent basis. The uniqueness of the ministries and services provided by the institutions and General Board staff merits increased financial support. The Foundation accomplishes these objectives by offering assistance in estate planning counsel, Will preparation, planned giving, charitable remainder trusts, endowment funds and church fund management.

Accomplishing this mission does indeed involve Caring, Sharing, and Daring. The Caring of the Foundation manifested itself in 2007 as individuals were assisted in establishing 35 endowment funds and 8 charitable remainder trusts totaling \$1.8 million and received \$4.8 million in contributions to existing endowments, all of which will ultimately benefit countless Baptist causes on a permanent basis. Programs were provided for churches and associations during the year to promote Make Your Will Month, Christian estate stewardship and church fund management. Approximately \$445,000 from churches and institutions came under management to enhance numerous ministries including scholarships, building funds, cemetery funds, benevolence funds, general operating funds and other various mission causes. Overall, the Foundation received just over \$7 million in contributions during 2007 for Christian causes.

And, how is this for sharing? During 2007, our distributions totaled \$13.9 million, with charity receiving \$11.6 million and individuals, through trusts, receiving \$2.3 million. During the 86-year history of The North Carolina Baptist Foundation, Inc., \$33.9 million has been distributed to individuals and \$70.8 million to Baptist churches, institutions and mission causes for a grand historical total of \$104.7 million.

The Daring is seen in our investing Kingdom money in such a way as to grow the assets while at the same time protecting the principal. To this end, the Foundation employs professional money managers to invest these funds according to an investment policy adopted by its Board. Four investment pools are offered: a growth fund, a balanced fund, an income fund and a fixed income fund. The Foundation uses the services of Citi Institutional Consulting, a division of Citigroup Global Markets, to help select top money managers and evaluate performance. As of December 31, 2007, the Foundation held \$156.9 million under management.

Report from the Baptist State Convention of North Carolina

Associational Partnerships

Ken Kessler, Baptist State Convention Associational Partnerships Team Leader for the past three and a half years, took a position with the Baptist General Association of Virginia in April 2008. Betsy Roland, Associational Partnerships Ministry Assistant, continues to serve associational staff as we search for a new Team Leader. The Convention serves churches along with 80 associations across the state.

Each year Associational Partnerships hosts an associational mission's summer conference. This year's conference theme was "Living with Urgency: Seize the Divine Moment." Speakers included Hugh Townsend, North American Mission Board; Pedro Rosario, Crown Financial Ministries; and David Mann, LifeWay Network Partnerships Specialist.

Bivocational Ministries also hosts an annual summer conference. "Developing the Leader Within You" was the focus this year, with special emphasis on 1 Timothy 5:2-3. Conference participants at Caraway Conference Center heard from Jim Henry, retired senior pastor; Ray Gilder, bivocational specialist with the Tennessee Baptist Convention; and Diane Gilder, teacher and leader in conferences for ministers spouses. Lester Evans is the BSCNC bivocational ministries consultant. The BSCNC has about 1,400 churches with bivocational staff.

Also sponsored annually is the Associational Staff/Convention Staff Dialogue. Each January, leaders dialogue about common ministry points in associations across North Carolina. Leaders learn from the ideas of others and encourage one another in their evangelism opportunities.

The retired directors of missions banquet in December invites leaders and their spouses to Caraway to fellowship and share how the Lord continues to work in their lives.

Associational Partnerships helps associations fill ministry positions and provides training for search committees. Through Ministry Partnership Agreements local associations partner with this office in outreach such as church planting, resort ministry and ethnic and language ministry.

Another resource offered by this office is demographic services for associations and churches. Understanding the demographics of an associational area can help leaders be more effective in their planning and outreach. Convention churches can access this information through the Percept organization at the Web site www.link2lead.com. This year Percept added advanced features to allow leaders to view demographic data not only in their association, but within a certain mile radius of the association. Leaders can also view the demographics of other associations.

Associational Partnerships allows North Carolina Baptists to serve together and minister in the name of Jesus Christ.

Mr. Blanton then presented the proposed budget for 2010. This budget is a 1.4% increase over the 2009 budget, which is reflected in our mission programs. This also was approved without question.

Mrs. Owen then presented the proposed meetings for 2010 which were also approved. Nominating Committee representative, Rev. Howard McNeill presented the following additions:

Brotherhood Director: Rev. Josh Hughes

Missions Pastor: Rev. Doug Davis

These were approved by the messengers present.

Rev. Kenneth Tucker, Chairman of the Credentials Committee reported that the committee had met upon the request of Forest Park Baptist Church for the purpose of examining for ordination, Brother Jeff Reece. He introduced Mr. Reece and had him to stand. The committee was recommending that Forest Park go ahead with the ordination service. Moderator, Rev. Tim Fonner then led in prayer for Brother Reece as well as the church as they move forward.

Again, Charles Edwards and Ruth McNeill came forward to lead in "Victory in Jesus."

He asked that any committee members present stand and then explained a little about this new ministry to aging. This is solely funded by the BSCNC. Grants are available and he presented Rev. Booker with a check for \$5,000.00 to help get the ministry started in Randolph Association.

Dr. Sells, DOM recognized two churches for their missions giving:

Dr. Sells recognized that Dr. Ronnie Chaney would be beginning Seminary Extension courses in January.

The NCBAM ministry, led by Rev. Gene Booker will allow people to not only stay in their homes longer, but safer as well.

180 ° Life Journey training will be starting soon.

RBA will be hosting a pilot program for an SBC Stewardship seminar.

We will be conducting a Sunday School enlargement campaign.

Dr. Sells will be presenting Church Health Materials.

We are partnering with Cedar Grove Baptist Church and the BSCNC to begin a Montagnard mission. Another new mission is also possible.

He submitted Constitutional changes for review, to be voted on at a later date.

Dr. Sells said he is burdened that the role of the Holy Spirit being lost. He said in the first four chapters of Acts, the Holy Ghost is mentioned at least nine times. He challenged pastors and church leaders to get serious about this. The New Testament church is to depend on the Holy Spirit of God, not ourselves.

Mrs. Gaye Joyce said without the Holy Spirit living in her she would not be able to teach. She then sang a beautiful solo.

Rev. Jon Ferguson, Pastor of Forest Park Baptist Church then led in prayer and presented the annual sermon. He read from the first chapter in Romans. He also said that whenever he receives the RBA annual, he checks the baptism numbers at the back. He is concerned with the numbers because he says God is. As a matter of fact, God was so concerned with numbers that he named a book that in the Old Testament.

Rev. Ferguson said there are 7 key components here:

- 1: Call of Evangelism be not ashamed
 1. We are ambassadors for God
 2. We have been sent
 3. There are too few workers
 4. If we're ashamed of Christ, he will be ashamed of us.
 5. He who is not gathering, is scattering

There are too many couch potato Christians; consuming the word of God, but not sharing it.

2. Message of Evangelism: the gospel: good news
 - A. Admit (that you are a sinner)
 - B. Believe (Jesus Christ died on the cross and is the only way to salvation)
 - C. Commit: Must be a full surrender
3. Power of Evangelism
DUMAS is the Greek word for power.
We have power to serve as long as we have breath, the power of the Holy Spirit
4. Goal of Evangelism:
Power of God to salvation:
 - Saved from a perverse generation
 - Saved from being lost
 - Saved from our sins
 - Saved from the consequences of sin
 - Saved from the wrath of God
5. Reach of Evangelism: Gospel is for everyone
6. Requirement of evangelism:
 - Righteousness of Christ
7. Result of Evangelism: Faith: "True faith works."

Rev. Jeff Joyce again mentioned that the baptisms were not keeping up with the deaths from the memorial list.

He encouraged all the stay for the meal, led in a closing prayer and blessed the food.

Evening Session

Moderator, Tim Fonner called us back to order. He thanked Rev. Ferguson for his message. White's Memorial Choir, directed by Rev. Jr. Hanig sang "I'm Feelin' Fine" and "What a Day That Will Be."

Rev. Hanig led the congregation in singing, "Saved by the Blood."

The evening message was presented by Rev. Tim Steen, Pastor at Glenola. He took the message from 2 Kings 3: 1-16.

In talking about the importance of an association, Rev. Steen pointed out how the three kings formed an association. They went to the prophet, knowing they'd done all they could do. The Lord tested them by telling them to dig ditches. God has given us the responsibility to win a lost world. Even though the valley may be wide and deep, hard and rocky. Will they be able to dig? Yes, God will provide. Their willingness to obey was tested.

They could have said they didn't have the right tools or the money, as we sometimes complain. They and we can say we don't have the time. However, God blesses obedience.

As they developed a willingness to cooperate, they began to realize they could do what God had called them to do if they'd work together.

We need to pray for people. We need to build relationships and love people, even those who are hard to love.

Churches need to be in harmony, working together, not in competition. We are all on the same team.

The three kings defeated the Moabites by working together. They experienced real victory and so can we.

Rev. Tim Fonner, Moderator closed the session in prayer.

Whites Memorial Church History

In the early 1900's Mr. George Richardson (now deceased and the father of Mrs. Bessie Walker, also now deceased) hauled cordwood to sell. During this time he met and became acquainted with Rev. Joe Dan Hackney. Rev. Hackney was an enthusiastic young preacher who wanted a place to preach very badly. Mr. & Mrs. George Richardson opened the doors of their home for Rev. Hackney to preach. (This home is the former residence of Mr. & Mrs. Dewey Amick. Mrs. Amick is the granddaughter of Mr. & Mrs. Richardson.) A small group of people joined together in the Richardson home to hear Rev. Hackney preach

During this time Mrs. George Cagle was going to a large flat rock, where the church is now located, to pray that someday a church would be established there. The land was owned by George Cagle and later he gave the land for the church to be built on.

A brush arbor was built near where the church now stands. Rev. Hackney would hold services under the arbor and afterwards the people would sit around the rock and talk about establishing a church.

Rev. Raleigh White held a revival meeting under the arbor and at the conclusion of the meeting the people decided to establish a church. Thus plans were put in process to do so. Sometime prior to the church's official organization, the brush arbor was replaced by the first building, a one room wood structure. There were two doors in the front with steps leading up to them. A large wood stove sat up front, amongst three sets of pews. Curtains were used to divide the building into four classrooms. Facing the pulpit the choir was originally on the right hand side of the church. Later the choir loft was moved to the left.

The church began as a Mission Point of Moor's Chapel Church (now known as Franklinville Baptist Church), and on the second Sunday in May, 1908 it was organized into an independent body.

(Article from the Courier Tribune – Thursday May 14, 1908)
FRANKLINVILL GLEANINGS.

Baptist Church Organized-Franklinville School
Commencement

Several of our people spent Sunday at the Cross Roads near Gray's Chapel, where a Baptist church was organized and Rev. Thomas Keyton was called to fill the pastorate. This church has grown out of the untiring efforts of Rev. J.D. Hackney, who has been preaching in the community for several years in private houses and under a brush arbor until recently a new church has been built.

The Presbytery consisted of Elder James Jordan, J.D. Hackney, Thomas C. Keaton, and W.R. White. Messengers were present from Moor's Chapel, Ramseur, and Cedar Falls Baptist

Churches. Thomas C. Keaton was elected moderator of the Presbytery and W.R. White the Secretary. Letters of 25 charter members were read and they solemnly declared themselves as an independent body.

Services held during that Sunday consisted of Sunday School the first hour, preaching at 11 o'clock by Thomas C. Keaton, his text being Mathew 5:47 – organization of the church, preaching in the afternoon by Elder James Jordan – text Psalms, and after preaching a short church conference. Eighteen Articles of faith and the Church Covenant were read and unanimously adopted. Brethren Milton Allred and Len Walker were elected as the first deacons. Mrs. E.C. Allred was elected the first organist and Mr. E.W. Allred was elected the first Sexton of the church. (A sexton is an official of a church charged with maintaining church property, ringing the bell, etc.)

A vote by ballot was held to select a name for the church. White's Memorial received a large majority of votes, and it was agreed that the church should be known by this name. It was named after Rev. W.R. White. Many thought the church should have been named Hackney's Grove after Rev. Joe Dan Hackney.

The church unanimously called Thomas C. Keaton to serve as their first pastor. He served as pastor until October 24, 1908 when he tendered his resignation. The first person buried in the church cemetery was Dorothy Alice Webster in August of 1913. She was the daughter of the late Mr. & Mrs. Wesley Webster.

The second building was built in 1949, under the leadership of Pastor W.L Owens. It also was a wooden structure, and in 1952 classrooms were added by the church, during the 1st tenure of Jack Sherron as pastor.

In 1967, during the pastorate of Ed Shelton, the church built a brick parsonage. Still in use, it has a living room, four bedrooms, two baths, combination kitchen, den and dining area, a half basement, carport and pastor's study.

Several years later in 1969, the church was remodeled, with the structure being bricked at this time. The church consisted of a large sanctuary, seating around 325-350 people, containing twelve classrooms, and two offices.

The current fellowship hall was completed in 1979, under the leadership of Pastor Jack Sherron, during his second tenure as pastor.

Plans for the current structure began in March of 1996. The church voted to tear down the existing church. On May 5 1996, the church voted to get a loan and start on a building plan by Bill Whitaker. On June 15, 1996, the sanctuary and classrooms were demolished by fire as a training exercise by the Franklinville Fire Department. On July 15, 1996, construction was started on the new sanctuary. During this time church services were held in the Fellowship Hall and Sunday School classes for the youth were held in Estelle Lawson's home across the street. The first service in the new building was the annual Memorial Day service held on June 1, 1997

This is designed to reach hunters and fishermen, men & women, boys and girls. There will be free food, door prizes and a guest speaker, Dr. Bill Brown.

The main goal of the event is to "build the kingdom."

Moderator then called Rev. Gene Booker to come to the front. He expressed the appreciation of the entire association for Gene's work as interim the second time. He presented Gene with a check for \$500.00 as an appreciation gift from the association.

Gene expressed his thanks and said that he considered it a privilege to serve the RBA.

The congregation then joined together to sing, "Standing on the Promises," with the accompaniment of pianist, Deby Appling.

Dr. Steve Sells was then recognized. He came forward and presented a PowerPoint program showing each of our churches and some of the local ministries. He also introduced Rev. Bud Parrish, our speaker. Rev. Parrish is the Director of Missions in Robeson Association.

Rev. Parrish said the question is not whether we are believers, but what kind of believer we are. If we are full of Jesus, we will have love for one another. If we are full of ourselves, we stay in the wilderness, criticize and complain, gripe, grumble and gossip.

We keep doing the same thing over and over and wonder why we still get no results. Once we get over our love of ourselves and get filled up with Jesus, we care more about others.

How's your ministry?

Every believer is a minister. We can all pray and we can all go on mission.

God has also called the church to reach the next generation.

2 things needed for revival are thanksgiving and forgiveness.
Evangelism is giving away your best friend.

We need to catch the 2020 vision: Every believer sharing and every person hearing the gospel message by the year 2020.

Verse 35 says "Go."

Verse 36 says "See"

Verse 37 says "Feel" (be moved with compassion.)

Verse 38 says "Pray"

We have to go, see and feel before we really know how to pray.

Get up! Grow up! Go out!

Rev. Tim Lowry then came forward and thanked Rev. Parrish for his inspiring message.

He gave the following count and then led in a closing prayer and blessing.

27 churches were represented at this meeting.

Important Note ...

The purpose of a healthy church is not simply the “health” rather it is “the Harvest!”

What makes a church unhealthy?

Division in the Body

Desertion from the Body

Inconsistency of the Body

Irrelevancy of the Body

Inability of the Body

Isolation of the Body

Inanity of the Body

Results of Unhealthy Churches

- It has little or no outreach to the community.
- It refuses to change to meet the needs of the community.
- It maintains irrelevant programs and methods.
- It becomes exclusive
- It losses any vision it ever had.

Problems that Lead to Unhealthy Church!

Conflict

Focusing Inward

Cultural indifference

Poor Leadership

Lack of Vision and Purpose

Poor Self-Esteem

Church Health and the Church Lifecycle Curve!

- How does a church determine whether it is healthy or unhealthy?
- The answer is based on where the church finds itself on the church life-cycle.
- The further the church is along the life-cycle, the more drastic the steps needed.

The pattern includes Birth of the Church, Incline, Plateau or Recline, Decline and then Death.

The Pattern of Church Health Today!

- Despite all the hype about growing churches in America about 87% of our churches are in plateau or decline.
- 18-19% of American churches are growing.
- About 80% of that growth is biological or transfer growth.
- 1% of American churches are growing substantially by conversion growth.

Healthy Churches Grow! But there are Barriers to that growth!

Barriers such as: staff shortage, purposeless, ex-neighborhood, finite facilities, too few funds, dissenting minority

Some Things a Healthy Church will seek:

The Holy Spirits direction and power, to gather regularly, to provide training, encouragement, to be intentional in its efforts, to identify and develop, place high priority of communicating the truth of Jesus

Indicators of a healthy church!

Centrality of God’s Word, Fruitful Evangelism, Dynamic Worship,

Great Commission Driven, Leadership Multiplication, Church Planting, Loving Relationships

Is your church healthy? Does it have the potential to grow to greater health?

The meeting was dismissed with a prayer and a blessing on the food.

26 Churches were represented by:

59 Messengers

5 Alternates

33 Visitors

12 Pastors

2 RBA Staff

Total 109 people at this meeting.

Spring Meeting: Riverside Baptist Church April 20, 2009

Registration began at 6:30 with the assistance of Calvin and Ann Brower.

The meeting began by Rev. Kenneth Bouldin, Pastor at Riverside, welcoming the association to the church. He also led in an opening prayer.

Special music was done by Barry Brady and Margie and Larry Wilson.

Dr. Ron Chaney served as moderator after a vote of confidence to allow him to do so.

Moderator, Rev. Tim Lowry and Vice Moderator, Rev. Tim Fonner were neither able to be at the meeting.

Dr. Chaney called attention to the financial report in the absence of Treasurer, Susan King. The report was received as presented.

Dr. Steve Sells recognized one new staff member. Rev. Scott Kidd has been called as Associate Pastor/Youth at Center Cross.

Charles Edwards then led the congregation in singing "Because He Lives."

Dr. Steve Sells then presented the program.

He said the book of Acts tells us how to "do church." We cannot forget where the power comes from. We don't understand the power of the Holy Spirit. In a recent edition of Newsweek magazine, there is an article entitled "The death of Christianity and its influence in America." This is indeed a scary thought.

The program was entitled, "**Healthy Kingdom Churches Reaching their Jerusalem**"

Fact: "Church Health must be predicated by Pastoral Health!" Spiritually healthy churches must have spiritually healthy pastors.

The challenges facing the church and her mission:

- In America, it takes 85 Christians one full year to reach one person for Christ.
- Roughly half of all churches in America did not add one single person through conversion last year.
- The un-churched population of the USA would in itself comprise the 5th largest country on the planet.

Church and Her Mission Continued ...

- Dr. Rodney Harrison says, "Eighty-seven percent of churches in America have hit a plateau or are declining. The statistics for SBC are about the same as other denominations.
- Thirteen churches in America shut their doors for good everyday.

There Are 6 Qualities of a Healthy Church that are Essential!

Worship Ministry Evangelism Discipleship Fellowship Prayer

Church Health is a Result of Balance!

- Balance occurs when you have a strategy and a structure to fulfill all 6 qualities of Church health.
- When a church emphasizes any one quality to the neglect of the others, imbalance is produced.

How to Keep Things Balanced ...

- Get people involved as members not by-standers
- Mature them through discipleship
- Help them get involved in ministry
- Send them out

Summer Meeting: Randolph Baptist Association
Deep River Baptist Church
August 17, 2009

There were 59 messengers, 6 alternates, 17 visitors, 16 pastors and 2 staff for a total of 100 present, representing 27 churches.

Meeting called to order by moderator, Rev. Tim Fonner. He also read Psalm 93.

Rev. Gene Adcock then welcomed us to the church and expressed what an honor it was to host this meeting. He led in an opening prayer.

Larry & Kay Atwood, musicians from Deep River sang *I Believe He Died for Me* and *Thank You, Jesus* which was actually written by Larry.

Dr. Steve Sells called attention to a page in the packet of materials which gave a very brief explanation of two new ministries in the association: *Randolph BAM* and *180° A Life Journey*. Both these new ministries will begin in the New Year, if approved.

Randolph BAM is a Baptist Aging Ministry, which Gene Booker will be over-seeing. *180° A Life Journey* is an addiction program to meet the unique needs of people with addictions. Dr. Sells will be over-seeing the program for our association.

Dr. Sells also reported that the council is meeting regularly, looking at where we are and the future of our association. We will be setting goals and a new purpose, mission statement, etc.

Dr. Sells then called on Rev. Kenneth Tucker to share briefly about the upcoming Pastors Solemn Assembly. This is to be at Balfour on September 1. There will be a light breakfast and a light lunch. Three messages will be brought by Jeff Joyce and Marty Dupree. Pastors need to register and pay a registration fee of \$5.00.

Mrs. Shirley Sells will be hosting a brunch for the pastors' wives on October 3rd. This will be from 10:00 to noon at Oakhurst. Invitations will be mailed shortly.

Charles Stovall, from Baptist Children's Homes gave a word of appreciation for all we are doing for the children's homes.

January 24, 2010, we plan to hold a 75th Anniversary Celebration for the Randolph Baptist Association. Rev. Judson Rotan, retired DOM will come back to speak. There will be other speakers and special music. This will be from 2:00 til 4:00 at Oakhurst.

Four representatives from the association were recently certified in the Truth Project and they plan to teach this in various areas of the county soon.

We are also planning a toy store next year.

Dr. Sells also called attention to a brochure given out as people came in concerning supporting the association. He said just as your church can't do ministry without funding, neither can the association.

Week of Prayer for NC and the Mission Offering is September 13-20th. Remember that 10% comes back to the association for local missions.

The moderator, Rev. Tim Fonner read 1 Thes. 3:11 and then said we would go in to the business portion of our meeting.

Susan King gave the treasurer's report, which was approved.

Rev. Howard McNeill gave a report from the Nominating Committee. With the addition of Rev. Jeff Joyce to the Randolph BAM committee, these recommendations were approved.

Dr. Sells recognized the Triad Cowboy Church for their being a high percentage giver to the Cooperative Program.

There was no miscellaneous business and the business session was closed.

The congregation then sang, "*Victory in Jesus*," led by Mr. Charles Edwards.

Dr. Sells introduced the speaker, Dr. Charles (Chuck) Register from the BSC. He is the executive director for Church Planting and Missions Development.

Larry Osborne and Benny McDonald, from Triad Cowboy Church sang two songs. They were exceptional. One, "*The Answer*" was written by Larry Osborne and the second, "*Jesus Spoke to Me*" was written by Benny.

Dr. Register then took the podium. He thanked us for the opportunity to come and share with RBA. He commented about the 180° program we are starting, as well as the possibility of an Asian church plant. He brought greetings from Milton Hollifield and the BSC. He said they appreciate all the association is doing.

He read from Rev. 3: 7 & 8 and then mentioned the NC Missions Offering, with the prayer guide and other resources available. NC Baptist Men are totally funded by NCMO, while Church Planting is funded by the Cooperative Program and the NCMO.

Also, 10% comes back to the association.

He spoke of the health of the SBC, saying that over the last two years, the convention has actually lost membership. The convention was smaller at the end of the year than at the beginning. We are baptizing fewer people with each passing year. He then spoke of the Great Commission Resurgence.

He said we must become Biblical once again; then we'll start seeing people come to Christ.

3 characteristics of an Open Door Ministry are:

1. Dependence: being dependent on the person and power of the Holy Spirit. Allow the Holy Spirit to use us as instruments to change our world.
2. Determination: obedience to the word.
 1. Preach the word.
 2. Teach the book: make disciples
 3. Study the book
 4. Live the book: Be witnesses
3. Devotion: Do not quiver when laughed at by the world.

There are no problems in SBC that can't be fixed if we become Biblical again.

Dr. Register led in a prayer, praying that RBA become like the church of Philadelphia to reach our communities for Christ.

Dr. Sells then called on Rev. Adcock to close out the meeting. He urged all to stay for refreshments and led in a closing prayer and blessing on the food.

A Word from the Missionary...

I have been honored to serve the pastors and churches of the Randolph Baptist Association since November of 2008. My tenure has been one of getting to know as many pastors and churches as possible. My short time here has truly been a wonderful experience.

Good things have happened this past year and God has set before us great opportunities for the coming year as well. We have three churches that are without pastors. Please pray for them as they search for God's will. They are Balfour Baptist, Beulah Baptist and Macedonia. For me, this past year has been a time of learning. I have been busy studying the ins and outs of the association and I have learned a lot.

Recently we began a partnership with the North Carolina Baptist Convention and Cedar Grove Baptist church to plant a Montonyard Church in Southwest Randolph County. This is a great opportunity to minister to a new language group that has moved to our area.

The Cowboy Church is continuing to meet in New Market School but they are aggressively looking for property on which to build. CrossPoint is continuing to meet in the Level Cross Community Building and they are looking to have their own facility in the future. Please pray for these two churches and their pastors as they move their churches forward.

The New Year holds some grand opportunities for the Association. Seminary Extension will be brought back as well as a Family Life Committee and a Christian Action Committee. New ministry opportunities include NCBAM, 180° Life Journey, Truth Project, and Divorce Care will be among some of the new programs to be started this year.

There will be opportunity for training in the areas of discipleship, Sunday School, Deacon Ministry, Music Ministry and Church Health and revitalization in the coming year.

A very successful event this past year was the Sportsman's Expo, which was held in the Armory. Over 900 people attended. Next year's date and place have not been determined but a fantastic speaker has been secured.

On January 24 at Oakhurst Baptist from 2:00 to 4:00 PM, we will be celebrating the 75th Anniversary of the Association. The Guest Speakers are Rev. Judson Rotan (previous DOM) and Dr. Milton Hollifield (Executive Director –Treasurer of the NCBC). This will be a wonderful time of remembering where the association came from and where we plan to go in the future.

This New Year offers new challenges and opportunities for our association. Let us work together to accomplish all that God has for us.

Because of Jesus,

J. Steve Sells, Director of Missions

BAPTIST CHILDREN'S HOMES OF NORTH CAROLINA (July 2008-July 2009)

Paulina . . . Eighteen-year-old Paulina has lived at Baptist Children's Homes' oldest campus Mills Home in Thomasville for three years. BCH has been the refuge Paulina needed as the storms of her family's life swirled around her uncontrollably. The arguments between her parents were becoming more frequent.

Paulina's mother and father knew their problems were disruptive. After a recommendation from a friend, they called BCH. Here she found caring staff members who would listen. She found a place where she felt safe.

Paulina credits BCH child care workers Sonya and Bobby Dalke for helping her make the best of her new life. It was through the Dalkes' guidance that Paulina accepted Christ as her personal Savior.

After accepting Christ, Paulina stepped up for the other girls in her cottage. "I began to understand more," she says. "I was determined to be a role model."

Last year, Paulina was one of the first girls admitted into BCH's new transitional living service at Huffman Cottage. Transitional living allows a resident the opportunity to focus on the skills he or she needs to live independently.

Paulina has been accepted to a couple of colleges but plans to stay close to Thomasville and attend the community college. She is hoping to earn an associate degree in physical therapy and then transfer to a four-year college to receive her bachelor's degree.

"I am grateful to have had a place to retreat and feel good about me," Paulina says.

Girls Wilderness Camp Moving Forward . . . The long-held dream of opening Camp Duncan, a wilderness camp for at-risk girls, is unfolding through the commitment of North Carolina Baptists. North Carolina Baptist Men and Baptist Men on-site project coordinator David Seymour are leading church groups and other volunteer efforts to develop and renovate the 576-acre property and its facilities. On June 13, churches, dignitaries and supporters joined BCH staff members and residents for a picnic and groundbreaking ceremony at the property. BCH is in the process of raising much-needed funds to open Camp Duncan. The Gay T. and Haskell A. Foundation, for which the camp is named, gave a \$250,000.00 grant. The foundation has issued a challenge gift that will provide an additional \$250,000.00 grant once BCH raises \$500,000.00. The cost to complete Camp Duncan is estimated at \$1 million.

BCH Undertakes New Aging Ministry . . . Baptist Children's Homes has been tapped to oversee the North Carolina Baptist Aging Ministry (NCBAM), a dynamic Christian resource for the aging and their families. The non-residential ministry is operated by BCH and totally funded by the Baptist State Convention. The ministry focuses on providing information and referrals, on connecting the aging and their families with resources to meet needs, and on coordinating practical ministries. NCBAM is designed to help North Carolina Baptist churches and associations in developing services that benefit the aging. The ministry is Christ-centered and seeks to treat the aging with dignity and respect enabling individuals to maintain independence and a quality life.

NCBAM awarded its first grant to Brookwood Baptist Church in Jacksonville in May. The church, which has a vital senior adult ministry, will use the funds to access and expand its outreach to aging adults in the Onslow County area.

In June, NCBAM announced its first pilot program in partnership with the Liberty Baptist Association in Thomasville. The association and its area churches will work with NCBAM to implement "Pilot One," a three-month program to test the concept and goals of the ministry before expanding services across the state.

Churches Meet Offering Goal . . . North Carolina Baptists rallied once more to meet last year's BCH Offering goal. The \$1,410,000.00 amount for 2008 is BCH's largest offering challenge to date. BCH staff members spoke in a record number of 1,043 churches last year. Despite the economic climate, North Carolina Baptists showed their love, compassion and commitment to putting the needs of hurting children first through their tremendous generosity and sacrifices.

Children Accept Christ . . . In 2008, 85 children in care at BCH facilities across the state accepted Christ as personal Savior. BCH remains committed to being Christ-centered through all its programs to children and families. Residents attend church, participate in daily devotions led by their child care workers, and North Carolina Baptists frequently visit BCH's residential locations helping encourage and minister to boys and girls.

Churches Renovate Cottage . . . North Carolina Baptist groups volunteered their time, resources and skills to transform Mills Home's Bright-Brown Cottage in Thomasville. Church groups were from Bay Leaf Baptist in Raleigh, Pleasant Garden Baptist in Pleasant Garden, and Scotts Hill Baptist in Wilmington. The cottage was revitalized so older boys could participate in BCH's new transitional living service. Transitional living teaches older residents the skills to be responsible, independent adults after leaving BCH's care. Renovating Bright-Brown Cottage would not have been financially possible without church volunteer efforts. The cottage is now full and serving five older boys.

BCH Approaches Historic Anniversary . . . This November, Baptist Children's Homes will begin counting down to its 125th anniversary. Originally known as the Baptist Orphanage, BCH opened its doors on November 11, 1885 and today operates care facilities in 14 North Carolina communities. A year-long celebration will culminate at the annual meeting of the Baptist State Convention in November, 2010.

Information and Appointments

For an appointment with one of our physicians or to receive information on health related issues, contact HEALTH ON-CALL at 800-446-2255 or 336-716-2255. Please visit www.wfubmc.edu to learn more about our services.

THE SCHOOL OF PASTORAL CARE

We are grateful for the longstanding partnership in ministry we share with North Carolina Baptists and the support of the Cooperative Program. By working together we extend the ministry of churches and fulfill the school's mission of "**providing ministries of growth, hope and healing in the Spirit of Christ.**"

Baptist Hospital's CareNet of North Carolina will provide over 33,000 hours of compassionate, hope-filled and faith-integrated counseling in 2009 to hurting individuals and families.

Our statewide network consists of 21 counseling centers covering 80 counties in North Carolina.

Nearly half of our clients are Baptists, and ministers are among the largest referral source.

Counseling for military personnel and families, struggling with the emotional stress of combat, is a rapidly growing area of service.

The Center for Congregational Health extends the ministry of North Carolina Baptists through Christ-centered consultation for churches and leadership development for clergy.

Over 250 churches per year are helped with planning for their futures, re-energizing congregational life, or resolving divisive conflicts. A Baptist deacon recently reported, "*Our church was dying and everyone was sitting on the sidelines. We are grateful to the Center for training the minister who helped us. Our future looks bright now!*"

The Chaplaincy and Pastoral Education department will provide life-changing education for nearly 50 ministers and seminary students in 2009, strengthening their skills for ministry.

- Our chaplains will make more than 60,000 ministry contacts with patients, families and staff in 2009.
- Over 250 worship services will be provided for patients, families and staff.

THE MOTHER'S DAY OFFERING: SHARING CHRIST'S LOVE WITH PATIENTS IN NEED

North Carolina Baptists opened their hearts and gave **\$732,856** to the Mother's Day Offering in 2008! These gifts help patients in serious financial need pay their hospital bills in the name of Jesus Christ and his love. They have nowhere to turn for assistance, having too much to qualify for government assistance but not enough to pay their hospital bills. God lifts their burdens through you and draws them closer to Christ in gratitude.

"Our world changed when our little girl was diagnosed with leukemia. It has been incredibly difficult – made even harder when our hours at work were cut back. We were so worried about her hospital bill. But Christ reached out to us and blessed us through the Mother's Day Offering. We thank North Carolina Baptists from the bottom of our hearts. We know that God is good all the time."

THE MINISTER'S SUBSIDY

We provide a subsidy that covers up to 25% of the hospital bills for ministers (and their dependents) serving N.C. Baptist churches for care received at Baptist Hospital. This assistance is made available through our W. K. McGee Patient Service Fund, with help from the Mother's Day Offering as needed. In FY 2009 the subsidy will surpass \$125,000.

GRATITUDE FROM OUR PRESIDENT

The Scriptures call us to be thankful always, and we give thanks to God for the privilege of serving Him at Baptist Hospital. We are thankful for the expertise of our dedicated employees and the patients who entrust their lives to us. We are grateful for the prayers, compassion and generosity of North Carolina Baptists. Together, we are extending the reach of Christ's healing care through our partnership in ministry. It is with a deep sense of gratitude that our Hospital family extends its appreciation for all you do to support our mission. We value the trust you have placed in us. God bless you in all you do for each of us.

Report from the Baptist State Convention of North Carolina

For period July 1, 2008 to June 30, 2009

The Baptist State Convention exists to help local churches and associations minister effectively and bring glory to God. The Baptist State Convention of North Carolina staff, under the leadership of Executive Director-Treasurer Milton A. Hollifield, Jr., is committed to helping Baptist churches maximize their ministry outreach for the purpose of building the Lord's Kingdom.

In 2008, the Baptist State Convention of North Carolina restructured to create a new ministry group – the Church Planting and Missions Development Group (CPMD). At its creation the new group incorporated the ministries of Church Planting, Associational Partnerships, Missions Development (Cooperative Program, Stewardship and NCMO) and the new women's ministry, Embrace. This year, the ministries and responsibilities of the CPMD Group were enlarged and enhanced with the addition of the Partnership Missions Team and the affiliation of the BSCNC auxiliary, North Carolina Baptist Men.

Chuck Register began serving as Executive Leader for the Church Planting and Missions Development Group in January 2009.

Ashley Allen was named the inaugural Director of Embrace Women's Ministries and Missions. In March Embrace hosted the event "Legacy: A Mother/Daughter Retreat" at Caswell. Throughout the year Embrace Leadership Network events provided an excellent avenue for equipping and resourcing women's ministry leaders. Embrace seeks to train women in leadership and to come alongside them as they serve women through the local church and association.

Associational Partnerships

The Convention enjoys partnering in ministry with associational leaders and our staff is grateful for their servant hearts and faithfulness to making a difference in their communities. The Convention serves churches along with 80 associations across the state.

Each year Associational Partnerships hosts an associational missionary summer conference. This year's conference theme was "Developing Consultant Skills to Assist Churches." The guest

speaker was John Ewart, Director of D.Min. Studies and Distance Learning, Associate Professor of Missions, Southeastern Baptist Theological Seminary. The theme for our ladies conference this year was "The Many Hats We Wear." The guest speaker was Sandra Harrison, South Yadkin Association, and guest vocalist was Lana Chambers Smith, Statesville.

Bivocational Ministries also hosts an annual summer conference. "Church Relationships: Stretching our Faith While Surviving the Stress" was the focus this year, with special emphasis on Matthew 11:28-30. Conference participants at Caraway Conference Center heard from Lloyd Elder, President, Baptist Sunday School Board (ret.) and Bob Foy, BSCNC. Phyllis Foy shared time with the wives. The BSCNC has about 1,400 churches with bivocational staff.

Also sponsored annually is the Associational Staff/Convention Staff Dialogue. Each January, leaders dialogue about common ministry points in associations across North Carolina. Leaders learn from the ideas of others and encourage one another in their evangelism opportunities. This year's emphasis was "The Path Forward," Proverbs 4:26.

The retired directors of missions banquet in December invites leaders and their spouses to Caraway to fellowship and share how the Lord continues to work in their lives. Associational Partnerships helps associations fill ministry positions and provides training for search committees. Through Ministry Partnership Agreements the local associations partner with this office in outreach such as church planting, resort ministry and ethnic and language ministry.

Another resource offered by this office is demographic services for associations and churches. Understanding the demographics of an associational area can help leaders be more effective in their planning and outreach. Convention churches can access this information through the Percept organization at the Web site www.link2lead.co. This year Percept added advanced features to allow leaders to view demographic data not only in their association, but within a certain mile radius of the association. Leaders can also view the demographics of other associations.

Chuck Register, Executive Leader, Church Planting and Missions Development Group; Lester Evans, Senior Consultant, Associational Partnerships Team, Western Region; and Betsy Roland, Associational Partnerships Ministry Assistant, continue to serve associational staff as we search for a new Team Leader.

Associational Partnerships foster cooperation among North Carolina Baptist churches, associations and the Convention as we serve together and minister in the name of Jesus Christ.

Conference Centers

This year the North Carolina Baptist Assembly at Fort Caswell celebrated its 60th anniversary. Nearly 7,000 students attended youth weeks at Caswell. Hollifield Leadership Center offered training events to help transform, encourage and equip congregations through teaching, leading and coaching. Truett Camp hosted the Western Happiness Retreat, Junior Music Camp and Youth Music Week. Caraway Conference Center and Camp's creation-based environmental education program, "ACORNS," experienced tremendous growth. This unique opportunity allows Caraway staff to share about the wonders of God's creation with public school children.

Church Planting

The Lord blessed the Baptist State Convention of North Carolina with a total of 108 new church plants last year. This consisted of 27 Anglo, 26 Hispanic, 10 Asian and eight multi-ethnic churches. Others were African-American, cowboy, biker, Montagnard, Hmong and African churches. These new church plants made 209,600 evangelistic and cultivative contacts.

For the reporting year, North Carolina Baptist churches baptized 22,139 people.

One of the primary components of the church planting process in North Carolina is Basic Training for Church Planters, a weeklong training event. This year we trained 121 people at this event.

The Church Planting Team continues to fulfill the Great Commission by thinking globally. Frank White, Senior Consultant for Anglo and African-American Church Planting, journeyed to Newfoundland to assist in planting a new church. Ralph Garay trained 150 pastors in the Philippines. Consultant Amaury

Santos traveled to Spain to equip pastors and leaders.

Missions Development

The theme for the 2009 North Carolina Missions Offering and Week of Prayer was "Love Your Neighbor" (www.ncmissionsoffering.org). This offering is the visible expression of North Carolina Baptists who desire to impact eternity. The offering supports the work of NC Baptist Men, church planting and evangelism, missions education and promotion, associational projects and mission camps. By supporting this offering and week of prayer, North Carolina Baptists work to impact God's world for eternal change to God's eternal glory.

Another way North Carolina Baptists make missions a priority is by giving through the Cooperative Program. "10 or more" became the new Cooperative Program theme, urging churches to commit 10 or more percent of their undesignated receipts through the Cooperative Program.

During 2009 awards were presented to the 20 churches leading North Carolina Baptists in percentage (of their undesignated receipts) giving during 2008 through the Cooperative Program. Dudley Shoals Baptist Church in Granite Falls led churches with more than 400 resident members and Riverview Baptist Church in Washington led churches with fewer than 400 resident members.

Disciple-making Culture

Congregational Services seeks to lead North Carolina Baptist churches in creating a disciple-making culture in which lives are changed by the power of God.

Congregational Services assists churches in Sunday School, church administration, church building and planning, music and worship, children's ministry, preschool ministry and family ministry.

This year a North Carolina Bible driller took home the top prize at the national tournament in Louisiana.

About 250 pastors, staff and lay leaders attended the Comeback Church Conference featuring Ed Stetzer and J.D. Greear. Congregational Services also sponsored marriage enrichment weekends to help couples encounter God and surrender to His original design for marriage.

The Pastors' Discipleship Network offered teleclasses and webinars throughout the year to encourage pastors as they journey with Christ and disciple others.

Scholarships

This year more than \$980,000 was awarded, with more than 660 students receiving scholarships through the North Carolina Baptist Scholarship Program. Students applying for the Baptist Scholarship were required to answer two essay questions: "Give your personal testimony" and "How is the Cooperative Program relevant to today's generation?" Returning applicants answered the essay question, "How has your testimony been affected by attending a Baptist school?" Repeatedly, the response is the student's faith has been strengthened through the friendship of Christian friends, professors and administrators. For some, their experiences led them to surrender to a call to preach, teach or be on the mission field. They want to be on mission with God wherever He leads.

Hunger

Through a partnership with more than 80 churches, associations and the North American Mission Board, the Hunger Office distributed more than \$150,000 to feed hungry men, women and children in North Carolina. Ministries include backpack buddies, kids café, food pantries, crisis centers and lunch buddies. Each of these ministries is unique, yet they all have one thing in common – feeding people and sharing the Gospel of Jesus Christ.

Proclaiming the Gospel

The Intentionally Evangelistic Church Strategy (IECS) remains the primary strategy for winning North Carolina to Christ. The IECS strategy seminars are moving from exclusively state meetings to more seminars on the associational level.

The annual Revive Us Again statewide prayer conference was held at Biltmore Baptist Church in Arden. Regional prayer conferences were also held at locations across the state. More than 80 churches in North Carolina experienced Church Renewal Weekends involving more than 8,094 volunteers and church members. These weekends recorded at least 385 rededications and 53 professions of faith.

A "Great Commission Resurgence" conference was held February 16 at Southeastern Baptist Theological Seminary and February 23-24 at Ridgecrest

Conference Center. Speakers included Bruce Ashford, Robert Smith, Ed Stetzer, Chuck Lawless, Sammy Gilbreath, Stephen Rummage, Danny Akin and David Platt.

The youth team from the Baptist State Convention of North Carolina offered North Carolina Baptist churches training in youth Sunday School, missions, discipleship, worship, transitions after graduation and youth ministry planning. Nine youth training events were held this year.

The Convention and the College at Southeastern partnered to sponsor a youth evangelism conference February 15 at Southeastern Seminary. More than 1,200 youth attended, and decisions included 25 first time professions of faith, 18 rededications and 11 called to full-time Christian ministry.

Retirements/Appointments

Dan Ridley, music and worship team leader, retired after 11 years of serving North Carolina Baptist churches. Wayne Oakes, senior consultant in pastoral ministries, retired after 13 years of service. Jeanie Whitehead, Bible Drill Ministries consultant, also retired.

David Horton was named president of Fruitland Baptist Bible Institute.

COUNCIL ON CHRISTIAN HIGHER EDUCATION

The Council on Christian Higher Education correlates the work of the Baptist State Convention of North Carolina with the educational institutions affiliated with the Convention. The Council promotes Baptist College Day and the Baptist State Convention's North Carolina Baptist Scholarship Program.

At the request of the presidents of Campbell University, Chowan University, Gardner-Webb University, Mars Hill College and Wingate University, the Baptist State Convention officially established a new relationship with these colleges and universities during its annual session in November 2008. This new relationship now affirms these five schools as "affiliated educational institutions" and grants them the freedom to select their own trustees as they see fit. Reciprocally, unrestricted Cooperative Program (CP) funds forwarded to the affiliated educational institutions will decrease annually, and by 2012 the schools will no longer receive unrestricted CP funds.

In the establishment of this new, mutually amenable relationship, the following commitments were made. One, the affiliated educational institutions will elect a significant number of trustees who are members of churches in friendly cooperation with the Convention. Two, the Convention will provide scholarships to students attending the affiliated educational institutions as funds are available. Three, the affiliated educational institutions will continue to report to the Convention and have one vote each on the Council on Christian Higher Education. Four, the deans of the divinity schools at the affiliated educational institutions will be members of the Council on Christian Higher Education.

In 2008, the new North Carolina Baptist Scholarship Program awarded 732 scholarships to North Carolina Baptist students: 316 attend Campbell, 41 attend Chowan, 203 attend Gardner-Webb, 66 attend Mars Hill and 106 attend Wingate. This year, the scholarship program approved 663 scholarships: 206 to Campbell students, 37 to Chowan students, 217 to Gardner-Webb students, 74 to Mars Hill students and 129 to Wingate students.

Churches can find further details concerning the new North Carolina Baptist Scholarship Program by requesting a video entitled "The Case of the Missing Scholarship File." Please contact the Council on Christian Higher Education office at the Baptist Building in Cary to request this video. Please help us promote the new scholarship program within your church.

The Council has received many inquiries concerning the possible expansion of the scholarship program to include additional schools. While the Council will consider this in the future, the current downturn in CP giving prevents the Convention from being able to fund an expansion in the number of scholarships at this time. The priority in this difficult economy is to fulfill our existing scholarship commitments.

The Council on Christian Higher Education requests your prayerful support as we work together to find ways to promote, support and encourage both Christian higher education and theological education for North Carolina Baptists. Our aim is simple, but immense: we seek to fill communities in our state, our

nation and around the world with men and women who possess both a quality Christian education and a Christian worldview of which the churches of this Convention can be proud.

Report on the Cooperative Program for Baptist Associations

by Mike Creswell, Senior Consultant

Baptist State Convention of North Carolina

About 4,200 congregations are now affiliated with the Baptist State Convention of North Carolina, a number that has risen steadily in recent years.

North Carolina Baptists start a new church every three days on average and support some of the most effective ministries in our state, such as the Baptist Children's Homes of North Carolina, a summer youth program for some 7,000 young people, a scholarship program which last year provided more than \$1 million in scholarship aid to Baptist students, and many other ministries.

Beyond that we support some 11,000 North American and international missionaries across the U.S. and Canada and in more than 180 countries around the world. Our six seminaries, including Southeastern here in our state, are attended by some 13,000 students, one of the biggest programs of its kind in the country.

Our North Carolina Baptist churches and our programs are increasingly multi-cultural; we speak more than three dozen languages in our churches as we sing, preach and pray on Sunday.

This extensive program of missions and ministry is funded by churches by their contributions through the Cooperative Program. It is a simple approach.

Each November people from the churches meet in an annual session and adopt a budget, which determines the ministries they want to support. During the year the churches send the Cooperative Program funds to the Baptist State Convention office in Cary and there the accountants send the money on to Kingdom work far and wide, according to the budget.

That simple plan has helped Baptists work together effectively since 1925. Pastors and lay people, men and women from the churches, serve on the boards and committees which oversee they work they support.

The Cooperative Program is the heart of our work together.

The Cooperative Program office works to keep this vital missions support system before North Carolina Baptists. Here are some highlights on our work.

"10 or more" became the new office theme, urging churches to commit 10 percent of their undesignated receipts or more through the Cooperative Program. Although generally church income has generally increased rapidly in the past 30 years, church giving through the Cooperative Program has actually declined as churches have given a declining percentage of their receipts.

In fact, 1989 was a sad year for the convention. It was the first year Southern Baptists decreased their Cooperative Program by more than \$100 million, compared to what they would have given had their continued giving an average of 10 percent.

Certain Proof: Early in 2008 we printed and mailed more than 500,000 copies of an eight-page piece called "Certain Proof" to all convention churches, a copy for most households in the churches.

A Spanish language edition went to the approximately 140 Hispanic churches now affiliated with the Baptist State Convention.

Certain Proof DVD: We also sent to each church and association a DVD with 10 short video clips about Cooperative Program ministries, intended to be used during services, as during offering times.

Other materials: The office also produced posters, bookmarks and a new mini-brochure to promote the Cooperative Program.

Association report: We sent each association a report on the Cooperative Program giving for the churches that belong.

Ads: Ads in the Biblical Recorder newspaper, NC Baptist Phonebook and other outlets highlighted churches which have led in Cooperative Program giving.

Recognition: During 2009 awards were presented to the 20 churches leading North Carolina Baptists in percentage (of their undesignated receipts) giving during 2008 through the Cooperative Program, including the top 10 churches with more than 400 members and the top 10 with fewer than 400 members.

Dudley Shoals Baptist Church in Granite Falls led churches with more than 400 members by contributing 24 percent of its undesignated receipts through the Cooperative Program.

Riverview Baptist Church in Washington led churches with fewer than 400 members by contributing 23 percent of its undesignated receipts through the Cooperative Program.

Triad Cowboy Church, Archdale, was second in percentage giving by churches with fewer than 400 members, sending 20 percent of its undesignated receipts through the Cooperative Program. This cowboy church, which holds some of its services in a barn with a dirt floor, is only a few years old and was started with support from the Cooperative Program.

New churches: These get Cooperative Program information early; senior consultant Mike Creswell taught Cooperative Program giving to church planting missionaries during three week-long training sessions, plus other training events for Asian and Hispanic church planters.

Similarly, he introduces the Cooperative Program to ministers new to North Carolina who attend several get-acquainted sessions at the Baptist Building each year.

New affiliates: During 2008 Creswell visited and introduced the Cooperative Program to more than two dozen churches which requested affiliation with the Baptist State Convention. North Asheville Baptist Church in Asheville moved to affiliate with the convention in July 2008; it is a 1,600 member church which had previously been an independent church.

Creswell also spoke on the Cooperative Program and missions to many churches, either individually or through On Mission Celebrations held through associations. He also spoke to graduates of Southeaster Baptist Theological Seminary in Wake Forest, NC, ahead of spring and winter commencement services.

Writing about and photographing Baptist work is another way Creswell promotes the Cooperative Program.

Another assignment of the CP office is to coordinate promotion of the North Carolina Missions Offering (NCMO) and Week of Prayer in September. The good news on this promotion using the theme, "Eternal Impact," was that the \$2 million goal was met. Along with coordinating the creation and distribution of promotional materials, Creswell also wrote articles and made photos of work funded through NCMO. The months-long campaign was recognized by an award from the Baptist Public Relations Association.

Mrs. Amy Torcasso, ministry assistant, continues to play a key role in the work of the office.

The office continued to work with Crown Financial Ministries to hold seminars to instruct participants in the Bible's teaching on Christian stewardship and planning began on five Crown seminars held in North Carolina during early 2009, in cooperation with Crown and the Executive Committee of the Southern Baptist Convention.

The two biggest challenges the CP office faces:

-- getting churches to increase the percentage they contribute through the Cooperative Program; and

-- educating the many people joining NC Baptist churches these days who have no understanding of missions, missions support or Baptist polity.

Report for 2009 Book of Reports

Office of the GuideStone Team of the Baptist State Convention of NC, Inc.

The GuideStone Team of the Baptist State Convention of North Carolina with Team Leader, Johnny Ross, and Administrative Assistant, Betty Pleasant, take seriously the mandate to serve the churches affiliated with the Baptist State Convention of North Carolina, Inc. in the following areas of ministry for church employees: insurance coverage, planning for retirement, staff compensation with a focus on the appropriate structure and administration of pay for church employees, and the complex topic of ministerial tax issues. By conducting regional/associational/local church training conferences, and individual consultation, both on-site and via the phone and internet, many church employees and key lay leaders have been trained and brought up-to-date with new legislation and court decisions. In particular a concerted effort was made during this past year to interpret the new IRS 403(b) Regulations which became effective January 1, 2009. Thirty regional and associational conferences were conducted across the state reaching over 700 persons from more than 500 churches. This remains an ongoing emphasis since the IRS extended a one year grace period for churches to be in compliance with written documents in place effective January 1, 2010. In addition, we work closely with GuideStone Financial Resources in Dallas to provide financial assistance to those elderly ministers and widows of ministers who live under financial duress and need ongoing and/or one time assistance through Mission:Dignity. Over 200 persons from North Carolina received financial assistance through this ministry last year!

This past year has been a very difficult year economically with a dramatic downturn in productivity globally. Retirement plans, including those of many church employees in the church retirement plan, have been hit especially hard in the past 18 months. Yet, GuideStone Financial Resources of the Southern Baptist Convention remains in a strong position financially. Since its beginning in 1918 and continuing until today, GuideStone has not missed making a benefit payment to those who have entrusted their retirement monies to this agency of the Southern Baptist Convention. The Church Retirement Plan, jointly administered by GuideStone Financial Resources and the Baptist State Convention of NC, remains the very best retirement plan on the market today for employees of our churches. With the two protection benefits (survivor and disability) and the matching dollar incentive no other plan comes close to providing protection for today and security for tomorrow for our church employees. To validate this point please note that during the calendar year 2008 in North Carolina 120 church employees on disability received \$639,917.02 and 36 deaths resulted in payments totaling \$258,382.28 to their beneficiaries. Without the faithful giving of our churches through the Cooperative Program Missions Budget these financial payments could not have been paid. Repeatedly, I am very pleased to inform our employees of these great benefits!

Finally, we wish to serve all of our churches and their employees with the appropriate information and products to meet their needs. For more information call the Baptist State Convention of NC at 1.800.395.5102 extensions 5594 or 5595, visit our Web site at www.ncbaptist.org, call GuideStone at 1.888.984.8433, or visit the GuideStone Web site at www.GuideStone.org.

Stewardship Report for Associations

by Mike Creswell, senior consultant

Baptist State Convention of North Carolina

Clearly, God wants us to understand stewardship.

That's why more than 2,300 verses in the Bible teach about money and possessions -- more than four times the number of verses on faith.

The Bible teaches that God created all things and He continues to own all things. He asks us to care for the world while we're here, but we're really just looking after things for Him. That's the concept of stewardship. We are stewards -- caretakers -- for Him. A steward's outlook is a major part of Christian discipleship. Jesus taught about stewardship through His parables.

In Matthew 23, Jesus affirmed the Old Testament's teaching that God's people should return a tenth of their income to Him. Christians should give to their church week by week, in keeping with their income, Paul teaches in 1 Corinthians 16.

But Christian giving is not about meeting minimums! Paul teaches about abundant giving in 2 Corinthians 8 and 9. God gave His only Son for us and that sets a high standard for our giving! Paul teaches in 1 Corinthians 4 that Christians are also entrusted with Christian teachings as well; here, too, faithful response is called for.

Matthew 28, Acts 1 and Romans 10 teach that faithful response includes sending missionaries across the county, across the state, across the nation AND to the ends of the earth. Clearly, a church whose members are not stewards cannot support missions as it should.

Sadly, many Baptists have not come to understand stewardship nor integrated it into their lives. Studies have shown the typical Baptist gives only about 2 percent of his income through the church. Thus, if all members tithed, the typical Baptist church would increase its income five times.

Your Baptist State Convention is responding to stewardship needs in two main ways.

First, the convention is partnering with Crown Financial Ministries so that convention

churches can use Crown's excellent Bible study materials for small group study. Pastors whose churches have used Crown materials say the effect on their congregations has been impressively positive.

Crown teaches both money management skills and Bible-based stewardship concepts. Studies have shown that, three years after completing a Crown small group Bible study:

- members had reduced debt by an average of 38 percent;
- a third of the members had no debt;
- savings had increased by 58 percent;
- giving to the church had increased by 70 percent;
- prayer increased for 46 percent of the members;
- Bible reading had increased for 64 percent of the members;
- marriage relationships were strengthened for 78 percent of the married couples.

North Carolina Baptists can get reduced prices for Crown's teaching materials. Crown also offers free budget coaching to people who are struggling with bills and debt.

A second way the convention can help churches with stewardship is through the free loan of materials. Through the convention website, pastors and members can borrow books, DVDs, teaching programs and other resources that will help them understand and teach stewardship.

For more information on both these possibilities, contact our office at 1-800-395-5102, x5539.

Annual Meeting: Beulah Baptist Church

October 17, 2011

Registration began at 3:30 with the assistance of Alice Caviness, Susan & Jerry King.

Meeting was called to order by Moderator, Rev. Tim Fonner

Rev. Johnny Henderson, Chairman of the Associational Meetings Committee made a motion that the order of service be adopted. This was unanimously accepted.

Dr. Neal Jackson welcomed the association to Beulah Baptist Church in the booming metropolis of Bennett, N.C. Dr. Jackson led in an opening prayer.

Congregational hymn, "Since Jesus Came Into My Heart" was led by Beulah's minister of music, Mr. Mark Landers. Pianist was Joanne Riley. Organist was Wanda Ellington.

The treasurer's report was given by Susan King and approved as presented.

Chairman of the Budget/Finance Committee, Rev. Kenneth Reaves then presented the proposed budget for 2012. These are trying times, but God is still on the throne. We're going to trust Him.

Proposed meetings for 2012 places and speakers were presented by Rev. Johnny Henderson. These were approved as recommended.

Congregational hymn "Leaning on the Everlasting Arms."

Rev. Gene Booker conducted the memorial service. He used his mother's tattered, torn and taped Bible to illustrate how many of these saints had lived their lives. He read from her Bible, 2 Timothy 4:6-8 and then read a poem "The Bridge Builder" by Miss Will Allen Dromgoole.

After reading the name of each member who has deceased this year, he led in prayer.

"He's Everything to Me" was sung by Beulah singers.

Dr. Sells comments:

He asked that everyone read his report in the Book of Reports. He said pastors will be receiving a DVD about the association. It tells a little about where we've been and where we hope to go. It high-lights a few things we've done and what we want to do. He is also putting together a Church Health team. Once established and trained, they will be able to help some of our struggling churches. He is currently putting together some material for them.

October is Pastor Appreciation Month. If you haven't done anything special for your pastor yet, Steve encouraged us to do so.

He then introduced Rev. Doug Davis for the afternoon sermon.

Rev. Davis spoke on "Partnership." His text was I Cor. 3: 5-9.
He said the issue is not what you get out of the Randolph Baptist Association.
The issue is not what you give to the Randolph Baptist Association.

The issue is when we share ...

1) *We accomplish more:* *More Done* *verse 6*

Biblical example: Paul planted; Apolis watered; God gave the increase.

Local example: Triad Cowboy Church and Jerome Davis partnered together to conduct a rodeo on Saturday. It is the largest one day junior rodeo east of the Mississippi River. It may be the only Christian Junior rodeo. Doug gave a message during the rodeo and gave attendees an opportunity to make decisions for Christ. He said he thought he was being very optimistic when he assembled 90 packets to be given to those who responded. They not only gave out the 90 packets, but more New Testaments they had with them also. He said at least 68 were saved and other decisions made, as well.

2) *Compliment each other:* *Better Done* *verse 8*

3) *Glorify God* *Divinely Done* *verse 9*

It is God's work and God's kingdom. The same God is on the throne during this recession as was on the throne during prosperity.

We supply: our time, our talent, our treasure

RBA churches are in partnership. He said nobody is getting it done like Southern Baptists. God supplies the wisdom and the resources.

4) *Reap the harvest* *Fruitfully Done* *verse 7*

Since we had some time before dinner, Moderator, Tim Fonner asked if anyone had anything they'd like to say. Clyde Comer, Asbury Baptist Church announced that they had called an interim, Rev. Wayne Bryson and that he was doing an excellent job.

Rev. Bryson was actually there and introduced himself.

Rev. Johnny Henderson reported how persecution continues in India. He and Renea spent some time there during the summer. With the price some will pay to serve God, we have nothing to complain about.

Rev. Kenneth Reaves mentioned that Rev. Marty Grainger, Pastor of Cedar Grove and Pastor K'Them of the Montagnard mission were present. He called them forward. Marty told how the Montagnards helped the US Soldiers during the Vietnamese war. There are currently around 8,000 Montagnards in NC. Pastor K'Them is trying hard to reach them for Christ. He preached 5 times on Sunday. He is currently working with 10 Southern Baptist Churches in NC and has planted six. He is sold out to Jesus Christ. Pastor K'Them has a plan for training Montagnard church leaders and pastors. The opportunity for us to help him is here. Pray for him and for his wife, Nia Suong.

We then took up a love offering for them and their ministry. We received \$796.00.

While the offering was being taken, The Beulah trio sang, "Just a Closer Walk with Thee."

Rev. Doug Davis said he didn't know how much but Triad Cowboy Church would pledge a monthly donation for them and he challenged other churches to do the same.

Jamie Brown, Beulah's Youth Minister led in the benediction and blessing upon the dinner. All were advised to go to the gym where we were treated to a delicious dinner.

Following dinner, we were gifted with some very special music.

The Beulah Choir sang "We Have Come Into This House to Praise Him."

Congregational hymn, "Praise Him, Praise Him" followed.

The choir, along with soloist, Mark Landers then sang, "How Great Thou Art."

Moderator, Tim Fonner led in a prayer.

The Beulah Choir sang, "You are God Alone."

Congregational hymn, "Glory to His Name" was next.

To top it off, Mrs. Tracy Glockle sang a solo, "Who Am I?" She was accompanied by Annette Bouldin.

After all that beautiful music, Dr. Jackson preached a powerful message from Psalm 126: verses 5 & 6. The greatest thing a man can do is bring a lost soul to Jesus.

- 1) **The task of a soul winner** is to go forth.
Our service, such as singing in the choir, teaching Sunday School, etc. are chores.
The real work is in the field winning souls.
- 2) **Seeds Sown by a Soul Winner**
There are 132 contacts with Jesus recorded in the Bible:
6 in a temple
4 in a tabernacle
122 out in the world.
The point is not how great we are at soul winning,
But how consistent we are at soul winning.
- 3) **Tears of a Soul Winner**
The biggest problem in our churches today is that pastors are not shedding enough tears over their congregation
- 4) **Triumph of a Soul Winner**
Rejoice:
Sow in tears
Reap in JOY!!!!!!
They that sow in tears shall reap.....

Beulah Baptist Church

In the rolling hills of the North Carolina Piedmont, sits a church on a hill. This church was established because thirty-one like-minded believers wanted a church house closer to where they lived.

Beulah Baptist Church, formerly of the Sandy Creek Association, now of the Randolph Association, is located in the southeast corner of Randolph County. The church was organized and constituted a Missionary Baptist Church on July 13, 1902 by a presbytery consisting of Rev. W. H. Lawhon and Rev. L. R. Dixon. Fall Creek Baptist Church had granted letters to thirty members and a Ramseur church had granted a letter to one member for the purpose of establishing a church at the junction of Randolph, Chatham, and Moore counties. These thirty-one charter members consisted of eleven brethren and twenty sisters. Upon the completion of the organization, the name "Beulah" was chosen for the new church.

Over the past 109 years, 12 ministers have gone out of Beulah Baptist Church into full time Christian service. The church continues to place strong emphasis upon missions.

Beginning on the second Sunday in September 1902, a revival meeting was held under a brush arbor near the site of the present church building. Rev. W. H. Lawhon preached the meeting. At the conclusion of the services, Rev. Lawhon was chosen pastor of the church. There were ten converts from this meeting that were baptized on Friday of the meeting by Rev. Lawhon. He continued to serve the church as pastor through 1909, during which time the church enjoyed consistent growth.

Upon the resignation of Rev. Lawhon, three pastors served from 1910 to 1932: Rev. Lovie Soots, Rev. W. H. Strickland, and Rev. A. G. Lassiter. During Rev. Lassiter's pastorate, a 20' by 50' addition was built onto the church and added greatly to the comfort, convenience, and appearance of the church.

Rev. Colon Strickland accepted a call to serve the church as pastor beginning in 1932. Under his ministry the church added eight Sunday school rooms, giving accommodation to a growing Sunday school. The enrollment grew to 203 with an average attendance of 164. Preaching services increased from once a month to twice a month. In 1940 a two-story education building was added and a year later, a front entrance replaced the porch entrance.

Rev. C. M. Floyd accepted the pastorate beginning in February 1949. Basement rooms and a heating system were added to the original structure as a result of the ever-growing Sunday school.

Rev. Van Porter pastored from 1953 to 1955. In 1954 construction of the church pastorium began. A building fund was started with a decision to build a new church across the road from the original structure, led by Rev. Clifton Dunevant in 1958.

God blessed the church and ground was broken for a two-story 44' by 124' Sunday School building in November 1960. Completed in 1961, this building housed Pastor Benny Maness' study, four large assembly rooms, library, education offices, five restrooms, and rooms for a departmentalized Sunday school for 520 people. At the end of construction, the \$20,000 indebtedness was paid off in less than

one year. The goal at this time was to begin work on the sanctuary when the church had \$10,000 in the building fund. This goal was accomplished in August 1963.

The construction of the new sanctuary began in November 1963 under the leadership of Dr. Curtis Barbery. The cost was \$250,000. One of the main attractions of Beulah Baptist Church is the 97-foot steeple which can be seen for many miles throughout the countryside. This towering, high colonial style structure is on the highest area in the community, overlooking the site where the cemetery and old church was located. This present sanctuary has a seating capacity of 520. The church has a balcony, baptistery, and a choir area for 50 members. The combined square footage of the sanctuary and educational building totals 24,000 feet.

Dr. Barbery dreamed of having a youth camp, which could be used for a multitude of programs. His dream was realized when work began on a gymnasium in 1971. The building houses a dining area with fireplace, a full stainless steel kitchen, a regular size gymnasium, a small chapel, exercise rooms and an activity area. It also has a lobby, four restrooms, and a concession area. The camp area includes a lake, a playground, a lighted ball field, and volleyball court.

In 1973 a second pastorium was built on the recreational facilities site for Beulah's first assistant pastor, Rev. Nolan Jackson. In 1984 a second educational building was completed which houses the church offices, six restrooms, nine classrooms, a conference room, a fully equipped kitchen and a multi-purpose room which serves as a dining area. When the building was completed it was debt free (having cost one-half million dollars).

Beulah Baptist Church partially supported a radio ministry known as the "*Beulah Hour*" that reached over 12 states for more than 25 years. After 40 years of shepherding Beulah Baptist Church, Dr. Barbery retired in 2003. Rev. Stacey Layne pastored the church from April 2003 until February 2008. Rev. Gene Booker served as interim pastor until the church called their present pastor.

On December 13, 2009 Beulah Baptist Church extended a 100% call to Dr. Neal Jackson to become Pastor. Dr. Jackson was born into Beulah when his father was serving as Associate Pastor from 1970-1977. His grandfather, Evangelist Maze Jackson of Decatur, Georgia, preached many revivals at the church through the years. Pastor and Mrs. Jackson are the third generation of Jacksons that God has allowed to love and invest in the lives of the people here.

In March of 2011 the church began the "*Truth for Today*" television broadcast that can be seen across the nation.

Presently, the church congregation continues to grow. Plans have been made to begin construction of a new sanctuary and more Sunday school classrooms in the summer of 2012.

RBA Winter Quarterly Meeting: Maple Springs: January 24, 2011
Registration Assistance: Calvin & Ann Brower & Susan King

Pianist: Judy Bullins
Choir, directed by: Audrey Thompson

Meeting was called to order by Moderator, Rev. Tim Fonner. He read Ephesians 3:20 and asked that we accept the order of service as presented. This was approved.

Rev. Howard McNeill, Host Pastor, thanked us for blessing Maple Springs by having our meeting there.

Congregation sang, "Praise Him, Praise Him" under the direction of Ms. Debbie Moran, RBA Music Director.

We then entered into the Business Portion of our meeting.
Treasurer, Susan King presented the end of year statements, which were accepted.

Finance Committee Chairman, Kenneth Reaves reported on the finance committee's meeting. Boyce Wilson has completed his audit and says all monies are accounted for. Also, that Boyce had recommended that we purchase Power Church Plus and that the accounting then be done in house, contracting Powell & Powell to do the payroll only. This report was received as presented. Rev. Reaves then went on to say that as we come together as a group of baptized believers, we can reach this county for Jesus Christ.

Nominating Committee Chairman, Henry Moore recommended that we elect Linda Kesler as VBS Director for the association. This was also approved.

Dr. Sells announced that Rev. Kenneth Reaves has been called by Balfour Baptist Church to be their pastor. He has been serving there as interim.

Dr. Sells went over a list of upcoming events, which are attached.
There was no miscellaneous business.

The Choir, led by Audrey Thompson sang, "Arise" and "Hear Our Praises."
This was an excellent choir who truly sing for the Lord.
The congregation then sang "To God Be the Glory," again led by Ms. Debbie Moran.

The message, delivered by Rev. Howard McNeill, was entitled "Trusting God." His text was I Kings 17: 7-16.

The first portion of his sermon concerned the *Call to Faith*.

God allowed the brook to dry up because He wanted to move his man, to get his attention. He sent Elijah to a widow. He tests her by asking her to provide for him. She explains to him that she's about to make her last bread for her and her son to eat, and then die. All she sees before her is death.

Just as 80% of Randolph County residents are unchurched. They have no interest in church and can't see past their present situation. We are called to show them. God calls the widow to step out in faith. When she obeyed, He was there. Where has God called us? Where has God called RBA? Where has God called our churches? If we obey, He'll be there.

The second portion of the sermon was the *Crisis of Belief*.

These were life and death consequences.

Henry Blackaby says we reach a turning point where we must make a decision about what we believe about God. At this point, our beliefs seize being talk and begin being walk.

If we are obeying God, it's on Him, not us. It's God's responsibility. Some of our churches are at a crisis of belief. How we respond reveals what we really believe.

Then we come to the *Witness of the Blessing*.

The widow took a step of faith. God provided for her, her son and Elijah. God keeps His promises. Hebrew 13:5 says He will never leave us, nor forsake us. When God does something miraculous, give testimony.

We don't need His miracles today, because we only attempt to do what we know we can do ourselves. We play it safe. God called us to step out. He didn't tell us it would be safe or easy. We need to attempt something God-sized. If we are going to reach this county for Jesus Christ, God will have to do it. When we try something so big, God has to do it and then we have to tell it!!! He's waiting for us!!!!!!!!!!!!!!!!!!!!!!

Tracy Marsh, Youth Minister at Maple Springs, then led in the benediction and the blessing on the food.

Attendance:

21 churches represented

45 messengers

3 alternates

13 pastors

for a total of 82 present.

Spring Quarterly Meeting
Liberty First Baptist Church
April 11, 2011

Meeting was called to order by Moderator, Tim Fonner.

Welcome was extended and an opening prayer by Pastor Brian Harrington.

Rev. Harrington said they were excited to host the meeting and thought it quite appropriate for the association to be meeting in their church during the year they are celebrating their 125th anniversary.

Martha Ray led the choir in a call to worship: "Here I Am to Worship."

Rev. Fonner then said we'd begin the business portion of our meeting with the treasurer's report from Ms. Susan King. The report was accepted.

Chairman of the Credentials Committee, Rev. Garland Hall then gave a recommendation from them that RBA accept Firelight Baptist Church into the association under watchcare. The recommendation was approved. Pastor Fred Ashley and several members of the church were in attendance.

Dr. Sells then recognized new pastors:

Pastor Ashley said he sometimes calls his church the Firelight Misfits, as he feels called to make misfits into disciples. He said there are a community full of lost and he wants to win them and disciple them for Christ.

Rev. Boyd Jackson has been called as pastor at Deep River. He has been there about two months. Rev. Jackson said he and his family were excited to be at Deep River and in the Randolph Baptist Association.

The congregation then sang, "How Great Thou Art" with Ms. Debbie Moran leading and Martha Ray playing the piano.

Associational Missionary's comments:

Steve said this was the most exciting Sports Expo ever. This was our 3rd annual one. He said RBA really made an impact with this event. He asked "When's the last time you heard of 70 people being saved in any one event? There were also 48 recommitments and over 100 people reported they were not in any church. Contact info will be sent to every pastor along with a letter.

Every church involved had a part in those decisions. The cost was paid for by churches giving extra and from the RBA budget, as well as some from BSCNC evangelism.

He then reported on the registration for the night:

37 messengers, 4 alternates, 17 visitors and 17 pastors for a total of 75 present.

Dr. Sells then told about the ministry to the Montagnards meeting at Cedar Grove. He introduced Pastor K'Them and his wife, Nia Suong. A veterans group has given 100 acres in the southwestern part of the county to Montagnards. This is a great opportunity for reaching these people for Christ. Pastor K'Them said before coming to Christ, most

Montagnards worship idols. Appreciation was expressed to Marty Grainger and Cedar Grove for allowing them to meet in their facilities. Pastor K'Them has a dream for training Montagnards in theology, and an educational program for church leadership. There are currently 5 Montagnard and five other denominational churches for them in the state of N.C. He would offer a 3 year course as well as seminary extension courses. Dr. Sells asked that we all put Pastor K'Them and Nia Soung on the top of our prayer list.

He then told us about a Hispanic mission meeting at Ramseur First Baptist, called Roco Eterno (Eternal Rock), pastored by Joaquin Martinez.

He reported our W. Virginia partnership continues to work out.

The congregation then sang, "Because He Lives."

Rev. Brian Harrington then brought the message from Phil. 2: 5-11.

He confessed to being an NC State fan. He said we try to be loyal fans: wear the team colors, go to the games and cheer. We are college fans, NASCAR fans, professional ball team fans.

How much time do we spend being Jesus fans?

Do we even know how to be on Jesus' team?

First, we have to have the same mind-set of Jesus. We must be consistent. We must live our lives in such a way that other people can see us as Christ. Jesus emptied himself, humbled himself even to death on the cross.

To be on his team requires obedience. Jesus was obedient to the point of saying, "Not my will, but yours." If we are obedient, there will be a pay off at the end.

Paul speaks of anyone in Christ being a new creation. If we are obedient, the whole world can be saved. If we join Team Jesus, the whole world can be made new.

Vice Moderator, Greg Arnold closed in prayer and blessing on the food.

Summer Quarterly Meeting
Gravel Hill Baptist Church
August 22, 2011

Moderator, Rev. Tim Fonner called the meeting to order.

Pastor of Gravel Hill, Rev. Danny Hosler welcomed the association to the church and led in an opening prayer. He also announced that long-time missionary Joan Furr died and asked that we remember that family in prayer.

The puppet ministry from Cross Road Baptist Church presented "Giving God a Hand." They sang: Raindrops Keep Falling on my Boat, Jesus Saves,
All Prayed Up Jesus Loves Me and Country Church.
The puppet ministry is led by Ms. Dremia Archibald.

We are so grateful to them for coming and to Debbie Moran for getting them.

The congregation sang, "Tell Me the Story of Jesus." Debbie led the singing and Rita Diehl accompanied on the piano.

Moderator, Rev. Tim Fonner said we would then go into the business portion of our meeting.

Treasurer's report was given by Rev. Kenneth Reaves, Chairman of the Finance Committee. He said we need to really praise God because we are so very blessed. He announced the vision banquet to be held on Friday night, August 26 was now opened to messengers. The treasurer's report was received and approved.

The nominating committee chairman, Henry Moore said serving on the nominating committee had been a real treat. With a few additions, the nominations were approved.

Rev. Scott Walker represented the Credentials Committee. He presented Joaquin Martinez, church planter of a Hispanic mission meeting at Ramseur FBC. The mission is named "Roco Eterno" and wants to come under watch care of RBA. Scott said we're here to stand shoulder to shoulder with them. The messengers voted to receive "Roco Eterno."

Drema Hill made mention of the Church Profiles being revised this year. They have really been stream-lined. She encouraged the church clerks to get them into the office by October 1st so the deceased can be recognized at the annual meeting.

Rev. Mike Nixon gave a report on the Randleman Lake Ministry. He said when he left Oakwood Park, he prayed about what to do next. Finally, he felt led to begin a ministry for fishermen coming to Randleman Lake on Sunday mornings. He began on Easter Sunday. After about six weeks, he realized it just wasn't working. The fishermen would not stop and listen. Ladies groups at Glenola, Union Grove and Maple Springs began putting together some goodie bags for him to distribute. He also gives them New Testaments and the Roman Road plan of salvation. The fishermen seem to appreciate these.

Dr. Sells then talked briefly about the Vision banquet. He talked about where the association is and where we want to go.

He drew attention to the pink sheet in the packet. On this sheet, is printed a list of items needed for teachers in the Potomac Highland Association. This is the association with which we are in partnership.

He then recognized Cross Road Baptist Church as the top giver to Lottie Moon Christmas offering in RBA and Mt. Lebanon as the top per capita giver to the same offering. He recognized Asheboro FBC for having the largest increase in giving to the Cooperative Program.

We have one new pastor, Rev. Todd Moore at Mt. Pleasant. He could not be here, due to a meeting at the church.

He recognized Don Blanton for his dedicated service in helping install "Power Church" for the association's bookkeeping needs. Don also helped Drema get started using the program.

Rev. Jeff Johnson, pastor of Clear View Baptist Church brought a powerful message entitled, "Waiting on God." The scripture text he used was Acts 1: 4-8.

Rev. Johnson said we don't like to wait, but waiting is a part of being children of God. We need to learn to enjoy the wait.

3 promises from God when we wait:

1. We become a new person
The Holy Spirit abides in us. Edifies, builds up and imparts hope in us.
2. We obtain a new purpose
A secret purpose for each of us
3. We receive a new power
It is well documented. At least 28 other times in the Bible, the power of the Holy Spirit is mentioned.

The Holy Spirit is our power source.

We're not getting more of the Holy Spirit.

The Holy Spirit is getting more of us!!!!!!!!!!!!!!!!!!!!1

Rev. Johnson had a powerful message and presented in a most inspiring way.

20 churches were represented at the meeting with:

It's hard to believe that another year has past. It has been a year of wonderful opportunity and it has been a joy and privilege to serve in this great association. I look forward, with great anticipation, to next year as we work together to reach our world.

This has been a year of real growth in ministry. We have added two new churches under the watch care of the association and look forward to the day that we can bring them in as full members of the association. One is the Fire Light Baptist Church (they have now taken over the building of Greystone and will be called Fire Light Baptist Church at Greystone). The other is Roco Eterno (Eternal Rock) a Hispanic congregation that meets at the First Baptist Church of Ramseur.

We have been busy this past year. Here's what we've been doing and some of the results:

- In the Journey Support Group (Sexual Abuse Group) we had 27 participants.
- In Divorce Care we had 22 participants.
- In Grief Share there were 37 participants.
- In the Associational Music Conference we had 18 people from 6 churches participating.
- 3 churches completed Truth Project.
- NC BAM (North Carolina Aging Ministry) – last year – 1 roof, 4 wheel chair ramps and one other home repair.
- NC BAM this year so far– 6 wheel chair ramps.
- Teen Xtreme – hundreds attended and 32 were saved with 42 making commitments to Christ.
- At the Sportsmen's Expo we had: 900 attending, 66 were saved with 47 commitments.
- At Life Way Counseling Center we subsidized 6 people in 2010 and 6 so far this year.
- The Media Center has served 21 churches this year.
- We have partnered with the churches in a church planting/missions /ministry venture.
- We have provided training opportunities for the local church pastors/leaders/committees/teams.
- We have assisted in strengthening church ministries through church health projects.

- I have worked hard to encourage and assist the pastor/staff members of our churches.
- It has been a joy to have preached in and visited many of our churches this past year.
- I have received a great blessing as I have prayed daily for our churches and pastors.

This is not by any means an exhaustive list of all that has been done but this gives a clear picture of how your association is at work seeking to minister to the churches, pastors and community.

Next year will, I anticipate, be even more challenging and exciting. Please pray for me as I lead the association and pray for and support the association in its efforts to minister in this coming year.

BAPTIST CHILDREN'S HOMES OF NORTH CAROLINA

(July 2010-July 2011)

Kourri (pronounced Cory) is always smiling. The teen rarely appears glum. Her enthusiasm for life, family, friends, and her future, overflows.

"Everybody has ups and downs," Kourri says, "Today, my ups are all about Jesus."

Kourri's life has changed abundantly since coming to live at Baptist Children's Homes in 2009. Before, Kourri smiled very little. Her family lost everything in Hurricane Katrina. Kourri moved with her father, step-mother and sisters from their home in Louisiana to North Carolina. But instead of a new start, turmoil developed within the family. Kourri became angry and depressed.

Needing help, Kourri's father and step-mother turned to Baptist Children's Homes. There, things began to change as the Christian houseparents and staff cared for Kourri by showing her God's unfailing love.

But the most important transformation in Kourri's life occurred on November 22, 2009; it was the day Kourri accepted Christ as her Savior.

"My life has drastically changed," she says. "I no longer desire to follow anyone but Jesus."

And through Baptist Children's Homes, Kourri's relationship with her family has been healed.

Kourri's faith shines as brightly as her smile. She openly shares her faith with others. "I encourage other people to follow Jesus."

Kourri's inspirational story is the centerpiece of Baptist Children's Homes' Annual Offering. Learn more about Kourri by watching year's video. The video will be available online at www.bchfamily.org/offering or call 1-800-476-3669 ext. 1209 to order a DVD.

Children's Lives Changed...

Kourri is among the countless children whose lives have been forever changed through the ministry of Baptist Children's Homes. In 2010, 74 residents accepted Jesus as Savior! Christ is at the heart of all that is accomplished at Baptist Children's Homes. Houseparents provide a Christian home to boys and girls. Daily devotions, church involvement, and prayer are hallmarks of the statewide ministry. We celebrate every life that has been transformed in the name of Christ.

BCH Completes Year-Long Celebration. . .

Baptist Children's Homes of North Carolina observed its historic 125th year anniversary on November 11, 2010. Residents, staff members, churches and friends participated in a year-long "Quasiquicentennial" celebration comprised of a multitude of creative events.

One of the year's prominent highlights occurred at the 2010 Annual Session of the Baptist State Convention in Greensboro. On the evening of Monday, November 8, 2010, 250 Children's Homes' residents, alumni and staff members delivered an inspirational 25-minute presentation to messengers. Many in the audience were moved to tears as they heard the testimonies of past and current residents whose lives were changed through Baptist Children's Homes' Christ-centered ministry.

Children's Homes Receives Perfect Reaccreditation. . .

The exceptional quality of Baptist Children's Homes' statewide ministry and services was officially confirmed in February 2011 when the organization received its reaccreditation by the Council on Accreditation (COA). With no faults cited in the review process, BCH scored perfect on all 667 standards.

In addition to the flawless outcome, one of the reviewers stated that out of all the faith-based organizations he has visited none were on par with Baptist Children's Homes when it came to the organization's commitment to carry out ministry.

The reaccreditation process is a necessary one for Baptist Children's Homes and other agencies offering similar services. Reaccreditation means BCH has met the highest national standards and is delivering the best in quality services.

Baptists Rally for Food Roundup. . .

Boys and girls living at Baptist Children's Homes know whenever they sit down for a meal, the delicious food that fills their plates was provided through the generosity of North Carolina Baptists. The "Food Roundup" in April successfully united churches and other friends in collecting needed food, supplies and gift cards for residents. Baptist Children's Homes serves more than 700,000 meals and snacks every year.

Girls Camp Welcomes First Resident. . .

The dream of providing a residential wilderness camp to help at-risk girls has come to fruition. With her arrival on February 28, 2011, fourteen-year-old Katie became the first girl accepted at Camp Duncan in Aberdeen. Through the cooperation of North Carolina Baptist Men, more than 2,000 church volunteers transformed the 700-acre property into Baptist Children's Homes' new girls wilderness camp. The camp serves as a complement to Cameron Boys Camp near Southern Pines, a program that has provided help to boys and their families since 1980.

Volunteers Make Odum Home Shine. . .

Groups from nine Baptist associations rallied together to donate both time and resources to renovate two children's cottages at Odum Home in Pembroke. Volunteers from within the community and around the state have revitalized Indian Memorial and Latta Harnett

The Wide Reach of Christ's Love

We are grateful to be partners in ministry with North Carolina Baptists, extending God's compassionate arms of hope and healing to the thousands of hurting people we serve every year. We are thankful for the prayerfully given financial support of our Pastoral Care ministries, which is translated into changed lives and renewed faith in Jesus Christ. By working together in the name of Christ, we are making a real difference in God's kingdom.

CareNet of North Carolina is our statewide network of 22 faith-integrated counseling centers.

A soldier who was injured in Afghanistan returned to Fort Bragg after being wounded. The depression that followed was heart breaking, as he felt disconnected from God and those he loved. With the compassionate help of a CareNet counselor, he gradually recovered and found God's love in new and life-giving ways. He shared with the counselor, "Thank you for helping me find my way through the dark times. I am so grateful to feel at peace and to know God's love on a deeper level than I ever imagined."

In 2011, we are extending the reach of BSCNC churches through nearly 36,000 hours of faith-centered counseling to over 6,000 clients. We will serve nearly 3,000 N.C. Baptists and subsidize over \$684,000 in the costs of their counseling. Thanks to the Cooperative Program, fees are affordable and no one is turned away because they can't pay.

The Center for Congregational Health provides consultation ministries and leadership training to churches and clergy, including many in the BSCNC.

When a N.C. Baptist church nearly split, the deacons contacted us for assistance. We sent an experienced Baptist pastor, trained in conflict management, to re-establish trust and facilitate healing of broken relationships. Today the church is thriving and serving Christ locally and around the world.

In 2011, thanks to the support of the Cooperative Program, we will help nearly 270 churches discover renewed hope, and provide professional training for almost 700 clergy and church leaders.

Our Chaplaincy and Pastoral Education department provides training in Clinical Pastoral Education (CPE) to clergy and shares Christ's love through ministry to our patients and their families.

A chaplain was called to comfort a severely burned man who was crying and alone. He felt hopeless, thinking God was punishing him for sins of his past. The chaplain listened with a heart of compassion and reassured him of God's love and forgiveness. The patient saw in the chaplain's eyes a reflection of God's grace – and seeds of hope were planted.

In 2011, we will train nearly 40 ministers and seminary students in life-changing CPE and provide care to patients through over 40,000 ministry contacts.

The Mother's Day Offering

Teresa and Cody

North Carolina Baptists gave \$616,532 to the Mother's Day Offering in FY 2011, helping patients in serious financial need pay their hospital bills in the name of Jesus Christ and His love! God uses every gift to draw people closer to Him in life-changing gratitude.

"My husband and I cried tears of relief when our child's hospital bill was paid by the Mother's Day Offering," said Teresa. "He lost his job and we've struggled hard. We were so worried and had nowhere to turn. We could never say thank you enough! My husband is young in the Lord and this really encouraged his faith. My son was amazed to see what God can do. We know this was God's love at work and we are forever grateful."

The Minister's Subsidy

Ministers (and their families) who serve NC Baptist churches receive a subsidy of up to 25% for their hospital bills for care received at Wake Forest Baptist Medical Center. In FY 2011, the subsidy was \$110,651. This is made possible by the earnings of our WK McGee endowment fund with help as needed from the Mother's Day Offering.

Additional Highlights at Wake Forest Baptist Health

Brenner Children's Emergency Department opened in 2011. This state-of-the-art pediatric ED expects to see over 31,000 patients annually.

Wake Forest Baptist Medical Center is ranked among the nation's best hospitals in *US News and World Report* (2011-2012).

The 2011-2012 "Best Doctors in America" listing includes 288 Wake Forest Baptist physicians.

Information and Appointments: For an appointment with one of our physicians, please contact HEALTH ON-CALL at 800-446-2255 or 336-716-2255. Please visit www.wakehealth.edu, to learn more about our services.

Closing Words from the President

On behalf of the dedicated staff across the Wake Forest Baptist Health system, we are thankful to NC Baptists for their partnership in our sacred mission. God is at work through what we do together, changing lives and giving hope to those who entrust themselves to our care. Please call on us whenever we can serve you, your family or members of your church.

2011 Associational Annual Report
Biblical Recorder
“Connecting North Carolina Baptists”

Just because something is old does not mean that it cannot be new again. The *Biblical Recorder* has served as the news journal for North Carolina Baptists for 178 years. A publication that has communicated to six generations would certainly be considered old. But, this ministry did not survive by doing the same thing year after year. Newness has been embraced for every generation. Adjustments to cultural trends and human conditions have been the standard throughout our history.

We are an information conduit which serves in partnership with North Carolina Baptists as we fulfill the Great Commission of our Savior. Part of our information never changes – the truth of God’s word. But the news of how that scripture is being applied in our day is always fresh. The stories are more abundant than we can report and as exciting as the book of Acts.

This year the *Recorder* has experienced unusual change. We have a new editor, some new staff, a new logo design, a new web site, new printed edition design, along with a new vision of serving our Lord. We have stated our mission as three primary functions:

1. We will be biblical. We are committed to living up to the first word in our organization’s title.
2. We will focus on fulfilling the Great Commission. This is the assignment Jesus gave us before He left this earth, with the promise to return again some day. Until He returns we will be intentional with His final command.
3. We resolve to glorify God. He is glorified through the obedience of His children to every command of scripture.

The content of the print version and the content of our website reflects these three functions of our mission. Our commitment to this path is the best way we know to stand with the pastors, church leaders and churches of North Carolina as we serve Almighty God together.

We want to help your members be stronger in every way: stronger in their personal walk with God, stronger in their support of their church, stronger in their involvement with Baptist missions and ministries in North Carolina, stronger in their work with international missions. This blesses your church and honors God. Regardless of what you have perceived the Recorder to be in the past, this is our present focus and commitment. We want to help you!

But we cannot help you and your membership if the *Biblical Recorder* is not in your hands. So, subscribe today and encourage your fellow church members to subscribe, also. This will allow us to become a tool of information and connection in North Carolina. We will inform you and we will be an instrument of connecting you to your fellow Southern Baptist partners in Kingdom work.

The *Biblical Recorder* receives support through your gifts to the Cooperative Program, allowing you to subscribe at rates which are much lower than the actual cost of production. We are proud to

be an agency of the Baptist State Convention of North Carolina since 1939. Thank you for your partnership in the Gospel of our Lord Jesus Christ. It is a privilege to join you in standing firm on the truth of scripture. "The grass withers, the flower fades, but the word of our God stands forever." Isaiah 40:8, NKJV

Report for 2011 Book of Reports

Office of the GuideStone Team of the Baptist State Convention of NC, Inc.

During this past year the GuideStone Team of the Baptist State Convention of North Carolina worked closely with GuideStone Financial Resources of the Southern Baptist Convention to provide ministry to the more than 4,000 churches in our state convention. The following information is a summary of those joint efforts.

1. Retirement Planning

- **Funding Rate Change**--during this past year the annuity funding rate was changed for the first time in many years because of changing economic times. Numerous conferences were conducted to make sure that those persons nearing retirement were informed and given the opportunity to annuitize a portion or all of their account at the 6% rate.
- **State Convention Protection Benefits**—for 2010 the following disability and survivor benefits were in place for retirement participants—119 persons received \$641,666.85 in disability benefits and 38 deaths resulted in a distribution of \$409,544.94 to beneficiaries.
- **GuideStone Funds**---ranked number eight among their 212 peers by fi360 Fund Family Fiduciary Rankings. The Extended Duration Bond was ranked number 1 among its 114 peers.
- **Guided Planning Services**—the first full year of providing financial investment advice to retirement participants has been well-received.

2. Insurance

- **New Health Care Reform Law**—GuideStone continues to provide ongoing information to churches as the new health care reform law is developed for full implementation by 2014. Updates are regularly posted on the GuideStone web site.
- **Multiple Health Care Insurance Options**—churches are given multiple options as they are strongly encouraged to provide health care insurance as a benefit to staff.

3. Staff Compensation

- A new brochure entitled *Compensation Planning Guide* has provided church committees and staff with a tool to provide appropriate structure of equitable compensation administered in the most effective way to satisfy legal guidelines.
- The 2010 Compensation Study has been widely used to assist churches in the establishment of equitable compensation for church staff compared to churches of similar size.

4. Mission Dignity

- GuideStone Financial Resources in Dallas continues to provide financial assistance to those elderly ministers and widows of ministers who live under financial duress and need ongoing and/or one time assistance through Mission:Dignity. Over 200 persons from North Carolina received financial assistance through this ministry last year!

Finally, we are honored to serve all of our churches and their employees with appropriate information and products to meet their needs.
